The Atlantic Coast Conference: A Tradition of Excellence

The Tradition

Consistency. It's the mark of true excellence in any endeavor. However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 45th year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 59 NCAA and AIAW championships, including 28 in men's competition and 30 in women's. In addition, 100 men and 24 women have earned the coveted title of NCAA champion.

If success is best measured in terms of wins and losses, then the ACC is unrivaled in NCAA history. ACC teams have captured seven NCAA basketball championships, including three straight between 1991 and 1993.

No conference has posted a better NCAA tournament record than the ACC since the NCAA's inaugural tournament in 1938. The nine current conference members have posted an NCAA Tournament-best mark of 251-135 for a .650 winning percentage.

In the decade of the 90's, the ACC success story is even more impressive as league teams have compiled a 88-40 (.688) NCAA mark, including 24 "Sweet 16" appearances.

North Carolina, the nation's second winningest team with 1,675 wins, captured NCAA championships in 1957, 1982, and 1993. NC State walked away with the coveted crown in 1974 and 1983, while Duke won back-to-back titles in 1991 and 1992.

Over the years, ACC basketball teams have gained global recognition through their NCAA Tournament and national television exposure. The 1997-98 ACC television schedule boasts an all-time high 206 appearances by its nine member institutions. ACC teams will have television appearances in 133 games during the course of the 1997-98 regular season.

An all-time high 67 of the league's 72 regular season conference match-ups will be televised as well as the league's four-day, eight-game ACC Tournament.

The ACC also stands at the forefront of intercollegiate athletics in terms of academic accomplishments of its' student athletes. Eleven times over the past 17 years, an ACC member school has claimed the CFA Academic Achievement Award which is awarded to a CFA member institution with the highest graduation rate among members of its football team. This past year, Duke captured the award for the ninth time with a perfect 100% graduation rate.

1996-97 In Review

The 1996-97 academic year concluded with the league pocketing three more national team titles and four individual NCAA crowns. In all, the ACC has won 26 national team titles in the last seven years.

The ACC's 1996-97 national champions were North Carolina in women's soccer and field hockey and Maryland in women's lacrosse. In addition, the ACC had two other teams participate in national title games - Florida State in football and Maryland in men's lacrosse. Overall, the ACC posted a 54-48 (.529) mark in NCAA tournament play.

The ACC placed at least one team in the Top 10 nationally in 16 of the 24 sports sponsored by the league. Other records of note during the 1996-97 season include 84 teams competing at NCAA Championships, four bowl teams, and 35 Top 10 showings.

Eight ACC teams, in six different sports, representing five of the nine member institutions, earned a No. 1 ranking during the course of the past academic year.

The ACC Academic Honor Roll record was broken for the 11th-

straight year in 1995-96 as 1,410 student-athletes were recognized for their work in the classroom.

The Championships

With the addition of women's lacrosse, the ACC conducted championship competition in 24 sports during the 1996-97 academic year - 12 for men and 12 for women.

The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf, and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University, October 6-8. Conference championships are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, and softball.

A History

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members-Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, and Wake Forest- drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia. The first, and only, withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation.

The conference operated with seven members until April 3, 1976, when Georgia Tech was admitted. The Atlanta school withdrew from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State.
