

Bowden's Xth

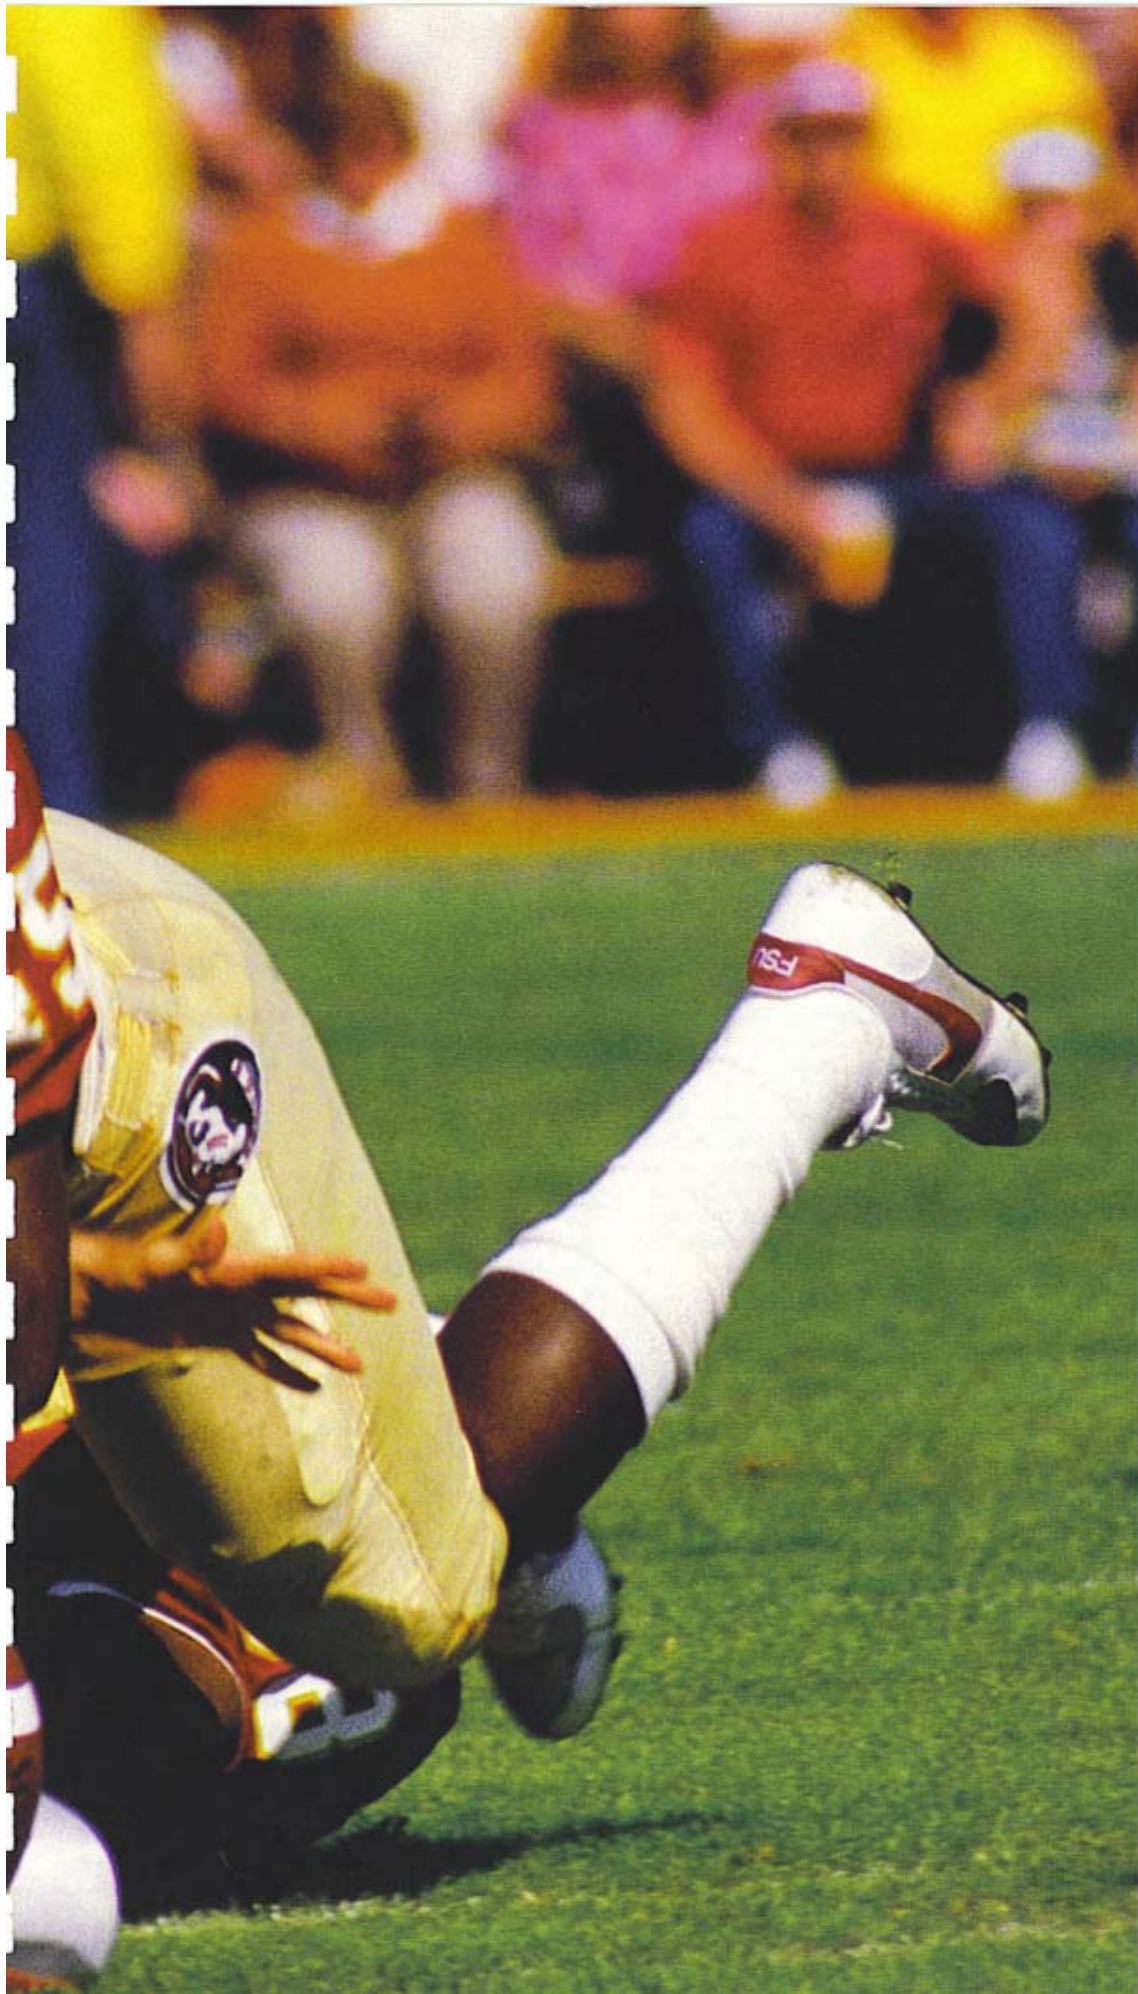

"He has the gift of making those in his presence feel important, as if, for the moment, they are the only people in the world. He has the humor to lighten any situation, the solemnity to signal the call that it's time to work. He can speak in evangelical revival tones when it's called for, can have you laughing and gasping for air when it's not. Football is, after all, a game to be enjoyed. It's also his line of work, his vocation. He has no trouble keeping the balance that puts it all in perspective."

—Joe Henderson, Tampa Tribune

"A lot of learning experiences and teaching experiences in football are so valuable. Football is not the only way —as some coaches think—but it is one of the ways, and very valuable to a young man."

Game Notes

This year's matchup has already been picked for national television by ABC Sports ... it was originally scheduled for Sept. 14 but has been moved up one week to fit into the national network slot ... this is the third game in the series that began in 1980 ... the first two games were in Lincoln and the Tribe left with a 1-1 mark in 1981 after a 34-14 loss ... that game was the opener of the famous FSU road trip that included, back-to-back, on the road: Nebraska, Ohio State, Notre Dame, Pitt and LSU ... in the Seminoles' initial trip to Lincoln, they pulled off an 18-14 upset in FSU's biggest victory in history ... the Cornhuskers return only four starters, its lowest number since 1964 ... I-Back Doug DuBose, who didn't start, led the Big Eight in rushing with 1,040 yards as a sophomore. ...

This 1985 game will be the 15th meeting of the schools since the series commenced in 1959 ... Although FSU has won four out of the last six, the Tigers still lead 7-6-1 ... the 17-17 tie last season was FSU coach Bobby Bowden's first tie as a head coach ... ironically, the Seminoles came back to tie Georgia in the Citrus Bowl by the same score ... Florida State needed a last-play 42-yard field goal from freshman Derek Schmidt to earn the tie ... Schmidt had not missed a field goal going into the game ... the Tigers will come back once again to Doak Campbell Stadium for a game in 1987 ... MSU quarterback Danny Sparkman returns to guide the Tigers once again after completing nine of 14 passes for 155 yards and two touchdowns vs. FSU in 1984....

FSU wideout Hassan Jones pulled in seven passes for 102 yards and two TDs as quarterback Eric Thomas threw for 357 yards, and four TDs ... Tigers still have Bo Jackson, the tailback who sat out last year's FSU game with a shoulder injury ... he ran for 123 yards vs. FSU in 1983 ... Auburn standout defenseman Gerald Robinson made five tackles vs. FSU, including two sacks, and he also blocked a field goal attempt ... Florida State returns to Jordan-Hare for the 1987 season ... the schools are scheduled to play each other into the 1990s ...

Game Notes

The only meeting of the two southern schools came in the 1983 Peach Bowl when FSU won 28-3 ... that loss was the first bowl loss for head coach Dick Crum and spoiled his perfect 6-0 post-season slate ... the two schools face no common opponents in 1985 ... like Florida State, the Tarheels play on a natural grass surface, at Kenan Memorial Stadium in Chapel Hill, N.C. ... a second year on the two-year pact will have North Carolina traveling to Tallahassee in 1986 ... the 1983 North Carolina game was FSU quarterback Eric Thomas' first collegiate start ... flanker Earl Winfield of UNC played in that game also, picking up 55 yards on four receptions vs. the Seminoles. ...

Game Notes

Miami retains a 15-13 series lead although FSU won last year 38-3... the Seminoles have won 12 of 20 games in Miami while the Hurricanes have won seven of eight in Tallahassee... the last time in Tallahassee, in 1983, then-head coach Howard Schnellenberger ordered a last second field goal to take a 17-16 win on UM's way to winning the national championship... four times in this series the score has been decided by one point... in 1984, freshman placekicker Derek Schmidt nailed field goals for the first three scores of the game, including a school-record 54-yard kick... Vinnie Testaverde, the heir-apparent to Bernie Kosar, did play in the contest a year ago, completing seven of 16 passes for 83 yards and one interception... Florida State and Miami have just one common opponent—Florida—in 1985... former UM quarterback Mark Richt is now a graduate assistant coach tutoring the quarterbacks for the Seminoles...

It's been four years, but Western Carolina still remembers Greg Allen and the Catamounts are thankful that he's graduated... that was the year, 1981, that Allen burst upon the college scene at WCU's expense, gaining 322 rushing and 417 all-purpose yards, still NCAA records... Florida State record books also reflect its rushing total that day of 479 yards in the schools' only meeting thus far that ended in a 56-31 Seminole win... Bob Waters, in his 16th season as head coach at Western Carolina, has coached at his school longer than any other opponent coach on the FSU schedule... the Seminoles and Catamounts had a common opponent in Tennessee-Chattanooga last season with FSU winning 37-0 against the Moccassins and WCU dropping a 10-6 decision... this game will be FSU's annual homecoming celebration...

Game Notes

Florida has now won four straight over the Seminoles and leads the series 20-6-1... the 28th meeting returns to Gainesville where FSU has won three times and tied once in 16 tries... last year's 27-17 Gator win was telecast across the nation by ABC-TV, the fourth time in six years that the networks have chosen to show the game... due to the Gators' probation, there will be no TV coverage for the next two years... Bowden is 4-5 vs. the Gators... UF tailback Neil Anderson rushed for 94 yards and fullback John L. Williams 66 a year ago... Florida finished #3 in the A.P. polls, its best ever... Tribe defensive coordinator Mickey Andrews spent the 1981 and 1982 seasons on the Florida coaching staff... Keith Ross, an FSU signee, had originally signed with Florida in 1982 before playing professional baseball for two years...

Seminole Radio Network

The Seminole Sports Network, a regional radio network covering three states, brings Florida State football to fans, alumni and college football enthusiasts throughout the Southeast.

In June of 1985, Anheuser-Busch Sports Productions acquired the broadcasting rights to the network. Anheuser-Busch Sports Productions is a division of the Anheuser-Busch Marketing Department in St. Louis, Mo. The company already produces the St. Louis Cardinal Baseball Network, the University of Illinois Sports Network and two nationally broadcast weekly programs.

The network's 60-plus stations, including the local WTNT in Tallahassee, make it the state's largest collegiate network.

Gene Deckerhoff

Gene Deckerhoff is in his second year as a full-time staff member at Florida State as its radio and television coordinator although he has been a member of FSU's football broadcast team for the past seven years.

Deckerhoff joined the Seminole athletic family in November of 1983 after five years at WCTV Channel 6 in Tallahassee where he served as sports director and sports anchor. Entering his seventh year as the "Voice" of the Seminoles, Gene first teamed with former FSU coach Bill Peterson before Vic Prinzi replaced Peterson as color commentator four years ago. Deckerhoff has also been the Seminoles' play-by-play announcer for basketball for nine years.

Since joining the FSU staff, Deckerhoff's responsibilities have grown to include executive producer of the Bobby Bowden Show as well as coordinator of all radio and television activity at FSU. Deckerhoff also co-hosts the Bobby Bowden Show.

When the Tampa Bay Bandits were looking for a play-by-play announcer three years ago, Gene Deckerhoff's name immediately surfaced. He teams up with Prinzi for that network also.

A graduate of the University of Florida ('66) with a bachelor's degree in international relations, Gene has worked at two television stations and four radio stations since entering the broadcasting field. He has received the Florida Sportscaster of the Year Award five times: in 1979, 1980, 1983, 1984 and 1985.

Deckerhoff and his wife, Ann, have three sons.

Vic Prinzi

Joining Gene Deckerhoff for his fourth season as color commentator on Seminole football broadcasts is Vic Prinzi, a former Tribe quarterback.

A member of the football team from 1954-57, Prinzi is currently Vice President of Wholesale for Dulin Brokerage in Tampa, Florida. He also finds time to team up with Deckerhoff on the Tampa Bay Bandits network.

A long-time friend and teammate of actor Burt Reynolds, Prinzi played briefly with the New York Giants and Denver Broncos following graduation from FSU. He later spent 12 years in high school and college football coaching before joining Dulin in 1971.
