GAME

GAME NOTES

This game in Jacksonville marks the first time FSU has played on a neutral field during the regular season since 1979, when the Seminoles took on Arizona State in Tampa...this game was originally scheduled for Nov. 11, but Florida State agreed to move the game to Labor Day Weekend, setting up an open date in November...last year, Miami broke FSU's string of 11 straight opening day wins...Florida State last played in Jacksonville in the 1985 Gator Bowl, coming away with a 34-23 victory...FSU is 3-0-1 in the stadium, dating back to a 1965 appearance in the bowl game...the Seminoles hold a 12-7-1 edge in the series, including last year's 49-13 win in Tallahassee...that win gave FSU four straight victories over the Golden Eagles...USM defensive line coach Mike Bugar is a 1969 graduate of Florida State and a former football letterman...former Raider great punter Ray Guy is a volunteer coach for Southern Miss.

GAME NOTES

Perennial ACC champ Clemson arrives in Tallahassee for the first time since 1976 this season...that year, the Tigers pinned a 15-12 defeat on Bobby Bowden's first year club...last year, the Seminoles escaped Clemson with a 24-21 victory, due in large part to the famous "Puntrookie", one of the greatest trick plays ever...last year's win gave Florida State a 3-1 series edge, but the Seminoles are just 1-1 in Tallahassee against Clemson...the Tigers finished last year ranked ninth and eighth in the AP and UPI polls, respectively...new Clemson quarterback coach Rick Stockstill led FSU's offensive attack in 1980 and 1981 as the starting signal-caller...FSU defensive coordinator Mickey Andrews held a similar position at Clemson from 1976-80... Seminole athletic director Hootie Ingram was head coach at Clemson from 1970-72, facing FSU in 1970...Ingram is generally credited with coming up with Clemson's famous "Tiger Paw" logo...Florida State has just one player, TE Eric McGill, from South Carolina on the roster.

GAME NOTES

LSU and Florida State renew a Southern rivalry for the first time in six years in 1989...the Tribe leads the series, 4-2...five of the six games have been played in Baton Rouge, with the first meeting coming in Atlanta in the 1968 Peach Bowl...LSU staged a late comeback to win that game 31-27...FSU won four of the five games played in Louisiana from 1979-83...the only FSU loss during that time was in 1982 when the Tigers claimed an Orange Bowl berth with a 55-21 win...next season, LSU visits Tallahassee for the first time...Tiger defensive back coach Joe Wessel played in the FSU secondary from 1982-84...during that time, he was a star member of FSU's punt block unit and still holds most Florida State records for blocked kicks.

GAME NOTES

FSU's record indicates a perfect 6-0 mark against Tulane in this series...last year, Florida State claimed a 48-28 win over the Green Wave in New Orleans...actually, the Tribe lost to Tulane in New Orleans in 1983, 28-34, but the Wave later had to forfeit that contest for using an ineligible player...the Seminoles have dominated the series in Tallahassee, winning by an average of 38 points...that included a 73-14 win by FSU in 1987 the last time Tulane was in town...TU defensive line coach Bill Shaw, a 1972 FSU graduate, served in a similar position at Florida State from 1979-81...Wave redshirt freshman France Green is a wide receiver from Lincoln High School in Tallahassee...pesky Tulane quarterback Terrence Jones has graduated, but receiver Jerome McIntosh, who caught nine passes for 155 yards and three touchdowns in last year's game, returns to lead TU...Tulane's other athletic teams will once again compete against FSU as the school rejoins the Metro Conference this year.

GAME NOTES

The Tribe makes its first trip to Blacksburg in 10 years in 1989...overall, Florida State leads the series 15-10-1, but is only 4-5-1 in Blacksburg...FSU has won six straight meetings between the teams, with Tech's last win a 13-10 decision in 1975...Bobby Bowden has never lost to the Hokies, compiling a 6-0 record at FSU and a 3-0 mark as head coach at West Virginia...the series was renewed last year after an eight-year hiatus with Florida State taking a 41-14 win...then-freshman QB Will Furrer and WR Jon Jeffries hooked up on a 44-yard TD pass in that game...Tech plays an unusual Wide Tackle Six defense and boasts a pair of good defensive linemen in Horacio Moronta and Scott Hill...the schools are members of the Metro Conference, which features competition in several sports other than football.

GAME NOTES

Over the years, Auburn has had the upper hand in this series, by a 12-3-1 margin...however, Florida State has won the past two contests, including last year's meeting in New Orleans in the Sugar Bowl...FSU's two first round draft choices, Sammie Smith and Deion Sanders, played crucial roles in that victory...Smith became the first back in 25 games to earn over 100 yards on Auburn's defense while Sanders intercepted a pass in the end zone as the game ended to preserve FSU's 13-7 victory...the 1989 game will be just the fifth meeting in Tallahassee, where Auburn holds a 3-1 edge on the Seminoles...the last game in the series played in Doak Campbell was a zany 42-41 decision for the Tigers...in that contest, Auburn scored 13 points in the final quarter and FSU's missed two-point conversion try was the difference...Auburn linebacker coach Reggie Herring was a starting LB on FSU's 1979 and '80 Orange Bowl teams and ranks second on the Seminoles' career tackle list...FSU has three Alabama natives on its coaching staff, including Bowden.

GAME NOTES

In the past two seasons, in-state rival Miami is the only school in the nation with a better record than Florida State's 22-2...during that time, UM is 23-1...Miami is FSU's oldest rival, as the schools have faced off 32 times since 1951...the Hurricanes are on a four-game winning streak in the series and hold a 19-13 lead overall...coincidentally, the last four games have all been televised nationally...last time the two teams met in Tallahassee, they played a classic...Miami staged a furious comeback to take a 26-25 win and went on to claim the 1987 national championship...it was the second time in the decade the 'Canes destroyed FSU national title hopes...in 1980, UM beat FSU 10-9 for the lone blemish on the Seminoles' record that season...surprisingly, the Tribe has won only one game of ten in Tallahassee in this series, that a 40-23 victory in 1979...Dennis Erickson is one of three first-year head coaches Florida State will face this year...last year, Miami broke FSU's string of 11 straight season opening wins and became the first team in 12 years to shut out the Seminoles...ironically, the Hurricanes also accomplished the feat in 1976.

GAME

GAME NOTES

The Gamecocks return to Tallahassee for the first time in four seasons...last year, Florida State put together its top game of 1988 and blanked South Carolina 59-0 in Columbia before an ESPN national television audience...the Semi-notes lead the series 12-3, including a 6-1 mark in Doak Campbell...USC's last win in Tallahassee was a 52-12 decision in 1973...Bowden is 6-1 against the Gamecocks...after completing 17-of-20 passes for 271 yards and four TDs, Seminole quarterback Peter Tom Willis was ESPN Player of the Game and *The Sporting News* national player-of-the-week... all as he was "filling in" for injured starter Chip Ferguson... FSU has scored 45 or more points in five of the last six games...USC is one of eight 1988 bowl teams on Florida State's schedule...historically, the FSU-USC games have not been close...only one game has been decided by less than a touchdown...the average margin of victory is over 23 points.

GAME NOTES

Last in a string of four straight home games for FSU in 1989...FSU and Memphis State were scheduled to play last year as well, but the Tigers asked out of the commitment and upset the University of Florida in Gainesville...the Seminoles took on Georgia Southern instead...each team will be looking to break on top in this series, which is tied 7-7-1...Florida State holds the edge in Tallahassee, 5-3 and has won four straight in Doak Campbell Stadium...FSU and MSU played to a 17-17 tie in 1984 in Memphis as Florida State kicked a late field goal...the two schools are members of the Metro Conference, which holds competition in sports other than football...originally, FSU was to play Southern Miss Nov. 11, but a schedule change gave the Seminoles an open date before this contest.

GAME

GAME NOTES

This intense intra-state rivalry has been composed of a series of streaks in the Bowden era...after losing his initial game against UF, 33-26 in 1976, Bowden's squads reeled off four straight wins...but in 1981, the Gators began a six-game dominance that lasted until 1987...FSU has taken the last two contests...last year's 52-17 win was the Tribe's biggest margin in the 31-year history of the rivalry...FSU has won four of the 18 games played at Florida Field, and tied UF 3-3 in 1961...the game can no longer be a battle of the Smiths since the departure of FSU's Sammie...two seasons ago, UF's Emmitt earned 100 yards, but last year he gained just 56...the game has been nationally televised in seven of the last 12 years...FSU defensive coordinator Mickey Andrews spent two seasons on the Florida defensive coaching staff...Bowden will look to even his record against Florida at 7-7 with a win this year...most Florida State players know at least one person on the opposing sideline and many were high school teammates.

SEMINOLE RADIO NETWORK

Gene Deckerhoff

Florida State's Seminole Sports Network is a regional radio network which broadcasts FSU football over a three-state area covering most of Florida and parts of both Georgia and Alabama. The Network brings the excitement of Seminole games to fans, alumni and college football enthusiasts across the Southeast.

FSU's broadcasting rights are owned by Bud Sports, a division of the Anheuser-Busch Marketing Department operating out of St. Louis, Mo. Bud Sports acquired the rights in June of 1985 and has served Florida State for the last

four seasons. The company also produces the St. Louis Cardinal Baseball Network and several nationally broadcast weekly programs.

In 1989, the Florida State network has grown to extend into more than 50 markets, an increase from last year. Locally, Tallahassee station WTNT carries Seminole football.

Florida State's broadcast crew will remain intact for 1989. Play-by-play announcer Gene Deckerhoff and color analyst

Vic Prinzi will work together for their eighth consecutive season.

Deckerhoff begins his 11th season as the "Voice of the Seminoles" in 1989. A six-time Florida Sportscaster of the Year, he is nationally known as one of the finest announcers in the South. In addition to his play-by-play duties, Deckerhoff has been FSU's radio and television coordinator for the past six seasons. He serves as producer and co-host of the Bobby Bowden Show in addition to his radio duties.

Vic Prinzi

Former Florida State quarterback Vic Prinzi (1954-57) begins

his eighth season as Deckerhoff's color analyst. A long-time friend and former teammate of actor Burt Reynolds, Prinzi had a brief professional football career with the New York Giants and Denver Broncos following graduation from FSU. After a 12-year coaching career in the high school and college ranks, Prinzi joined Dulin Brokerage in Tampa where he is Vice President of the Wholesale Division. Prinzi's son, Pete, is a redshirt freshman on the FSU squad.
