FSU's student-athletes contributed over 4,000 volunteer hours in service to the community in 2003-2004. They also helped to raise thousands of dollars in direct support to charities.

Florida State student-athletes volunteered their time working with students from every elementary and middle school in Leon County as well as schools in nearby Wakulla and Gadsden counties.

COACHING EXCELLENCE

When it comes to legendary head coaches, it is hard to argue anyone has been as fortunate as Florida State. The Seminoles have three coaches who have established records that rank them with the greatest coaches ever to roam an NCAA sideline.

Florida State is the only NCAA school with three coaches in the top 10 for all-time victories in their sport and in the top five in wins and winning percentage among active coaches. Mike Martin (baseball), Bobby Bowden (football) and JoAnne Graf (softball) have combined for 2,956 wins and each coach appears in the top two for either active winning percentage (Martin), active wins (Graf), or all-time wins (Bowden).
