GOLDEN TORCH AWARD

Redshirt senior defensive tackle Derrick Mitchell Jr. and redshirt sophomore wide receiver Bryan LaCivita were two of 22 student-athletes who were recognized for their off-the-field achievements at the 25th annual Florida State Golden Torch Awards, which recognizes Seminole student-athletes' excellence in the classroom.

The Golden Torch Gala has been one of few events nationwide which solely recognizes the success of student athletes' off the playing fields. The studentathletes recognized bring distinction and honor to Florida State University by continuing to reinforce FSU's position as a superior academic and athletic

These are FSU's most visible ambassadors and their hard work promotes the best interest of Florida State University. Their academic achievements are also a tribute to the many individuals and groups on campus who support the mission of the athletics department throughout the year.

Golden Torch winners are the student-athletes who achieved the highest grade point average on their respective teams for the previous academic year. Some of them will have already embarked on professional careers while the majority are still on campus continuing their education.

Giving back to the community is more than a high priority at Florida State University. It is an integral part of the development of the student-athlete. Through the Athletic Department's Office of Student Services, student-athletes are encouraged to serve the community and participate in a program that focuses on life skills as well as personal, career and leadership development.

ALEC EBERLE - ACC TOP SIX FOR SERVICE WINNER

Alec Eberle was honored at last spring's Golden Nole awards banquet as one of FSU's ACC Top Six for Service recipients. The Top Six for Service is awarded on each ACC campus annually, and the recipient has demonstrated outstanding community service and community relations.

Despite only entering his redshirt sophomore year, Eberle has quickly developed into an ambassador in the community for the Seminoles. Eberle is the Florida State Chapter President for Uplifting Athletes and led the effort to raise over \$16,000 for Fanconia anemia research last year. He also is a constant volunteer to speak at local schools to youth about the importance of education and hard work.

Doc Fauls Award

Derrick Mitchell Jr. was honored at last spring's Golden Nole awards banquet with the Doc Fauls Award. The Doc Fauls Award, presented by the FSU Varsity Club, was established in 1998, and is an award that recognizes senior Seminole Student-Athletes that have overcome the most adversity to participate in athletics for Florida State University.

As the Head Athletic Trainer at Florida State University from 1954-1986, Don Fauls had the opportunity to touch the lives of many. He consistently treated each and everyone in an honest, professional manner and was always willing to take the time to help the athletes through the physical and emotional pain that often came with participation in intercollegiate athletics.

Seminole Community Service **BY THE NUMBERS**

25,000

In the last four years, FSU athletic teams have performed over 25,000 hours of community service. More than 1,000 student-athletes have contributed to that total.

OVER **5,000**

OTBALL

Florida State's athletics teams combined to provide over 5,000 hours of community service in 2015-2016, with six teams completing over 300 hours each. A majority of the hours come from serving local Tallahassee schools and organizations. More than 450 student-athletes contributed to the community service efforts. Some of the events and organizations the football team supported included speaking at nearly every high school and elementary school in the Big Bend area and volunteering at free youth football camps such as the A Different Way Out Camp in Dothan, Ala., Telvin Smith's camp in Valdosta, Ga., and Ernie Sims' Football Camp in Tallahassee.

700

In 2015-16, the FSU football team completed nearly 700 hours of community service. The team was one of six teams in the athletic department to complete over 300 hours. In just March, April and May of 2016, the Florida State football team logged over 175 hours of community service.

STEVENSON SNAGS GOLDEN NOLE

Freddie Stevenson was recognized as the Golden Nole winner for the football program in 2016.

One of the great events held yearly at Florida State University is the Golden Nole Awards. Student-athletes get together as an entire group and are honored for the contributions they make on the field, in the classroom and in the community. The 22nd annual Golden Nole Awards banquet in 2016 was hosted by the Student Athlete Advisory Council (S.A.A.C.) to honor the contributions Florida State student-athletes make that often go unnoticed but are never unappreciated.

Golden Nole honorees are chosen on a combination of factors which include athletic achievement, community service, attitude and dedication. Stevenson followed in the footsteps of Roberto Aguayo (2015), Rashad Greene (2014), and three-time Golden Nole winner Dustin Hopkins.

- The Seminoles won the final national championship in the 16-year BCS era and did so by making the largest comeback in any national championship game. FSU trailed 21-3 with 5:07 left in the second quarter and outscored the Tigers 31-10 the rest of the game, culminating in a 2-yard touchdown catch by Kelvin Benjamin from Jameis Winston with 13 seconds left.
- FSU led the nation in kickoff return yardage, interceptions, passing yards allowed, red zone offense, scoring defense, passing efficiency and set an NCAA record with 723 points. The Seminoles were also top-5 in the country in 10 other categories including total defense, scoring offense per game and turnover margin.
- Florida State finished the season with 22 All-ACC selections, 80
 All-America honors and captured several national individual awards,
 including the Heisman Trophy, Davey O'Brien Award, Lou Groza
 Award, Rimington Trophy, Walter Camp Player of the Year and
 Manning Award.
- FSU had a 1,000-yard rusher for the first time since Warrick Dunn in 1996 as Devonta Freeman amassed 1,016 yards on the ground. The Seminoles also had players break the 1,000-yard receiving mark for the first time since Anquan Boldin in 2002 as Rashad Greene (1,128) and Kelvin Benjamin (1,011) each tallied more than 1,000 yards on the season.
- Florida State set nine ACC team records (wins, total scoring, scoring
 per game, scoring margin, consecutive 40-pt games, TDs, TDs per
 game, Total Offense and Passing Efficiency) and eight individual
 conference marks (Jameis Winston Passing efficiency, Yards
 per attempt, TD passes, Passing yards and Total Offense; Roberto
 Aguayo Points Scored and PATs; Kermit Whitfield Kickoff Return
 Average).
- Redshirt freshman quarterback and 2013 Heisman Trophy Winner Jameis Winston led FSU to its third undefeated season in school history and first since the Seminoles went wire-to-wire as No. 1 to win the 1999 National Championship. Florida State held seven opponents to seven points or less and scored at least 41 points in 12 of its 14 games.

6,800 SQUARE FEET OF HD

When the Seminoles open up the 2016 season, fans will be greeted with the tallest video board structure in college football broadcasting in 1080p true high-definition. The upgraded board is three-times larger and twice as high as the old one. The new board will stand 63 feet high and it will be accompanied by new high definition ribbon boards throughout the stadium as well. Overall, 6,800 square feet of LED displays were added to Doak Campbell.

NOV. 20, 2004

In a special ceremony prior to the Florida game on November 20, 2004, the home of Florida State football took on a meaning even more special when **Bobby Bowden Field** was dedicated. Now, with numerous additions to enhance the gameday experience, Seminole fans are treated to one of college football's greatest venues.

SOUTH ENDZONE

The south end zone houses the Florida State University School of Hospitality, where students in the program receive hands-on experience in various aspects of the food and beverage industry. The multi-level facility includes a restaurant and a sports grill on the top floor that gives a breathtaking panoramic view of Bobby Bowden Field at Doak Campbell Stadium.

NORTH ENDZONE

The north end zone, which consisted of wood bleachers until the 1994 season kicked off, is topped by the offices of the football coaches. The offices are just part of the Daisy Parker Flory wing of the Moore Athletic Center which includes a number of amenities for the

football staff. An even more drastic change came to completion in June of 2005 when the athletics department offices moved back into the newly rebuilt Moore Center.

THE LAST 175

The Seminoles have been formidable at home. In their last 175 home games — since the start of the 1988 season — the Seminoles are 151-23-1. The bulk of those games came with Bobby Bowden leading the team. Over his 34-year career the Seminoles posted a 166-33-2 home record — an .831 winning percentage. That includes an astonishing 56-1-1 record at home in the 1990s and the start of a 54-game unbeaten streak (53-0-1) which began in 1992 and stretched through the first two games of the 2001 season.

200 8 300

Bowden's 200th career victory came on Oct. 27, 1990, as FSU routed Louisiana State, 42-3, in Tallahassee. In 2007, Bowden won his 300th game at FSU on the field that bears his name with a 24-16 win over Maryland.

287 & COUNTING

The 'Noles are 287-87-4 (.765) all-time at Doak and 295-91-4 (.762) as the home team, which includes three seasons — 1947-49 — when they played their home games at Centennial Field. FSU was 8-4 at the downtown Tallahassee site, including 8-0 in coach Don Veller's first two seasons.

OCT 7, 1950

Doak Campbell Stadium opened on Oct. 7, 1950, with Florida State celebrating a 40-7 victory over Randolph-Macon. Since then, millions of fans have passed through the gates.

"ROUND HERE"

Game weekends in Tallahassee can make for a legendary and exciting experience. Fridays before home games serve as primers for "College Football Saturdays in the South" giving Seminole fans from all over their first chance to come together as one. From stadium tours, downtown activities, FSU's Friday Night Block Party and other activities centered around 'Nole game weekends, "Round Here" FSU has made it a Garnet & Gold Standard in creating one of the best college football atmospheres in the country.

Any Given Saturday

Hours before games, students and fans crowd onto the Florida State campus, filling parking lots, the intramural fields and Langford Green to tailgate and enjoy fellowship in getting ready for the big game at Bobby Bowden Field at Doak Campbell Stadium. Gameday experiences in four of the last five seasons have been enhanced with visits from ESPN's College GameDay — a true testament to FSU's reputation for one of the best environment in all of college football.

Warchantin'

Bring your best "chop" upon your arrival in Tallahassee. Fans decked out in Garnet and Gold attire often break out into spontaneous performances of the "Warchant" and the "FSU Fight Song," as well as the famous F-L-O-R-I-D-A S-T-A-T-E chants while using their arm to emulate a Tomahawk Chop.

CollegeTown at Madison St.

In 2013, Tallahassee became home to a brand new entertainment district, CollegeTown, located just two blocks from campus. Featuring a handful of restaurants and other attractions, CollegeTown has become the heart of game day thanks to the efforts of Seminole Boosters and the City of Tallahassee.

The Marching Chiefs

Recognized as the "band that never lost a halftime" by Sports Illustrated, the Chiefs have performed for audiences at the International Trade Fair in Damascus and for the World Football League in London. In addition, the Chiefs perform at all home and select away football games as well as the annual post-season bowl game. Approximately two hours prior to kickoff on home game days, the Chiefs give a live performance, dubbed a "Skull Session," on Mike Martin Field inside Dick Howser Stadium

THE GARNET & GOLD STANDARD

Tallahassee

Best known as Florida's capital city, Tallahassee shares a deep-rooted history and culture.

It is the county seat and only incorporated municipality in Leon County, and is the 125th largest city in the United States. Tallahassee became the capital of Florida, then the Florida Territory, in 1824.

Located in the Florida Panhandle, Tallahassee is a place where college town meets cultural center, politics meets performing arts and history meets nature, a place where the vibrancy of what to do is matched only by the city's inviting hospitality. Tallahassee offers something for everyone.

The Florida State community gets rockin' on Friday nights during home weekends. The Friday Night Block Party - the official tailgate event of FSU football - features live music, onsite vendors and special appearances from 5-10 p.m. at Kleman

Plaza in downtown Tallahassee. Recent acts that have kicked off the fall and spring football weekends include Jake Owen, Chase Rice, Sam Hunt, Justin Moore, Lee Brice, Florida Georgia Line, Thomas Rhett, Easton Corbin, Parmalee, Brett Eldredge, Tyler Farr and Corey Smith. Another solid lineup is on tap for the 2016 season and features Brett Young, Clare Dunn, Chris Lane, Tucker Beathard, and The Cadillac Three.

Many of the past acts have taken off after taking the FNB stage. Florida Georgia Line stormed the country music world winning several No. 1 awards and headlined the 2013 FSU Homecoming concert. Jake Owen, Sam Hunt and Chase Rice have all had albums chart No. 1 on the country music charts.

THE BEST NCAA FOOTBALL TRADITION IN THE COUNTRY

Arguably the greatest spectacle in college football unfolds moments before kickoff at Doak Campbell Stadium when Osceola charges down the field atop Renegade, a beautiful Appaloosa, and plants a flaming spear at midfield prior to each home game.

The tradition was born on Sept. 16, 1978, when a student led the football team from the tunnel, riding a horse as the Seminoles headed into battle against Oklahoma State. Jim Kidder and Reo were the original Osceola and Renegade. Since then, six different Renegades and 16 different riders have made the ride and planted the spear, which brings the game day crowd to its feet. **Brendan Carter who hails from Calvary Ga., is the 16th different rider.**

Bill Durham trained the riders and horses for 20 years before passing the honor and responsibility along to his son, Allen, who was a rider from 1992-1994. The clothing and rigging used by Osceola and Renegade are designed for authenticity and approved by the Seminole Indian Tribe of Florida.

Prior to the 2011 season, ESPN's SportsNation voted Osceola and Renegade the best NCAA Football Tradition in the country. A framed rendering of the spear plant was presented to Bill and Allen Durham during the Oklahoma game on Sept. 17, 2011. That rendering resides in the Moore Athletics Center.

In 2013, Osceola and Renegade made their second appearance at a National Championship traveling to The Rose Bowl in Pasadena, Calif., to watch the Seminoles claim their third national title. The only other time Osceola and Renegade appeared at a National Championship was 1993 for the Orange Bowl.

PROS

FSU

SHINING ON THE DIAMOND

Florida State's success on the baseball and softball diamonds is legendary. Mike Martin is the winningest active coach in NCAA baseball, his teams have been to 37 consecutive NCAA Tournaments, made 15 trips to Omaha for the College World Series and won 1,898 games under his guidance. The FSU softball team advanced to its ninth Women's College World Series in 2016 and won its 14th ACC Championship. Head Coach Lonni Alameda led the Seminoles to the national semifinals at the WCWS for just the third time in school history. In 2016, FSU was one of just four schools in the nation that sent both its baseball and softball team to Super Regionals and one of only two Universities to place one of those teams in the World Series. Florida State is also one of only two schools to send both its baseball and softball teams to Super Regionals for four consecutive years.

NOT JUST ANOTHER DAY AT THE BEACH

FSU has been at the forefront of the newly adopted NCAA sport of Beach Volleyball. After establishing the program in 2012, the Seminoles were ideally placed to hit the ground running when beach volleyball officially became an NCAA sport in 2016. Under new coach Brooke Niles, the team set the single-season record for wins with 32 during the sports' inaugural season as an official NCAA sport. The squad won the inaugural CCSA Conference Championship and finished as the national runner-up at the inaugural NCAA Beach Volleyball Championship.

Niles was recognized for her outstanding effort as she was named National Coach of the Year by the American Volleyball Coaches Association. Her first year in Tallahassee was highlighted by a series of program firsts including a school-record for dual-match victories, a conference championship, the top-seed in the inaugural NCAA Beach Volleyball Championship and a national runner-up finish. Florida State won its first 14 matches under Niles, all on the road, as eight of those victories came against ranked foes including five ranked in the top 10. One of those wins came against eventual National Champion Southern California in Los Angeles as the Seminoles snapped the Women of Troy's 19-match home win streak.

ALL-AMERICAN FRESHMEN

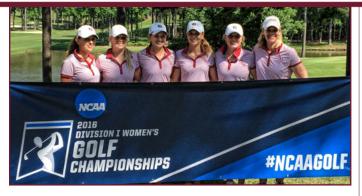

Florida State's Dwayne Bacon and Malik Beasley, the Seminoles' top two scorers during the 2015-16 season, were both named to the 2016 Kyle Macy Freshman All-American Team presented by collegeinsider.com. Bacon and Beasley enjoyed two of the most productive seasons in school history. Both were named to the All-ACC Freshman team and were one of only three sets of teammates named to the 30-member squad.

Bacon was named the ACC Rookie of the Week a school-record five times last season. He finished his first collegiate season ranked 13th overall (and second among freshmen) in scoring and 20th overall (and third among freshman) in rebounding making him one of only two freshmen in the ACC who ranked in the top 20 in the conference in scoring and rebounding,

Beasley was named the ACC Rookie of the Week three times, ranked 16th overall in the ACC in scoring, eighth in free throw shooting percentage (.813), 10th in field goal percentage (.471) and 25th in rebounding (5.3). He was the only freshman in the ACC to rank in the top 10 in the ACC in field goal and free throw shooting and was one of only two players in the ACC who shot better than 40 percent from the field and better than 80 percent from the free throw line.

BOTH GOLF TEAMS MAKE THE NCAA CHAMPIONSHIPS

There are 303 school that sponsor men's collegiate golf and 264 that field women's teams. Yet there were only 12 universities in the nation that sent both its men's and women's teams to the NCAA Championship. Florida State was one of those schools. The women advanced from stroke play in the top 15 and moved on to play for the chance to move into match play. While they did not make it into the top eight, the women did finish in the top 15. The men's team finished one stroke out of advancing to the next round of stroke play at the championship and posted a top 20 finish.

STEFAN BRITS IS AN ATHLETE AND A SCHOLAR

As the first Florida State student-athlete to represent the Seminoles while pursuing a doctoral degree, Stefan Brits has enjoyed a historic career. The long jump specialist from Cape Town, South Africa authored a fitting final chapter, highlighted by his selection as the 2016 College Sports Information Directors Division I Men's Track & Field/Cross Country Academic All-American of the Year. Just the second four-time Academic All-American in program history, he completed his first year as a doctoral student in chemistry with a 4.0 GPA.

Brits owned the No. 1 long jump collegiately in 2016 (8.22 meters/26-11.75), setting the ACC Conference Championship record and securing a spot on South Africa's 2016 Olympic team. He was honored as the ACC Men's Outdoor Track & Field Scholar-Athlete of the Year. A five-time All-American, he placed third at the NCAA Indoor Championships as well.

ANOTHER NOLE IN THE WNBA DRAFT

Florida State Women's Basketball senior center Adut Bulgak was selected by the New York Liberty with the 12th overall pick in the first round of the 2016 WNBA Draft. The Edmonton, Canada, resident and Kenya native was the tenth Seminole to earn a selection in the WNBA Draft, including the fifth since 2009.

Bulgak's first-round selection marked the third consecutive FSU draft pick that has been chosen in the first round, with Natasha Howard (fifth overall in 2014) and Jacinta Monroe (sixth overall in 2010) being part of the group. It is the first time the New York Liberty has selected a Seminole in the WNBA Draft.

SOD

CEMETERY

Florida State's sod cemetery holds chunks of the field from great Seminole road wins.

6

Spanning over six decades, "sod games" and the Florida State University Sod Cemetery have been a **rich part of the Seminoles college football history**, commemorating many of the greatest victories.

1962

In 1962, as the Seminoles completed their Thursday practice in preparation to face Georgia at Sanford Stadium, Dean Coyle Moore – a long-time professor and member of FSU's athletic board – issued a

challenge: "Bring back some sod from between the hedges at Georgia."

OCT. 20 - FSU 18, GEORGIA O

On Saturday, October 20, the Seminoles scored an **18-0 victory over the favored Bulldogs**. Team captain Gene McDowell pulled a small piece of grass from the field, which was presented to Moore at the next football practice. Moore and FSU coach Bill Peterson had the sod buried on the practice field as a symbol of victory. A monument was placed to commemorate the triumph and the tradition of the sod game was born.

ON THE ROAD: UNDERDOG, UF, ACC TITLE, BOWLS

Before leaving for all road games in which Florida State is the underdog, all road games at the University of Florida and all ACC championship and bowl games, Seminole captains gather their teammates to explain the significance of the tradition. Victorious captains return with a piece of the opponent's turf to be buried in the Sod Cemetery inside the gates of the practice field.

Away from home and against the odds, Florida State sod games represent the most difficult battles on the football field. The Sod Cemetery stands as a tribute to those triumphs, to be enjoyed by the Seminole faithful.

FACILITIES

Florida State is one of the premier athletics programs in the nation with a tremendous success rate widespread amongst all of its 20 sports. In addition to football advancing to a fourth consecutive major bowl, softball reached the national semifinals of the Women's College World Series, women's soccer made it to the College Cup and beach volleyball finished as national runners-up during the 2015-16 year.

What makes Seminoles athletics one of the best in the country are the elite facilities afforded to student-athletes. From the best training facilities in great weather to the spacious venues, Florida State attracts not only the best of the best in the country but from around the world.

In continuing to keep Florida State's football program among the elite, exciting upgrades from the locker room, to coaches' offices and meeting rooms, as well as a brand new, state-of-the-art player's lounge have been completed over the past year.

THE MOORE ATHLETICS CENTER

The main hub for Seminole football and the Florida State Department of Athletics is the Moore Athletics Center, which is adjacent to Doak S. Campbell Stadium – and in the north endzone.

The four-story state-of-the-art building includes the football locker room, weight room, athletic training and rehab facility, tutorial and study hall space, computer labs for student-athletes, multi-purpose theatre for team meetings, press conferences and symposiums, classrooms and a dining facility with a full service kitchen and a mailroom. It's also the perfect hub of life for FSU's 400-plus student-athletes.

It's also home to the athletics administration and support staff housing the executive staff, business office, computer information services, coaches' video, Seminole Productions, college of communication faculty offices and student edit rooms, academic support, student services, compliance, sports information, digital media, marketing and promotions, facilities and event management. Designated spaces are available for athletic-training curriculum and a studio provided for the College of Communication students to gain hands on experience producing work for Seminole athletics.

The main level showcases Florida State's talented student-athletes with wall-to-wall vibrant memories of historic Seminole seasons and athletic achievements, including the 1993, 1999 and 2013 football national championships as well as FSU's three Heisman Trophy winners.

FACILITIES

THE NEW MANNY GARCIA LOCKER ROOM

The Manny Garcia Locker Room underwent renovations prior to the 2014 season, upgrading the facility into without-a-doubt one of the nation's best. The unique semi-circle shape remains intact and features 120 new solid wood lockers created by combining design concepts of the ones used by the NFL's Dallas Cowboys and MLB's New York Yankees.

Each locker has a large stainless steel compartment in the bottom base for players to store clothing, shoes, bags and other personal belongings; a personal lock box, a universal mobile device charger, a built-in ventilation system flushing out old air and bringing in new air to dry out clothing and equipment. One of the main features of each locker is an iPad where individual and team messages can be left and displayed on for players from coaches and other football staff, practice or game film can be viewed on and class schedules can be viewed.

The remembrance of FSU's sealed lockers is kept in place with the focal point in the locker room which are statues of all the former 'Noles with retired jersey numbers and honored jerseys. The jerseys on the statues will stay lit the whole time and honor Fred Biletnikoff, Ron Sellers, Ron Simmons, Deion Sanders, Charlie Ward, Derrick Brooks, Warrick Dunn, Chris Weinke and Terrell Buckley.

By the number always being lit, it lends proof to the belief behind the fact that current players are sharing a locker room with all the great players who have played at Florida State.

The players' lounge serves as a relaxing lobby with large flat screen televisions, gaming consoles, comfortable seating and lounging chairs as well as a fruit and snack bar, Muscle Milk and Powerade dispensers. A Nike Display wall has full-size mannequins decked out in FSU uniforms as well as an interactive touch screen display to view Florida State's Nike football gear and uniforms.

PLAYER'S LOUNGE

Florida State football's one-of-a-kind 6,000-square foot players lounge debuted in January 2016 to rave reviews.

A PLACE FOR FUN, A PLACE TO CHILL

The Seminoles' players lounge features three 75-inch TVs, seven arcade games and one very large 50-yard line marker on the ceiling. There are multiple living-room style seating areas, a fully stocked refrigerator, a Seminole-themed pool table and a ping pong table. There's multiple Pop-A-Shot basketball games and a football toss game.

In addition to room-wide surround sound, cell-phone charging stations and a nutrition counter, there are garnet and gold flourishes found in nearly every inch of the lounge

Foosball and pool tables feature emblazoned FSU logos and wordmarks, and arcade basketball games are adorned with photos of Osceola and Renegade.

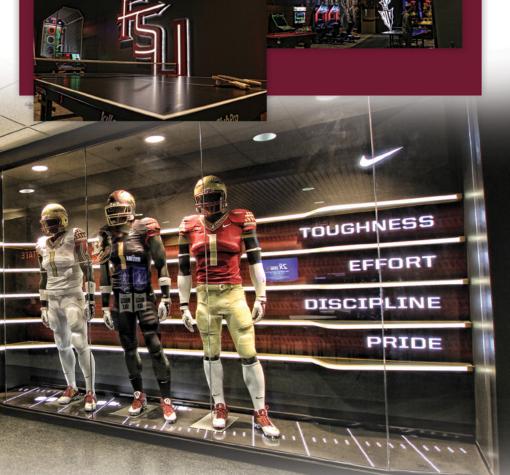

And oversized versions of the Seminole head logo and spear, complete with crisp backlights, hang from the walls.

AT HOME AT THE MOVIES

The centerpiece of the lounge is a movie theater – complete with a snack bar, 12 FSU-branded leather recliners and a 10-foot screen – where players can watch TV and movies or even gather for late-night film sessions

The facility was fashioned out of the space that had been used for FSU's turf room on the second floor of the Moore Athletics Center. Coach Jimbo Fisher spearheaded the idea.

Before FSU's indoor practice facility opened in 2013, the Seminoles would hold makeshift practices inside the turf room during bad weather. But the IPF made the turf room redundant, so Fisher sought a better use for the space.

SEMINDLE

An updated coaches' suite located on the third floor of the Moore Athletics Center serves not only as a home away from home for the national championship winning football staff but houses a tribute to the history of FSU football.

UNCONQUERED HALLWAY

The Unconquered Hallway is the permanent home for the trophies of the three national championships won in 1993, 1999 and 2013 as well as the 15 Atlantic Coast Conference Championships, three Heisman winners and individual national award winners. An interactive display for all the national award winners also is housed in the space.

COACHES' LOBBY

The lobby right outside each position coaches' office has a case which holds every bowl and national championship ring won at FSU, while a timeline of the history of FSU football adorns the walls.

THE PATH TO THE NFL HALLWAY

The hallway right outside the office is maintained to feature the jerseys of every former 'Nole playing in the NFL on a 53-man roster each season. The Interactive NFL Display has a wall featuring the history of Seminoles who played in the NFL.

ALBERT J. DUNLAP ATHLETIC TRAINING

Florida State unveiled its brand-new indoor practice facility in 2013, which allows the Seminoles to practice year-round in state-of-the-art championship facilities without disruptions from inclement weather conditions. The nearly \$15-million, 92,000-square-foot facility features a 120-yard artificial turf field with a 2,000-square-foot training room, rehab area and storage space. The facility is climate controlled and includes platforms that allow for multiple video angles to be shot during practices. The field resembles Bobby Bowden Field inside Doak Campbell Stadium and includes garnet end zones.

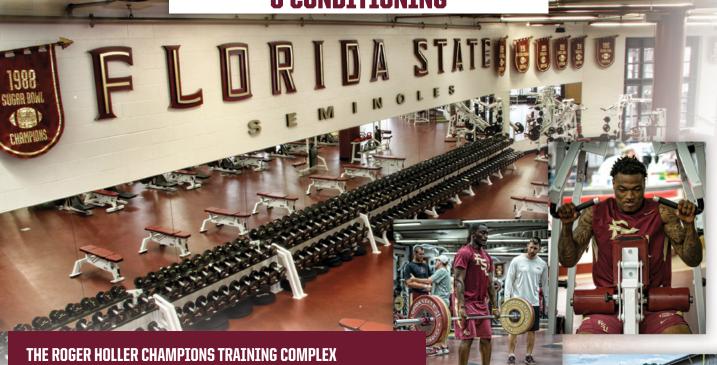

In 2015, the facility was nominated for the American Institute of Architects Florida People's Choice competition.

FSU's two full-size natural turf fields outside of the facility also were updated and feature a new tower between fields for video and viewing purposes. The entire project was funded by donations, including the \$5 million pledge by Al and Judy Dunlap in Feb. 2011.

STRENGTH

& CONDITIONING

The Florida State Seminoles train out of the Seminole Strength and Speed Complex. The state of the art facility includes a 14,700 square feet weight room, 5,000 additional square feet of complex training area, 24 self-contained powerlift work stations, a cutting edge video/audio system and over 80 pieces of customized free weight and selectorized machines. The staff continues to remain on the cutting edge of technology and recently installed several iPads into the weight area for athletes to conveniently access training regimens.

Certified Strength and Conditioning Coaches operate the Seminole Strength and Speed Complex. The coaches design individualized programs that include a regiment of strength training, power development, linear and lateral speed enhancement, mobility and endurance. Before a program is designed all student-athletes are put through a battery of tests to identify strengths and weaknesses.

Once testing is completed a computer-generated program is assigned to the student-athlete. A coach will guide the student-athlete through the program daily and progress will be monitored on a weekly basis by the strength and conditioning staff. Continuous supervision of the athletes will ensure a successful physical transformation into a collegiate athlete.

FSU STRENGTH & CONDITIONING STAFF A CLOSER LOOK

Florida State's strength and conditioning program has quickly become **one of the most innovative and advanced programs in the country** under the direction of Vic Viloria and his staff of four full-time assistants. Using some of the top training methods and technologies, FSU's staff has transformed the Seminoles into one of the nation's most-fit teams, as evident by the on-the-field success.

"Stay in the Eye of the Storm"

The motto of the strength and conditioning staff is simple, "stay in the eye of the storm." The most fundamental and important aspect of the Florida State University strength and conditioning program is that our coaches will always be on the floor coaching their athletes. No athlete is left to train on his or her own. Every workout, every exercise, every set, and every rep will be monitored by a coach. The coach will teach, instruct, provide feedback, and motivate the athlete.

ONE GOAL

It is the goal of the Florida State strength and conditioning program to help each athlete reach their full athletic potential by providing them with training programs that are scientifically based and founded on modern methods of strength and conditioning.

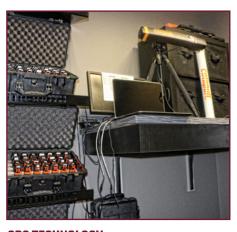

THE COMPLETE ATHLETE

The objective of the FSU strength and conditioning staff is not only to produce stronger, better conditioned athletes, but also to **build discipline and mental toughness** in each athlete through the implementation of a very structured and organized environment. Athletes are held accountable for the commitment and effort that they put into the program, and lifting and conditioning must be viewed as a vital element in the training program for athletes of any sport.

GPS TECHNOLOGY

The results have allowed Florida State to virtually eliminate soft tissue injuries and was a definite factor in helping the Seminoles win an ACC and FSU record 29 consecutive games, including three straight ACC Championships and the 2013 BCS National Championship.

SPORTS

MEDICINE

The Don Fauls Athletic Training Facility was completed in 2004 and serves as the centerpiece for the daily healthcare needs of Seminole football student-athletes as well as the student-athletes for all 20 of FSU's intercollegiate teams. This 15,000 square foot facility provides FSU student-athletes with access to virtually any needed avenue of health care through the many amenities in place in the facility, as well as through the network of team and supporting physicians. Seminole football student-athletes come here to receive care for any and all types of health related issues.

NUTRITION

MISSION STATEMENT

The purpose of the Sports Nutrition Department is to provide student-athletes with the resources they need to stay properly fueled both on the field and in the classroom. Through education, demonstration, and consultation, we strive to optimize health and performance which provides a set of skills that will continue to promote health and wellness throughout life. At Florida State, the elite become champions.

"THE MISSING LINK"

Nutrition can often times be the "missing link" for athletes in their training. Proper nutrition can help prevent injury, enhance the benefits of strength training programs and aid in the recovery process. Adequate fueling can turn an elite athlete into a champion.

NUTRITION EDUCATION

Every interaction is an opportunity to educate the student-athletes on how to properly fuel themselves. We provide team talks, cooking classes, handouts and one-on-one counseling to provide strategies to prepare student-athletes not only for athletic success, but to educate them for life after football.

FUELING THE ATHLETE

The sports nutrition staff offers a variety of different options for student-athletes to properly fuel themselves for their performance. We provide pre/post workout nutrition tailored to the needs of each student-athlete. The sports nutrition staff also provides nutrition around competition, on the road traveling and meal planning.

VISION

As Florida State University leads and embraces the future entering new markets, connecting with new students, faculty and staff, and expanding its presence —it is essential that the Florida State Athletics brand grows with the university. The objective of this exercise is to make sure that the brand is consistent across all applications and captures new audiences in an authentic and meaningful way. The Seminole Tribe of Florida was consulted through the brand development process and approved all modifications of these beloved symbols.

THE FLORIDA STATE UNIVERSITY ATHLETICS BRAND

What are the elements that make up our Brand Identity? The words you choose. The type you use. The colors, graphics, and imagery you display. A unique and iconic primary logo. The way you position and apply the primary logo. These are the key building blocks that help tell the Florida State story and shape people's perception of Florida State University.

Perfection is in the details. Underlying all Florida State brand expressions is a detailed, well-ordered system of visual assets. This unified system defines the Florida State experience.

EVOLUTION NOT REVOLUTION

At first glance, the new Florida State Brand Identity System may look revolutionary. It's bold and intriguing. It's designed to serve as an evolution of an already iconic identity and position the brand for the future.

BRAND ATTRIBUTES

Brand Attributes are a set of characteristics that represent the essence of the Florida State brand. These attributes identify personality traits and serve as a filter for all of the components of the identity system. When you experience the Florida State brand, we want you to be reminded of:

RESPECT | INTEGRITY | STRENGTH | PRIDE CHARACTER | FIGHT | PASSION | LEADERSHIP FAMILY | TRADITION

PRIMARY IDENTITY-THE SEMINOLE LOGO

The Seminole logo is indisputably iconic and unique to Florida State Athletics. It signals a consistent foundation—honoring the brand equity that has been built across decades of competition while creating distinction and reinforcing the brand for the next generation. The mark is strong, youthful and bold paying off the true attributes of a Seminole Warrior. It purposefully incorporates the Florida State color palette, and with the head held high it expresses our position with purpose and conviction.

The Seminole logo is the primary representation of the brand and is used as the main identifying device for athletics. Reinforcement of the primary identity will build equity in Florida State Athletics. In primary or secondary colors, the Seminole logo works well across all media. With a flexible approach to palettes and logo staging, the Seminole logo now comes alive with renewed spark and energy.

FSU LOGO

The FSU Logo is a stylistic ligature. At the origin of typographical ligatures is the simple running together of letters in manuscripts. In writing and typography, a typographic ligature occurs where two or more letters are joined as a single glyph.

The FSU Logo was created from the custom unconquered alphabet. It works closely in support of the primary identity to represent Seminole Athletics. This type-based mark gives the identity flexibility while staying consistent with the main look and feel.

SEMINOLE SPEAR

Perhaps the most spectacular tradition in all of college football occurs in Doak Campbell Stadium when a student portraying the famous Seminole leader, Osceola, charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. Together, Osceola and Renegade highlight a pre-game ritual, considered to be one of the most popular in the nation.

Florida State's trademark helmet with the Seminole spear is well known throughout all of college football. This design was first introduced during Bobby Bowden's first year as head coach in 1976. Prior to that season, FSU had used a variety of different helmets ranging from gold with a garnet FSU, solid gold with garnet and white striping, an image of the state of Florida with STATE running down it, and various others. The refined spear now reflects the same visual language as the other elements of the identity system.

SEMINOLE PATTERN

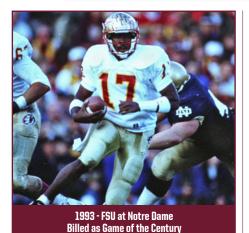

In the early 1900s, a new decorative technique was developed by Seminole women, now commonly known as patchwork. Early patterns included blocks and bars of alternating color with occasional sawtooth designs that were sewn directly into garments. Patchwork was rapidly adopted as a standard means of embellishing the Seminoles' traditionally vibrant clothing. These authentic and meaningful patterns live on through today's Seminole natives, and are now an official element of the performance apparel palette for Florida State Athletics.

FSU and Nike were determined to incorporate meaningful symbolism into their uniforms and designers included Seminole lore in each element. The Seminole symbols for Fire, Arrow and Man on Horse (top to bottom, repeating) were the inspiration for this unique

SEMINOLE FOOTBALL

HISTORY OF

FSU FOOTBALL

1851

Florida State University actually began in 1851 when a legislative act established the Seminary West of the Suwannee. The first students enrolled in 1857 and the Florida State College was co-educational until 1905 when the Buckman Bill sent all the female students to the "new" Florida State College for Women. The huge numbers of male college students wishing to enter school on the G.I. Bill after World War II forced the legislature to make FSU co-educational in 1946.

1902-04

Thirty-three years after Princeton and Rutgers kicked off American college football, the Florida State College played three seasons of football in Tallahassee. From 1902-1904, FSC played wearing the colors purple and gold. The 1904 squad was crowned state champions after defeating the University of Florida at Lake City and Stetson.

1946

Florida State University became a co-educational institution in 1946 when the first male students were enrolled, most of whom were coming back from World War II. The transition from FSCW, which was regarded as one of the nation's top colleges, to the new institution was remarkably quick and the development of an athletics program was almost as rapid.

1947

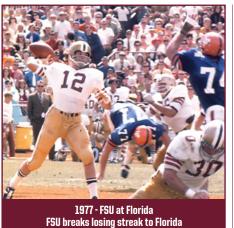

Florida State University fielded a football team in 1947 coached by Ed Williamson. On October 18, 1947, Stetson kicked off to the FSU three yard line. Don Grant returned the kickoff to the FSU 32 and 7,165 fans at Centennial Field celebrated the first football game. The team finished 0-5 on the season.

1948

Don Veller became FSU's second football coach in 1948 and would coach the team until 1952. An outstanding player at Indiana University, Veller inherited 20 lettermen from the first year, but only 12 would letter in 1948. Veller would lose just two games over his first three years, including an undefeated 8-0 campaign in 1950.

1950

Florida State played its first football game in Doak S. Campbell Stadium on Oct. 7, 1950 against Randolph Macon. 9,676 fans watched the Seminoles win 40-7, but the new home field was a story in itself. It was built on a former cow pasture and was completed in just five months. Tallahassean Rainey Cawthon was instrumental in selling over 1,000 season tickets at \$50.00 each to fund the stadium and won a wheelbarrow ride down Monroe Street from contractor Red Coleman, who missed the completion date by two days. FSU players painted the stadium over the next summer for \$1 per hour.

1953

Tom Nugent became FSU's third head coach in 1953 and would coach the Seminoles until leaving to become Maryland's head coach in 1958. An innovator on a national level, **Nugent developed the I-formation and the typewriter huddle**. Among the players he coached were FSU greats Bobby Renn and Lee Corso as well as a talented tailback named Burt Reynolds whose career was cut short by injury.

1960-70

Florida State's arrival on the national map occurred during Bill Peterson's 11 seasons as head coach. He came in 1960 when free substitution was still five years away in the game. He moved FSU boldly into the forefront of the passing game and led the Tribe to its biggest win yet when they topped No. 5 Kentucky 48-6 in 1964. He would post a 62-42-11 record in Tallahassee. Among a host of other things, Peterson developed the concept of the "hot receiver" in 1964 that remains in most offenses today.

1964

Fred Biletnikoff became FSU's first consensus All-American as a senior in 1964. He ranked fourth nationally with 57 receptions for 11 touchdowns which did not include his four touchdowns in the Gator Bowl win over Oklahoma. Biletnikoff put FSU on the map and he was married under the goalposts at Doak Campbell in 1965. He would go on to have a Hall of Fame career with the Oakland Raiders. The national award given to the top college receiver in the country is named after him.

1966

Ron Sellers began a career at Florida State that would prove one of the most prolific in college history. He gained an unheard of 3,979 yards over his career. His statistics were so impressive that most lasted as national records all the way until 1987. He caugh passes in 30 consecutive games and averaged 119.9 yards per game. He is a member of the College Football Hall of Fame.

1970

While integration of schools throughout the country came painfully slow, Florida State's first African-American player took the field in 1970. J.T. Thomas was a starter from the first game he played at FSU and he backed a sterling college career with three Super Bowl rings earned as a member of the Pittsburgh Steelers.

1971

Larry Jones coached the Seminoles from 1971-1973. An 0-11 campaign in his last year spelled the end for the coach. Among notable players during his era were outstanding wide receiver Barry Smith, quarterback Gary Huff and Alabama transfer **Billy Sexton**.

1974-75

Darryl Mudra coached the Seminoles for two seasons and did his work from the pressbox on game day. Perhaps the biggest accomplishment of Mudra's brief tenure, that included the NCAA mandated scholarship limits for the first time, was the signing of an unheralded running back named Larry Key. Key would prove to be one of the finest running backs in Seminole history.

1976

FSU president Stanley Marshall and athletic director John Bridgers set up a dinner meeting at an airport hotel in Tampa where West Virginia head coach **Bobby Bowden** was coaching an all-star game known as the American Bowl. They offered him a four-year contract worth \$37,500 and he became the Seminoles' eighth head coach on Jan. 12. Bowden was interviewed for the job six years earlier when it went to Larry Jones, but FSU officials felt he lacked the experience.

1977

Florida State ended a nine year drought versus the Florida Gators in convincing style with a 37-9 victory before 63,563 fans in Gainesville. The victory capped a brilliant regular season for the Garnet and Gold. It was the ninth victory in 11 games, the first time in Seminole history the school had recorded nine wins during the regular season. And, the win also returned FSU football to respectability throughout the south since head coach Bobby Bowden had said more than once that the program "would not be turned around until we beat Florida." Thus the victory - only the third in the 20 year series for the Seminoles - was more important than any other win in recent memory for Seminole coaches and boosters.

1979-80

Florida State got its first taste of the real big-time in 1979 and 1980 going to **back-to-back Orange Bowls** against Oklahoma. FSU went undefeated (11-0) over the regular season in 1979, but lost 24-7 to the Sooners and finished sixth in the final AP poll. FSU took a 10-1 record into the Orange Bowl showdown the next year before losing a heartbreaker 18-17.

DID YOU KNOW?

Scholarships In '51

It was not until 1951 that Florida State began to grant athletic scholarships and the move put added pressure on the program to win. FSU left the Dixie Conference and petitioned for membership in the Atlantic Coast Conference and the Southeastern Conference but were rebuffed. Interestingly, it was the University of Florida that sponsored FSU for admission to the SEC.

Seminoles First To Score Two

The late Vic Prinzi, who is a member of the Florida State Hall of Fame and was the color commentator for the radio network until his death in 1997, was the first college player ever to score a two-point conversion. On Sept. 13, 1958, the Seminoles took the season-opening drive of the Tennessee Tech game in for a touchdown and Prinzi, playing quarterback, ran in the two-point conversion to beat the other national games by just minutes.

Football Since 1902 Actually

Florida State College actually played football during the 1902-1904 school years and played it well. The first game in 1902 was a 5-0 win over South Georgia Military on Nov. 21 when touchdowns were worth five points. The NCAA nor the governing body at the time recognizes the early games for FSC, although the school won the state championship in 1904. The 1904 season included a 23-0 win over Florida in Lake City, Fla. The school then became the Florida State College for Women and would remain one of the nation's top all-female institutions until the large number of returning veterans from World War II triggered the state system to open Florida State University to men in 1946. The school resumed football in 1947, taking on Stetson in its first game.

1980

If one game can be singled out as the most important in the run of unprecedented success at Florida State, it would be **the contest** at **Nebraska on Sept. 7, 1980**. FSU won in Lincoln, 18-14, opening the eyes of the entire country. Nebraska fans shook off a mixture of shock and confusion to stand and give Bobby Bowden and his Seminoles a standing ovation as they left the field.

1981

FSU takes on the following schools in order **all on the road**: Nebraska, Ohio State, Notre Dame, Pittsburgh and LSU. FSU won at Ohio State, Notre Dame and LSU, but, more importantly, won fans coast to coast for its undaunted spirit.

1981

In 1981 a freshman tailback named Greg Allen was given the football in the middle of legendary Death Valley with a sea of LSU fans around him. He finished the day with a remarkable 202 rushing yards that signaled the arrival of a superstar for the Seminoles. Later that year, he would rip Western Carolina for 322 rushing yards, which still stands as the best rushing game ever for a Seminole.

1986

Deion Sanders spent a quiet first two years at Florida State before exploding on the national scene in a preseason press conference. He would become one of the most popular players ever in college football and one of the greatest athletes in FSU history.

1991-92

On July 1, 1991, the Atlantic Coast Conference accepted Florida State University as its ninth member and the first addition to the league since Georgia Tech joined in 1978. FSU had competed in the Metro Conference for all sports other than football, which had been an independent. FSU's first ACC football game was a 48-21 win over Duke on Sept. 7, 1992.

1993

The Seminoles won their first national championship behind Heisman Trophy winner Charlie Ward in 1993. FSU played Nebraska in the national title game at the Orange Bowl and used freshman Scott Bentley's late field goal to win 18-16.

1995

A 31-26 come-from-behind win in the fourth quarter of the Orange Bowl against Notre Dame was FSU's 11th consecutive bowl win. The streak set an NCAA record as was FSU's 14-game unbeaten streak in bowls that was spoiled only by a 17-17 tie with Georgia in the 1984 Citrus Bowl.

1999

Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his **first perfect season**. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 46-29 win over Virginia Tech for the national championship in the Sugar Bowl.

5000

Chris Weinke literally rewrote the FSU record book over his senior season and took home the second Heisman Trophy for a Seminole player when he won the award in December of 2000. He would finish his career with a record of 32-3 as a starter.

2002

Bobby Bowden passed Bear Bryant and moved into second place on the all-time coaching wins list.

2003

Bobby Bowden defeats Wake Forest to become all-time winningest major college coach. The Seminoles won the ACC and earned the BCS bid.

2004

Bobby Bowden Field at Doak S. Campbell Stadium was dedicated on Nov. 20, 2004 prior to the Florida game.

2005

Florida State wins the **inaugural ACC Championship** game by a score of 27-22 over Virginia Tech in Jacksonville. Willie Reid was named the game's MVP. The conference title was FSU's 12th since joining the league in 1992.

2006

The College Football Hall of Fame announced that Bobby Bowden and Charlie Ward would be two of the year's 15 inductees. Bowden and Joe Paterno, who was also inducted, were the first two active coaches to be honored.

2007

Head Coach Bobby Bowden won his **300th career game** at FSU with a 24-16 victory over Maryland.

2008

The College Football Hall of Fame announced that Ron Simmons would be one of 15 inductees. The Rhodes Trust named junior Myron Rolle one of 32 U.S. Rhodes Scholars for 2009 - the first time in nearly 25 years it has awarded the scholarship to a prominent college football player. Senior kicker Graham Gano was named the Lou Groza Award winner, making him just the second Seminole to ever garner the honor.

2009

Legendary head coach Bobby Bowden (1976-2009) and longtime defensive coordinator Mickey Andrews (1984-2009) announced their retirements during the season and said their final farewells when FSU defeated West Virginia 33-21 in the 2010 Gator Bowl. The victory secured the Seminoles' 33rd straight winning season under Bowden. It was Florida State's 28th straight bowl appearance – the nation's longest active bowl streak. Bowden retired ranked second all-time in victories for NCAA major college football

2010

Jimbo Fisher took over the helm at Florida State in 2010 after being named the successor to legendary coach Bobby Bowden on Jan. 5, 2010. In just his first year, Fisher guided the Seminoles to a final ranking of No. 16 in the USA Today Coaches Poll. He led Florida State to the 2010 Chick-fil-A Bowl Championship after a season sweep of in-state rivals Miami and Florida, an ACC Atlantic Division Title and the program's first 10-win season since 2003. His 10 wins were the most by a first-year head coach at FSU and the third-most by a rookie coach in ACC history.

2011

Jimbo Fisher led Florida State to its 30th consecutive bowl appearance in the Champs Sports Bowl and the Seminoles rallied for an 18-14 win over Notre Dame to win their fourth straight bowl game. Punter Shawn Powell earned consensus All-American honors. FSU defeated both Miami and Florida for the second straight year, something the 'Noles hadn't done in back-to-back seasons since 1998-99.

2018

Florida State took its place back among the elite in 2012. The Seminoles captured their first ACC Championship since 2005 and won a BCS Bowl by defeating Northern Illinois 31-10 in the Discover Orange Bowl on New Year's Day. The 'Noles finished No. 8 in the USA Today Coaches Poll and No. 10 in the Associated Press Poll. Defensive end Bjoern Werner was a unanimous All-America selection while placekicker Dustin Hopkins also earned All-America honors. Hopkins set a new FBS record by a kicker for career points (466) and also became the ACC's all-time scorer. Head coach Jimbo Fisher guided the Seminoles to their second 10-win season in just his third year as FSU finished 12-2 – the most wins since 1999 - and extended its consecutive bowl appearance streak (31).

201

The Seminoles earned their third national championship with a 34-31 win over Auburn in the BCS National Championship Game on Jan. 6, 2014. Redshirt freshman quarterback Jameis Winston led Florida State to a 14-0 record and its first undefeated season since 1999. Winston earned the 2013 Heisman Trophy as he finished with 4,057 yards passing and a school-record 40 TDs through the air to go along with 219 yards and four scores on the ground.

2014

Florida State won its third consecutive ACC Championship, and 15th overall since joining the league in 1992, earning a spot in the inaugural College Football Playoff. The Seminoles posted a streak of 29 consecutive wins, setting FSU and ACC records, becoming just the 14th team in college football history to win 29 games in a row.

2015

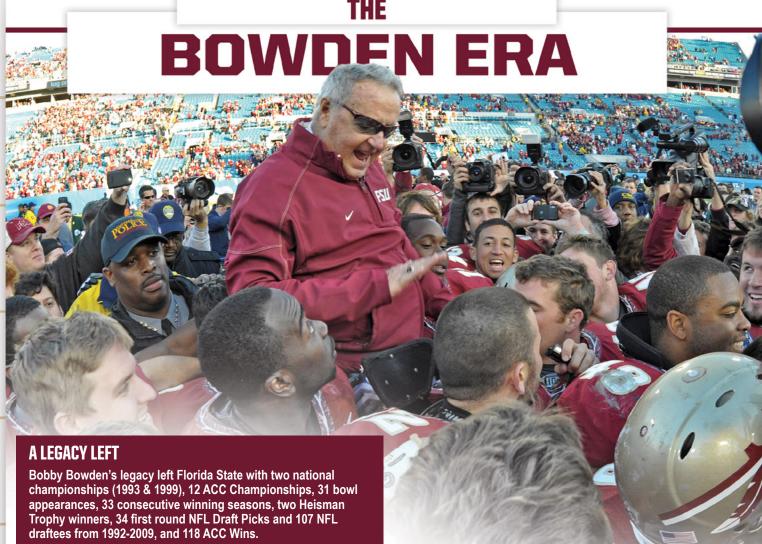

Despite losing 12 starters and having 11 players drafted in the previous spring, the Seminoles had another banner year by finishing with a record of 10-3 and advancing to the Chick-fil-A Peach Bowl. FSU joined Alabama as the only team in the country to appear in four consecutive BCS or "New Year's Six" bowl games. Along the way, junior defensive back Jalen Ramsey collected consensus All-America honors, while redshirt junior Roberto Aguayo wrapped up his career as college football's most accurate kicker. Sophomore running back Dalvin Cook shattered the school record for rushing yards (1,691) en route to the Jim Brown Award, given to college football's top running back.

1970

Although FSU had considered dropping football due to a 4-29 record over the previous four seasons, Bobby Bowden is hired as head coach and records his only losing season at FSU with a 5-6 mark.

1977

In one season, Bowden turns the program around with a 10-2 record, FSU's first-ever 10-win season. Under Bowden's direction, FSU won its first bowl game since 1964 with a 40-17 drumming of Texas Tech in the 1977 Tangerine Bowl.

1978

Bowden and Florida State received the program's first preseason national ranking at No. 17. He led the Seminoles to a second statisty win over Florida, marking the first time in history FSU had recorded two straight wins over the Gators.

1979

Bowden led FSU to the Orange Bowl in its first ever New Year's Day bowl. Bowden recorded FSU's first ever unbeaten regular season and the highest AP ranking at No. 4 entering the postseason and coached FSU to a school-record 11 wins.

1980

Bowden's 1980 team was the first in program history to finish in the AP Top 5. When it's looked at how FSU became a national power, the 18-14 win at Nebraska always comes to mind as a landmark victory. He was named National Coach of the Year (Bobby Dodd).

1981

Bowden and Florida State gained notoriety with a schedule that lined FSU up in successive weeks on the road against Nebraska, Ohio State, Notre Dame, Pitt and LSU. The Seminoles went 3-2 in that stretch while Florida State's overall schedule was nicknamed "Murderer's Row" and "Octoberfest."

1982

For the second straight year, Bowden and the Seminoles faced the nation's toughest schedule according to the NCAA. Bowden reached into his bag of tricks for a 34-17 upset win at Ohio State.

1983

Bowden surpassed former head coach Bill Peterson as the all-time winningest coach at FSU. He was inducted into the Florida Sports Hall of Fame. The "War Chant" saw its birth and FSU sported its "mustard" uniforms for the first and only time.

1984

Greg Allen recorded Florida State's first 1,000 yard rushing season. Bowden continued his creative play calls as Jessie Hester scored on a 77-yard reverse as FSU stunned defending national champion Miami, 38-3, in the Orange

1985

Bowden coached FSU to its ninth straight winning season, capped off by a 34-23 Gator Bowl victory over Oklahoma State. Perhaps FSU's biggest victory came in the second game when FSU traveled to No. 10 Nebraska and defeated the Cornhuskers 17-13, a game Bowden would later call "one of the biggest wins in FSU history."

1986

Bowden and FSU recorded a 56-14 pounding of South Carolina in FSU's first-ever appearance on ESPN. Bowden led FSU to a perfect 6-0 record at home and the most points scored in a game by FSU in history with a 76-14 win over Tulsa. He was inducted into the Alabama Sports Hall of Fame.

1987

Bowden missed his first national championship by one point when two Miami defenders knocked down a two-point conversion and FSU fell 26-25. FSU snapped a six-game losing skid to the Gators which marked Bowden's 100th victory at FSU.

198

Bowden's preseason No. 1 ranked team fell at Miami breaking its streak of 11 opening day victories. The Seminoles would not lose again, winning 11 straight games. Bowden called one of his greatest trick plays, the Puntrooskie, at Clemson. FSU drubbed Florida 52-17 for the Seminoles' largest victory margin over the Gators

1989

After a loss to Clemson, FSU went on to win 10 straight and earn a Top 3 ranking for the third straight year. FSU played in a third straight New Year's Day bowl with a win over Nebraska in the Fiesta Bowl, extending its bowl unbeaten streak to eight.

1990

Bowden earned his 200th career victory when FSU beat LSU 42-3. The 1990 meeting with Florida marked the first time in the series that both teams were ranked in the Top 10 as No. 8 FSU defeated No. 6 UF 45-30. Bowden and FSU beat Joe Paterno's No. 7 Penn State Nittany Lions 24-17 in the Blockbuster Bowl.

1991

Bowden was named National Coach of the Year (Walter Camp) and led FSU to an 11-2 mark and fifth straight season of 10 or more wins. FSU was preseason No. 1 and stayed there 11 weeks before falling to Miami in Wide Right I. FSU defeated No. 3 Michigan 51-31, the most points ever allowed in the Big House.

BOWDEN IN BRONZE

Former head coach Bobby Bowden is bigger than life in front of the Moore Athletics Center at Florida State as a bronze statue of his likeness was unveiled in a ceremony on Sept. 24, 2004. The statue is one-and-a-half life-size of Bowden and was sculpted by Tallahassee artist Stanley Proctor. The artist also created a smaller piece of artwork, measuring just over 12 inches high, featuring Bowden and Doak Campbell Stadium.

1992

Bowden and FSU beat Duke in FSU's first game as a member of the ACC. FSU suffered Wide Right II at Miami and fans saw the birth of the "fast-break offense" in the comeback win at Georgia Tech. 1995

Florida State's streak of 29 straight ACC wins came to an end with a loss at Virginia. The Seminoles finished the season 11-2, 8-0 in the ACC and a No. 5 ranking in the AP final poll.

SEMINULE FOOTBALL

FSU FOOTBALL

TRADITION

FSU Fight Song

While the "War Chant" has become familiar at FSU games, the Florida State fight song still remains the definitive sound of Seminole sports. FSU's band became the Marching Chiefs in 1950 and with that came the fight song. Tommy Wright, a member of the faculty in the School of Music, was perturbed that the Seminoles had been using "On Wisconsin" and the "Notre Dame Victory March" so he introduced the song in the Sewanee game, setting to music a poem by FSU Alumni Doug Alley.

History of the Garnet and Gold

Florida State's school colors of **garnet and gold** date back to the Florida State College championship football teams of 1904 and 1905. In those championship seasons, FSC donned purple and gold uniforms. When Florida State College became Florida Female College in 1905, the football team was forced to attend the University of Florida. The following year the FFC student body selected crimson as the official school color of 1905. The administration in 1905 took crimson and combined it with the recognizable purple of the championship football teams to achieve the color garnet. The now-famous garnet and gold colors were first used on an FSU uniform in a 14-6 loss to Stetson on Oct. 18, 1947

War Chant

Florida State's "war chant" appears to have begun with a random occurrence that took place during a 1984 game against Auburn. In the 1960s, the Marching Chiefs would chant the melody of a popular FSU cheer. In a sense, that chant was the long version of FSU's current "war chant." During a thrilling game with Auburn in 1984, the Marching Chiefs began to perform the dormant melody. Some students behind the band joined in and continued the "war chant" portion after the band had ceased. Most

agree the chant came from the fraternity section, but many spirited Seminole fans added the hand motion to symbolize the brandishing of a tomahawk. The chant continued among the student body during the 1985 season, and by the 1986 season, it was a stadium-wide phenomenon. Of course, the Marching Chiefs refined the chant, plus put their own special brand of accompaniment to the "war chant," for the sound we hear today. Atlanta Braves fans took up their version of the song and chant when former FSU star Deion Sanders came to the plate as an outfielder. The Kansas City Chiefs first heard it when the Northwest Missouri State band, directed by 1969 FSU graduate Al Sergel, performed the chant while the players were warming up for a game against San Diego.

Goal Posts Salute Peterson

The Bill Peterson era as head football coach at FSU was a time of **great offensive innovation** and of many firsts for the upstart Seminole program, including the first Seminole coach to beat the Gators at Florida Field, coaching the program's first All-American in Fred Biletnikoff and recruiting James Thomas, the first African American player to ever play football at FSU. A tradition of the Peterson era was to enter the field through the goal posts. As a tribute to the players and coaches of the Peterson era and their many firsts, "H" style goal posts were added to the field at Doak Campbell Stadium prior to the 2002 season and will forever be referred to as "Pete's Posts."

Tomahawks Can Be Won and Lost

Florida State's coaching staff and academic staff **award tomahawks** to individual players for great plays or contributions on the field and in the classroom. Players may get a tomahawk for a crucial play, a touchdown, a saving tackle or various other achievements on the field. In 1997 the Seminoles began receiving tomahawks for outstanding academic achievements as well. They look identical except the word academics runs down the handle of the tomahawk. What many fans do not know is that Florida State players can actually lose tomahawks as well. Poor performance on the field or in the classroom can cause a player to be stripped of the coveted decals.

"Unconquered"

Dedicated on Oct.10, 2003, Fritz White's **bronze statue** "Unconquered" was designed to capture the indomitable spirit of the Seminole people and those who have adopted that spirit as a symbol for their university. The massive structure, including its granite-covered pedestal base, stands

George Langford's

project for up to \$1 million helped make the statue a reality. Fifty-one artists were then considered before White eventually saw the statue dedicated 10 years after the concept was inspired by attorney and FSU graduate Stephen Reilly's trip to South Bend, Ind. for an FSU football game.

Sportsmanship Statue

Between Gates B and C of Doak Campbell Stadium stands the one ton, 15-foot tall Sportsmanship Statue given in honor of Pappy Strum by his daughter Margaret Strum Allesee, who is an FSU graduate and former Seminole cheerleader. The enduring symbol of the most important aspect of athletic competition was sculpted by FSU alumnus and accomplished artist Edward Jonas.

Three Different Helmets to One

For one season in 1962 the Florida State Seminoles took the field with three different helmets. Coach Bill Peterson's three-team system featured the two-way Chiefs, the defensive Renegades and the offensive Warriors with each group wearing a different helmet. By 1963 the Seminoles were back to just one helmet, an all-gold version which once again lasted just one season as the word "State" was added in 1964.
