Florida State on Radio

The Seminole Sports Network will carry all 27 regular season games plus the Metro Conference Tournament throughout the state on Florida on the stations listed.

Bud Sports, Inc., a division of Anheuser Busch, St. Louis, owns the rights to the FSU network. The network originates in Tallahassee on flagship station WTNT (1270AM/94.9FM). Gene Deckerhoff is in his 13th year calling the play-by-play while the Seminole Sports Information Director Wayne Hogan has provided color commentary for five years. The Pat Kennedy Show can be heard five minutes before the start of every Florida State game and post-game wrapups also include Kennedy's analysis of the game.
