

# Seminole BOOSTERS

**F**rom Miami to Minneapolis, and from Warsaw to Walla Walla, young men and women come to Florida State University to embrace its educational excellence, and to compete as a Seminole. Many would not have the opportunity to receive that college education without their athletic scholarship. These young people work hard, and proudly represent Florida State as a winner on the national stage, attracting the attention to our University that winners bring.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the student-athlete competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to an athletic program.

The last 15 years have seen a three-fold rise in the cost of athletic scholarships at Florida State. Today, more than \$300,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.
