FLORIDA STATE MEN'S

TENNIS

THIS IS THE ACC

2008-09 IN REVIEW

The 2008-09 academic year saw league teams capturing five national team titles and 16 individual NCAA crowns. In all, the ACC has won 48 national team titles over the last 13 years. The ACC has won two or more NCAA titles in 27 of the past 29 years.

A total of 128 ACC teams placed in NCAA post-season competition in 2008-09. League teams compiled a 130-74-1 (.637) mark against opponents in NCAA championship competition. In addition, the ACC had 199 student-athletes earn first team All-America honors this past year. Overall, the league had 265 first, second or third team All-Americans and the ACC produced eight national Players of the Year and five national Coach of the Year honorees.

THE CHAMPIONSHIPS

The conference will conduct championship competition in 25 sports during the 2009-10 academic year - 12 for men and 13 for women. The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet held in tennis at Wake Forest University.

Championships for women are currently conducted in cross country, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing with volleyball deciding its champion by regular season play.

Women's Soccer.....	North Carolina
Men's Soccer.....	Maryland
Men's Basketball.....	North Carolina
Women's Tennis.....	Duke

A HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgfield Inn near Greensboro, N.C.,

with seven charter members - Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest - drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the

Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On December 4, 1953, conference officials met again at Sedgfield and officially admitted the University of Virginia as the league's eighth member. The first, and only, withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation. The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University. On October 17, 2003, Boston College accepted an invitation to become the league's 12th member starting July 1, 2005.

2009-2010

FLORIDA STATE MEN'S

TENNIS

CONFERENCE HISTORY

DIXIE CONFERENCE AFFILIATION (1949-1951)

The 1949, 1950 and 1951 teams, coached by Florida State tennis pioneer, H. Don Loucks (1949-50) and Ralph Matherly (1951), won the Dixie Conference team championship for three consecutive years. The Dixie Conference was made up of seven small schools within the Southeast including Florida State, Stetson, Millsaps, Mercer, Howard, Lambuth and Oglethorpe.

METRO CONFERENCE CHAMPIONSHIP HISTORY (1976-91)

The Metro Conference, originally tabbed the Metro Six, was formed on June 13, 1975. It's charter members included Cincinnati, Georgia Tech, Louisville, Memphis State, St Louis and Tulane.

Expansion was soon on the horizon, as the league membership increased its size to seven schools when the Florida State University was admitted on July 28, 1976.

After Georgia Tech left the conference following the 1978 season, Virginia Tech quickly filled the void. Then St. Louis left the Metro. But waiting in the wings was the University of South Carolina who joined in 1983 to increase the membership to eight schools. However, Tulane forfeited its membership when its basketball program was discontinued following the 1984-85 season.

THIS IS TALLAHASSEE

HISTORICALLY SPEAKING

- The first Christmas celebrated in the United States was in Tallahassee at the encampment of Spanish Explorer Hernando de Soto in 1539.
- Lights, Camera, Action ... Early "Tarzan" movies featuring Johnny Weissmuller and Maureen O'Sullivan were filmed at nearby Wakulla Springs. Also filmed, were the "Creature from the Black Lagoon" and "Airport 77."
- George Washington's great grandniece, Catharine Daingerfield-Willis-Gray and Napoleon Bonparte's nephew, Prince Achille Murat, provided the social event of the season when they were married in Tallahassee in 1826. The plantation home of widowed Princess Murat is on exhibit at the Tallahassee Museum.

SEMINOLE TENNIS

WHAT TO DO

- With over 5,900 rooms in more than 58 hotels and motels, Tallahassee offers a blend of Southern-style inns, rustic campsites, family-owned economy lodges and impressive corporate hotels. There are also 13 bed & breakfasts and 13 inns in the Tallahassee area.
- From fast food to five-star, Tallahassee serves up an excellent selection of tantalizing restaurants. Tickling the taste buds are specialties ranging from homemade country sausage and melt-in-your-mouth steaks to wild game and succulent seafood fresh from the Gulf.
- Tallahassee lists 122 properties on the National Register of Historic Places. Tallahassee offers more than 28 museums, galleries, public art sculptures, monuments and historic sites. There are 306.5 miles of hiking/biking & walking trails in and around the Tallahassee area.
- There are eight public pools and 63 recreational parks in Tallahassee/Leon County -- incredible weather, lush gardens, lakes and more.

FACTS & FIGURES

- America's largest concentration of original plantations — 300,000 acres, 71 plantations — exists between Tallahassee and Thomasville, Georgia, just 28 miles away.
- Nearly 60 percent of Tallahassee's population is between the ages of 18-44.
- Average Low – High Temperatures in Tallahassee are 40 to 63 degrees in January and 72 to 91 degrees in July.
- There are over 150,000 people living in Tallahassee and over 300,000 in the metropolitan area.
- The capitol of the State of Florida has been located in Tallahassee since 1823.
- The Gulf of Mexico is just 20 miles south of Tallahassee and the Georgia border is just 14 miles to the north.

BACKGROUND: The Florida State University is one of eleven units of the Division of Colleges and Universities of the Florida Board of Education... It was established as the Seminary West of the Suwannee by an act of the Florida Legislature in 1851 and first offered instruction at the postsecondary level in 1857... Its Tallahassee campus has been the site of an institution of higher education longer than any other site in the state... In 1905, the Buckman Act reorganized higher education in the state and designated the Tallahassee school as the Florida Female College... In 1909, it was renamed Florida State College for Women... In 1947, the school returned to co-educational status, and the name was changed to The Florida State University... It has grown from an enrollment of 2,583 in 1946 to an enrollment of 39,136 Fall Semester 2008.

ENROLLMENT (FALL, 2008): Total, 39,136... 75.7% undergrad, 21.4% grad, 2.9% unclassified... 81.5% in-state... 93.6% from the United States... students from all 50 states and the District of Columbia are in attendance... 18 states contributed over 100 students each... 19 foreign countries contributed over 25 students each... female, 55.7%... male, 44.3%... minority, 25.3%... international, 3.3%.

ACREAGE: Main Campus: 451.6 acres in Tallahassee, Leon County (main campus)... Panama City Branch: 25.6 acres in Panama City, Bay County... The university owns a total of 1,545.5 acres in Leon, Bay, Franklin, Sarasota, & Gadsden counties... Sites are leased in Marion and Leon counties in Florida, and other locations overseas.

COLLEGES/DEGREE PROGRAMS: With 16 colleges and schools, students may take courses of study leading to the baccalaureate degree in 100 degree programs, to the master's degree in 114 degree programs, to the advanced master's degree in one program, to the specialist degree in 26 degree programs, to the doctorate degree in 74 degree programs, and to the professional degree in two degree programs. The academic divisions are the Colleges of Arts and Sciences, Business, Communication, Criminology and Criminal Justice, Education, Engineering, Human Sciences, Information, Law, Medicine, Motion Picture, Television & Recording Arts, Music, Nursing, Social Sciences & Public Policy, Social Work and Visual Arts, Theatre and Dance.

OPERATING BUDGET (2008-09): \$1,111,706,391

DEGREES AWARDED FOR 2007-08: Bachelor, 7,615... Masters, 12,075... Doctorate, 368... Medical Doctorate, 57... Specialist, 62... Judge Doctorate, 305... Total, 10,482

ENTERING FRESHMAN FACTS (FALL, 2008): The middle 50 percent High School GPA, 3.4-4.0; SAT score 1120-1280, ACT score 24-28. There were 51 National Merit Scholars, 8 National Achievement Scholars, and 13 Hispanic Scholars enrolled as undergraduate students during the Fall 2007 term.

RETENTION RATE: First year, 100%... second year, 89.2%... third year, 81.0%... fourth year, 78.3%.

FACULTY/STAFF: Total 2,414... FSU's faculty includes some past graduates, such as former astronauts Dr. Norm Thagard, who teaches Electrical Engineering, and Winston Scott who serves as Vice President of Student Affairs... FSU's faculty has included six dynamic Nobel Laureates: 12 members elected to National Academy of Sciences... 11 members of the American Academy of Arts and Sciences... and two Pulitzer Prize winners Ellen T. Zwilich and Robert Olen Butler.

EDUCATIONAL ADVANTAGES: Florida State University has a uniqueness in providing programs

that are consistent in excellence across the board, from fine arts and humanities to the hard sciences... The balance of programs is based on FSU's long tradition as a leading liberal arts institution combined with its position as one of the top 10 universities in generating research-based revenues... FSU was ranked 18th most connected university in the nation by Yahoo! Internet Life.

EDUCATIONAL OPPORTUNITIES ABROAD:

FSU offers a variety of overseas study opportunities for students during the regular academic year. FSU has study centers located in Florence, Italy; Panama City, Republic of Panama; Valencia, Spain; and London, England. Courses at the study centers are offered each semester and cover a wide range of subject areas perfect for meeting general and liberal studies requirements. International Programs also offers study programs, some general and some major specific, in: Cairns, Australia; Salvador, Brazil; Tianjin, China; San Jose, Costa Rica; Dubrovnik, Croatia; Prague, Czech Republic; Napo, Ecuador; London, England; Paris, France; Dublin, Ireland; Tokyo, Japan; Moscow, Russia; and Leysin, Switzerland. A summer Law program is offered in Oxford, England. There is one Linkage Institute, FLORICA, in Costa Rica, and Beyond Borders programs in Turrialba, Costa Rica, Kingston, Jamaica, and Dresden, Germany.

EXTRACURRICULAR ACTIVITIES: FSU has over 400 student organizations that allow students to find their own niche.

FINANCIAL AID: FSU offers two types of financial assistance: need-based and merit-based... Over \$160 million is given away for financial assistance each year.

STUDENT/FACULTY RATIO: 16-1... Many of the general education classes are large, lecture classes; however, over 80% of major classes have less than 50 students.

RESEARCH: The Florida State University has built a reputation as a strong research center in both the sciences and the humanities. It is expected that more than \$100 million in external funds will be generated this year by the university faculty and administration as supplements to state funds used for research. These external funds are in the form of contracts and grants from private foundations, industries, and government agencies, and are used to support research, improve research facilities, and provide stipends for graduate students.

SPONSORED RESEARCH (07-08): \$195,787,449

LIBRARY HOLDINGS: The University Library System contains over 3.4 million volumes, of which more than 477,000 are available electronically as e-books. The libraries subscribe to more than 107,000 current serials including academic journals, professional and trade journals, and major newspapers from around the country and the globe in both paper and electronic formats. The libraries also subscribe to more than 425 databases. The FSU Libraries include 8 libraries on campus: The Robert Manning Strozzer Library, Paul A. M. Dirac Science Library, Mildred and Claude Pepper Library, Warren Allen Music Library, Harold Goldstein Library and Information Science Library, College of Law Library, College of Medicine Medical Library, and the College of Engineering Library. Library materials and services are also available at the FSU Panama City Campus, as well as International Programs study centers in London, Florence, and Panama, and a collection of art and related materials at the John and Mable Ringling Museum of Art in Sarasota, Florida.

NCAA COMPLIANCE

FLORIDA STATE UNIVERSITY COMPLIANCE OFFICE

The following information is provided by the Florida State University Compliance Office for prospective student-athletes, alumni and boosters. It is intended as a guideline to introduce you to some of the rules governing NCAA athletics.

KEY DEFINITIONS YOU SHOULD KNOW

Representatives of Athletics Interests: A

representative of athletics interests, commonly called a booster, is any individual who is known (or should have been known) by a member of the institution's athletic department that has ever:

- Contributed financially to the athletics department or to its booster club.
- Joined the institution's booster club or any sport specific support group.
- Provided benefits to enrolled student-athletes or their families.
- Assisted in any manner in the recruitment of prospective student-athletes.
- Promoted the institution's athletics program.
- Purchased season tickets.

*** Once an individual is identified as a representative, the person retains that identity forever. ***

Prospective Student-Athlete: A prospective student-athlete "prospect" is any student who has started classes for the ninth grade regardless of his/her athletics ability and/or participation. Any student younger who receives any benefit from an institution or representatives of athletics interests immediately becomes a prospective student-athlete. In addition, student-athletes enrolled in preparatory school or two-year colleges or officially withdrawn from a four-year institution are considered prospective student-athletes. A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid or admissions to attend an institution. The prospect remains a prospect until he/she reports for the first day of classes for a regular term (fall or spring) or the first official day of practice, whichever occurs earlier.

Contact: A contact is any face-to-face encounter between a prospect or the prospect's parents, relatives or legal guardian(s) and an institutional staff member during which any dialogue occurs in excess of an exchange of a greeting.

Evaluation: An evaluation is any off-campus activity designed to assess the prospect's academic qualifications or athletic ability, including any visit to his/her high school (during which no contact occurs) or the observation of a prospect's practice or competition at any site.

PHONE CALLS AND LETTERS

Phone calls from coaches (but not boosters) are permitted beginning July 1 before the prospect's senior year in high school. A coach is limited to one phone call per week except that unlimited phone calls may be made:

- During the five days immediately before an official visit to the university;
- On the day of a coach's off-campus contact with a prospect; or
- During the time beginning with the National Letter of Intent signing date through the two days after the signing date and the day after a National Letter of Intent or scholarship agreement is signed.

A Prospect of Any Age Could Receive the Following From a Coach:

- Questionnaire
- Camp brochure
- NCAA educational information

• Non-athletics institutional publications (official academic, admission and student services publications and videotapes produced by the institution and are available to all students)

After September 1 of a Prospect's Junior Year, a Coach Could Provide:

- Written correspondence, including letters and e-mails
- Business Cards
- Media Guide
- Game programs (only on an official or unofficial visit)
- Pre-enrollment information after prospect signs National Letter of Intent or has been admitted
- Any other information may be provided via the institution's web site

WHO IS PERMITTED TO RECRUIT FOR FLORIDA STATE?

Only Florida State coaches who have successfully completed the NCAA Recruiting Rules Examination on an annual basis may be involved in the recruitment process. Boosters may not make any recruiting contacts. This includes letters, telephone calls or face-to-face contact on or off campus with a prospect or the prospect's parents.

ALUMNI AND BOOSTERS

DO'S AND DON'TS

- You **may** forward information about prospects to the appropriate coaches.
- You **may** have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect has already signed a National Letter of Intent and the Compliance Office is aware you are making these contacts in regard to employment.
- You **may** have a telephone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by an institutional staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about our athletic programs to an athletics department staff member/coach.
- You **may** view a prospect's contest at your own initiative provided you do not contact the prospect or his/her parents. In addition, you may not contact a prospect's coach, principal or counselor in an attempt to evaluate the prospect.
- You **may** continue established family relationships with friends and neighbors. Contacts with sons and daughters of these families are permitted as long as they are not made for recruiting purposes or encouraged by Florida State University coaches.
- You **may not** become involved in making arrangements to receive money or financial aid of any kind for a prospect or the prospect's family and friends.
- You **may not** make contact with a prospect and his/her parents when the prospect is on campus for an official or unofficial recruiting visit.
- You **may not** transport, pay or arrange for payment of transportation costs for a prospect and his/her relatives or friends to visit campus (or elsewhere).
- You **may not** pay or arrange for payment of summer camp registration fees for a prospect.
- You **may not** provide anything to a prospect, the prospect's family or friends without prior approval from the Compliance Office.

For more information, please contact the Florida State University Compliance Office at (850) 644-4272.

ACADEMIC SUPPORT

David Abdol
Coordinator

MISSION STATEMENT
The primary mission of Florida State University's Athletic Academic Support Services is to provide an environment that facilitates the academic success of each student-athlete. The focus is to provide a comprehensive

support program integrated with the total University that will assist all student-athletes with the transition into college and provide continued support in all phases of academic and professional development, culminating with graduation, job placement or graduate school.

SERVICES AND PROGRAMS

ACADEMIC ADVISING

The advisors in Athletic Academic Support Services serve as the lower-division advising unit for all student-athletes. The staff advises students through the Liberal Studies curriculum and degree prerequisites. The advisors work with the students in a number of areas related to the academic experience at Florida State University, but with a primary emphasis in advising and monitoring the progress toward the selected degree program, taking into consideration, all variables, which would enhance or impede each student's progress toward the goal of graduation.

STUDY HALL

Professionally supervised study sessions for each athletic team are organized in order to help ensure the academic success of the student-athletes. The main focus of the study hall program is to help students develop consistent and appropriate study patterns by providing a structured setting to work on class assignments and to provide tutorial assistance before academic problems arise. Although the criteria for study hall is left to the discretion of each academic advisor, typically, most freshmen, first year transfers, and upperclassmen who have not yet achieved a satisfactory cumulative grade point average are requested to attend study hall.

TUTOR AND MENTOR PROGRAM

The tutorial program is available to all student-athletes as they progress toward their ultimate goal of obtaining a college degree. Approximately, 100 tutors are hired each year, from a variety of academic departments. Every tutor is committed to providing a proactive, individualized approach in assisting student-athletes with course comprehension and study skills. The tutors are graduate level students who excel in a specific area of study. All mentors are graduate students who have outstanding academic backgrounds.

Mentors are academic role models who have demonstrated the ability to teach and give guidance in areas of academic developmental skills. They are responsible for providing assistance in the development of skills such as note taking, test preparation, and communication with faculty. In essence, mentors become an extension of the academic advisor as they keep the academic performance of their student-athletes under close observation and report to the academic advisors each week.

COMPUTER LAB

The Athletic Academic Support Services computer labs are located in the Moore Athletics Center and in the new Learning Center located on the 9th floor of the University Center. FSU has 47 PC compatible computers and several laser printers available for use by the student-athletes. A computer lab is available 24/7 to student-athletes with a current FSU ID card. The entire Athletic Academic Support Services wing is also equipped with wireless internet.

SUMMER BRIDGE PROGRAM

Athletic Academic Support Services, in conjunction with Athletic Student Services

and the University, offers incoming student-athletes a "Summer Bridge Program" to aid in the transition from high school to college and highlights many different topics that are important for student-athlete success. The program is a week-long intensive orientation that incorporates the University orientation with the athletics department orientation and continues throughout the six-week summer session. Seminars, designed to acclimate the students to the University community, are conducted weekly. Seminar topics include media training, health promotions, academic mapping requirements, the Academic Honor Policy and Student Code of Conduct as well as faculty communications and expectations.

ACADEMIC HONORS AND AWARDS PROGRAM

Athletic Academic Support Services is committed to recognizing the academic success of all student-athletes. The annual "Golden Torch Gala," is an academic awards banquet that occurs each fall and is the highlight of the year. At this event, the ACC Honor Roll student-athletes, as well as the individuals with the highest GPA on their respective teams, and the men's and women's teams with the highest GPA are recognized.

Team meetings are held each year, during which time student-athletes are notified of potential honors and awards and are encouraged to apply. Combining a strong grade point average with athletic accomplishments, community service activities, and leadership experiences make for a student-athlete capable of obtaining unlimited academic honors, awards and postgraduate opportunities.

STUDENT SERVICES

NEW OPPORTUNITIES FOR LEADERSHIP, EDUCATION AND SERVICE (N.O.L.E.S)

Developed by the Florida State University Department of Athletics, the N.O.L.E.S. program represents a commitment to the total growth and development of each student-athlete. The program establishes an administrative commitment to academic and athletic excellence. Those efforts will be supported with programs and services in personal and career development service.

PERSONAL DEVELOPMENT

Fostering the development of personal growth is a fundamental component of the N.O.L.E.S. program. The support programs ensure that the student-athlete will be provided with opportunities to focus on personal growth areas such as value clarification, goal setting, fiscal planning, decision making and personal responsibility. Programming focuses on helping the student-athlete develop a healthy lifestyle while they are at Florida State and habits that will benefit them for life.

CAREER DEVELOPMENT

Preparing for life after college is a major focus of the N.O.L.E.S. program. The program is designed to work in cooperation with Florida State's Career Center to acquaint students with the job search process, provide network-

ing opportunities and ultimately assist with job placement. The program places a priority on the development of the total person, with the goal of developing individuals who will have rewarding careers and productive lifestyles after they leave Florida State. The newest addition to the Career Development program is the Senior Transition Seminar offered through the Office of Student Services. The course is offered to all senior student-athletes with exhausting eligibility and is designed to assist with resume building, networking with former student-athletes, and tips on transitioning from intercollegiate athletics into the working world.

COMMUNITY SERVICE

Serving the community is the focus of the Seminole Spirit program. Student-athletes are challenged to provide service to our community and individuals who are in need. With a clearly defined program of service, student-athletes are given the opportunity to develop lifelong commitment to volunteerism. Over the years, the commitment to community service has grown leaps and bounds. The FSU athletic department was recently recognized by the National Consortium for Academics and Sports for the most successful outreach and community service program in which FSU student-athletes impacted the lives of over 150,000 youths.

LEADERSHIP DEVELOPMENT

The Florida State University Department of Athletics is committed to developing programs of excellence that foster leadership development. The Student-Athlete Advisory Council (SAAC) has been in place in the Florida State University Athletic Department for over ten years, and consists of a fantastic group of motivated student-athletes. The SAAC consists of 42 student-athletes, at least two from every team, and they meet every two weeks to discuss issues confronting student-athletes, here at FSU, as well as in the Atlantic Coast Conference and across the nation. The SAAC at FSU has many responsibilities: they take the lead on a variety of events, starting with the New Student-Athlete Orientation, Peers Helping Athletes Transition (PHAT) Tuesdays with freshmen student-athletes, the Welcome Back Picnic and culminating with the Golden Nole Awards year ending banquet where seniors from each team are honored and student-athletes who have excelled in the area of community service are awarded.

FLORIDA STATE MEN'S

TENNIS

MEDICAL TREATMENT

SEMINOLE TENNIS

Paul Tschida
Graduate Assistant
Athletic Trainer

One of the most important aspects of a top athletic program is the quality and experience of its athletic training staff. FSU's sports medicine staff is one of the best in all of college athletics.

The athletic training staff includes 10 full-time and six graduate assistants that are Nationally Certified Athletic Trainers. SU oversees an Undergraduate Athletic Training Education Program which is accredited by the Commission on Accreditation of Athletic Training Education (CAATE). The program includes 50 graduate and undergraduate students in

the Athletic Training program.

FSU provides on-site Team Physician examinations for general medical and orthopedic issues, while working in conjunction with physicians at the Tallahassee Orthopedic Center in successfully rehabilitating athletes after injuries.

Prior to competition, all FSU student-athletes undergo screening in order to detect potential injuries. If problems are detected, the athlete will be placed on a prevention care system including a variety of treatment ranging from icing to exercising followed by rehabilitation.

Nutrition counseling and drug testing are also responsibilities assumed by the athletic training staff at FSU in providing the best care possible for all student-athletes.

DON FAULS ATHLETIC TRAINING ROOM

• The state-of-the-art Don Fauls Athletic Training Room was completed in 2004. The 15,000 square foot athletic training room is housed off Doak Campbell Stadium and is used by all 19 Seminole varsity teams.

• This facility is adequately equipped with the latest advances that the field of sports medicine has to offer. Some of the attractions include an in-house pharmacy, x-ray machine and two physician evaluation rooms.

• There is also a 4,000 square foot rehabilitation room with the latest version of a Biodex isokinetic testing machine.

• The treatment area includes 24 treatment tables with various modalities, computer injury tracking devices, and 18 taping benches.

• Florida State's athletes have ample accessibility for aquatic therapy as the Don Fauls Athletic Training Room includes a 8' x 40' in-ground workout pool, a 9' x 16' in-ground old whirlpool, a 9' x 16' in-ground warm whirlpool and nine extremity whirlpools.

STRENGTH AND CONDITIONING

SEMINOLE TENNIS

Dave Plettl
Men's Tennis
Strength Coach

TOTAL ATHLETIC DEVELOPMENT

The Florida State University Strength & Conditioning Program is dedicated to pursuing excellence. The staff is committed to developing the finest strength and conditioning program in the nation. This includes developing the best professional staff, facilities, and administering the most comprehensive, efficient and effective collegiate program.

Each program is designed to improve athletic performance through an individualized regimen of stretching, lifting, speed,

power, agility, flexibility, nutrition and conditioning drills.

The goal is to maximize the athletic potential of each student-athlete by:

- Providing an expert staff educated in and determined to render the most up-to-date and effective strength and conditioning procedures to FSU athletes.
- Developing individualized programs based on scientifically proven principles tailored to enhance each athlete's needs.
- Administering comprehensive programs which address: strength, power, acceleration, speed, agility, core development, flexibility, conditioning, nutrition and are designed to develop the total athlete.
- Monitoring team and individual progress on a daily basis.
- Reduce the risk of injury by strengthening weaknesses and working closely with team doctors and trainers through the rehab process.
- Enhance each student-athlete's self-confidence, sense of well-being and overall physical health, while instilling a strong work ethic which will carry over during competition and in life.

NUTRITION

Laurel Wentz, RD and FSU Sports Dietitian, provides each student-athlete with a plan that specifically outlines their needs of calories, protein, vitamins and minerals.

ROGER HOLLER CHAMPIONS TRAINING COMPLEX

- Lifting area of 14,000 square feet
- More than 20,000 pounds of free weights
- 20,000 square feet of functional training space
- Custom-built FSU equipment, platforms and weights
- 24 self-contained powerlift work stations each containing 500 pounds of free weights
