

to honor Ronalda

On June 8, 2004, the Florida State women's basketball program lost a special member of its family with the sudden death of Ronalda Pierce, a 6-5 post player from Ashburn, Ga. The players will wear #55 on their shoes in her honor this season. The Seminoles will pay tribute to Ronalda by celebrating the time, although too short, that they had with her.

"Ronalda meant the world to us personally and she meant a lot to our team. I believe by facing it together, we will better honor Ronalda and her memory in a way where we can celebrate what she gave us instead of what we've lost."

Seminole

on the air

Established in 1987, Seminole Productions handles virtually every video production need for Florida State Athletics. Under the direction of Mark Rodin, Seminole Productions produces the Bobby Bowden Show, the Seminole Basketball Report with Leonard Hamilton and the Mike Martin Show, as well as Seminole Sports Magazine and Seminole Uprising. Seminole Productions also produces all of the in-game entertainment needs for Seminole Vision, our big-screen video production for FSU football, basketball and baseball. That's over 80 live-events every year to enhance the game day experience for Seminole fans.

In addition, the Seminole Productions award-winning staff also creates the season highlight tapes, team motivational videos,

banquet and special event videos for many sports. Seminole Productions is also a resource for media outlets when it comes to finding footage of FSU Athletics. Seminole Productions has garnered national recognition as one of the best video production facilities in the nation and consistently ranks at the top of the in-game entertainment arena for universities across the nation. And it only gets better...

Over the summer, Seminole Productions moved to a new 6,000 square foot communication center in the new Coyle Moore Athletic Center. This new state-of-the-art facility includes a brand new studio, two control rooms, 10 Avid digital editing and graphics suites, private offices, a green room, a new computer editing and graphics classroom, a student producer area and much more. There are also fiber optic video camera connections to all areas of the Coyle Moore Athletic Center, Doak Campbell Stadium, the Tallahassee-Leon County Civic Center and FSU Basketball Training Center with connections to WFSU-TV's uplink. This has created the ability to do live, multi-

camera productions or uplink feeds. With a simple camera connection, Seminole Productions can send the signal through fiber to WFSU's satellite uplink and bang, Coach Bowden's wit and charm is instantly seen all over the world.

FSU athletics won't be the only one reaping the benefits of this new state-of-the-art communication center. Students in the College of Communication media production program will also have plenty of hands-on access to some of the finest equipment around. Since Seminole Productions' mission is one of teaching, students studying in the art of television design, production and performance will work alongside the SP staff gaining real experience with real deadlines in a professional environment while gaining class credit as well as professional experience. This new facility will also ensure that FSU continues to attract the best and brightest students of media production from all across the globe.

Seminole Productions continually gets recognized for excellence and has received 17 international and national awards in the last year. Most recently, SP received five Telly Awards for its work with Florida State University Athletics during the 2003-04 academic year. The Telly Awards are presented to honor outstanding local, regional and cable television production. Jim Garbarino garnered 13 awards while

Jerry Tootle earned four. Seminole Productions staff member D.D. Garbarino was also recognized twice for her work with *Seminole Sports Magazine*.

Jim Garbarino earned three Telly's for his outstanding work in creating FSU's large screen video displays for football and basketball. He received recognition for the opening segment of Florida State's football game against Miami and for his football and basketball player headshot productions. The other two awards were given to Jerry Tootle for his men's basketball highlight tape and his work with the Tallahassee Boy's choir.

Earlier this year, Seminole Productions also received five Communicator Awards for visual communications. They received three awards of excellence for the Bobby Bowden Show, one for the opening segment of FSU's football game against Miami (both by Jim Garbarino) and one for the FSU football "robohelmet" video board open (by Aaron Buckles under the direction of Jim Garbarino). Seminole Productions received two awards of distinction for *Seminole Sports Magazine* by D.D. Garbarino and football player headshot productions by Jim Garbarino. Honorable mention awards were presented to the *Seminole Sports Magazine Show* and for an FSU swimming feature, produced by student Natalie Sarmova.

Of the five national awards won by the Seminole Productions staff in 2003, three were Awards of Excellence. They included the Bobby Bowden Show open, created by Jim Garbarino and animators Erik Gamache and Rob Levine; the Football Video Board open, featuring tailback Greg Jones, also by Garbarino; and the Gift of Life by Jerry Tootle. Seminole Productions also took home two Awards of Distinction for the Bobby Bowden Show and football player headshots both by Jim Garbarino. The Honorable Mention was for the Mike Martin Show, also by Garbarino.

With an experienced, award-winning staff and creative and talented students, Seminole Productions is looked at as a leader in sports production, graphics and corporate video. Creating the perfect blend of high-tech wizardry with good ole' Seminole sports action is a big part of what Seminole Productions is all about.

Since 1988, Sunshine Network has been the exclusive regional sports network home of FSU athletics in Florida. Available in over 6.4 million

THE SEMINOLES ON RADIO

Florida State fans can follow their Seminoles whether on the road or at home as WFLA-AM (1270) of Tallahassee will once again carry FSU women's basketball games this season. All but four regular-season games can be heard live in the Tallahassee area. Every game will also be broadcast over the Internet by accessing www.seminoles.com, the official athletics website of Florida State University. Play-by-play man Ryan Pensy returns for his second season with the Seminoles in 2004-05 and will provide all the action. Pensy is a 2002 graduate of the University of Central Florida where he earned a degree in radio/TV with a minor in computer science. He went on to receive his master's degree in sport administration from Florida State in 2003 during which time he served as a graduate assistant in the Seminole ticket and business offices. In 2003, Pensy became a full-time member of the Florida State athletics staff as an Information Technology Manager. Some of his duties at FSU include technical support for the department, website maintenance and editor of the *Seminole Dispatch*, FSU athletics weekly online newsletter. Pensy is also the public address announcer for Seminole volleyball and recently became the producer for the Seminole Radio Network football broadcasts.

homes statewide via cable and satellite, Sunshine Network provides more coverage of FSU athletics than any other Florida television outlet. FSU was the first local sports team to sign an agreement with Sunshine prior to the network's 1988 launch and is one of its cornerstone properties.

Sunshine Network's extensive coverage of FSU sports is available to fans not just in Florida, but across the U.S., enabling alumni from coast-to-coast to follow their team year-round. In addition to distribution on cable and satellite in Florida, Sunshine Network is also available nationwide on satellite, from DirecTV and DISH Network. Much of Sunshine's FSU programming is also available to digital cable subscribers nationwide via Fox Sports Digital Nets, a programming service offered to cable systems throughout the U.S.

Each year, Sunshine Network airs and produces numerous FSU games/programs, including its own production of every FSU regular season football game, which replay statewide on Sunshine on Sunday evenings during "Prime Time 'Noles". "The Bobby Bowden Show" can be seen statewide Sundays at 12:30pm. Weekly highlights of FSU athletics air Saturdays with "Seminole Sports Magazine" and "Seminole Uprising", all on Sunshine Network. In addition, the 'Noles are discussed on Sunshine's popular "SportsTalk Live" show featuring media panelists from around the state each Monday night.

An agreement with the ACC

provides Sunshine Network with additional FSU games and events, including the conference's Sunshine night ACC basketball package, "ACC Sunday Night Hoops" on regional sports networks nationwide (exclusively on Sunshine in Florida). The network also airs "ACC Live!" Mondays at 6:30 p.m. and numerous other games/events for the ACC, giving FSU fans coverage of not only their home team, but FSU's conference opponents as well.
