

2006 Year In Review

- Florida State qualified for the NCAA Tournament for the 29th consecutive season, which is the second-longest streak in NCAA history. FSU's 44 tournament appearances are the second-most in the history of DI Baseball.
- With its run to the NCAA Athens Regional Championship game, FSU moved within two wins of the most Regional/Super Regional wins in NCAA history and the Seminoles have now played 184 games in the Regionals and Super Regionals. More than any school in America.
- The Seminoles extended two amazing streaks with their run in the ACC Tournament. Florida State is still the only ACC school to win at least one game in every ACC Tournament it has played in. FSU is also on a 15-year streak of winning at least two games in an ACC Tournament. That is the longest current streak of any team.
- FSU won 17 straight games at one point this season and spent three weeks as the No. 1 team in the nation in Collegiate Baseball's poll. FSU was the top-ranked team in America in back-to-back weeks in three of the four major baseball polls as well.
- Bryan Henry was named an All-ACC first team selection for the second straight year. He became the first pitcher in Florida State history to record multiple first team selections.
- Tyler Chambliss made history as well. The junior was named second team All-ACC. In the process he became the first player in conference history to be named All-ACC as a starting pitcher and as a reliever.
- Shane Robinson became the first player in Florida State history to reach 100 stolen bases in his career. He finished his incredible FSU career in the top 10 in five different career categories.
- Robinson wasn't the only Seminole to have a record-breaking year. First-year starter Dennis Guinn tied a pretty remarkable record when he hit three grand slams in one season. Equaling a feat done just twice before by J.D. Drew and Jeremy Morris.
- Six Seminoles were named to the All-ACC Academic Team meaning they posted at least a 3.0 GPA in both semesters last academic year.
- Mike Martin eclipsed the 1,400 win plateau and finished the 2006 season with 1,433 victories. It is the fifth-most wins ever by a DI baseball coach.
- The Seminole head coach was elected to the American Baseball Coaches' Association Hall of Fame. Martin will be inducted in January of 2007.
- Florida State once again played the nation's top teams in 2006. FSU played 16 games versus teams that made the College World Series. The second-most of any team in the nation.
- The Seminoles played the longest game in school history and in the history of the ACC. On May 6, FSU and Wake Forest battled for 20 innings with Florida State eventually winning the game 4-3.

Back Again

Florida State made its 29th consecutive trip to NCAA Regionals in 2006, which is the second-longest streak in the nation behind only Miami (34). Overall, it was Florida State's 44th NCAA Regional, which is the second-most ever trailing only Texas. The Seminoles and Longhorns are the only two schools to ever play in 40 NCAA Regional Tournaments. The Seminoles are 147-98 all-time in NCAA Tournament play. Only three teams (Miami, Texas and USC) have more wins in NCAA Tournament play and the College World Series than Florida State and only nine schools in all of college baseball have more than 100 wins in postseason play. This was the first time in a decade that the Seminoles have not hosted an NCAA Regional as they opened the 2006 NCAA Tournament in Athens, GA.

Simply Special

FSU starting pitcher Bryan Henry is simply special. He is the rare player who not only is dominant on the field but a superior student-athlete off the diamond as well. Henry's combination of success on the mound and in the classroom put him in rare company. **The junior was one of just two players to be named a first team All-ACC selection and make the inaugural All-ACC Academic Team.** Clemson's Josh Cribb was the only other player to accomplish this special feat. That wasn't the only special accomplishment for Henry in 2006. The junior ace also did something that no player in FSU baseball history has done when it comes to ACC awards. **Henry was the first FSU pitcher**

FSU is No. 1

Mon., March 20: The Seminoles became the sixth team to sit atop the NCBWA Top 30 Poll, improving to 21-2 by winning three of four games this past week. North Carolina, also from the ACC, moved up to No. 2. Georgia Tech, last week's top-ranked squad, dropped to No. 5

- Complete poll
- Division II polls

to ever be named All-ACC first team twice in his career. For the second year in a row Henry finished with nine wins and a sub-3.00 ERA. He once again posted a K:BB of better than 3:1 and his opponent batting average was at .230 or less for the second consecutive season. Ten of Henry's 18 starts were quality starts and he had a streak of 27 2/3 scoreless innings, the third-longest streak ever at FSU.

Rare Company

Dennis Guinn was one of the biggest additions to the FSU line-up in 2006. The sophomore did not have a hit in 11 at bats last year but **Guinn won the first base job in preseason and hit .335 with a team-leading 12 homeruns and 69 RBIs.** He slugged .585 and his 32 extra base hits led the team. He already had more RBIs than any Seminole collected in 73 games in 2005. Where the sophomore was most impressive though was in clutch situations. **His clutch batting average (runners on, runners in scoring position, with the bases loaded and with two outs) was an impressive .357.** He led the team with a .402 average with men in scoring position and posted a .412 average with the bases loaded. Guinn was special when he got to the plate with the bases juiced. **He tied the FSU single season record for grand slams when he hit his third of the season versus North Carolina at the ACC Tournament.** That put him in pretty rare company. The only other Seminoles to hit two grand slams in a year are Jeremy Morris and J.D. Drew and they both did it in 1997. That year both of those players were first team All-Americans. **Guinn is the youngest Seminole to ever hit three grand slams in a season** though as Drew was a junior and Morris a senior when they set the record.

Weekly Rankings

There are so many amazing records surrounding FSU baseball. You have Marshall McDougall's six homeruns in one inning. The lifetime .730 winning percentage for the program. Some may say it's the 335 wins since 2000 while others will point to 12, 50+ win seasons since 1990. It is hard to argue with 29 consecutive NCAA Regionals as well. **For the 312th consecutive week the Seminoles are in the Top 25 of the Collegiate Baseball poll, which might be the most impressive record of them all.** The streak dates back to May 2, 1988 and once again FSU was ranked every week this season in the nation's oldest college baseball poll.

Save the Best For Last

There was a huge hole created in the Seminole bullpen when 2005 Stopper of the Year candidate and All-ACC second team selection Tyler Chambliss moved to the starting rotation. Chambliss went on to be named All-ACC second team and was a semifinalist for the Roger Clemens Award but the gamble wouldn't have been nearly as successful if weren't for Luke Tucker. The junior had an absolutely amazing season. Although his nine saves didn't rank him as one of the top closers in the nation, Tucker's numbers stack up with anyone. **The closer was 2-1 with a 1.06 ERA and if he had enough innings his ERA would have been the lowest in the NCAA. He also posted an opponent batting average of just .128 as well.** He appeared in 27 games and pitched at least one inning in 12 straight outings. **Tucker threw 34 innings and averaged 1.5 K's pre inning of work or 13.5 per nine innings.** He recorded multiple strikeouts in nine of his last 12 appearances, he had a strikeout in 10 straight games and at least one K in 23 of his 27 games. **There were only four games in 2005 where Tucker allowed a run** and he gave up just one earned run in his last 27 1/3 innings dating back to March 7. Right-handers hit just .094 off of him and he had a K:BB ratio of better than 3:1. **When Tucker came into a game to start an inning he was almost untouchable as only six of 31 batters reached to start off an inning** versus the Niceville, FL product.

Steal of the Century

Shane Robinson has been a terror on the base paths his entire career but it wasn't until the ACC Tournament that he cemented his name atop the career steals list at FSU. **With five steals at the ACC Tournament, Robinson took over first place all-time at Florida State with 99 in his career.** The All-American was 32-for-36 in 2006 stealing bases. Last season the center fielder swiped 13 bases before he was thrown out for the first time of the year. This year he stole 11 straight before being caught for the first time. **In 2005, Robinson swiped 27 consecutive bases at one point and his longest streak as a freshman in 2004 was 19.** Robinson's average is 34 steals a year, which he came just two shy of reaching in 2006. **The junior did however get the one steal he needed in the Athens Regional as he became the first Seminole to swipe 100 bases in school history.**

CAREER STEALS

Shane Robinson	100	04-06
Jose Marzan	98	84-87
Marc Ronan	95	88-90
Allen Bevis	91	89-92
Edwin Alicea	90	87-88
Brett Groves	87	98-01
Scott Zech	82	94-97
Mickey Lopez	82	93-95
Mark Barineau	80	81-83

Sweet 17

One of the highlights of the early part of the 2006 season was Florida State's 17-game win streak. After starting the season 3-1, **FSU won 17 straight games and was sporting the longest win streak in the nation.** The record win streak for Florida State was set back in 2002 when that squad won 25 games. **Starting the season at 20-1 was the fifth-best start in the history of the program.** The school record was set back in 1968 when that team went 24-1. There are only two Seminole teams since 1982 to lose just once in their first 20 games and those were the 2005 (22-1) and 2006 squads.

What a Frame

There were a lot of storylines in Florida State's 21-5 win over Brown Saturday, March 4. There was Ryne Malone's NCAA record-tying two homers in an inning. You had Dennis Guinn extend his streak of games with a hit and an RBI to 10. Then there was Barret Browning pitching five innings of one run ball but nothing could overshadow what took place in the fifth. In the bottom of the fifth frame, **FSU sent 20 batters to the plate, recorded 10 hits, batted around twice and scored 15 runs, the second-most in an inning in school history.** The 15-run fifth highlighted FSU's 21-5 victory over Brown. In the bottom of the fifth, the Seminoles recorded 10 of their 17 hits. Four players had multiple hits in the inning alone and Buster Posey and Tony Thomas, Jr. each had three at bats. The record for runs scored by an FSU team in one inning was 16 and that was set by clubs in the 1982 and 1992 seasons.

Exercising the Demon Deacons

There were a lot of memorable moments in 2006 but anyone who was with the team for all 65 games will never forget the Seminoles 4-3 win over Wake Forest May 6. **Twenty innings, five hours, 545 pitches and 132 at bats after first pitch, the FSU baseball team won the longest game in school history 4-3 over Wake Forest.** The Seminoles got a dominating performance from their pitching staff as seven pitchers combined to hold Wake Forest without an earned run and to shutdown the Demon Deacon offense for 17 consecutive frames. Reliever Barret Browning pitched six innings in picking up the win while Michael Hyde picked up the first save of his FSU career. **Dennis Guinn's RBI double in the 20th clinched the victory in the longest ACC game ever played.** While the game may have gone 20 innings beating FSU's previous record-long game versus Miami (17 innings in 2000) it was a fairly quick day. **The Seminoles and Demon Deacons played the 20 inning game in just 3:59.** The contest started at 1:03 and was done by 5:02. Compare that to FSU's 17 inning game versus Miami which lasted 6:07 and did not end until 1:09 a.m.

Draft Day

The Major League Draft is always a bittersweet time of the year for college baseball programs. While every school takes pride in seeing its players drafted, they also stand the chance of losing high profile juniors that coaches counted on for the next season. That was the case with FSU this past June when **two-time All-American Shane Robinson was selected in the fifth round by the St. Louis Cardinals.** Junior's Tyler Chambliss, Luke Tucker and Ryne Malone were all drafted as well. The only senior selected was left-handed hurler Barret Browning.

PLAYER	TEAM	ROUND	PICK
Shane Robinson	St. Louis	5 th	166
Tyler Chambliss	Kansas City	11 th	317
Barret Browning	Anaheim	28 th	852
Luke Tucker	Toronto	39 th	1170
Ryne Malone	Chicago (NL)	49 th	1459

Postseason Ace

Over the last two seasons there have been some FSU pitchers that have stepped up in a big way when it comes to postseason play. Bryan Henry threw a complete game in a win over Auburn in the 2005 NCAA Tallahassee Regional. In that same regional Kevin Lynch improved to 12-0 and picked up his 13th straight win in a career-high 4 2/3 inning appearance clinching FSU's seventh straight trip to Super Regionals. One of the unsung heroes of the last two post seasons though has to be Michael Hyde. The junior continued his postseason mastery in 2006 as he was brilliant versus JU in the opening game of the NCAA Athens Regional. The junior pitched five scoreless innings and limited the Dolphins to just two hits. He tied a season-high with five K's and walked just one batter as he raised his scoreless inning streak to a career-high 12 1/3 innings. **In four career starts in the postseason Hyde ran his record to 3-0 with a 0.70 ERA. He has 18 strikeouts and just six walks.** He has pitched twice in the NCAA Tournament and twice in the ACC Tournament and FSU has won all four of those games. The Tallahassee native's success in the postseason shouldn't come as a huge surprise as Hyde rarely loses. **Hyde has lost just once in his last 21 starts and 31 appearances dating back to March of 2005.**

FSU Starters & Their Starts

Defending Dick Howser

With FSU's win versus Winthrop, the 2006 Seminoles set a new record for the longest home win streak in school history. The previous all-time record was 26 games and that was done by three teams (1968, 1986 and 1991). The record FSU streak, set in 2006, actually started in 2005 after the team lost on May 1 to Virginia. FSU finished last season with 10 straight wins at Mike Martin Field and then went undefeated at home through the first 22 games. **The 32-game home win streak is six better than the second longest such run and the only home win streak of 20 games or more to carry over two seasons.**

HOME WIN STREAK

32	05-06
26	91, 86, 68
24	03
23	00
20	69
18	01, 99

T.A. Came to Play

Florida State designated hitter Travis Anderson probably hopes he ends up playing for the Jacksonville Suns one day because the junior just tore the cover off the ball at the Baseball Grounds during the ACC Tournament. The All-ACC Tournament selection was a terror at the 2006 ACC Baseball Championships. **The junior hit .643, slugged 1.214 and struck out just once in 14 at bats.** Four of Anderson's nine hits went for extra bases including two homeruns. **He led the team in average, slugging, runs scored, hits, doubles, homers and total bases.** The Bristol, FL native came into the ACC Tournament with 12 hits all season and recorded nine in the ACC tournament and he only played four of the five games. In 49 at bats he had scored seven runs. At the tournament alone he scored six. **He had as many**

homers as he had all season and bested his season total for total bases (11) by six in just four games played. Anderson played a prominent role for FSU earlier this season before a twisted ankle sent him to the bench in March. He had started eight games up to that point but only started four since returning March 14.

TRAVIS ANDERSON'S SEASON VS. THE ACC TOURNAMENT

	AB	HITS	RUNS	2B	HR	TB	RBI	AVG.	SLG.
Season	49	12	7	3	2	11	12	.245	.429
ACC's	14	9	6	2	2	17	4	.643	1.214

He Got It

Mike Martin crossed another milestone off his to do list with his team's sweep of Minnesota. With the 12-4 win in the second game of the series, **Martin became only the eighth coach in NCAA history to reach the 1,400 win-plateau** and only the sixth active coach to do so. **Of the eight coaches with 1,400 wins Martin has the fourth-best winning percentage and the second-highest winning percentage among active Division I coaches.** Of the top 10 coaches across all divisions for wins, only four coaches have a winning percentage above .700 and Mike Martin is among that group. Martin passed another legend with the team's second win over Savannah State as he moved into seventh all-time passing Hall of Famer Cliff Gustafson. **Overall, Martin ranks third in the DI 1,400-win club behind Stephenson and former Texas coaching legend Cliff Gustafson for winning percentage.**

Records current as of 7/1/2006 *active coach

Playing with Class

There is always two constants when you talk about Mike Martin coached teams. First off they are winners and secondly they handle themselves with class. If you have ever spent anytime with the legendary coach, you know how important it is to him that his players represent their University with pride and dignity. For the second straight season opponents have noticed that and recognized FSU. **The ACC Sportsmanship Award has been presented for just three years but for the second consecutive season it has gone to the Florida State baseball team.** Teams receiving the award have conducted themselves with a high degree of character and good sportsmanship, as determined by a vote of the league's players and coaches. The concept of these awards was created by the ACC Student Athlete Advisory Committee in an effort to recognize teams who earned the utmost regard from their peers during competition. As is stated in the conference's Mission Statement, "It [the ACC] strongly adheres to the principles of integrity and sportsmanship, and supports the total development of the student-athlete and each member institution's athletics department staff, with the intent of producing enlightened leadership for tomorrow."

Shut 'em Down

The FSU pitching staff had a pretty amazing season in 2006 with Bryan Henry and Tyler Chambliss leading the way. **Henry and Chambliss were a combined 21-8.** Henry, a two-time All-ACC first team selection, was never part of a shutout last season so the fact that he had a hand in four in 2006 was pretty amazing. **The junior's four combined shutouts were the second-most by any pitcher in the nation in 2006.** What makes it even more stunning is that **the four shutouts Henry and the bullpen combined on were more than the entire season total for seven of the previous 10 teams.** Henry wasn't the only pitcher to be in on a shutout though. Barret Browning and the bullpen shut out a top 25 team in Winthrop. Travis Burge relieved in three of FSU's shutouts and then Michael Hyde helped put the cherry on top of a stellar season. The junior combined with Burge to shutout Jacksonville in the opening game of the 2006 NCAA Athens Regional. It was the seventh shutout of the season for the FSU staff. An impressive feat. **The 2006 pitching staff had more shutouts than 23 FSU teams and was tied for the second-most shutouts by a Seminole staff in the last 10 years.**

1996	3

Busting on to the Scene

Buster Posey came into his freshman season with a lot of hype. The first-year player from Leesburg, GA was never supposed to step foot on the FSU campus as he was regarded as a possible first round draft pick by many experts. Not only did Posey find his way to FSU he made a huge impact from his first day on the diamond. **Posey started all 65 games at short for the Seminoles and was named a freshman All-American.** Posey finished the season second on the team with a .346 batting average and 85 hits. He recorded 20 extra base hits and was only held without a hit in back-to-back games twice all season long. **Posey recorded a hit in 52 of FSU's 65 games and of those 52 games with a hit, 27 were multi-hit games** meaning the freshman was more likely to record multiple hits in a game than one hit. He also surpassed the hit total for FSU's starting short-stops from 72 games in 2005 in just the first 44 games of this past season. He also drew 38 walks, which is an incredible number for a player in his first season of DI baseball.

Finishing With a Flurry

Shane Robinson's remarkable Florida State career came to an end when he signed a professional contract with the St. Louis Cardinals organization. The center fielder will go down as one of the greatest players to ever wear the Garnet & Gold. On top of being the only Seminole to ever steal 100 bases, Robinson finished his career in the top ten for runs, hits, doubles, stolen bases and hit by pitches. **Robinson is the only player in school history to finish in the top 10 in each one of those five categories.** The 2005 National Player of the Year, Robinson once again showed how clutch he was down the stretch for FSU just when the Seminoles needed him the most. **In the final series of the year versus NC State and then in the ACC and NCAA Tournaments, the Tampa native had a hit in all 12 games and multiple hits in six of those contests.** In his last 160 games, Robinson reached base via a hit or walk 154 times.
