# AWARDS & SCHOLARSHIPS

Endowed Scholarships • Golden Spear Club • Golden Ace Girls

## Golden Spear Club

The Golden Spear Club is designed to provide "grass roots" support for the men's and women's tennis programs at Florida State University.

The objective of the club is to assist the athletics department in promoting FSU tennis in Leon County and throughout Florida and to assist us in generating interest in and enthusiasm for our program.

Your membership to The Golden Spear Club is TAX DEDUCTIBLE and helps support the club's

activities and the Florida State University Tennis Program. Although Golden Spear Club memberships are not accompanied with Booster Club benefits, you can take pride in the fact that FSU Tennis will remain nationally competitive because of your support.

We welcome you to become a part of the Golden Spear Club and join other tennis enthusiasts in the fun of supporting FSU Tennis. Go Noles!

## Golden Spear Club Benefits

- Membership:
  - \$25.00 Students
  - \$50.00 Individual
  - \$75.00 Family
- Seminole Tennis T-Shirt (one per membership)
- Two pro-ams with men's and women's teams and coaches
- Scheduled use of Varsity Courts
- Post-Match stories via e-mail
- Complimentary parking during matches
- FSU tennis tag for your car

For more information, call  
Lise Gregory (850) 644-1092  
FAX: (850) 644-3451

James Howarth

## Tennis Endowed Scholarships

From Miami to Minneapolis, and from Warsaw to Walla Walla, young men and women come to Florida State University to embrace educational excellence, and to compete as a Seminole. Many would not have the opportunity to receive that college education without their athletic scholarship. These young people work hard, and proudly represent Florida State as a winner on the national stage, attracting the attention to our University that winners bring.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the student-athlete competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to the athletic program.

The last 15 years have seen a three-fold rise in the cost of athletic scholarships at

Florida State. Today, more than \$300,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of Ginny Futch, Bette Sprague and James Howarth (not pictured) the endowment of the Florida State tennis programs are well on their way.

# SCOTT SPEICHER TENNIS CENTER

With the first stage of construction completed in the summer of 1993, the Scott Speicher Tennis Center at the Donald Loucks Courts opened its gates to the public for the first time at a Children's Miracle Network charity tournament. Since then, many successful Tournaments including the 1996 NCAA Women's Championships, have graced the courts at one of Florida State University's premier athletic facilities.

Costing \$1.2 million to build and then another \$800,000 for recent additions, Florida State's Speicher Tennis Center has become an example of the increasing dedication and commitment the University has to all of its 17 varsity athletic programs.

The Speicher Tennis Center houses 12 lighted hard courts, over 1,000 court level seats, coaching offices, men's and women's locker rooms, equipment and storage rooms, a team lounge and a public address system. The growing pride Florida State has for its tennis program and it's premier tennis center was honored just after it's opening in 1994, when the United States Tennis Association (USTA) awarded the structure with it's "Top Notch" facility award.

The Speicher Tennis Center was named in honor of Lieutenant Commander Michael Scott Speicher, a graduate of Florida State University and the first American casualty during Operation Desert Storm. By Presidential directive, the facility bears the name the "Scott Speicher Tennis Center."

H. Donald Loucks was the program's first tennis coach and is aptly known as the pioneer of Florida State tennis. He began his coaching career in 1936 at the University School of Florida State College for Women where he coached all sports. This was the beginning of an association with Florida State which crossed six decades, 1936 - 1980, ending in his retirement as Professor Emeritus of Physical Education. In 1942, while serving as an officer in the Army, Loucks was stationed at West Point where he coached plebe basketball and tennis teams.

In 1947, Loucks became Florida State's first basketball coach and a year later was named the school's first tennis coach. His tennis team was the first athletic team to have a winning season. The varsity tennis

courts were named for Loucks in 1981. He served as Dean of Men from 1957 - 1967 and was known as a servant of leadership, service and devotion to many worthy causes.

The Speicher Tennis Center was designed by EMO/Architects, Inc., a Tallahassee-based architectural firm, in collaboration with Global Consult Group, Inc., an internationally recognized Tennis Facility Design Consultant. The complex was funded by private sources and supervised through the state university system of Florida.

Through its nine year existence, the Scott Speicher Tennis Center at the Donald Loucks Courts has served as the home courts for all Florida State men's and women's home dual matches, the annual Seminole Fall Classics, City of Tallahassee tennis championships, various USTA regional and zonal tournaments, the 1994 and 1995 Men's Intercollegiate tournament and the annual Children's Miracle Network Charity Invitational benefiting Shands Hospital in Gainesville.

## Did You Know?

- Florida State University's Scott Speicher Tennis Center held its first ever USTA Challenger tournament in June 2000
- Tallahassee was selected to join the ATP tour with cities such as Atlanta, Chicago, Houston and Los Angeles.

Sam Paul .....North Carolina

The following information is provided by the Florida State Office of Compliance for prospective student athletes. It is intended as a guideline to introduce some of the rules governing NCAA athletic involvement.

### Who is Permitted to Recruit for FSU?

Only Florida State University coaches who have successfully completed the NCAA Recruiting Rules Examination on an annual basis may be involved in the recruitment process. Representatives of our athletics interests may not make any recruiting contacts. This includes letters, telephone calls or face-to-face contact on or off campus with a prospect or the prospect's parents.

### Key Terms You Should Know

You become a prospective student-athlete if you have started classes for the ninth grade. Before the ninth grade, you become a prospective student-athlete if the college provides you (or your relatives or friends) any financial aid or other benefits that the college does not provide to prospective students generally.

A contact is any face-to-face encounter between a prospect or the prospect's legal guardian and an institutional staff member or athletic representative during which any dialogue occurs in excess of an exchange of greeting. NOTE: At the Division I level, athletic representatives (boosters) may not contact you for the purpose of recruiting. A college coach may contact you in person off the college campus beginning July 1 after completion of your junior year in high school.

An evaluation is any off-campus activity designed to assess your academic qualifications or athletic ability, including any visit to your high school (during which no contact occurs) or the observation of any practice or competition in which you participate.

During your senior year, you can have one expense-paid official visit to a particular campus. You may receive no more than five visits. During your official visit, which may not exceed 48 hours, you may receive round-trip transportation between your home and the campus, and you (and your parents) may receive meals, lodging and complimentary admission to campus athletics events.

### Phone Calls & Letters

Phone calls from faculty members and coaches (but not boosters) are permitted beginning July 1 after completion of your junior year. A college coach or faculty member is limited to one telephone call per week except when it is:

- During the five days immediately before your official visit to the university

- On the day of a coach's off-campus contact with you
- During the time beginning with the initial National Letter of Intent signing date in your sport through the two days after signing date

Letters from coaches and faculty members (but not boosters) are not permitted until September 1 at the beginning of your junior year in high school. A Division I university may provide you with the following printed materials:

- General correspondence, including letters, U.S. Postal Service postcards and institutional note cards
- Game programs which may not include posters and one Student Athlete Handbook can be provided only during official or unofficial visits to the university's campus
- NCAA educational information
- Pre-enrollment information subsequent to signing a National Letter of Intent with the university
- One athletic publication which may include only one color of printing inside the covers
- Official academic, admissions and student services publications published or videotapes produced by the institution and available to all students
- Schedule cards
- Questionnaires which may be provided prior to your junior year
- Summer camp brochures which may be provided prior to your junior year.

### Alumni & Boosters Do's & Don'ts

You **may** forward information about prospective student-athletes to the appropriate coaches.

You **may** have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect has already signed a National Letter of Intent and the Compliance Office is aware that you are making these contacts in regard to employment.

You **may** have a telephone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by an institutional staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about our athletics programs to an athletics department staff member/coach.

You **may** view a prospect's contest at your own initiative provided you do not contact the prospect or his/her parents. In addition, you may not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect.

You **may** continue established family relationships with friends and neighbors. Contacts with sons and daughters of these families are permitted as long as they are not made for recruiting purposes or encouraged by Florida State University coaches.

You **may not** become involved in making arrangements to receive money or financial aid of any kind for a prospect or the prospect's family and friends.

You **may not** make contact with a prospective student-athlete and his/her parents when the prospect is on campus for an official or unofficial recruiting visit.

You **may not** transport, pay or arrange for payment of transportation costs for a prospect, and his/her relatives or friends to visit campus (or elsewhere).

You **may not** pay or arrange for payment of summer camp registration fees for a prospect.

You **may not** provide anything to a prospect, the prospect's family or friends without prior approval from the athletics' Compliance Office.
