FLORIDA STATE TRADITION

BOWDEN TIES THE BEAR

With FSU's 30-17 Gator Bowl win over Virginia Tech, Seminole Head Coach Bobby Bowden garnered his 323rd career victory which put him in a tie for second place on the all-time wins list with football legend Bear Bryant. Bryant was influential on the coach of a very young Bobby Bowden, who took over the Samford program in Birmingham at

about the same time that Bear began coaching at Alabama. Bowden, a Birmingham native, grew up an Alabama fan and spent a great deal of time studying the Crimson Tide program and the coaching methods and philosophy of Bear Bryant.

MANNING & WEINKE NFL'S TOP TWO ROOKIE PASSERS

Current Carolina Panther and former Heisman Trophy winning Seminole quarterback Chris Weinke threw for 2,931 yards during his rookie year in the NFL. His 2,931 yards passing ranks as the second highest total by a rookie in league history behind only Peyton Manning's 3,739 yards in 1998 with the Indianapolis Colts. Weinke threw for a season-high 312 against St. Louis in week 13 and threw for 200 or more yards six times. He threw for a career-high two touchdowns against New Orleans in week five and San Francisco in week nine.

X MARKS THE SPOT

Florida State kicker Xavier Beitia converted his final 30 kicks during the 2001 regular season (field goals and extra points) and did not miss a kick during the final five regular season games of the season. Beitia's streak began in the fourth quarter of the Seminoles' 43-7 victory over Virginia with a 31-yard field goal with 7:54 remaining in the game. He would go on to add two extra points to close out the game and the victory. Beitia made his final eight field goal attempts of the 2001 season. His field goal streak began in the first quarter of the Virginia game. He begins the 2002 season with a with an extra point streak of 22 consecutive made. Beitia's streak of 30 consecutive kicks without a miss covers 21

quarters. Beitia earned All-ACC second team honors and was named a freshman All-American by *Football News*.

NOW TAKING THE FIELD THROUGH PETE'S POSTS

The Bill Peterson era as head football coach at Florida State University was a time of great offensive innovation and also a time of many firsts for the upstart Seminole program. Some of these firsts included being the first Seminole coach to beat the Gators at Florida Field, coaching the program's first All-American in Fred Biletznikoff

and recruiting James Thomas, the first black player to ever play football at FSU. A tradition of the Seminole football team during the Peterson era was that the first thing the team did as it entered the field was to run through the goal posts. In that era, all goal posts were mounted on two legs in the style of an "H" thus allowing this Seminole tradition. As a tribute to the players and coaches of the Peterson era and their many firsts, "H" style goal posts have been added to the field at Doak Campbell Stadium and will forever more be referred to as "Pete's Posts."

SEMINOLES IN JANUARY BOWLS

Florida State has played in 11 consecutive January bowl games and has a record of 8-3 (.727 winning percentage) in those games. The Seminoles have played for the national championship five times during that span. The Seminoles defeated Nebraska in the 1994 Orange Bowl and defeated Virginia Tech in the 2000 Sugar Bowl to win the school's first two national championships. With their 11 consecutive appearances in January bowl games, the Seminoles hold the nation's longest active January bowl participation streak.

EARLY START

When Florida State meets Iowa State on August 24th, it will mark the earliest date that the Seminoles have started a season. Prior to this year, FSU's earliest game was August 26th vs. BYU in the 2000 Pigskin Classic. On the flip side, the latest the Seminoles have ever started a season was in their inaugural season in 1947 when Florida State met Stetson on

October 14th.

Overall, Florida State has played an August game seven times and is 7-0 in those contests. The Tribe has also never played more than one game in August - until this year!

FSU's August Games

1985	August 31	Tulane	A	38-12
1986	August 30	Toledo	H	24-0
1991	August 29	BYU	N	44-28
1993	August 28	Kansas	N	42-0
1998	August 31	Texas A&M	N	23-14
1999	August 28	Louisiana Tech	H	41-7
2000	August 26	BYU	N	29-3

PRESEASON CLASSICS

This season's Eddie Robinson Classic will mark FSU's fifth appearance in a preseason classic. The Seminoles have been successful in these contests and sport a 4-0 record. Here's a look:

1991	Disneyland Pigskin Classic (Anaheim Stadium)	8/29	BYU	44-28
1993	Kickoff Classic (The Meadowslands)	8/28	Kansas	42-0
1998	Kickoff Classic (The Meadowslands)	8/31	Texas A&M	23-14
2000	Pigskin Classic (Alltel Stadium)	8/26	BYU	29-3

THEY'RE BACK — ANQUAN AND ROBERT BACK TO FORM

While freshmen sensations P.K. Sam and Grahonso Thorpe had stellar rookie campaigns, the Seminoles will be more than happy to welcome back two veteran receivers from injury this season. The return of Robert Morgan and Anquan Boldin will provide sophomore Chris Rix two more reliable targets for an FSU offensive attack that already finished second in the conference without two of its top three returning wide-outs in 2001. Boldin and Morgan combined for 1030 yards, 60 receptions and nine TD's in 2000. With Talman Gardner and his 11 TD's and 649 receiving

yards returning for his senior season, this might be the most firepower FSU has ever returned in one season as far as receivers go. The 1999 group of Peter Warrick, Ron Dugans and Marvin Minnis combined for more yards (2186) and receptions (121) but three fewer TD's (17). The only other group that even comes close to the trio of Gardner-Morgan-Boldin is the 1988 group that consisted of Seminole returnees Terry Anthony, Bruce LaSane and Ronald Lewis. Anthony, LaSane and Lewis combined to catch 81 passes for 1140 yards and 13 TD's.

PLAYERS (YR)	REC	YDS	TDS
Warrick, Dugans, Minnis (1999)	121	2186	17
Boldin, Morgan, Gardner (2002)	93	1679	20
Anthony, LaSane, Lewis (1988)	81	1140	13

LIKE FATHER, LIKE SON — WYATT SEXTON

After a record-breaking career under center at Tallahassee's Leon High School, Billy Sexton went on to enroll at Florida State to play quarterback. His senior season, he became the starting quarterback at Florida State University. He coached at his alma mater (Leon) and then worked his way up the ranks as a member of the Florida State coaching staff. Along the way he had a son who had a record-breaking career at Tallahassee's Leon High School and enrolled at Florida State to play quarterback. Wyatt Sexton, first-born son of FSU running backs coach Billy Sexton, hopes his career will continue to follow his father's. Wyatt threw for

2,193 yards, 19 TDs and passed for over 2,900 yards and 28 touchdowns as

a junior. He finished his career with over 5,000 yards passing in two years. The son of the 26-year veteran of the Florida State coaching staff looked at Illinois, Auburn, NC State and North Carolina but ultimately stayed close to home and close to dad.

WILLIAMS NAMED ACC'S TOP BLOCKER

Florida State tackle Brett Williams was selected as the recipient of the 2001 Jacobs Blocking Trophy. The Jacobs Blocking Trophy has been awarded annually since 1953 to the player voted the outstanding blocker in the ACC in a poll of the league's defensive coordinators. Williams, a dominating offensive tackle who has started in each of his three years at Florida State, had one of the most impressive seasons ever for a Seminole offensive lineman in 2001, not giving up a single sack while allowing only one pressure and was called for just two penalties. He led the team in the three major offensive line categories — a season grade of

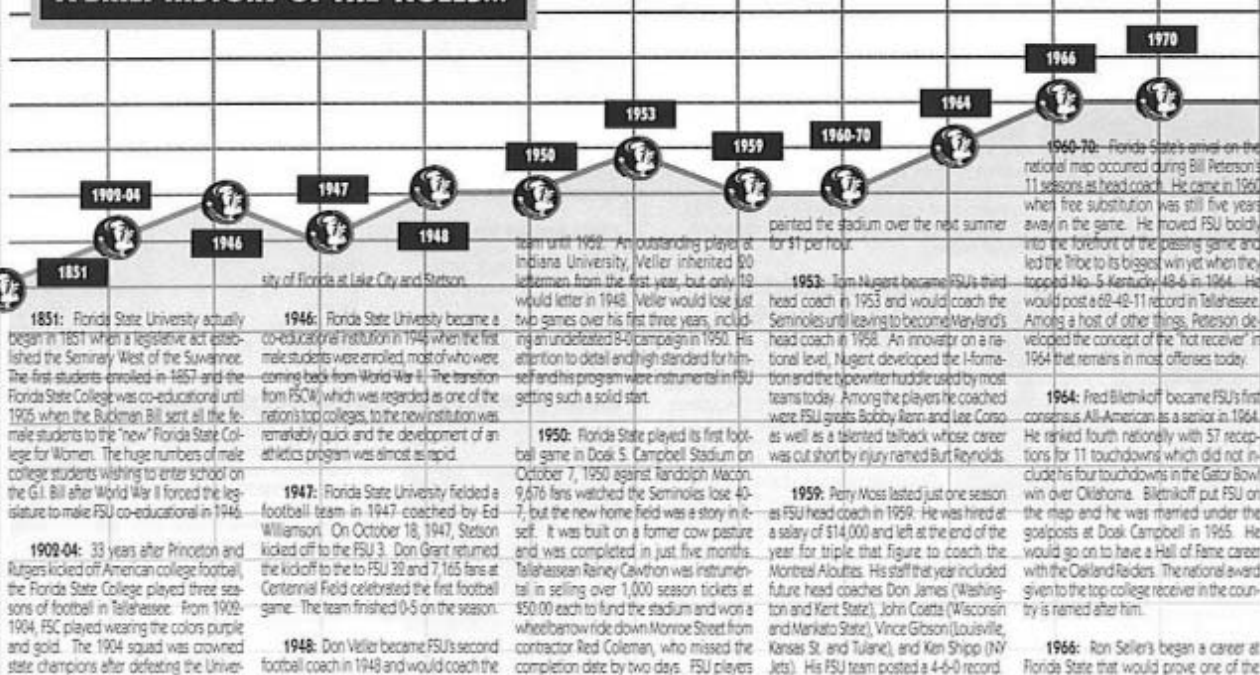

91 percent and 48 total intimidations (pancakes).

SITTING ON THE "DOC" OF THE BAY

Junior Darnell Dockett, who is regarded as one of the top interior defensive linemen in the country, recorded a school-record 22 tackles for loss in 2001 and is already second in career tackles for loss with 34. He's among good company as the previous single-season record for tackles for loss was 17, set by former Seminole greats Ron Simmons and Corey Simon. Simmons, who played from 1977-80, holds the career record with 44. Against Georgia Tech, Dockett tied the FSU single-game record with five tackles for loss.

A BRIEF HISTORY OF THE 'NOLES...

SPORTSMANSHIP STATUE

Between Gates B and C of Doak Campbell Stadium stands the one-ton, 15' tall Sportsmanship statue given in honor of Pappy Strum by his daughter Margaret Strum Allesee, who is an FSU graduate and former Seminole cheerleader. The enduring symbol of the most important aspect of athletic competition was sculpted by FSU alumnus and accomplished artist Edward Jonas. The bronze sculpture was recently selected by the National Sculpture Society to be showcased in its special exhibit "Sports Sculpture."

STARTING AT...

After fielding one of the youngest teams in school history in 2001, Bobby Bowden returns a more experienced group in 2002 as only seven starters must be replaced. FSU lost just six starters in 1999 and went on to go undefeated and win the national title. The 1993 national championship team lost just nine starters from the previous year. Here's a look at the starters lost (since 1987) and how the Seminoles finished each season:

FSU'S HEISMAN HISTORY

The Heisman Trophy room at the Downtown Athletic Club has a distinct Florida State flair with portraits of Chris Weinke and Charlie Ward on display as the two winners from FSU and the ACC. FSU has a strong history with the trophy. Here's where FSU players have finished in the Heisman balloting.

1971: Larry Jones coached the Seminoles from 1971-1973. An 0-11 campaign in his last year spelled the end for the coach. Among notable players during his era were outstanding wide receiver Gary Huff and Alabama transfer Billy Sotom, who celebrates his 25th year on the FSU coaching staff this season.

1974-75: Deryl Mudds coached the most prolific in college history. He gained an unheard of 3,979 yards over his career. His statistics were so impressive that most listed as national records all the way until 1987. He caught passes in 30 consecutive games and averaged 119.9 yards per game. He is a member of the college football Hall of Fame.

1976: FSU president Stanley Marshall and athletic director John Bridges set up a dinner meeting at an airport hotel in Tampa where West Virginia head coach Bobby Bowden was coaching an all-star game known as the American Bowl. They offered him a four-year contract worth \$37,500 and he became the Seminoles' eighth head coach on January 12. Bowden was interviewed for the job six years earlier when it went to Larry Jones, but FSU officials felt he lacked the experience.

1979-80: Florida State got its first taste of the real big-time in 1979 and 1980 going to back-to-back Orange Bowls against Oklahoma. FSU went undefeated (11-0) over the regular season in 1979, but lost 24-7 to the Sooners and finished sixth in the final AP poll.

1980: If one game can be singled out as the most important in the recent run of unprecedented success at Florida State it would be the contest at Nebraska on September 7, 1985. FSU won at Lincoln by a 14-14 score that opened the eyes of the entire country. Nebraska fans shook a mixture of shock and confusion to stand and give Bobby Bowden and his Seminoles a standing ovation as they left the field.

1981: In 1981 a freshman tailback named Greg Allen was given the football in the middle of legendary Death Valley with a sea of LSU fans around him. He finished the day with a remarkable school record 202 yards that signaled the arrival of a superstar for the Seminoles. Later that year, he would

1986: Deion Sanders spent a quiet first two years at Florida State before exploding on the national scene in a preseason press conference. He would become one of the most popular players ever in college football and one of the greatest athletes in FSU history. Florida State and college football would never be the same after Sanders' career.

1988: The tribe took a 10-1 record into the Orange Bowl and showed the next year before losing a heartbreaker 18-17.

1989: Western Carolina for 302 rushing yards, which still stands as the best rushing game ever for a Seminole.

1991: On July 1, 1991, the Atlantic Coast Conference accepted Florida State University as its ninth member and the first addition to the league since Georgia Tech joined in 1978. FSU had competed in the Metro Conference for all sports other than football, which had been an independent. FSU's first ACC football game was a 48-21 win over Duke on September 7, 1992.

1992: Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his first perfect season. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 45-29 win over Virginia Tech for the national championship in the Sugar Bowl.

1993: A 31-20 come-from-behind win in the fourth quarter of the Orange Bowl against Notre Dame was FSU's 11th consecutive bowl win. The streak is an NCAA record as is FSU's 14-game unbeaten streak in bowl games that was spoiled only by a 17-17 tie with Georgia in the 1984 Citrus Bowl.

1995: FSU takes on the following schools in order: all on the road, Nebraska, Ohio State, Notre Dame, Pittsburgh, and LSU. FSU won at Ohio State, Notre Dame and LSU, but, more importantly, won fans coast to coast for their undaunted spirit.

1996: FSU took a 10-1 record into the Orange Bowl and showed the next year before losing a heartbreaker 18-17.

1999: Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his first perfect season. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 45-29 win over Virginia Tech for the national championship in the Sugar Bowl.

2000: Chris Weinke literally rewrote the FSU record book over his senior season and took home the second Heisman Trophy for a Seminole player when he won the award in December of 2000. He would finish his career with a record of 30-3 as a starter.

2001: Bobby Bowden extended his NCAA leading bowl winning percentage with a 30-17 win over Virginia Tech in the Gator Bowl. The Gator Bowl bid also extended FSU's streak to 20 consecutive appearances in a postseason bowl game.

2002: Bertie's late field goal to win 18-16.

GARNET AND GOLD MEETS BLUE AND GOLD

Football at Florida State began Oct. 18, 1947 with Stetson paying a visit to Tallahassee for the first football game in school history. Beginning with that date and that opponent, 75 different institutions have battled the Seminoles in Tallahassee. Florida State played at Capital Stadium

near the Tallahassee fairgrounds for three years before Doak Campbell was built in 1950. The Seminoles have an all-time record of 214-68-4 for a winning percentage of .755. Florida State was 8-4-0 (.750) in three years at Capital Stadium for an overall home record of 222-70-4 (.757). The Seminoles' game against Notre Dame will be the 300th home game in the history of the program. Notre Dame has played on the home field of 70 different institutions and on 37 different neutral fields, but the Irish will play at Doak Campbell Stadium in Tallahassee for the first time in school history Oct. 26.

HELLO RECRUITING, CAROL SPEAKING

Florida State's 2001 recruiting class has been named the best in the nation. A quick look at some rankings of the classes over the years shows a strong correlation with FSU's success. It helps that FSU is in such rich recruiting territory. According to *Orlando Sentinel* guru Bill Buchalter, over 350 Florida high school players signed football scholarships to either Div. 1A or 1AA schools. Here is a list of FSU class rankings since 1990.

JEFFERSON-EPPES

Thomas Jefferson, former U.S. President and the founder of the University of Virginia, was the grandfather of Francis Eppes VII. Eppes, three-time mayor of Tallahassee, was a long-time president of the Board of Education of the Seminary West of the Suwannee, the institutional forerunner of what is today Florida State University. To commemorate this bond, the two schools play each year in football for the Jefferson-Eppes Trophy. Inaugurated in 1995 when Uva handed the Seminoles their first ACC loss in football, the trophy has resided in Tallahassee each of the last six seasons. The trophy comprises a silver pitcher, presented to Eppes in 1842, set atop a wooden base crafted from the remains of Uva's massive McGuffey Ash.

TWO-SPORT STANDOUTS

Deion Sanders set the standard for two-sport stars at Florida State. The all-everything college cornerback became a media sensation as he balanced successful careers in the NFL and Major League Baseball. Deion was probably the most high-profile two sport athlete in American history and he no doubtedly influenced one or two other future Seminoles. Heisman Trophy winner Chris Weinke played professional baseball before enrolling at FSU and then going on to start for the Carolina Panthers as a rookie. Charlie Ward and Brad Johnson each played quarterback for the Seminoles and then in the off-season moved over to the hardwood and joined the FSU Basketball team. Ward went on to star for the New York Knicks while Johnson stayed with the Tampa Bay Buccaneers in 2001. Current Seminole star Javon Walker was drafted by the Florida Marlins in 1997 and spent one full season and two summers with the organization. Walker got as far as Double AA with Portland (Maine) of the Eastern League. In addition, current Seminole kicker Brett Cimorelli signed with California after high school and spends his summers pitching in the Angels organization.

OH BROTHER!

There are two sets of brothers on this year's Seminole squad. The Williams' brothers, Brett, a senior All-America candidate and redshirt freshman Blake, both play offensive line. The Sam brothers also play the same position. Sophomore P.K. returns as a contender for starting honors at split end, while wide receiver Lorne will be a true freshman this fall. Some of the other brothers who played football at FSU at the same time include Joe and Henry Ostaszewski, Zack and Henri Crockett and Billy and Bobby Rhodes.

MISSION POSSIBLE

Seminoles Michael Boulware and Paul Irons will have spring break stories to tell for years to come after what they did last March. The pair participated in a mission trip to Johannesburg, South Africa, to help start a Champions for Christ ministry with the His People Christian Church.

OSCEOLA & RENEGADE

Perhaps the most exciting tradition in all of college football occurs in Doak Campbell Stadium when Osceola charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. The tradition was born on September 16, 1978 against Oklahoma State when a student wearing Native American clothing led the team from the tunnel riding a horse. Since the beginning of the FSU tradition, three different horses and 10 different riders that have actually appeared at a game. However, there have been a total of 16 horses trained in the Renegade program, including Tonka and Spiderman, who are the understudies of current Osceola mount, Sharky.

The original Osceola and Renegade were Jim Kidder and Reo. For the past 19 years, the horses have been trained by local businessman Bill Durham, who also trains the riders. This season will make the first that he has passed the torch to his son Allen. The clothing and rigging that Osceola and Renegade wear were designed and approved by the Seminole Indian Tribe of Florida.

THE SYMBOL: SEMINOLES

Florida State would play two games in 1947 before students demanded the school acquire a symbol. While details conflict, most believe the account of a poll of the student body is accurate. The *Florida Flambeau* reported that Seminoles had won by 110 votes over Statesmen. The rest of the top

contenders (in order) were Rebels, Tarpons, Fighting Warriors, and Crackers. In the 1950s, a pair of students dressed in Native American costumes and joined the cheerleaders on the field which eventually evolved into the majestic symbol of Osceola and Renegade that FSU now enjoys. Today, the Seminole Indian Tribe participates in many campus activities.

Florida State University is proud of its longstanding cooperative relationship with the Seminole Tribe of Florida. The Seminole people have suffered many hardships and injustices, but they have remained brave, dignified and proud. The Seminoles are unconquered. They symbolize what we hope will be the traits of all of our graduates, including our student-athletes.

We know you cannot win all of the time on the playing field or in life, but we want our students to be unconquered and always ready to try again.

SEALED LOCKERS

The retirement (or permanent sealing) of lockers in the Florida State locker room began after Deion Sanders' senior season in 1988. Former equipment manager Jimmie Callaway and associate athletics director Andy Urbanic came up with the idea to add more tradition to the area.

The criteria for locker retirement allows only the dressing area of two-time consensus All-Americans and/or Heisman Trophy winners to be retired. Ron Simmons (1979-80), Deion Sanders (1987-88), Marvin Jones (1991-92), Sebastian Janikowski (1998-99), and Peter Warrick (1998-99) have had their lockers sealed as two-time consensus All-Americans while Heisman Trophy winners Charlie Ward (1993) and Chris Weinke (2000) have had their lockers retired.

The lockers are encased in glass with the player's final home uniform and gear intact — right down to the sweat bands!

TALK ABOUT A BARGAIN

Bobby Bowden signed his first contract as head coach at FSU on January 12, 1976. The four-year deal called for a salary of \$37,500 per year. Many did not know, however, that Bowden actually interviewed for the FSU job in 1970. It went to Tennessee assistant Larry Jones who was 15-19 over three seasons before he was succeeded by Darrell Mudra in 1974.

GARNET & GOLD

Florida State's school colors of garnet and gold date back to the Florida State College championship football teams of 1904 and 1905. In those championship seasons, FSC donned purple and gold uniforms. When Florida State College became Florida Female College in 1905, the football team was forced to attend the University of Florida. The following year the FFC student

body selected crimson as the official school color of 1905. The administration in 1905 took crimson and combined it with the recognizable purple of the championship football teams to achieve the color garnet. The now-famous garnet and gold colors were first used on an FSU uniform in a 14-6 loss to Stetson on October 18, 1947.

TOMAHAWKS

Florida State's coaching staff and academic staff award tomahawks to individual players for great plays or contributions on the field and in the classroom. Players may get a tomahawk for a crucial play, a score, a touchdown saving tackle or various other achievements on the field. In 1997, the Seminoles began receiving tomahawks for outstanding academic achievements as well. The tomahawks look identical except the word academics runs down the handle of the tomahawk.

What many fans don't know is that Florida State players can lose tomahawks as well. Poor performance on the field or in the classroom can cause a player to be stripped of the coveted decals.

FUTURE SCHEDULES

Coming up, Florida State will play its regular ACC schedule, traditional rivals Miami and Florida, along with...

2002	NOTRE DAME	Louisville
2003	at Notre Dame	
2004	UAB	
2005	at Texas A&M

WAR CHANT

Florida State's "war chant" appears to have begun with a random occurrence that took place during a 1984 game against Auburn, but in the 1960s, the Marching Chiefs band would chant the melody of a popular FSU cheer. In a sense, that chant was the long-version of FSU's current "war chant." During a thrilling game with Auburn in 1984, the Marching Chiefs began to perform the dormant melody. Some students behind the band joined in and continued the "war chant" portion after the band had ceased.

Most agree the chant came from the fraternity section, but many spirited Seminole fans added the hand motion to symbolize the brandishing of a tomahawk. The chant continued among the student body during the 1985 season, and by the 1986 season, it was a stadium-wide phenomenon. Of course, the Marching Chiefs refined the chant, plus put their own special brand of accompaniment to the "war chant", for the sound we hear today.

The Atlanta Braves fans took up their version of the song and chant when former FSU star Deion Sanders came to the plate as an outfielder. The Kansas City Chiefs first heard it when the Northwest Missouri State band, directed by 1969 FSU graduate Al Sergel, performed the chant while the players were warming up for a game against San Diego.

FSU FIGHT SONG

While the War Chant has become familiar at FSU games, the Florida State fight song still remains the definitive sound of Seminole sports. FSU's band became the Marching Chiefs in 1950 and with that came the fight song. Tommy Wright, a member of the faculty in the School of Music, was perturbed that the Seminoles had been using "On Wisconsin" and the "Notre Dame Victory March" so he introduced the song in the Sewanee game, setting to music a poem by FSU Alumni Doug Alley.

GIVING BACK

Florida State's athletic department has a strong commitment to giving back to the community and last Christmas the members of the football team took over 250 underprivileged children shopping courtesy of Premier Construction. The Florida State University Athletics Life Skills/ Student Development Department coordinates FSU's considerable community service outlets. Last year, student-athletes donated a total of 3,768 hours of community service and each one is asked to perform 20 hours of community service each year.

MR. FOOTBALL + MR. BASKETBALL = MR. MCPHERSON

Sophomore quarterback Adrian McPherson is not only a standout on the gridiron, he also starred on the basketball court at Bradenton Southeast High School. McPherson, who attended the same high school as Peter Warrick and Tommie Frazier, became the first player in state history to earn both the Mr. Football and Mr. Basketball titles during his prep career. McPherson threw for 3,727 yards on 217 of 355 passing (61%) with 48 touchdowns and rushed for 765 yards and eight more TDs as a senior quarterback. He averaged 35 points, 10 rebounds and nine assists per game during his senior basketball season.

SCHOLARSHIPS IN '51

It was not until 1951 that Florida State began to grant athletic scholarships. The move put added pressure on the program to win. FSU left the Dixie Conference and membership in the Southeastern Conference was denied. Interestingly, it was the University of Florida that sponsored FSU for admission to the SEC.

ACADEMIC ALL-AMERICAN

Senior Chris Hope repeated as a first-team Academic All-American last year. He joins nine Seminoles who have earned first team distinction since 1979 and six others who were named second team. The first-team Academic All-Americans have been:

Chris Hope (FS)	2001
Chris Hope (FS)	2000
Daryl Bush (LB)	1997
Daryl Bush (LB)	1996
Derrick Brooks (LB)	1993
Keith Jones (DB)	1980
Rohn Stark (P)	1981
Keith Jones (DB)	1979
Scott Warren (DE)	1979
Phil Williams (WR)	1979
Gary Huff (QB)	1972

FOOTBALL SINCE 1902 ACTUALLY

Florida State College did, in fact, play football during the 1902-1904 school years and played well indeed. The first game in 1902 was a 5-0 win over South Georgia Military on November 21 when touchdowns were worth five points. The NCAA nor the governing body at the time recognizes the early games for FSC, although the school won the state championship in '04. The 1904 season included a 23-0 win over Florida in Lake City. The school then became the Florida State College for Women and would remain one of the nation's top all-female institutions until the large number of returning veterans from World War II

triggered the state system to open Florida State University to men in 1946. The school resumed football in 1947, taking on Stetson in its first game.

STADIUM HAS GROWN

The football home for the Seminoles since 1950, Doak S. Campbell stadium, was named after the popular Florida State president who was instrumental in the development of intercollegiate athletics at the new university. In order to help finance the stadium, a five-year season ticket was offered for \$50.00 and FSU

players helped paint the stadium at \$1 per hour. FSU's "new" Doak Campbell Stadium seats 82,000 fans and is considered one of the finest facilities in the country. Doak Campbell is currently the 14th largest stadium in the country.

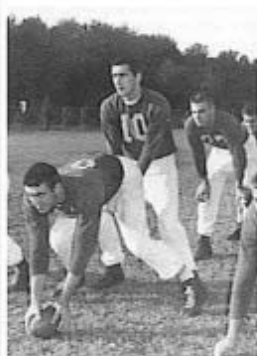

IN THE NFL FRONT OFFICE

While there were more Seminoles playing in the NFL last year than any other school, some of the most prominent FSU alumni are moving into the front office. Edgar Bennet, who played for Green Bay and Chicago, was named the Director of Player Programs for the Packers. Outstanding NFL player Martin Mayhew has retired as a player, but is now the Director of Football Administration/Staff Counsel for the Detroit Lions. Former FSU and Cleveland Browns defensive end Derrick Alexander's career was cut short by injury, however he remained with the team and is now a pro and college scout for the Browns.

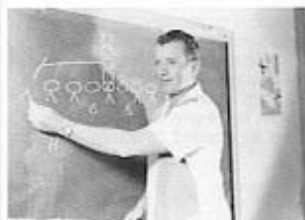

TALK ABOUT A GROWTH SPURT

Milford Brown enrolled at Florida State in December 2000 from East Mississippi Junior College. The 6-4, 315 pound offensive guard from Montgomery, Alabama will begin his first year at FSU as the man to beat for a starting position. No one would have guessed that a few years ago. As a high school junior, Brown was 5-6, 160. "I always knew I could play, but I was too small and nobody ever gave me a chance," said Brown.

SEMINOLE FIRST TO SCORE TWO

The late Vic Prinzi, who is a member of the Florida State Hall of Fame and was the color commentator for the radio network until his death in 1997, was the first college player ever to score a two-point conversion. In 1958, the Seminoles took the season-opening drive of the Tennessee Tech game on September 13th in for a touchdown and Prinzi, playing quarterback, ran in the two-point conversion to beat the other national games by just minutes.

NUGENT AND I

Florida State's football program has had a wonderful list of great coaches including Dr. Don Veller, Bill Peterson and Bobby Bowden. The program first gained a reputation for innovation under its third head coach, Tom Nugent, who took over in 1953 and coached until 1958. Among Nugent's many "unconventional" strategies was the I-Formation

(which he started at FSU) and the typewriter huddle which is still used by many teams today.

BIG, BIGGER, BIGGEST

Sometimes dressing the football team can be as challenging as coaching them. Let's "size-up" the roster...

Biggest shoe:	Kevin Emanuel, size 19
Biggest helmet:	Travis Johnson, size 8 1/4
Biggest gloves:	Montrae Holland, size 3X
Biggest jersey:	Montrae Holland, size 56
Biggest pants:	Montrae Holland, size 46
Biggest ring size:	Darnell Dockett, size 17

11 NATIONAL CHAMPIONSHIPS

Florida State's women's programs were brought to national prominence in the early 1980s when the Seminoles earned five national championships in four sports within a four-year period. The golf program earned the AIAW championship in 1981 while the softball team had back-to-back AIAW titles in 1981 and 1982. The women's track and field program ran away with the 1984 NCAA Outdoor and 1985 NCAA Indoor championships. Florida State's other national titles include men's gymnastics in 1950-51 and again in 1951-52. The men's volleyball team won the national championship in 1955 and 1957, while football claimed their No. 1 rankings in 1993 and 1999.

HOLLYWOOD 'NOLES

FSU football has had its share of "characters" over the years, but did you know that the program has produced a celebrated history of television and movie actors, including Academy Award nominee Burt Reynolds. Reynolds, for whom the former athletic dorm was named,

was a highly-regarded running back from West Palm Beach. Former Seminole football player Robert Ulrich, an Emmy-winning actor best known for his starring roles in sleuth series such as "Vegas" and "Spenser: For Hire," died April 16, 2002 of cancer. He was 55. Ulrich suffered from synovial cell sarcoma, a rare cancer that attacks the body's joints. He underwent chemotherapy, radiation treatments and two operations in the mid-1990s to combat the cancer. He earned his first television role in the 1973 comedy series "Bob & Carol & Ted & Alice." He also appeared in the TV series "S.W.A.T." before being cast as Peter Campbell in "Soap." One of Ulrich's most recognizable roles came as private detective Dan Tanna in "Vegas," which ran on ABC from 1978 to 1981. His knack for solving crimes led to the starring role in another ABC detective series "Spenser: For Hire," which was based on Robert Parker's novels. That series aired from 1985 to 1988. Born in Toronto, Ohio, Ulrich earned a football scholarship and earned a bachelor's degree in communications at Florida State. Ulrich won an Emmy in 1992 for his narration of the cable documentary "U-Boats: Terror on Our Shores." That same year, he also won a Cable ACE award as host of the National Geographic series "On Assignment." He is survived by his wife, three children, Allison, Ryan and Emily; two brothers; a sister; and his mother.

Paul Gleason, a teammate of Reynolds, is also a very successful actor who has played a number of memorable roles including that of Clarence Beaks, the maligned courier of crop reports in "Trading Places" and the assistant principal in "The Breakfast Club."

Danny Green played at FSU from 1971-73 and starred on the big screen in "Elvira - Princess of Darkness" and "King Pin" among other films.

Victor Rivers is best known for his acting in movies such as "The Mask of Zorro," "Two for Texas," and "Amistad." Notable TV guest appearances also include: "JAG," "Miami Vice," "CYBIL" and "Star Trek/Deep Space Nine." Victor was a member of the '73-76 Seminole teams and was a team captain and scholar-athlete. Upon graduation from FSU in 1977, he was drafted by the Miami Dolphins and played in 1978 and 79 - making him the first Cuban rookie to be given such an opportunity.

Sonny Shroyer is an actor most notable for his role as "Enos" on the popular hit TV Series, "The Dukes of Hazzard" 1979-1985. Sonny has appeared in many movies including "The Color of Love: Jacey's Story," "The Gingerbread Man," "Wild America," "The Rainmaker" and "Forrest Gump". While at Florida State, Sonny was a member of the 1954 FSU Football team.

SIX FEET UNDER

FSU's sod cemetery holds chunks of the field from great Seminole road wins.

In 1962, the team captains of the Seminole football team returned to Tallahassee with a piece of sod from Sanford Stadium as a trophy from the team's 18-0 victory over the University of Georgia. The turf was presented to Dean Coyle E. Moore, who founded the continuing tradition of the sod game.

The sod cemetery began when that first piece of sod was buried in the corner of the Florida State practice field and a monument was placed to commemorate the road victory.

See the complete list on page 204.

NEW FEATURES IN 2002 MEDIA GUIDE

Several new editorial pieces are contained in this year's guide. A list of all Seminoles who hold ACC records can be found on page 277. A list by quarterback of all 300-yard passing games is on page 248. A list of all rushers who have gained over 100 yards in a game and those 100-yard games are on page 251. All 100-yard receiving games by player are now listed on page 254. All-time margins of victory and defeat for both conference and non-conference games as well as Doak Campbell records can be found on page 275.

IF YOU'RE INTO VIDEO FOOTBALL

The EA Sports College Football 2003 season will feature a public address voice that should be familiar to fans of college and NFL football in the south. Longtime FSU radio announcer Gene Deckerhoff recorded all the public address announcements that will play during the video game. Deckerhoff, who is also the play-by-play announcer for the Tampa Bay Buccaneers of the NFL, spent two days in Orlando recording every possible combination of public address announcements that might be called for during a game.

For fans of video sports who are really into it, there is another Seminole connection. Each year a major sports video company places a number of sensors on a live "model" who uses his own creativity and knowledge of the game to perform all the endzone dances, taunts and cheers that the video players use on the field. The model for that over the last three years has been former FSU and St. Louis Rams wide receiver Kevin Knox.

THAT'S WHAT THE PLATFORM IS FOR

For the last two years the plaza on the north end of Langford Green just outside the stadium has been empty. That should all change during the 2002 football season. For the last two years, artists have been working on a 32-foot tall statue that will be unveiled during this football season. The statue, which is titled "Unconquered", is being kept somewhat of a secret but should serve as a focal point on game days for years to come.

SEMINOLE TRADITION

MEDIA INFORMATION

All media, with the exception of the live network telecast crew, will work from the 9th level of the press box. Media can access the press box only through the designated elevator in the northwest tower of the University Center. Media should proceed down Stadium Drive after parking and move towards Gate B in the northwest corner of the endzone. Do not enter the stadium, however, as you must proceed to the right and enter through the external doors marked "Press Entrance."

CREDENTIAL REQUESTS

All requests for working press, radio, television, photography or scouting credentials should be directed to Sports Information Director Rob Wilson no later than four days prior to the game. Requests for season credentials should be made at least two weeks prior to the first game.

Space for the working press, radio and television is allocated by the FSU Sports Information Office.

PRESS POLICIES

Working press only will be admitted to the press box where seats will be credentialed by FSU according to the following criteria:

1. State newspapers by circulation, wire services, national publications, newspapers from opponents' area and student newspapers from FSU and opponents' schools.
2. Other daily newspapers with preference given to those which regularly cover FSU.
3. Radio and television personnel not broadcasting live, but considered reporting (seats may be provided in the stands and locker room access granted).
4. Non-daily newspapers, with preference given to those which regularly cover FSU.
5. Scouts.

Freelance and/or non-daily writers will be asked to produce copies of actual publications in which their work has appeared. In some cases, these materials will be required as verification of the writers' status. Your cooperation and understanding is requested in such instances.

In accordance with NCAA and FSU policies, internet sites, other than that of the opposing team, will be credentialed only if they are directly associated with conventional media.

MEDIA HEADQUARTERS

The media headquarters hotel for Florida State football will be the Radisson located at 415 N. Monroe Street. Most media functions, including the Sunday morning "Breakfast with Bobby," will be held at the Radisson. The FSU sports information office has a limited number of rooms set aside for accredited media during home football weekends. Contact Lynn Hobby of the SID office at (850/644-2016) to make reservations for these rooms. Priority will be determined in the same manner spelled out under "press policies."

SPECIAL NOTE — Media reservations for the Radisson will require a TWO NIGHT MINIMUM. There will be no exceptions. When reserving a room through FSU, it will be necessary to give a credit card number to guarantee the room. Florida State may have a limited number of rooms available at the team hotel for road games. Media should contact Hobby for information on availability of these rooms.

RADIO-TV

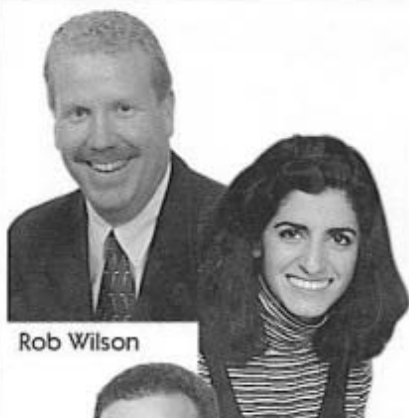

Florida State will host network television and both home and visiting radio in booths in the press box. Network television (or the network broadcasting live) will be working from a mid-field booth on the 8th Level (one below working press). Both home and visiting radio will broadcast from booths at the south end of the 9th Level.

PHOTOGRAPHERS

Only accredited photographers and those shooting for the FSU Sports Information Office will be issued working credentials.

Florida State reserves the right to admit only those photographers deemed to be on the premises for legitimate media purposes. All photographers working FSU games should be prepared to show a media ID card and equipment designed to photograph major college football.

Florida State uses a double photo line system on its sidelines. Only those photographers actually shooting the game will be allowed on the "front" line. These shooters will be given photo armbands upon check-in to allow them front line access. All other photo personnel will be required to stay behind a second line so as not to obstruct the view of the shooters. This would include grips, runners and sideline reporters. Violation of the double-line system will result in removal from the sideline. No media personnel are al-

lowed in the team area of the sidelines at any time during a game.

Sideline passes for local television will be severely curtailed for televised games and each station will be restricted to two passes. Still photographers may have access to the sidelines only. Those holding a photography credential should report to the Press Box where they will be issued an armband, rosters and a pre-game meal. The only access to the field is through the gate at the northwest corner of the stadium near Gate A.

VIDEO SERVICES

Florida State's Sports Information Office has the ability to assist networks and television stations by providing video services through Seminole Productions, Inc.

(SPI). The FSU athletic department has a working relationship with SPI and its general manager, Mark Rodin. Seminole Productions has editing and studio facilities on site and can produce material upon request. In most cases, there will be a nominal fee charged for these services. Please call Rodin at 850/644-8624 to arrange for these services.

PRESS PARKING

Once again, parking is extremely limited in 2002 and passes will be issued on a priority basis within the same guidelines as working credentials.

TELEPHONES

Telephone service should be secured directly through the Florida State University Office of Telecommunications at 850/644-2414. Have them contact the Sports Information Office for location. The Telecommunications Office can provide both lines and phones. Please specify the type of line needed (i.e. touchtone, etc.).

FAX SERVICE

An independent fax service will be available for each game. Please contact a member of the Sports Information Office staff during the game to secure post-game fax service.

INTERVIEWS

Media interviews with all FSU players should be arranged through the Sports Information Office. For phone interviews, a staff member will fill out a card asking the player to return the call. Please give one day advance notice when requesting players for mid-week interviews. All player calls to the media will be made collect.

Seminole players are available to the media on a daily basis during the lunch hours. Contact the Sports Information staff member working lunch with your request. Advance notice is helpful in setting up face-to-face interviews to ensure that the player requested will be present that day.

Anyone wishing to schedule an interview with Head Coach Bobby Bowden should contact his assistant, Staci Wilkshire, at 850/644-0097.

long and start at 9:30pm. Contact FSU Sports Information or the ACC Offices for coordinates after July 28.

BREAKFAST WITH BOBBY

Following each Seminole home game, Head Coach Bobby Bowden will join the media Sunday morning at 8:30 a.m., for a continental breakfast, followed by a question and answer session. Breakfast with Bobby will be held at the Radisson, FSU's media hotel.

CONFERENCE CALL

On road game weekends, media may talk to Bowden via a Sunday conference call. Contact a member of the Sports Information Office during the previous day's game for further information.

ROAD GAME CREDENTIALS

Writers covering Florida State on a regular basis may make requests for road credentials with the opponent school or with the FSU Sports Information Office by Monday of game week.

POSTGAME INTERVIEWS

Florida State University's athletic staff is well aware of the importance of media coverage and is briefed continually on the role of the media insofar as it interacts with their respective duties. At no time is this cooperation more important than in the postgame interview and locker room procedures. To ensure the most workable situation for members of the media and for the FSU staff, the following procedures *must* be observed:

1. Entrance to the Florida State locker room can be made *only* through the second floor interview room. All members of the media will be directed to this room by the FSU Sports Information staff *immediately* at the conclusion of the game. It is helpful if all media personnel assemble at the tunnel entrance in the north end zone following the conclusion of the game. You will *not* be allowed access to the locker room through the player entrance, so follow closely.
2. Florida State Coach Bobby Bowden will be brought directly to the interview room as soon as he dismisses the team and declares the locker room open.
3. When Coach Bowden makes his appearance in the interview room, members of the media who wish to go to the locker room will be shown the

- proper route. Down one flight of stairs leads directly into the player dressing area.
4. FLORIDA STATE'S LOCKER ROOM IS OPEN TO ALL MEDIA. HOWEVER, IT IS IMPERATIVE THAT FEMALE REPORTERS INFORM FSU SPORTS INFORMATION PERSONNEL DURING THE GAME THAT THEY WILL NEED LOCKER ROOM ACCESS. (*FSU players have been*

- assured they will be told on a game-by-game basis whether there will be female reporters in the locker room — a courtesy we feel must be extended.*)
5. Exit from the locker room and access back to the press box can be made through the player entrance to the stadium.

Each visiting team will set its own post-game interview policy, which will be announced on the inside public address system in the fourth quarter. Check with the opposing team's sports information personnel in the press box if you have any other questions.

There is an interview room outside the visitors' locker room, where the visiting head coach and/or players may be brought for interviews following the game. The visiting team locker room and interview area is located through the gate at the southeast corner of the field.

It is our desire at Florida State to make the post-game procedure as effective as possible for both the media and our staff. Remember, both groups have important tasks and are under extreme pressure.

The Florida State Athletic Department cannot and will not be responsible for problems incurred by any member of the media not following the above procedures. Security personnel will facilitate only those following the proper guidelines. However, if you encounter a problem while following this procedure, please inform a Sports Information staff member immediately.

SUNSHINE NETWORK

Paul Kennedy

Keith Jones

Since 1998, Sunshine Network has been the exclusive regional sports network home of FSU athletics in Florida. Available in over 5.7 million homes statewide via cable and satellite, Sunshine Network provides more coverage of FSU athletics than any other Florida television outlet.

Each year, Sunshine Network airs over 100 games/programs for FSU, including its own production of every FSU regular season football game, which replay statewide on Sunshine Sunday evenings at 7 p.m. during "Prime Time 'Noles." In addition, Sunshine Network replays "The Bobby Bowden Show" Sunday's at 12:30 p.m. "Seminole Sports Magazine," which provides fans with weekly highlights of FSU athletics, airs Saturdays at 11 a.m. and the popular "Seminole Uprising" follows at 11:30 a.m.

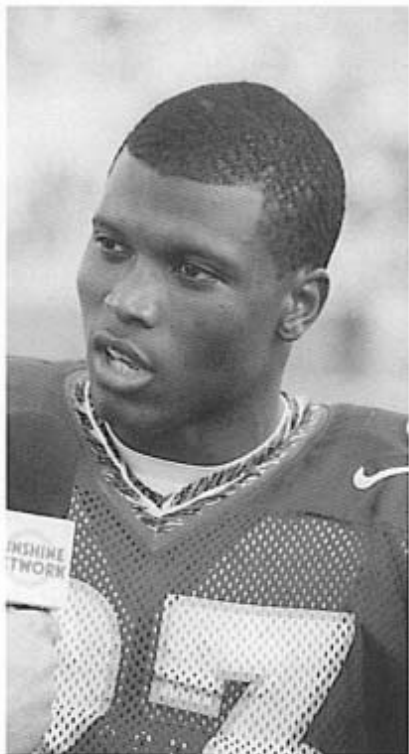

Former FSU defensive standout Keith Jones returns for his 15th season in the broadcast booth for FSU football telecasts, making him the longest-tenured announcer of any team, pro or college, in the state of Florida. Jones is joined by longtime FSU play-by-play announcer Paul Kennedy, with Tom Block reporting from the sidelines.

In addition to game coverage, Sunshine Network covers the Seminoles in its popular "Sunshine Network LIVE!" and "NEXTEL Florida Sports News" programs. Sunshine Network is Florida's only television source for statewide comprehensive coverage of local and regional sports news. Keith Jones, Tom Block and Barry Milligan cover the 'Noles for both sports news shows on Sunshine Network.

An agreement with the ACC provides Sunshine Network with additional FSU games and events, including the conference's Sunshine night ACC basketball package, "ACC Sunday Night Hoops" on regional sports networks nationwide (exclusively on Sunshine in Florida). The network also airs "ACC Live!," Mondays at 7 p.m., and numerous other games/events for the ACC, giving FSU fans coverage of not only their home team, but FSU's conference opponents as well.

Florida State and Sunshine Network have been longtime cable television partners. FSU games are replayed each Sunday evening on the state-wide network.

11+ WINS SEASONS...

The Seminoles have recorded 11+ wins in a season 10 times in the program's history and Bobby Bowden was the head coach in each of those campaigns. The 2000 season marked the fifth straight season with at least 11 wins for the Seminoles.

Seminole Athletics Marketing, a division of Host Communications, Inc., is the marketing arm of Florida State Athletics. The office is responsible for athletically related radio broadcasts, coaches' TV shows, coaches' endorsements, game programs, ticket sales, corporate sponsorships, hospitality, internet sales, and promotions.

Seminole Athletics Marketing's parent company, Host Communications, is one of the nation's leaders in collegiate sports marketing. Florida State joined forces with the Lexington, Ky., based company in 1991 to establish a comprehensive marketing opportunity. In addition to Florida State, Host owns marketing rights with many collegiate sports properties such as Texas, Kentucky, Tennessee, South Carolina, Notre Dame, the Big 12 and Southeastern Conferences and the NCAA just to name a few.

SEMINOLE RADIO NETWORK

Florida State fans can follow their Seminoles whether on the road or at home by listening to one of the nation's finest sports broadcasts when Gene Deckerhoff,

Peter Tom Willis and the entire pregame crew bring you all the action of the Seminole Radio Network. The show brings pregame predictions, all the game action, and postgame analysis, to fans, alumni and college football enthusiasts throughout Florida, Georgia, Alabama, and Mississippi. In addition, fans can access the Network's broadcast worldwide by logging onto Seminoles.com, the official website of Florida State Athletics.

The Seminole Radio Network will reach into nearly 50 markets in 2002, including some of the largest in the country. In Tallahassee, all the Seminole Football action can be heard on flagship stations WTNT-FM (94.9) and WFLA-AM (1270).

Florida State's professional broadcast crew is known as one of the nation's best as they provide insight and entertainment, as well as detailed and expert play-by-play. The broadcast features award-winning play-by-play announcer Gene Deckerhoff, a 23-year veteran of the FSU radio network. Deckerhoff is nationally known as one of the finest announcers in the South. The "Voice of the Seminoles" for the past 23 years, he is a nine-time winner of the NSSA Florida Sportscaster

of the Year Award and has been inducted into the Florida Sports Hall of Fame.

A native of Jacksonville, Fla., Deckerhoff has been the play-by-play announcer for the Tampa Bay Buccaneers of the NFL for the past 13 years, making for some very busy fall weekends. Deckerhoff is also the co-host of the "Bobby Bowden TV Show", Bowden's weekly call-in radio show and the Bowden Daily Radio Show. He runs Gene Deckerhoff Productions, a firm specializing in sports broadcasting and the production of radio and television commercials.

For the fifth year, color analyst Peter Tom Willis will join Deckerhoff in the broadcast booth. Willis, a former FSU, NFL, and Arena League quarterback is a member of the FSU Sports Hall of Fame and is considered as one of the finest players in FSU history.

During the pregame show, Florida television sportscaster Tom Block and former FSU defensive back Monk Bonasorte team up to provide in-depth analysis and predictions of the upcoming game. Florida State's game-day broadcasts begin 2 hours prior to every kickoff.

SEMINOLE TELEVISION NETWORK

"The Bobby Bowden Show," televised throughout the entire state of Florida, features the legendary head football coach of the Florida State Seminoles. Bobby is joined each week on the show by co-hosts Gene Deckerhoff and Burt Reynolds.

Every Sunday during football season, Bobby and Gene review the action-packed highlights of the previous day's game, and Burt Reynolds hosts a special feature called "Great Moments in Florida State History."

BOBBY BOWDEN CALL-IN SHOW

On Thursday evenings, Seminole fans know that the Seminole Radio Network is THE source for information on Seminole Athletics. Coach Bowden's call-in show is an hour-long broadcast beginning at 7:00 PM. The show features Bobby Bowden and Gene Deckerhoff talking directly with fans from across the country, touching on game insights, trivia, and random Seminole banter. The show can also be seen locally via television on WTWC Ch. 40 (NBC).

BOBBY BOWDEN DAILY RADIO SHOW

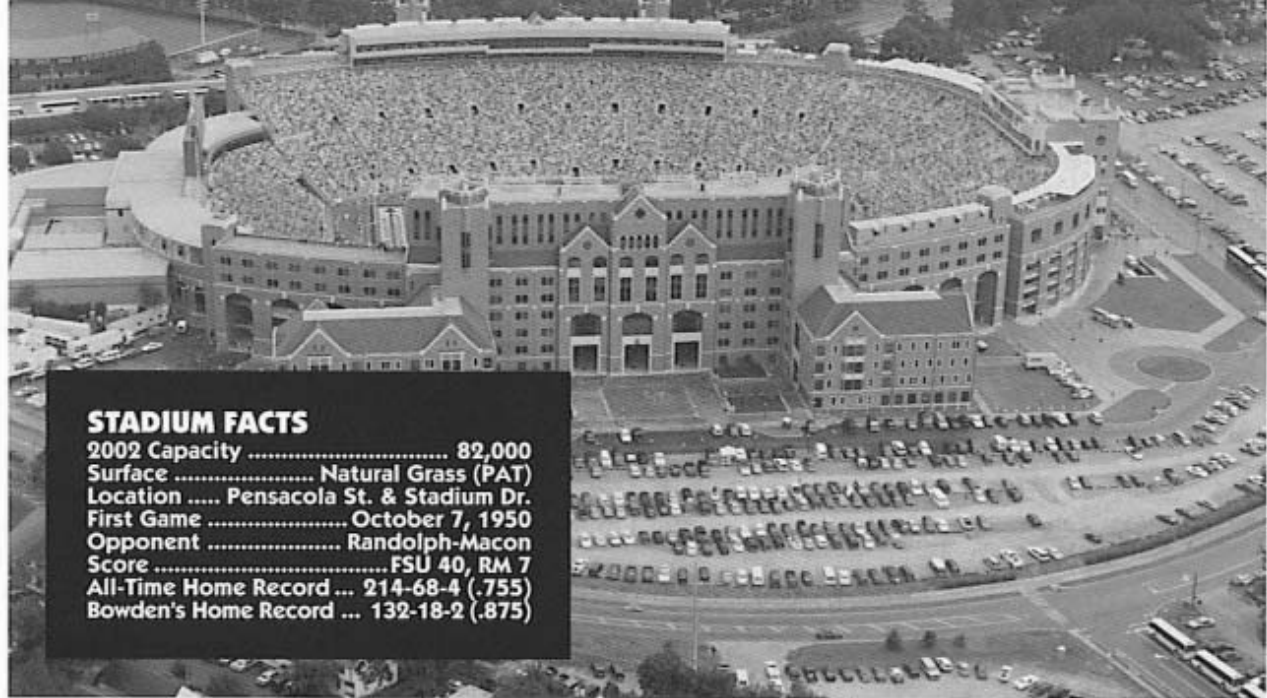

For 13 weeks beginning in August, fans can listen to Gene Deckerhoff and Bobby Bowden as they discuss the latest developments of Florida State Football on the Bobby Bowden Daily Radio Show. The show is broadcast several times a day (M-F) in Tallahassee on the Seminole flagship stations, WTNT-FM 94.9 and WFLA-AM 1270. The two-minute update can also be heard in Jacksonville on WROO-FM 107.3.

DOAK CAMPBELL STADIUM

STADIUM FACTS

2002 Capacity 82,000
Surface Natural Grass (PAT)
Location Pensacola St. & Stadium Dr.
First Game October 7, 1950
Opponent Randolph-Macon
Score FSU 40, RM 7
All-Time Home Record ... 214-68-4 (.755)
Bowden's Home Record ... 132-18-2 (.875)

From a maximum capacity of 15,000 in 1953 to a record crowd of 83,042 against Florida in 2000, Doak S. Campbell Stadium has risen alongside the Florida State football program to the top of the college football ladder. With the final phase of construction completed, Seminole fans are welcomed with state-of-the-art additions.

The newest portion of the stadium is the south end zone, where the last bricks have been placed on the exterior of the stadium wall and the interior received its final finishing touches. The south end zone houses the Florida State school of hospitality education where students in the program receive hands-on experience in various aspects of the food and beverage industry. The multi-level facility includes a food court, a restaurant and a sports grill on the top floor that gives a panoramic view of Doak Campbell Stadium.

The north endzone, which consisted of wood bleachers until the 1994 season kicked off, is topped by the offices of the football coaches. The offices are just part of the Daisy Parker Flory wing of the Moore Athletic Center which include a number of amenities for the football staff. An even more drastic change is currently taking place as the new north endzone building is under construction to be ready by the start of the 2003 football season.

Towering above college football action from the east side are skyboxes which stretch from goal line to goal line. New

skyboxes are located above the west stands on the eighth floor. The west addition also houses the president's level on the seventh floor (which includes an open air terrace in the northwest corner) and one of the largest press boxes in college football with seating for over 250 members of the media.

A brick facade surrounds the stadium, matching the architectural design of most of the buildings on the Florida State campus. The University Center surrounds Doak Campbell Stadium and houses numerous offices that were located on the interior of the FSU campus.

Inside Doak Campbell, the lowest tier of field level seats were removed, providing increased sideline space and better viewing lines for the first few rows of fans. A matching brick wall was constructed along the east and west sidelines, limiting field access, increasing safety and giving the inside of the stadium a whole new look.

In its last 86 home games, FSU is 81-4-1. Bobby Bowden's Florida State teams have lost only 18 games at home in 26 years, giving the coach an impressive 132-18-2 record and an .875 winning percentage in Tallahassee. A milestone was reached on September 28, 1996 when Bowden won his 100th game in Doak Campbell Stadium as FSU's head coach with a 13-0 victory over North Carolina.

But the winning tradition of Doak Campbell Stadium, which was named

after former FSU president Doak S. Campbell, goes back before Bowden. All-time, Florida State is 214-68-4 in 284 home games for a winning percentage of .755.

Since the stadium opened on Oct. 7, 1950 with Florida State University taking a 40-7 victory over the Randolph-Macon Yellowjackets, millions of fans have packed Doak Campbell to see the finest in college football action. In 2001, Florida State set a single season attendance mark by drawing 488,645 fans over six home games. The latest expansion is the ninth in the history of the stadium. The current capacity of 82,000 reflects an increase of 21,481 since the end of the 1991 season.

Florida State first began play at Centennial Field during the inaugural 1947 season. In the three seasons that the Seminoles called Centennial Field their home, FSU had an overall home record of 8-4, including Coach Don Veller's undefeated 8-0 home mark over the 1948 and '49 seasons.

It's hard to imagine the first Doak Campbell Stadium, with a capacity of 15,000 back in 1950. In 1954, the stadium grew to a capacity of 19,000. Six thousand more seats were added in 1961. During the Bill Peterson era (1960-70), the stadium was expanded to 40,500 seats, and it remained at that capacity for the next 14 years. Between 1978 and 1982, there were three more additions.

The field itself is one of the finest in

college football, carefully managed and manicured year-round. A prescription athletic turf (PAT) system installed in 1988 and completely resodded three years ago, quickly alleviates drainage problems through a series of underground pumps. The field can go from flooded to merely wet in a matter of minutes, thanks to the pumps, which allow a deeper root system in the natural turf.

The 1999 season marked another new addition to Doak Campbell Stadium as FSU unveiled the War Board video system. The big screen presentation is crystal clear and allows game day producers to show highlights of games all over the country to Seminole fans watching their team in the stadium. With the changes already made since last season, Doak Campbell is growing and improving faster than ever before. Like its residents, the most successful college football program over the past decade, Doak Campbell Stadium has become a fitting showcase for Florida State University.
