MISSION STATEMENT

The mission of the Department of Intercollegiate Athletics at The Florida State University shall be to produce National Collegiate Athletic Association (NCAA) Division I programs for men and women that are characterized by excellence. In addition, the Department strives to be recognized as a campus leader in terms of its ethics, nondiscrimination, and unquestioned fiscal integrity.

Excellence in intercollegiate athletic programs is determined by academic achievement; and the development of character, maturity, and a sense of fair play in athletic programs. It, moreover, engenders support for the University among its many constituent groups, including students, faculty, alumni, and friends at the local, state, and national levels. In striving to become a leader among our peers, the Department subscribes fully to the philosophy and regulations set forth by the National Collegiate Athletic Association and operates within the fiscal regulations and non-discriminatory procedures established by the Florida State University Board of Trustees and the Florida Legislature.

It is the explicit philosophy of the Department that our student-athletes will be strongly encouraged and supported in their endeavors to progress toward a degree while simultaneously participating in an intercollegiate athletic program whose environment is consistent with the highest standards of academic scholarship, sportsmanship, ethics, and institutional loyalty. Finally, the decisions and priorities of the Department should always focus on our student-athletes—first, as individuals; second, as students; and third, as athletes.

FSU CELEBRATES 40 YEARS

While women's athletics has held a rich tradition in Tallahassee since the early 1900's when Florida State was the Florida State College for Women, the 2008 season marks the 40th anniversary of continuous women's athletics program at Florida State University. In 1968, the volleyball team was FSU's first women's intercollegiate team and a new era began in 1995 with the addition of women's soccer. Over the years, FSU has enjoyed fabulous success in its women's athletic programs including five national championships and numerous regional and conference titles.
