

Kennedy's Fourth Season
Three Years of Changes

**"How
about the
facilities?
How does
the Civic
Center
stack up?"**

**"We inherited a
great basketball arena
when I came here.
We've done some
things over the past
couple of seasons to
give it the big-time
college atmosphere,
and our win-loss
record at home attests
to the crowds."**

Kennedy has taken advantage of the outstanding Tallahassee-Leon County Civic Center arena to ignite an explosion in fan interest in Seminole basketball. Home attendance is up over 50% since his arrival.

Florida State could face as many as nine of last years' NCAA teams, including the always tough menu of Metro Conference foes.

Michael Polite got this jam and the foul on the Gators' Dwayne Shintzius in FSU's 104-86 romp over then top-20 ranked Florida. Polite, however, could not play after the sixth game when diagnosed as suffering from Guillain-Barré syndrome. The junior lost nearly 30 pounds from his muscular frame, but is back at full strength for this season.
