Triple

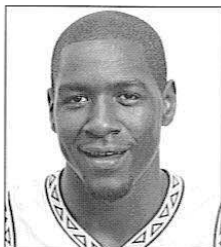

Threat

In 2002-03, senior guard Tim Pickett led the Seminoles in scoring, rebounds and swipes. Coach Leonard Hamilton thinks we haven't seen anything yet.

Tim Pickett is an All-America candidate as a senior entering the 2003-04 season. He was an All-ACC second-team selection and was named to the ACC All-Defensive team in a vote of the league's nine coaches and also by the media covering the conference. CRITICAL POINT

The play of senior point guard Nate Johnson will be a key to the Seminoles' success in 2003-2004.

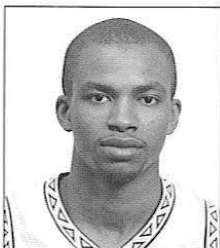

NATE JOHNSON • SENIOR • GUARD • 6-3 • 182 • KANSAS CITY, MO.

Nate Johnson is one of the top returning point guards in the ACC and a team leader for the Seminoles. He started every game as a junior and displayed his versatility playing both the point and shooting guard positions. As a senior he is poised to take the reins of the Seminoles' offense and become a catalyst on defense from the opening tip of the season and into the postseason in March.

“Nate Johnson is probably the player that has as much to do with us being competitive last year as any member of the team.”

Galloway's personal buzz-saw propelled the Seminoles to a 16-point second half advantage ... double-figure scoring in a career-high three consecutive games vs. Miami (11 points), Birmingham Southern (12) and Stetson (12) during which he averaged 11.7 points and shot .714 from the field (10-of-14) ... double-figure scoring in consecutive ACC games for the first time in his career at Virginia (12) and against Duke (13) ... **(vs. Clemson)** averaged 5.4 points, 1.3 rebounds and 1.7 assists against Clemson ... three points, one rebound and one assist as the Seminoles defeated the Tigers in Tallahassee (Jan. 21) ... was instrumental in Florida State gaining the victory ... went hard to the basket with the Seminoles down 59-58 and only five seconds on the clock ... despite missing his lay-up attempt good things happened for the Seminoles ... Anthony Richardson grabbed the rebound and was fouled on his shot attempt only four-tenths of a second before the buzzer ... Richardson made his two free throws and the Seminoles won their first ACC game of the season ... scored 11 points on five-of-seven shooting from the field including one 3-point shot as Florida State traveled to Clemson (Feb. 22) ... a second half lay-up gave the Seminoles a nine-point second half lead in their way to a 72-61 win over Clemson in the first round of the ACC Tournament in Greensboro (March 14) ... **(vs. Duke)** averaged 7.0 points, 5.5 rebounds and 5.0 assists against ACC Champion and NCAA Tournament participant Duke ...

Tim Pickett led the ACC and ranked tied for fourth in the nation with 82 steals. He will contend for All-ACC (for the second consecutive season) and All-America honors as a senior. Pickett and Johnson return as starters and started all 29 games last season. The 12 returning letterwinners on the 2003-04 Seminoles' roster have played in a total of 446 Division I games. Included in that total are 182 cumulative starting assignments and 12 starting roles in the ACC Tournament. Florida State made 186 3-points shots as a team last season, a total that ranks as the fourth-highest single-season total in school history. Of that total all 186 or 100 percent return to the court for the Seminoles next season. All-America candidate Tim Pickett made a team-high 84 3-point shots and was followed by three other Seminoles who made at least 20 3-points shots during the season. Florida State ranked 16th in the nation and second in the ACC with 273 steals and a 9.4 steals per game average. Of that total 86 percent or 235 total steals return to the court for the Seminoles this season.
