Sponsors of Tonight's Event

Seminole Boosters

John Slaton, FSU Varsity Club Chairman

Special Thanks to:

*Rob Wilson, FSU Assistant Athletic Director
Betsy Hosey, FSU Varsity Club Director*

On behalf of the FSU Athletics Hall of Fame and Recognition Committee, welcome to our annual induction of "the best of the best" in intercollegiate athletics.

We are very fortunate to enjoy an athletics program which reflects the integrity achieved by an academic institution with over 150 years of success.

Tonight we welcome seven outstanding new members to our Hall of Fame. It is always a thrill to see so many of our earlier inductees return to honor those who continue the tradition of Seminole excellence.

Special thanks tonight to Athletics Director Randy Spetman and his staff, our Varsity Club, and to the Seminole Boosters. They all work to provide the support and resources which give our student athletes the best opportunities to succeed for the Garnet and Gold.

We hope you enjoy this Hall of Fame/Varsity Club Weekend. It's a wonderful part of the year-long celebration that is Seminole athletics!

Sincerely,

Doug Mannheimer

*Chair, FSU Athletics Hall of Fame
and Recognition Committee*

TONJA BROWN
Track and Field - 1979-82

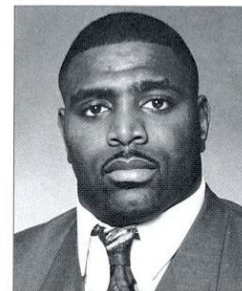

Tonja Brown was a standout athlete at Southwest High School in Bradenton, Florida and never slowed down over her four-year career with the FSU Track and Field program.

Brown was a four-time All-American for the Seminoles competing from 1979-82. She finished fourth at the same NCAA meet in the 100-meter hurdles and was All-American in the indoor 60-yard hurdles at the 1982 AIAW national championships.

At the time of her graduation in 1982, Brown held school records in the indoor 50-meter hurdles and 600-meter run, the 100 and 400-meter outdoor hurdles and was a member of the record-

setting 1982 Mile Relay team. She ran the five fastest times in school history in both the 100 and 400-meter hurdles.

Brown was instrumental in FSU's rise to national prominence in women's track. The Seminoles finished third in consecutive outdoor National Championships in 1981 (AIAW) and 1982 (inaugural NCAA). FSU was also second nationally at the 1981 AIAW indoor championships and fourth the next season.

SAM COWART
Football - 1993-97

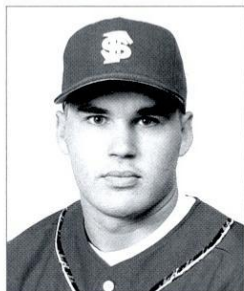

Sam Cowart came to Florida State after a great career at Mandarin High in Jacksonville and earned a place in the Seminole Hall of Fame with his great linebacker play.

Cowart was a finalist for both the Butkus and Bronko Nagurski awards as a senior in 1997. He was a Consensus All-American and was Football News' National Defensive Player of the Year.

Cowart's spectacular senior year was even more impressive considering he overcame reconstructive knee surgery following the 1995 season. He sat out 1996 and earned the ACC's Brian Piccolo Award as a senior for overcoming hard-

ship. Cowart led a '97 FSU defense that set a school record after allowing an average of just 1.5 yards per rush. His defense allowed an average of only 51.9 rushing yards a game and gave up just 571 yards on the ground all season.

The Buffalo Bills selected Cowart in the second round of the 1998 Draft and he played eight years in the NFL. He earned All-Pro honors with the Bills in 2000 and also played for the NY Jets (2002-04) and Minnesota Vikings (2005).

MARSHALL MCDUGALL
Baseball - 1999-2000

McDougall, a Jacksonville native, is best known for his performance against Maryland in 1999 when he blasted a NCAA record six home runs in one game. He also had a record 16 RBI and 25 total bases in the game played May 9, 1999 that shattered the NCAA records.

The Seminole second baseman went on to win the ACC triple crown in 1999 along with ACC Player of the Year. He started all 71 FSU games and led the nation in RBI and hits. He was voted Most Outstanding Player of the 1999 College World Series and was a consensus

All-American, a Golden Spikes and an NCBWA/Dick Howser Player of the Year finalist.

McDougall and Florida State reached the National Championship game of the 1999 College World Series, losing to Miami 6-5 and played four games in Omaha his senior season.

McDougall was drafted in the ninth round of the 2000 draft by the Oakland Athletics and reached the major league with the Texas Rangers in 2005.

STEPHEN PARRY
Swimming and Diving - 1996-1999

Stephen Parry earned individual NCAA All-America honors all four years and a total of eight times in three different strokes during his historic FSU career. At one time, Parry held the school record in the 200 Butterfly, 500 Freestyle, 200 IM, 100 Butterfly and 100 Backstroke. He helped lead Florida State to its finest run in school history with Top 20 finishes in each of his four years, including a ninth place finish in 1997 that remained FSU highest finish ever through at least the next 15 years.

As a senior in 1999, Parry and teammate and fellow Hall of Famer Brendon Dedekind were co-ACC Championship Swimmer of the Meet winners. He won the three individual events and was on three first place relay teams at the ACCs. He set the conference record in the 100 Backstroke in 1999 and the school record in the 200 Butterfly the same year.

Parry competed in the 2000 and 2004 Olympic Games as a member of the British team, earning a Bronze Medal in the 200-meter Butterfly in 2004.

CHRIS WEINKE

Football - 1997-2000

Florida State quarterback Chris Weinke literally rewrote the Seminole records books during his remarkable career as the Seminoles quarterback.

Weinke, who came to FSU after a five-year professional baseball career, led Florida State to a unanimous National Championship in 1999 as a junior and followed that by taking FSU back to the national title game as a senior and winning the Heisman Trophy.

A native of St. Paul, Minnesota, Weinke led the nation in passing as a senior in 2000 with 4,167 yards. He virtually swept the major awards that year by adding the Johnny Unitas Golden Arm, Davey O'Brien and a host of Player of the Year honors to his Heisman.

Weinke was the first three-year starter for Bobby Bowden and

had a 32-3 record as the starter. His passing efficiency as a senior was the highest ever for an FSU quarterback and ranked second nationally.

Weinke threw 79 career touchdown passes for the Seminoles and at the time of his graduation ranked 12th in NCAA history in TD passes and 18th in career passing yardage.

In addition to his remarkable on-field accomplishments, Weinke was awarded a national NACDA post-graduate scholarship for academic excellence and was an all-district Academic All-American. His jersey #16 has been retired by Florida State.

BROOKE WYCKOFF

Women's Basketball 1997-2001

Brooke Wyckoff was one of the top high school players in the country but chose to leave West Chester, Ohio to play for Sue Semrau and Florida State. She made an immediate impact setting an FSU record with 80 blocked shots as a freshman in 1997.

She went on to earn All-ACC honors as a sophomore and junior and capped her senior season with first team All-ACC honors as well as All-America honors. She was also FSU's only four-time Academic All-ACC performer and received an ACC postgraduate scholarship.

Wyckoff scored 1,350 points over her storied FSU career and finished as the second best shot

blocker the Seminoles have ever produced. She grabbed 804 career rebounds and was also ranked among FSU's all-time Top 10.

Wyckoff's role in returning FSU to women's basketball prominence cannot be overstated as she led FSU to its first winning season in nine years as a senior and into the NCAA Tournament for the first time in a decade that same season.

Wyckoff went on to play eight years in the WNBA with the Orlando Miracle, Connecticut Sun and Chicago Sky.

MOORE STONE AWARD ANDY MILLER

*President Seminole Boosters, Inc.
1975-present*

Andy Miller was hired as President of Seminole Boosters, Inc. in 1975 at the age of 24. He has served as CEO for 36 years shepherding the Boosters through explosive growth in fundraising (revenues increased from \$300,000 to over \$45 million per year). He has served six FSU presidents, three head football coaches, and seven athletic directors.

Miller conceived the idea for the University Center Complex, an innovative blend of academic and athletic services, resulting in 500,000 square feet of classroom office space for university needs and the nation's most impressive stadium. Miller also pioneered Heritage Grove, which is home to more than a dozen fraternities.

This third-generation Seminole created FSU's licensing and affinity programs and has been instrumental in land acquisitions enabling the

campus to expand its footprint by 25 percent. He's led three capital campaigns totaling \$200 million for athletic facilities and the scholarship endowment.

Together with athletics, the Boosters developed the master plan which led to the Basketball Training Center, renovation and expansion of Dick Howser Baseball Stadium, the Morcom Aquatics Center, the McIntosh Track Building, the Barry Smith and Mary Anne Styles soccer/softball building and complex, the Middleton Golf Building, the Speicher Tennis Center and most recently an indoor tennis facility.

Miller is a member of the Circle of Gold, past recipient of the Sliger Award, and now adds his induction as the Moore-Stone Award Winner.
