30 YEARS WITH BOBBY BOWDEN

FLORIDA STATE head coach Bobby Bowden has assured himself a place in college football history by winning more games than any major college coach ever. His two national titles, unprecedented string of 14 straight finishes among the *Associated Press* Top Five, NCAA-record 14 consecutive 10-win seasons and college football record 14 bowl games without a loss add to the most impressive resumé in history. However, Bobby Bowden has always been more interested in his players, coaches and fans than a record book. Over his Seminole career alone, Bowden has coached 24 consensus All-Americans and a total of 40 players who earned a place on at least one All-America first team. He has coached 12 national award winners including two Heisman Trophy winners, eight NCAA post-graduate award winners, 10 Academic All-Americans, 80 first-team All-ACC selections and 39 Academic All-ACC selections — all of whom are represented on the covers of this year's media guide. But perhaps most special to Bowden, and remarkable to consider, is that as his 30th season at FSU approaches, he has already coached more than 1,000 Seminole players.
