

# 2005-06 REVIEW

6-4, 6-4. In doubles Abougzir partnered with Chris Westerhof to make up the No. 11 ranked duo in the nation. They advanced into the round of 16 before being defeated in three sets to Duke's Joey Atas and Jonathan Stokke 3-6, 6-1, 6-4.

## Back-To-Back Dominance

Florida State wrapped up the 2006 season with an 18-12 overall record, which is the second best school record in the last 11 years. The 2005 squad finished with an impressive 21-8 record so in the last two seasons FSU has

recorded its back-to-back best records within an 11 year time frame. The last time FSU won at least 18 games before the 2005 season was in 1995 when the team finished 18-9.

## Florida State Continues to Rank in the Top 20

FSU ended the season for the second consecutive year ranked in the Top 20 of the final ITA Division I Men's Tennis Rankings. The Seminoles finished the season ranked 19<sup>th</sup> and reached as high as 11<sup>th</sup>. In 2005, Florida State finished the season ranked 13<sup>th</sup>.

## Sucupira and Hood Team Up to Win ITA Summer College Circuit

During the third day of the ITA Summer College Circuit, Florida State's men's tennis won the doubles competition at the Scott Speicher Tennis Center. Jonathas Sucupira and Jason Hood overtook Josh Irely and George Navas 8-5 to win the doubles competition. They beat Owen Long and Cody Simmons 8-6 in the semi-finals.

(Back row, L to R) — Nick Crowell, Jonathas Sucupira, Chris Westerhof, Andrew Bailey, Jason Hood, Maciek Sykut; (Front row, L to R) — Domagoj Lausic, Mat Cloer, Chris Cloer, Sam Chang, Ytai Abougzir, Dwayne Hultquist

## 2005-06 Roster

NAME	HT	CL	HOMETOWN	LAST SCHOOL
Ytai Abougzir	5-8	JR	Boca Raton, FL	Boca Raton Prep
Andrew Bailey	6-2	FR	Tallahassee, FL	Lincoln HS
Ryan Boyajian	5-9	FR	Weston, FL	St. Thomas Aquinas
Sam Chang	5-7	SO	Young-Ming, Taiwan	Delray Beach American Heritage
Chris Cloer	5-8	FR	Brevard, NC	Brevard HS
Jason Hood	6-4	JR	Columbia, SC	Richland Northeast HS
Jonathas Sucupira	5-10	JR	Sao Paula, Brazil	Colegio Megga
Maciek Sykut	6-1	FR	Marathon, FL	Marathon HS
Chris Westerhof	6-1	SR	Durban, South Africa	Crawford College

## Coaching Staff

Head Coach	Dwayne Hultquist, 7 <sup>th</sup> Season
Assistant Coach	Nick Crowell, 3 <sup>rd</sup> Season
Student Assistant	Mat Cloer
Team Sports Psychologist	Domagoj Lausic

# THE UNIVERSITY

## This Is Florida State

**F**rom its pre-Civil War beginnings as the Seminary West of the Suwannee to a nearly four-decade stint as the Florida State College for Women to its return to coeducational status as a university, Florida State University has developed into an internationally acclaimed research institution with excellence in teaching, research and public service.

The university enrolls almost 40,000 undergraduate, graduate and professional students. Of these, 24.5 percent are minorities. Students are from all 50 states and the District of Columbia, as well as 137 foreign countries.

Florida State offers an impressive breadth of academic degree programs. Students may take courses of study leading to a baccalaureate degree in 94 programs, a master's degree in 107 degree programs, a doctorate in 73 degree programs, a specialist certification in 28 degree programs and a professional designation in two degree programs. Courses are offered through 16 schools and colleges — Arts and Sciences; Business; Communication; Criminology and Criminal Justice; Education; Engineering; Human Sciences; Information; Law; Medicine; Motion Picture, Television and Recording Arts; Music; Nursing; Social Sciences; Social Work; and Visual Arts, Theatre and Dance.

Students have the opportunity to work and study alongside members of the prestigious National Academy of Sciences, members of the American Academy of Arts and Sciences, winners of the Pulitzer Prize and a Nobel laureate. Florida State faculty also lead several scholarly fields in citations of published work.

Several members of the Florida State faculty were recognized with major awards in the 2005-2006 academic year, including two new members elected to the prestigious National Academy of

Sciences; four Fulbright fellowships; two new fellows of the American Physical Society; the 2006 Medalist Award from the Florida Academy of Sciences; a Sloan Research Fellowship; and one professor, the legendary ballerina Suzanne Farrell, rewarded with Kennedy Center Honors.

Florida State has many academic programs that consistently rank among those at the nation's top 25 public universities, including programs in business, chemistry, creative writing, criminology, ecology and evolutionary biology, information, law, meteorology, oceanography, physics, political science, psychology, public policy, sociology and statistics.

The university had many noteworthy achievements during the 2005-2006 academic year. Among them:

- Florida State launched the Pathways to Excellence Initiative, which takes advantage of the university's unique strengths with significant new investments in research and graduate education. It is designed to target and hire 200 top faculty members who are national and international leaders in their respective fields to complement FSU's highly respected faculty, and to bring added value to the university's world-class research groups and centers through substantial investments in new facilities and enhancements to graduate education, particularly Ph.D. programs.
- The FSU CONNECT Campaign, launched in October 2001, officially concluded, having raised more than \$630 million to support the university.
- Sarasota philanthropist Dr. Helga Wall-Apelt's multi-tiered gift devoted to Asian art is the largest yet received by the John and Mable Ringling Museum of Art and the largest single gift to FSU, expected to exceed a total value of \$50 million.

- U.S. News & World Report ranked the College of Information master's program 10<sup>th</sup> in the nation; the College of Arts and Sciences' nuclear physics program was 13<sup>th</sup>, as was its analytical chemistry program; and the College of Law's environmental law

program was 14<sup>th</sup>, as was the higher education administration program in the College of Education. In addition, Hispanic Business magazine again ranked the law school among the Top 10 in the nation for Hispanics.

- The National High Magnetic Field Laboratory unveiled two world-record magnets that offer potential for scientific breakthroughs in a variety of fields. Standing 16 feet tall and weighing more than 15 tons, a 900-megahertz, superconducting NMR magnet was brought online following 13 years of design, development and testing. Science performed using this magnet will help scientists understand the workings of biological molecules, as well as the workings of the cell and the brain. In addition, a 35-tesla magnet, the highest-field "resistive" magnet in the world, was unveiled. It will be used primarily for physics and materials science research.

- An international reputation of excellence earned the Learning Systems Institute a \$6.2 million grant from the U.S. Department of Homeland Security to develop national performance standards and a training curriculum for port security and other personnel to prevent, deter and respond to terrorist acts along the 95,000 miles of U.S. shoreline.

- Student-athlete Garrett Johnson, an outstanding graduate student studying public administration and one of the best shot putters in the world, won a Rhodes Scholarship — just one of many FSU students furthering their educations through prestigious academic awards.

Students at Florida State have the opportunity to conduct research in specialized interdisciplinary centers, such as the National High Magnetic Field Laboratory, the Institute of Molecular Biophysics, and the School of Computational Science; to participate in interdis-

ciplinary work across campus, such as programs that integrate economics, geography, climate forecasting, law and other environmental courses and programs; and to work with faculty to forge new relationships between disciplines, including medicine, the physical sciences, engineering, business and law.

Students also are encouraged to participate in international education through the university's programs in England, Italy, Switzerland, France, Panama, China, Costa Rica, Spain, Russia, the Czech Republic, Greece, Croatia, Germany, Ireland and the Caribbean. The university's study sites in London, the Republic of Panama, Valencia, Spain, and Florence, Italy, are considered by many to be among the nation's best. In 2006, Florida State signed a cooperative agreement with the newly formed International Valencian University in Spain, becoming its North American partner — another example of Florida State's growing prominence in the international academic community.

Florida State's main campus is spread over 450.5 acres in Tallahassee. Within the state, the university maintains facilities in Panama City, at its Coastal and Marine Laboratory on the Gulf of Mexico, and at the Asolo Performing Arts Center in Sarasota. Also in Sarasota, Florida State operates the Ringling Center for the Cultural Arts, which includes the John and Mable Ringling Museum of Art, the largest museum/university complex in the nation.

Extensive credit and non-credit continuing education programs are offered statewide via Academic and Professional Program Services, housed in the Augustus B. Turnbull III Florida Conference Center on the edge of the Florida State campus. In addition, library holdings at Florida State include 2.8 million book titles and 9.1 million microforms. The university's library holdings rank among the top 30 public research universities in the United States.

*Dr. T.K. Wetherell congratulates Garrett Johnson on winning the Rhodes Scholarship*

The university's main library facility, the Robert M. Strozier Library, is linked by computer to other state university and national research libraries. Florida State also maintains science, music, library and information science, medicine, engineering and law libraries, as well as the Mildred and Claude Pepper Library, which houses the papers, photographs, audio recordings, video recordings and memorabilia of the longtime congressman from Florida. Library materials and services also are available at the university's Panama City campus, as well as at the international study centers, and a collection of art and related materials is on display at the John and Mable Ringling Museum of Art in Sarasota. Collectively, the Florida State libraries are a member of the Association of Research Libraries, an association of the top research university libraries in the United States.

# University Facts

**BACKGROUND:** The Florida State University is one of eleven units of the Division of Colleges and Universities of the Florida Board of Education... It was established as the Seminary West of the Suwannee by an act of the Florida Legislature in 1851 and first offered instruction at the postsecondary level in 1857... Its Tallahassee campus has been the site of an institution of higher education longer than any other site in the state... In 1905, the Buckman Act reorganized higher education in the state and designated the Tallahassee school as the Florida Female College... In 1909, it was renamed Florida State College for Women... In 1947, the school returned to co-educational status, and the name was changed to The Florida State University... It has grown from an enrollment of 2,583 in 1946 to an enrollment of 39,652 in the Fall Semester 2005.

**ENROLLMENT (FALL, 2005):** Total, 39,652... 76.7% undergrad, 20.0% grad, 3.0% unclassified... 78.8% in-state... 93.4% from the United States... students from all 50 states and the District of Columbia are in attendance... 19 states contributed over 100 students each... 22 foreign countries contributed over 25 students each... female, 56.6%... male, 43.4%... minority, 24.6%... international, 3.4%.

**ACREAGE:** Main Campus: 451.2 acres in Tallahassee, Leon County (main campus)... Panama City Branch: 25.6 acres in Panama City, Bay County... The university owns a total of 1,521 acres in Leon, Bay, Franklin, Sarasota, & Gadsden counties... Sites are leased in Marion and Leon counties in Florida, and other locations overseas.

**COLLEGES/DEGREE PROGRAMS:** With 16 colleges and schools, students may take courses of study leading to the baccalaureate degree in 95 degree programs, to the master's degree in 109 degree programs, to the advanced master's degree in one program, to the specialist degree in 27 degree programs, to the doctorate degree in 73 degree programs, and to the professional degree in two degree programs. The academic divisions are the Colleges of Arts and Sciences, Business, Communication, Criminology and Criminal Justice, Education, Engineering, Human Sciences, Information, Law, Medicine, Music, Social Science, Social Work and Visual Arts, Theatre and Dance; and the Schools of Motion Picture, Television, and Recording Arts and Nursing.

**OPERATING BUDGET (2005-06):** \$970,714,026  
**DEGREES AWARDED FOR 2004-05:** Bachelor, 6,856... Masters, 1,681... Doctorate, 276... Specialist, 44... Judge Doctorate, 274, Total, 9,158.

**ENTERING FRESHMAN FACTS (FALL, 2005):** The middle 50 percent High School GPA, 3.3-3.9; SAT score 1070-1250, ACT score 23-27. There were 55 National Merit Scholars, 24 National Achievement Scholars, and 58 Hispanic Scholars enrolled as undergraduate students during the Fall 2005 term.

**RETENTION RATE:** First year, 100%... second year, 86.2%... third year, 75.7%... fourth year, 71.8%.

**FACULTY/STAFF:** Total 2,239... FSU's faculty includes some past graduates, such as former astronauts Dr. Norm Thagard, who teaches Electrical Engineering, and Winston Scott who serves as Vice President of Student Affairs... FSU's faculty has included six dynamic Nobel Laureates: 11 members elected to National Academy of Sciences... 10 members of the American Academy of Arts and Sciences.

**EDUCATIONAL ADVANTAGES:** Florida State University has a uniqueness in providing programs that are consistent in excellence across the board, from fine arts and humanities to the hard sciences... The balance of programs is based on FSU's long tradition as a leading liberal arts institution combined with its position as one of the top 10 universities in generating research-based revenues... FSU is the most wired campus in Florida, and was recently ranked 18th most connected university in the nation by Yahoo! Internet Life.

**EDUCATIONAL OPPORTUNITIES ABROAD:**

FSU offers a variety of overseas study opportunities for students during the regular academic year. FSU has study centers located in Florence, Italy; Panama City, Republic of Panama; Valencia, Spain; and London, England. Courses at the study centers are offered each semester and cover a wide range of subject areas perfect for meeting general and liberal studies requirements. International Programs also offers study programs, some general and some major specific, in: Tianjin, China; San Jose, Costa Rica; Dubrovnik, Croatia; Prague, Czech Republic; London, England; Paris, France; Dublin, Ireland; Moscow, Russia; and Leysin, Switzerland. A summer Law program is offered in Oxford, England. There is one Linkage Institute, FLORICA, in Costa Rica, and Beyond Borders programs in Turrialba, Costa Rica, Kingston, Jamaica, and Dresden, Germany.

**EXTRACURRICULAR ACTIVITIES:** FSU has nearly 300 student organizations that allow students to find their own niche.

**FINANCIAL AID:** FSU offers two types of financial assistance: need-based and merit-based... Over \$160 million is given away for financial assistance each year.

**STUDENT/FACULTY RATIO:** 23-1... Many of the general education classes are large, lecture classes; however, over 70 percent of major classes have less than 40 students.

**RESEARCH:** The Florida State University has built a reputation as a strong research center in both the sciences and the humanities. It is expected that more than \$100 million in external funds will be generated this year by the university faculty and administration as supplements to state funds used for research. These external funds are in the form of contracts and grants from private foundations, industries, and government agencies, and are used to support research, improve research facilities, and provide stipends for graduate students.

**SPONSORED RESEARCH (2005-06):** \$173,605,359

**LIBRARY HOLDINGS:** The University Library System contains over 2.8 million volumes, of which more than 245,000 are available electronically as e-books. The libraries subscribe to more than 42,000 current serials including academic journals, professional and trade journals, and major newspapers from around the country and the globe in both paper and electronic formats. The libraries also subscribe to more than 300 databases. The FSU Libraries include 8 libraries on campus: The Robert Manning Strozier Library, Paul A. M. Dirac Science Library, Mildred and Claude Pepper Library, Warren Allen Music Library, Harold Goldstein Library and Information Science Library, College of Law Library, College of Medicine Medical Library, and the College of Engineering Library. Library materials and services are also available at the FSU Panama City Campus, as well as International Programs study centers in London, Florence, and Panama, and a collection of art and related materials at the John and Mable Ringling Museum of Art in Sarasota, Florida.

## Prominent Alumni

### RITA COOLIDGE

Rita Coolidge, a two-time Grammy Award winner, has worked with Joe Cocker on his "Mad Dog and Englishman" tour and also toured and recorded with the likes of Eric Clapton, Jimi Hendrix, Bob Dylan, Leon Russell and Stephen Stills.

### LEE CORSO

Lee Corso, a college football analyst for ESPN, joined the network in 1987 after 28 years of football coaching experience at the college and professional levels. He is a game analyst for Thursday night telecasts and is a studio analyst for College GameDay.

### BARBARA HARRIS

Barbara Harris is the Editor-In-Chief of SHAPE Magazine, the largest national monthly health and fitness publication for women in the United States. She lettered in volleyball at FSU from 1974-77.

### TRAYLOR HOWARD

Traylor Howard is an actress best known for her role as "Sharon" in the ABC TV series "Two Guys and a Girl." Her feature film credits include "Me, Myself & Irene," with Jim Carey (2000), "Dirty Work," and "Confessions of a Sexist Pig." She is currently featured as "Natalie" in the series "Monk" on the USA Network.

### JOHN MARKS

John Marks, Mayor of the City of Tallahassee, is the managing partner of the Tallahassee office of Adorno & Yoss. He is on the Board of Directors of Fringe Benefits Management Company, a privately held financial services company. He currently serves on the Board of Directors of the Florida League of Cities, the Tallahassee Economic Development Council, the Tallahassee/Leon County Civic Center Authority, the Sunshine State Governmental Financing Commission, and the Economic Club of Florida. He received his B.S. degree in 1969 from the Florida State University School of Business and his Juris Doctor degree in 1972 from the FSU College of Law. Mr. Marks also served four years in the U.S. Air Force as a Judge Advocate.

### GABRIELLE REECE

Gabrielle Reece began modeling in 1989 and has appeared on numerous magazine covers. She is internationally recognized as a top fashion model and spokesperson for several companies, including Nike. Reece co-wrote a book with Karen Karbo (July 1997) about her life as a pro volleyball player "Big Girl in the Middle."

### BURT REYNOLDS

Burt Reynolds, who has as enjoyed enormous success as an actor and director in feature films, television and stage productions, is a Golden Globe winner, Oscar nominee, Emmy Award winner, winner of 12 People's Choice Awards including five for favorite motion picture actor and three for favorite all-round male entertainer.

### DR. TONEA STEWART

Dr. Tonea Stewart is a professional actress, tenured Professor and Director of Theatre Arts at Alabama State University. As an actor, she is best known for her recurring role in "In the Heat of the Night" as Aunt Etta Kibbe.

### NORM THAGARD

Former NASA Astronaut, Norm Thagard, logged over 140 days in space during five space flights. He was a mission specialist on STS-7 in 1983 on Orbiter Challenger, the flight engineer on STS-51B in 1985, aboard Challenger and STS-30 in 1989, on Orbiter Atlantis, the payload commander on STS-42 in 1992, aboard the Shuttle Discovery and was the cosmonaut researcher on the Russian Mir 18 mission in 1995. He is currently on Faculty at FSU in the College of Engineering.

### Other Distinguished Alumni:

**Reubin Askew**, former Governor of Florida

**Paul Azinger**, professional golfer

**Alan Ball**, award-winning writer, received the 1999 Academy Award for Best Original Screenplay for "American Beauty"

**John W. Bradley**, actor, "The New Adventures of Robin Hood"

**Clifton Campbell**, playwright  
**Davis Gaines**, performer, "The Phantom of the Opera"

**Jane Geddes**, professional golfer

**Paul Gleason**, actor, "Trading Places," "The Breakfast Club"

**Parris Glendinning**, former Governor of Maryland

**Hubert Green**, professional golfer

**Tara Dawn Holland Christensen**, Miss America 1997

**Linda Keever**, Editor in Chief *Florida Trend Magazine*

**Tony LaRussa**, Manager, St. Louis Cardinals

**Doug Marlette**, Pulitzer Prize winner for editorial cartooning

**DeLane Matthews**, actress

**Michael Piontek**, actor

**Henry Polic**, actor

**Charles G. Rex**, New York Philharmonic

**Victor Rivers**, actor and spokesperson for The National Network To End Domestic Violence

**Stephen J. Rothman**, theatre director

**Winston Scott**, former NASA astronaut

**Steven Sears**, writer and producer

**Randy Ser**, theatrical director

**Sonny Shroyer**, actor, "The Dukes of Hazard"

**Richard Simmons**, diet and exercise guru

**Robert Ulrich**, actor, "Vegas," "Spencer For Hire"

**Dr. Valint Vazsonyi**, international concert pianist

**Claudia Waite**, award-winning soprano

**Ellen Taaffe Zwillich**, first woman to win Pulitzer Prize in music

# THE UNIVERSITY

## Athletic Administration

**DR. THOMAS KENT "T.K." WETHERELL**  
President

DR. THOMAS KENT "T.K." WETHERELL BECAME the 13th

president of Florida State University on January 6, 2003. He is the first university alumnus to serve as president of Florida State. A career educator with more than 30 years of experience in the State of Florida's educational system, Dr. Wetherell is also the only FSU president with experience in all four major divisions within higher education, having held positions in the offices of academic affairs, student services, business affairs, and college development. He has held leadership positions in two-year as well as four-year colleges, and he has served as a faculty member in both public and private institutions of higher education.

Dr. Wetherell is recognized as a high-energy, student-oriented president. He is an innovator who challenges faculty, staff and administrators to set high professional and personal standards. During his tenure as president, Florida State realized its dream of establishing, receiving full accreditation and graduating the first class of the nation's first public new allopathic medical school in the last 25 years.

Under Dr. Wetherell's leadership Florida State has undertaken the university's most extensive construction program, adding three new residence halls, a general purpose classroom building, new food services facilities, parking garages, an alumni center, research facilities, massive renovation projects, a Heritage Walk system throughout campus, as well as the construction of a new medical school.

Dr. Wetherell established the Pathways to Excellence program

designed to enhance Florida State University's stature as a public graduate research university. The Pathways to Excellence program is designed with the Association of American Universities evaluation criteria as its basis. In addition to issuing a challenge to the university's community to reach a higher level academically, Dr. Wetherell also made available online data that will allow the public and individual faculty to monitor the university's and their respective academic department's success in this endeavor.

Dr. Wetherell is an outstanding advocate for higher education and has been called the state's most "politically astute president." In addition to his political insight, Dr. Wetherell is expert in resource development and led the university to successfully complete Florida State's second major capital campaign. During the campaign Dr. Wetherell gave the largest gift a seated president of a public research university has ever given to an institution in the United States. As president, Dr. Wetherell has also been the university's most vocal advocate for a community service program as part of students' college experience.

Dr. Wetherell has been inducted into Florida State University's Hall of Fame and was the recipient of the prestigious Moore-Stone Award, the Circle of Gold Award and the university's Distinguished Service Award. In addition, he has also been awarded an honorary Doctorate of Letters from Flagler College.

Dr. Wetherell served in the Florida House of Representatives from 1980 to 1992, the last two years as Speaker of the House. During his tenure in the House he served as chairman of the appropriations committee and the higher education committee. The Miami Herald named him one of the Top Ten Legislative Leaders in the House each year from 1987 until 1992.

During his years in the legislative process Florida enacted some of the most progressive education legislation in America.

A third-generation Floridian, Dr. Wetherell was born on December 22, 1945 in Daytona Beach, Florida. He attended Port Orange Elementary School and Mainland Senior High School, where he was active in service clubs, student government and athletics. He attended Florida State University on a football scholarship and played on the 1963-67 football teams. He still holds the record for the longest kickoff return in Florida State University history. He earned his bachelor's and master's degrees in social studies education from FSU in 1967 and 1968 respectively. He earned a doctorate in education administration from FSU in 1974.

Dr. Wetherell is married to Virginia B. Wetherell, who was appointed by Governor Chiles as Secretary of the Florida Department of Environmental Protection from 1991 to 1998. She previously served as a state legislator representing Pensacola. She currently is president of Wetherell Consulting Services. They are the parents of three children: Kent, Blakely, and Page, and have two grandchildren: Emily and Tyler. Wetherell's personal interests include outdoor recreation, travel and aviation.

**DAVE HART, JR.**  
Director of Athletics

HIS PEERS USE TERMS AND WORDS SUCH AS class, integrity, respect, visionary and national leader

to describe Dave Hart, Jr. Bolstered by his leadership and vision, the current and future state of a still young athletics program at Florida State University is vibrant and inspiring. Hart is widely viewed as one of the nation's top athletics directors. It is a reputation he has earned.

Dave Hart begins his 12<sup>th</sup> year as Florida State's Athletics Director. Hart has led the FSU athletics program since 1995 with comprehensive success in mind. The athletics department budget has doubled from 20 to more than 40 million dollars since Hart arrived, with a high percentage of that increase going towards the growth and development of women's athletics programs at FSU.

# THE UNIVERSITY

Student-athletes have reached new heights in academic performance within University, Conference and national circles. Community service participation by student-athletes is at an all-time high with every team giving back to the community throughout the year. Florida State student-athletes, coaches, administrators and teams are being recognized nationally on a regular basis for honors and awards. Excellence in competition is evidenced across the board with the Seminoles finishing in the Top 20 nationally in the Directors' Cup this past year. Facility enhancements are remarkable and serve as a collective point of pride for current and former student-athletes, coaches, staff, alumni and fans.

In recognizing Hart's position within intercollegiate athletics, ACC Commissioner John Swofford said, "Dave Hart is one of the best and most respected athletics directors in the business. He thoroughly understands the nuances of major college athletics, and he has superb values to go along with his vast experience in the field. He is a proven leader within our conference as well as at the national level."

Hart has served on several prestigious committees at conference and national levels during his career in athletics administration. He has been a member of the NCAA Council, the NCAA Honors and Awards Committee and the NCAA Special Events and Postseason Bowls Committee as well as a consultant to the NCAA Student-Athlete Advisory Council.

Hart has also held positions of considerable influence within conference and national circles. He served as President of both the National Association of Collegiate Directors of Athletics and the Division I-A Athletics Directors' Association. Hart has been recognized by his peers in intercollegiate administration with the honor of being named Athletics Director of the Year in the Southeast Region in 2000 and 2005. In the seven year existence of the AD of the Year Award, he is one of only three athletics directors' in Division I-A to receive the regional award twice. He has also received the Robert R. Neyland Award for lifetime achievement in his profession as well as the Athletics Directors' Award for advancing the quality and progress of student-athletes and the athletics program while at Florida State. He currently is a member of the NCAA Football Board of Directors where he represents NACDA and serves with commissioners of Division I-A conferences as well as NCAA President, Myles Brand. He is also one of eleven athletics directors

nationally who serve as an advisory group to presidents and conference commissioners in ongoing meetings and discussions regarding BCS format options and related issues. In addition to serving in prominent leadership roles nationally, Hart has been directly involved in the renegotiations of the ACC's football and basketball television contracts, which are considered to be the nation's best. He has chaired the ACC Television Committee as well as the ACC Men's Basketball and Football committees. A long-time advocate of conference expansion, Hart played an instrumental role in the Atlantic Coast Conference expansion process which resulted in the addition of three new members in Miami, Virginia Tech and Boston College while immediately elevating the national profile of the ACC.

A popular speaker at the national level, Hart has made numerous speaking presentations nationally and presented seminars on such topics as student-athlete welfare, marketing, gender equity, facility master planning, negotiation skills and personnel transition. He was an instructor at the National Association of Collegiate Directors of Athletics Management Institute for ten years and currently is an annual presenter at the Division I-A Athletics Directors' Institute sharing with peers his knowledge and experiences relating to athletics administration.

Since his arrival at Florida State, Hart has negotiated unprecedented multi-million dollar contracts for the department totaling in excess of 100 million dollars while planning and guiding the development and implementation of an extensive and comprehensive facilities master plan for athletics which totals more than 125 million dollars. He initiated a multi-faceted Student Development/Life Skills program for all student-athletes at FSU, which has been recognized nationally as a "Program of Excellence" by the Division I-A Athletics Directors' Association. He spearheaded the rewriting of the department's mission statement to put the student-athlete at the core of everything the athletics department does in its goal to build comprehensive excellence throughout the many components of the department.

Hart took a leadership role in the athletics department's first major Capital Campaign, in concert with Seminole Boosters, which raised over 75 million dollars for athletics facilities and endowed athletics scholarships for all sports at Florida State. Within the Facilities Master Plan, the Soccer/Softball facility was the first new facility to be built and remains one of the

nation's finest. Major renovations to the Tennis and Volleyball facilities have also been completed. The state-of-the-art Golf Facility and Teaching Center and the Basketball Training Center are among the nations very best. The Dick Howser Baseball Stadium and the new Moore Athletics Center, have few, if any, peers. A new aquatics facility and completion of the renovation to the Mike Long Track building are underway. The planned "Legacy Walk" will ultimately showcase FSU tradition and Athletics heritage around the University Center.

Hart has made major hires within coaching and administrative areas of the department, while dramatically increasing exposure for all Seminole Athletics since his arrival at FSU. Through the negotiation of television contracts with Sun Sports as well as ACC contracts with regional sports carriers and ABC and ESPN, Florida State enjoys outstanding visibility in all sports on an annual basis.

Under Hart's direction, FSU formalized a varsity club to encourage the participation of former student-athletes in athletics department activities and a new focus has been placed on the growth of women's athletics at FSU. That commitment is reflected in the increased allocation of funding, competitive success and facility improvements. Also during Hart's tenure, FSU has been home to the inaugural National Student-Athlete of the Year, a State of Florida Woman of the Year recipient and a Rhodes Scholar. A record number of FSU student-athletes have made the ACC Academic Honor Roll, been recipients of NCAA post-graduate scholarship awards and obtained degrees during the past ten years. Student-athlete community service involvement has become a priority since Hart's arrival. Student-athletes at FSU contributed over 5,000 hours this past year to community outreach projects with the women's golf team winning the Athletics Director's Cup for community service.

A 1971 graduate of Alabama, Hart played basketball for the Crimson Tide and earned a master's degree in 1972 while serving as a graduate assistant basketball coach. He coached and taught at the high school level before joining the East Carolina athletics program in 1983 where his vision and leadership enabled that program to reach goals thought to be unattainable.

Hart met his wife, the former Pam Humble, while at Alabama and they have three children, Rick, Jamie and Kelly. The Harts' also have three grandchildren, Trevor, Caroline and McKinley.

# THE UNIVERSITY

**KIM RECORD**  
Senior Associate  
Director of  
Athletics

KIM RECORD IS IN HER 12TH YEAR as senior associate athletics director at Florida State.

Record is a veteran of Atlantic Coast Conference circles having served as an associate athletics director at her alma mater, the University of Virginia, for seven years. She is the primary administrator overseeing the Seminole men's and women's basketball teams and soccer programs. Her responsibilities also include coordination and oversight of all multi-media contracts, assisting in the management of all phases of the department operation and overseeing the areas of sports information, sports marketing and video.

Prominent on the national scene, Record served on the executive committee of NACDA and is a member of the NCAA Womens Soccer Committee, NACDA's Continuing Education Program and the USS Sports Academy Director's Cup Committee.

A native of Troy, Virginia, Record received her bachelor's degree in sociology in 1984 and her master's degree from Florida State in 1999. She has two sons: Kyle (18) and Joshua (13).

**DR. JOSEPH BECKHAM, J.D.**  
Athletics Committee  
Chair

DR. JOSEPH BECKHAM WAS APPOINTED as Florida State

University's Faculty Representative to the NCAA and Atlantic Coast Conference in 2006 and currently chairs the University's Athletic Committee.

Dr. Beckham joined Florida State in 1980 and specializes in education law, policy and finance. He was named Allan Tucker Professor of Educational Leadership and Policy Studies at Florida State University in 2001 and was awarded the Ross Oglesby Award for contributions to FSU in 1999.

He holds both a Ph.D. in educational administration and policy and a Juris Doctorate. In the mid-1970s, he served as administrative counsel to Connecticut Lt. Governor Peter Cashman, and assisted in the development of youthful offender programs that coordinated services across the Connecticut departments of education, corrections, higher education and youth services. While completing his Ph.D., he was a National Education Finance Project research fellow and later joined the faculty of the Graduate School of Education at the University of Pennsyl-

vania.

Dr. Beckham has served as head of the Department of Educational Leadership (1988 to 1993), chair of that department (1999 to 2001), and interim chair (2005-06). In addition to his appointment to a number of state and national boards representing educators and attorneys, he was president of the National Organization on Legal Problems of Education in 1991 and was awarded the McGhehey Award for contributions to the field of education law by the Education Law Association in 1996.

From 2000 to 2005, Dr. Beckham was a member of FSU's Athletic Board serving on the equity and academics committees and chairing the budget subcommittee.

## ATHLETICS DEPARTMENT MISSION STATEMENT

The Mission of the Department of Intercollegiate Athletics at Florida State University shall be to produce National Collegiate Athletic Association (NCAA) Division I programs for men and women equally characterized by excellence. In addition, the Department strives to be recognized as a campus leader in terms of its ethics, non-discrimination and unquestioned fiscal integrity.

Excellence in intercollegiate athletics programs is determined by academic achievement in the classroom, as well as development of character, maturity and a sense of fair play in athletic competition. Such excellence engenders support for the University among its constituent groups including students, faculty, alumni, and friends at all levels of interest. The Department shall subscribe fully to the philosophy and regulations set forth by the National Collegiate Athletic Association and operate within the fiscal regulations and non-discriminatory procedures established by the Florida State University Board of Trustees and the Florida Legislature.

It is the explicit philosophy of the Department that our student-athletes will be strongly encouraged and supported in their endeavors to progress toward a degree while simultaneously participating in intercollegiate athletic program whose environment is consistent with the highest standards of academic scholarship, sportsmanship, ethics, and institutional loyalty.

Finally, the decisions and priorities of the Department should always focus on our student-athletes first, as individuals; second, as students; and third, as athletes.

## Athletic Academic Support & Support Services

**A**cademic, personal and professional support is essential to college success. At Florida State University, an outstanding support program has been developed that enables student-athletes to reach their full potential.

Florida State Athletic Academic Support Program Director, Mark Meleney states, "Our philosophy is to offer an academic support program integrated with the total University that will assist all student-athletes with the transition into college and provide continued support in all phases of academic and professional development, culminating with graduation, job placement or graduate school."

FSU's program operates on a "proactive" rather than "reactive" approach. The academic staff does not wait for crises to occur. They gather important background information on each entering student-athlete, build an academic profile, and develop individualized support programs which are tailored to the unique needs of each student-athlete. They also stay informed on the daily progress of the student-athletes through consistent communication with the Florida State faculty.

In the summer of 2004, the Academic Support Program moved into their new home, a state-of-the-art facility in the newly constructed Moore Athletic Center. The multi-million dollar structure, which is located in the north end zone of Doak Campbell Stadium, is the new home of Florida State athletics. Some of features of the new academic support area include a 32-station computer lab for student-athletes, 10 private tutorial rooms, the use of two 50-seat classrooms, and a five-station "Learning Center" for student-athletes with learning deficiencies and/or disabilities. The compliance, student services, business, sports information and athletics marketing offices are also housed in the facility, providing a more efficient and functional department, thus allowing student-athletes the opportunity for balance and improved time-management.

The academic support staff is comprised of a director, associate director, administrative assistant, six academic counselors, two learning specialists, several graduate assistants and approximately 50 tutors and mentors.

**KYLIE AMATO**  
Academic Advisor  
Fifth Season at FSU  
(Northwestern State '02)

**AS MUCH AS THE MEMBERS** of the Florida State men's and women's tennis teams are assisted in the pursuit of athletic excellence, they receive just as much, if not more, attention in the classroom. Giving them the guidance they need to complete their degree is academic advisor Kylie Amato.

Starting her fifth school year at Florida State, Amato has had an immediate impact on Seminole student-athletes. During the 2005-06 academic school year, Amato worked with swimming and diving and soccer teams. Those two sports combined to earn 34 ACC Academic Honor Roll accolades in 2005-06.

A liaison between athletic and academic communities, Amato monitors the academic progress of the student-athletes to

ensure graduation and athletic eligibility. Along with her daily duties of updating the coaches and monitoring the student-athletes, Amato also meets with potential student-athletes during the recruiting process.

A former student-athlete herself, Amato knows first hand what it takes to succeed in the classroom. A member of the volleyball team at the University of West Alabama, she earned dean's list honors on her way to earning a bachelor's degree in psychology with a minor in physical education. A native of Toomsba, Miss., Amato earned a master's degree in sports administration from Northwestern State in 2002 while serving as a graduate assistant volleyball coach.

**CORI THOMPSON**  
Athletic Trainer  
Second Season at FSU  
(UCF '05)

**IN HER SECOND YEAR AT FLORIDA STATE UNIVERSITY** and in her first year with the men's and women's tennis teams, athletic trainer Cori Thompson brings a wealth of knowledge and experience to the Seminole athletics' programs. During her first year at FSU, Thompson oversaw a staff of five student athletic trainers that took care of all of the needs of the swimming and diving teams.

During her tenure at Florida State, Thompson has served as the host medical care provider for the ACC Baseball Championship in 2006, The Men's and Women's Tennis Seminole Invitational Tournament, and the Mark Krikorian Soccer Camp. Most recently, she has provided medical coverage as one of the host athletic trainers for the NCAA 2006 Women's World Cup Championship this past fall.

Thompson, a 2005 graduate of the University of Central Florida, worked with several of the Golden Knights' sports during her two years there including football, men's basketball, and women's soccer, but it was her work with the UCF softball team where she gained the most experience. The senior athletic training student her final year, her duties included treating and preventing injuries, monitoring injuries during games and practice as well as assisting with doctor's appointments, supervising rehabilitations, making custom injury protection devices and coordinating road trip treatments.

In addition to her tenure with the UCF programs, Thompson also worked as an athletic trainer for a pair of Orlando area high schools. During the fall of 2004 she served as an athletic trainer for Lake Highland Preparatory School football and volleyball programs. The year prior she held the same position with the Olympia high school football team.

A member of the dean's list at UCF, Thompson received her bachelor's of science degree in health science studies with a distinction in athletic training. Thompson is certified by the National Athletic Trainer's Association (NATA), National Academy of Sports Medicine (NASM), and is currently seeking certification by the National Strength and Conditioning Association (NSCA). American Heart Association certified in AED, First Aid and CPR, she has an associate's degree from Brevard Community College.

# THE UNIVERSITY

## Student Services & Personal Development

### The N.O.L.E.S. Program: New Opportunities for Leadership, Education & Service

#### LIFE SKILLS

Developed by the Florida State University Department of Athletics, the NOLES program represents a commitment to the total growth and development of the student-athlete. This program establishes an administrative commitment to academic and athletic excellence. Those efforts will be supported with programs and services in personal development, career development and community service.

**PAM OVERTON**  
Associate Athletics Director/Senior Woman Administrator

**JOHN LATA**  
Director

**BRANDI STUART**  
Assistant Director

responsibility. Programming focuses on helping student-athletes develop a healthy lifestyle while they are at Florida State and

habits that will benefit them for life.

#### CAREER DEVELOPMENT

Preparing for life after college sports is a major focus of the NOLES Career Development program. The program is designed to work cooperatively with the FSU Career Center to acquaint students with the job search process, provide networking opportunities and ultimately assist with job placement. This program places a priority on the development of the total person, with the goal of developing individuals who will have rewarding careers and productive lifestyles after they leave Florida State.

#### COMMUNITY SERVICE

Serving the community is the focus of our Seminole Spirit program. Student-athletes are challenged to give service to our community and individuals who are in need. With a clearly defined program of service, student-athletes are given the opportunity to develop the foundation for a lifelong commitment to volunteerism. The Seminole Spirit Student-Athlete Speakers' Bureau enables student-athletes to improve their speaking skills, develop effective communication and impact the lives of others through their service as role models in our community.

#### LEADERSHIP DEVELOPMENT

The Florida State University Department of Athletics is committed to developing programs of excellence that foster leadership development. The foundation of the leadership development program is the Seminole Leadership Institutes that are held four times a year. These institutes offer student-athletes the opportunity to learn skills that will benefit them as students, as athletes, and as they

pursue their goals after leaving Florida State. The Institutes have the opportunity to use the values and work ethic taught by athletic participation as the framework for their leadership development. The Institutes attract outstanding guest speakers who challenge Seminole student-athletes to achieve their greatest potential and use their leadership skills to positively influence others.

The Student-Athlete Advisory Council (SAAC) serves as the advisory board to the NOLES program and the athletics administration. The prestigious board, comprised of two representatives of each athletic team at FSU, also recommends programming and serves as a liaison between student-athletes and the athletics administration. The Advisory Council plans and implements various events for student-athletes and serves as the department's most visible ambassadors. The SAAC hosts the annual Golden Nole banquet and plans such events as orientation for incoming student-athletes.

## NCAA Compliance Information

The following information is provided by the Florida State Office of Compliance for prospective student athletes. It is intended as a guideline to introduce some of the rules governing NCAA athletic involvement.

### WHO IS PERMITTED TO RECRUIT FOR FSU?

Only Florida State University coaches who have successfully completed the NCAA Recruiting Rules Examination on an annual basis may be involved in the recruitment process. Representatives of our athletics interests may not make any recruiting contacts. This includes letters, telephone calls or face-to-face contact on or off campus with a prospect or the prospect's parents.

**BOB MINNIX**  
Senior Associate  
Athletics Director for  
Compliance

**BRIAN BATTLE**  
Associate Athletics  
Director for  
Compliance

**ELIZABETH BOOKWALTER**  
Compliance  
Coordinator

### KEY TERMS YOU SHOULD KNOW

You become a **prospective student-athlete** if you have started classes for the ninth grade. Before the ninth grade, you become a **prospective student-athlete** if the college provides you (or your relatives or friends) any financial aid or other benefits that the college does not provide to prospective students generally.

A **contact** is any face-to-face encounter between a prospect or the prospect's legal guardian and an institutional staff member or athletic representative during which any dialogue occurs in excess of an exchange of greeting. **NOTE:** At the Division I level, athletic representatives (boosters) may not contact you for the purpose of recruiting.

A college coach may contact you in person off the college campus beginning July 1 after completion of your junior year in high school.

An **evaluation** is any off-campus activity designed to assess your academic qualifications or athletic ability, including

any visit to your high school (during which no contact occurs) or the observation of any practice or competition in which you participate.

During your senior year, you can have one expense-paid **official visit** to a particular campus. You may receive no more than five visits. During your official visit, which may not exceed 48 hours, you may receive round-trip transportation between your home and the campus, and you (and your parents) may receive meals, lodging and complimentary admission to campus athletics events.

### PHONE CALLS AND LETTERS

Phone calls from faculty members and coaches (but not boosters) are permitted beginning July 1 after completion of your junior year. A college coach or faculty member is limited to one telephone call per week except when it is:

- During the five days immediately before your official visit to the university
- On the day of a coach's off-campus contact with you
- During the time beginning with the initial National Letter of Intent signing date in your sport through the two days after signing date

Letters from coaches and faculty members (but not boosters) are not permitted until September 1 at the beginning of your junior year in high school. A Division I university may provide you with the following printed materials:

- General correspondence, including letters, U.S. Postal Service post cards and institutional note cards
- Game programs, which may not include posters and one Student Athlete Handbook, can be provided only during official or unofficial visits to the university's campus
- NCAA educational information
- Pre-enrollment information subsequent to signing a National Letter of Intent with the university
- One athletic publication which may include only one color of printing inside the covers
- Official academic, admissions and student services publications published or videotapes produced by the institution and available to all students
- Schedule cards
- Questionnaires that may be provided

prior to your junior year

- Summer camp brochures, which may be provided prior to your junior year.

### ALUMNI AND BOOSTERS DO'S AND DON'TS

You may forward information about prospective student-athletes to the appropriate coaches.

You may have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect has already signed a National Letter of Intent and the Compliance Office is aware that you are making these contacts in regard to employment.

You may have a telephone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by an institutional staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about our athletics programs to an athletics department staff member/coach.

You may view a prospect's contest at your own initiative provided you do not contact the prospect or his/her parents. In addition, you may not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect.

You may continue established family relationships with friends and neighbors. Contacts with sons and daughters of these families are permitted as long as they are not made for recruiting purposes or encouraged by Florida State University coaches.

You may not become involved in making arrangements to receive money or financial aid of any kind for a prospect or the prospect's family and friends.

You may not make contact with a prospective, student-athlete and his/her parents when the prospect is on campus for an official or unofficial recruiting visit.

You may not transport, pay or arrange for payment of transportation costs for a prospect, and his/her relatives or friends to visit campus (or elsewhere).

You may not pay or arrange for payment of summer camp registration fees for a prospect.

You may not provide anything to a prospect, the prospect's family or friends without prior approval from the athletics' Compliance Office.

# THE UNIVERSITY

## This is Tallahassee

**A**mong low, rolling hills, down moss-draped canopy roads, within picturesque historical districts, and across seas of flowering azaleas lies a magical part of the Sunshine State — Tallahassee — Florida's capital city. With its intriguing combination of power-play politics and classic character splashed with a twist of beauty and charm, Tallahassee is a genteel Southern belle with good manners, old plantation homes and y'all-come hospitality — a side of Florida few expect to find.

With the Gulf of Mexico just 25 miles south and the Georgia border only 14 miles north, Tallahassee rests between the foothills of the Appalachian Mountains and the juncture of Florida's panhandle and peninsula in an area known as "The Big Bend." Nearer in

miles to Atlanta than to Miami, Tallahassee more closely resembles its' Georgia neighbor than Florida in topography, climate and lifestyle.

Like the city itself, the story of how Tallahassee was chosen as the state capital is rich in history. In 1823, two explorers set out — one on horseback from St. Augustine and the other by boat from Pensacola — to establish a permanent, central location for the seat of government. The two met at a beautiful site that the Creek and Seminole Indians called "tallahassee" — derived from the words "talwa," meaning town, and "ahassee," meaning old. This historic meeting place remains Florida's capital today.

The New Capitol building rises at the center of Tallahassee's downtown as a sleek modern structure, juxtaposed next to the Old Capitol, built in the more classic domed style. A gallery atop the 22-story New Capitol provides a sweeping view of the hilly city and its tree-lined streets. From it, you can see all the way to Georgia, 20 miles away.

Around the capitol complex, a 10-block historic district spreads, preserving the town's gracious old homes along a linear park and holding a historic inn, bars and restaurants patronized by Senators and sophomores alike. With no shortage of culture, downtown also offers museums, theater and art galleries. Artists have turned the old warehouses of Downtown Industrial Park into the studios and cafes of Railroad Square. The Museum of Florida History, nearby, is highly acclaimed for its scan of the state's past, and The Mary Brogan Museum of Art & Science, along with changing art exhibits, brings learning to a kid's level with hands-on exhibits.

### Climate

Tallahassee has the mild, moist climate characteristics of the Gulf States and experiences a subtropical summer similar to the rest of Florida. In contrast to the Florida peninsula, however, the panhandle, of which Tallahassee is a part, experiences four seasons.

Annual January temperature: 40-63° F

Annual July temperature: 72-91° F

Yearly average maximum temperature: 78.7°

Yearly average minimum temperature: 55.7°

Yearly average days above 90 degrees: 91.0

Yearly average days below 32 degrees: 35.7

### Population

City of Tallahassee: 153,658

Leon County: 244,208

Metropolitan Area: 327,869

Other sightseeing favorites include the floral masterpiece of Alfred B. Maclay State Gardens; Bradley's Country Store; FAMU Black Archives; and the Tallahassee Antique Car Museum.

The area surrounding Tallahassee reveals numerous other historic and archaeological treasures, such as De Soto State Archaeological and Historical Site, Lake Jackson State Archaeological Site, Mission San Luis, Natural Bridge Battlefield and San Marcos de Apalache. Visitors can explore prehistoric Florida at the Museum of Florida History, where they are greeted by a giant 12,000-year-old mastodon pulled from nearby Wakulla Springs.

On the shores of Wakulla Springs, alligators still laze under the watchful eyes of "snake birds" perched on twisted cypress trees. The site of many underwater scenes in "Tarzan" movies, it's one of the world's deepest freshwater springs. Glass-bottomed boat tours across these mystical waters are available.

Nearby small towns offer fascinating excursions to places such as Pebble Hill Plantation, Florida Caverns State Park, Monticello Opera House and St. George Island.

## Donald L. Tucker Center

The Donald L. Tucker Center is a multi-purpose convention and entertainment facility featuring a 12,100 seat arena, Luxury Suites and Club Seats and over 52,000 sq. ft. of meeting and exhibition space plus an arena view restaurant, Spotlight Grille. The Civic Center hosts a wide variety of concerts, family shows, Broadway shows, ice shows and sporting events including FSU basketball.

It is easy to understand why over one million people a year flock to the Donald L. Tucker Center, what with the varied array of attractions it offers. Some people go to the Tucker Center to enjoy the sounds of rock, country, pop and urban concerts. Some go for the thrills of basketball, rodeos and three-ring spectacles. While others come for conventions, banquets, expositions, or consumer and trade shows.

Located downtown on Pensacola Street, the Tucker Center is only two blocks from the Capitol building.

## COACHING EXCELLENCE...

When it comes to legendary head coaches, it is hard to argue anyone has been as fortunate. The Seminoles have had three coaches who have established records that rank them with the greatest coaches ever to roam an NCAA sideline.

Florida State is the only NCAA school with three coaches in the top five for all-time victories in their respective sport and in the top five in wins and winning percentage among active coaches. Bobby Bowden (football), JoAnne Graf (softball) and Mike Martin (baseball) have combined for 3,149 wins and each coach appears in the top four for active winning percentage, active wins or all-time victories.

The caliber of coaches at Florida State is second to none and year after year, these coaches are recognized for excellence nationally, regionally and at the conference level. For the second straight season, Bob Braman was recognized for his stellar year in both cross country (2004 & 2005 NCAA South Region Coach of the Year) and both indoor and outdoor track and field when he was named the 2005 & 2006 ACC Coach of the Year as well as region Coach of the Year honors for both sports. He capped off the banner season with National Coach of the Year honors after leading the Seminoles to the 2006 Men's Track and Field Outdoor National Championship. Neil Harper earned Women's Swimming ACC Coach of the Year honors in 2006 while first year soccer coach Mark Krikorian made an immediate impact at FSU earning ACC Coach of the Year honors as well as National Coach of the Year honors by both Soccer America and Soccer Buzz.

## IN THE COMMUNITY...

Seminole student-athletes are committed to making a positive impact on the community, serving almost 5,000 hours of community service during the 2005-06 school year. They also helped to raise thousands of dollars in direct support to charities.

FSU student-athletes have volunteered their time working with students from every elementary and middle school in Leon County as well as schools in nearby Wakulla and Gadsden counties. In addition, the Seminoles have participated in projects such as Habitat for Humanity, Relay for Life, Special Olympics, and Tallahassee Sports Ability, just to name a few.

## POSTGRADUATE SCHOLARSHIPS...

In November 2005, two-time All-American shot putter Garrett Johnson became just the second FSU student and first FSU student-athlete to be selected a Rhodes Scholar when he was chosen as one of 32 college students from throughout the United States to study at the University of Oxford and one of less than 100 from around the world who will join the prestigious academic program in October of 2006. The program's criteria is based on academic success, leadership potential, personal integrity and physical vigor.

Florida State student-athletes have earned over \$350,000 in post-graduate scholarships over the past 12 years. They have also received 29 post-graduate scholarships from the ACC since 1993 including David Castillo (football), Andrew Diakos (track & field) and LaKendra McColumn (track & field), who were among the 36 Atlantic Coast Conference scholar-athletes to be named recipients of the ACC Weaver James Corrigan Postgraduate Scholarship in 2005-06. In addition, Garrett Johnson (track & field) earned the ACC Scholar Award.

In 1996, Seminole Daryl Bush was the first ever recipient of the State Farm National Scholar Athlete of the Year award, now given annually.

Florida State boasts two NACDA Post-Graduate Award winners in the last six years. The scholarship, which was originated in 2001, grants \$10,000 scholarships to its recipients.

**IN THE CLASSROOM...**

Florida State named a record 194 student-athletes to the 2006 Atlantic Coast Conference Honor Roll in 2005-06. At the conclusion of the school year, eight of Florida State's athletic teams had a 3.0 or better cumulative grade point average. In the spring 2006 semester, 202 Seminoles achieved a minimum 3.0 semester GPA while the average team semester GPA was a 2.941.

Football's Chris Hope received the 2002 NACDA Postgraduate Scholarship.

Ania Rynarzewska

Jonas Blixt

Steve Roof

Sarah Griffin

Alicia Gladden

Since joining the ACC in 1991, FSU has had seven National Football Foundation and College Hall of Fame National Scholar Athlete Award winners — a figure that ranks nationally in the past 14 years.

In 2001, former Seminole quarterback Chris Weinke was the recipient of the first ever ACC Scholar Award which is given annually to an excellent athlete and top scholar who plans to pursue a professional athletic career. Since then, football's Chris Hope (2002), baseball's Matt Lynch (2003) and track & field's Garrett Johnson (2006) have also earned the distinction.

Florida State had six student-athletes garner National Academic All-American honors in 2005-06 when football senior David Castillo, softball senior Natasha Jacob and track and field's Garrett Johnson, Tom Lancashire, Javier Garcia-Tunon and Lacy Janson earned such status. It marked the first time that six FSU student-athletes earned the honor in the same academic year.

Florida State has more all-time ACC Academic Honor Roll selections (2,208) than all-time All-ACC honorees (1,692). Since 1970, 32 FSU student-athletes have earned National Academic All-American honors and 2006 marked the second straight year three or more FSU student-athletes earned the honor in the same season.

Florida State has more all-time ACC Academic Honor Roll selections (2,207) than all-time All-ACC honorees (1,692).

In 2006, eight Seminole student athletes earned the prestigious Arthur Ashe Junior Sports Scholar Award and football's David Castillo was named the Arthur Ashe Junior National Male Scholar Athlete of the Year. The Arthur Ashe Jr. Sports Scholar Awards were established in 1992 and serve to honor minority student athletes who exhibit academic excellence and community activism, as well as athletic prowess.

## TOP ATHLETES...

When you consider the top athletes who don the Garnet and Gold, it's easy to see why Florida State has enjoyed such success over the years. Of the 36 national awards for athletic achievements Florida State student-athletes have earned, seven have been for the top athlete in the nation award in their respective sports. Florida State boasts two Heisman Trophy winners, three Golden Spikes winners, a USA Softball National Player of the Year and a Honda Award winner for softball.

From football, to diving, to tennis, to track and field, several of Florida State's student-athletes achieve All-America status each year. FSU boasts 709 first team All-America selections as well as several regional and national award winners. Over the years, FSU has enjoyed 1,612 All-ACC selections. Even more impressive is that 25 student-athletes have been crowned individual national champions in their respective sports.

## TOP TEAMS...

Great athletes make great teams and Florida State has a rich history when it comes to great teams on both the national and conference level and has earned 12 national championships over the years including the 2006 NCAA Men's Outdoor Track and Field title. In 1999, the Florida State Seminoles became the first football team to go wire-to-wire as the Associated Press' No. 1 team when the squad went 12-0 on its way to the program's second national championship. FSU teams have combined for 143 NCAA Tournament appearances and 35 ACC team titles. Florida State's team sports have earned 8,185 victories and eight of Florida State's team sports have an all-time winning record.

## This Is The ACC

### THE TRADITION

**C**onsistency. It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 54th year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 100 national championships, including 52 in women's competition and 48 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 130 times in men's competition and 71 times in women's action.

### 2005-06 IN REVIEW

The 2005-06 academic year concluded with the league pocketing an all-time high six national team titles and 15 individual NCAA crowns. In all, the ACC has won 57 national team titles over the last 16 years. The ACC has won two or more NCAA titles in 24 of the past 26 years.

### 2005-06 National Championships

Field Hockey .....	Maryland
Men's Soccer .....	Maryland
Women's Basketball .....	Maryland
Men's Lacrosse .....	Virginia
Women's Golf .....	Duke
Men's Outdoor Track & Field .....	Florida State

### THE CHAMPIONSHIPS

The conference will conduct championship competition in 25 sports during the 2006-07 academic year — 12 for men and 13 for women.

The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University.

Championships for women are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing.

### A HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members — Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest — drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member. The first and only, withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation.

The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University. On October 17, 2003, Boston College accepted an invitation to become the league's 12th member starting July 1, 2005.

### School Affiliations

**BOSTON COLLEGE** — Charter member of the Big East Conference in 1979; joined the ACC in July, 2005.

**CLEMSON** — Charter member of the Southern Intercollegiate Athletic Association in 1894, a charter member of the Southern Conference in 1921, a charter member of the Atlantic Coast Conference (ACC) in 1953.

**DUKE** — Joined the Southern Conference in December, 1928; charter member of the ACC in 1953.

**FLORIDA STATE** — Charter member of the Dixie Conference in 1948; joined the Metro Conference in July, 1976; joined the ACC July, 1991.

**GEORGIA TECH** — Charter member of the Southern Intercollegiate Athletic Association in 1894, charter member of Southern Conference in 1921, charter member of the SEC in 1932, joined the ACC in April, 1978.
