SEMINOLES ON THE AIR

Established in 1987, Seminole Productions handles virtually every video production need for Florida State Athletics. Under the direction of Mark Rodin, Seminole Productions produces the Bobby Bowden Show, the the Seminole Basketball Report with Leonard Hamilton and the Mike Martin Show, as well as Seminole Sports Magazine, which devotes four episodes to the Sue Semrau Show, and Seminole Uprising. Seminole Productions also produces all of the in-game entertainment needs for Seminole Vision, our big-screen video production for FSU football, basketball and baseball. That's over 80 live-events every year to enhance the game day experience for Seminole fans.

The Seminole Productions award-winning staff also creates the season highlight tapes, team motivational videos, banquet and special event videos for many sports. Seminole Productions is also a resource for media outlets when it comes to finding footage of FSU Athletics. Seminole Productions has garnered national recogni-

tion as one of the best video production facilities in the nation and consistently ranks at the top of the in-game entertainment arena for universities across the nation. And it only gets better...

In the summer of 2004, Seminole Productions moved to a new 6,000 square foot communication center in the new Coyle Moore Athletics Center. This state-of-the-art facility includes a brand new studio, two control rooms, 10 Avid digital editing and graphics suites, private offices, a green room, a new computer editing and graphics classroom, a student producer area and much more. There are also fiber optic video camera connections to all areas of the Coyle Moore Athletics Center, Doak Campbell Stadium, Donald L. Tucker Civic Center, FSU Basketball Training Center and Dick Howser Stadium with connections to WFSU-TV's uplink. This has created the ability to do live, multi-camera productions or uplink feeds. With a simple camera connection, Seminole Productions can send the signal through fiber to WFSU's satellite

uplink and bang, Coach Bowden's wit and charm is instantly seen all over the world.

FSU athletics aren't the only ones reaping the benefits of this new state-of-the-art communication center. Students in the College of Communication media production program also have plenty of hands-on access to some of the finest equipment around. Since Seminole Productions' mission is one of teaching, students studying in the art of television design, production and performance work alongside the SP staff gaining real experience with real deadlines in a professional environment while gaining class credit as well as professional experience. This new facility also ensures that FSU continues to attract the best and brightest students of media production from all across the globe.

Seminole Productions continually gets recognized for excellence and has received over 28 international and national awards in the last two years. Most recently, SP received six Telly Awards, six Communicator Awards, and two Aurora Awards for its work with Florida State Athletics during the 2004-05 academic year. The Telly Awards are presented to honor outstanding local, regional and cable television production.

Seminole Productions certainly started off 2005 with a bang! Staff members Jim Garbarino and Jerry Tootle were honored with Gold Awards in the Aurora Awards international competition which brought

their total to eight international awards in a span of six months. The most recent recognition came from the Aurora Awards, an international competition designed to recognize excellence in the film and video industries. It specifically targets programs and commercials that would not normally

JOE MAHSHIE

Joe Mahshie, a native of Punta Gorda, Fla, is in his second year as a Seminole Productions video assistant working with the women's basketball program. A sophomore who is planning to major in communications, Mahshie attends all women's basketball

events, including accompanying the team on all road trips, and chronicles the women's basketball program with an array of video productions.

Mahshie is actively involved with the FSU student body and is a member of the Insight Party, an organization that works for student rights. He is also the marketing chair for Seminole Student Boosters, which works to support Seminole Athletics, and is the Student Government Association Assistant Director of Homecoming 2005.

have the opportunity to compete on a national level, by focusing on non-national commercials, regional or special interest entertainment and corporate sponsored film and video. Entries come from across the US, and abroad including Canada, Hong Kong, Denmark, Mexico, etc. The Aurora Gold Awards given to Seminole Productions were for the 2004 Football Stadium Open, produced and created by Jim Garbarino, and the Lassiter-Ware Commercial, produced by Jerry Tootle. Previous winners of the gold award include Disney I.D.E.A.S., The History Channel, A&E Network and Fox Sports Net. The Aurora statue itself was commissioned specifically for the competition by a nationally renowned sculptor. The statues are cast in the same foundry that creates the Emmy, Oscar and Clio statues.

Earlier this year, Seminole Productions was honored by the Communicator Awards with six awards and two honorable mentions. Of the six Communicator awards won by Seminole Productions, three were Crystal Awards of Excellence. The Crystal Awards were given to the 2004 Bowden Show Open by Jim Garbarino, the 2004 Football Stadium Open also by Jim Garbarino, and the Lassiter-Ware Commercial for Host Communications by Jerry Tootle. SP staff also took home three Awards of Distinction. Awards of Distinction were given to the 2004 Bobby Bowden Show by Jim Garbarino, the Mike Martin Show also by Jim Garbarino, and Florida's Compliance Assistance Program by Jerry Tootle. Seminole Productions was also recognized with two honorable mentions, one for the Sunshine State Games open by Rob Levine, and another for the FSU Men's Basketball Preview which was student produced under the direction of DD Garbarino.

With an experienced, award-winning staff and creative and talented students, Seminole Productions is looked at as a leader in sports production, graphics and corporate video. Creating the perfect blend of high-tech wizardry with good ole' Seminole sports action is a big part of what Seminole Productions is all about.

Since 1988, Sun Sports Network, previously known as Sunshine Sports, has been the exclusive regional sports network home of FSU athletics in Florida. Available in over 6.4 million homes statewide via cable and satellite, Sun Sports Network

provides more coverage of FSU athletics than any other Florida television outlet. FSU was the first local sports team to sign an agreement with Sun Sports prior to the network's 1988 launch and is one of its cornerstone properties.

Sun Sports Network's extensive coverage of FSU sports is available to fans not just in Florida, but across the U.S., enabling alumni from coast-to-coast to follow their team year-round. In addition to distribution on cable and satellite in Florida, Sun Sports Network is also available nationwide on satellite, from DirecTV and DISH Network. Much of Sun Sports' FSU programming is also available to digital cable subscribers nationwide via Fox Sports Digital Nets, a programming service offered to cable systems throughout the U.S.

Each year, Sun Sports Network airs and produces numerous FSU games/programs, including its own production of every FSU regular season football game, which replay statewide on Sun Sports on Sunday evenings during "Prime Time 'Noles," and again on Monday afternoon. "The Bobby Bowden Show" can be seen statewide Sunday afternoons. Weekly highlights of FSU athletics air Saturdays with "Seminole Sports Magazine" and "Seminole Uprising," all on Sun Sports Network. In addition, the 'Noles are discussed on Sun Sports' popular "SportsTalk Live" show featuring media panelists from around the state each Monday night.

An agreement with the ACC provides Sun Sports Network with additional FSU games and events, including the conference's Sun Sports night ACC basketball package, "ACC Sunday Night Hoops" on regional sports networks nationwide (exclusively on Sun Sports in Florida). The network also airs "ACC Live!," Mondays at 6:30 p.m. and numerous other games/events for the ACC, giving FSU fans coverage of not only their home team, but FSU's conference opponents as well.

SEMINOLES ON THE WEB

KEEP UP WITH ALL OF THE ACTION OF FLORIDA STATE ATHLETICS BY VISITING FSU'S OFFICIAL WEBSITE AT:

THE SEMINOLES ON RADIO

Florida State fans can follow the Seminoles whether on the road or at home as WFLA-AM (1270) of Tallahassee will once again carry FSU women's basketball

games this season. Every game will also be broadcast over the Internet by accessing www.seminoles.com, the official athletics website of Florida State University.

Ryan Pensy

Play-by-play man Ryan Pensy returns for his third season with the Seminoles in 2005-06 and will provide all of the action. Pensy is a 2002 graduate of the University of Central Florida where he earned a degree in radio/TV with a minor in computer science. He went on to receive his master's degree in sport administration from Florida State in 2003 during which time he served as a graduate assistant in the Seminole ticket and business offices. In 2003, Pensy became a full-time member of the Florida State athletics staff as an Information Technology Manager. Some of his duties at FSU include technical support for the department, website maintenance and editor of the Seminole Dispatch, FSU athletics weekly online newsletter. Pensy, who is also handling the Internet broadcasts for FSU Volleyball, is the producer for the Seminole Radio Network football broadcasts.

Jamie Hovda

For the second straight season, Pensy will be joined by color analyst Jamie Hovda. An assistant coach from 2002-2004 with the women's basketball program at Wake Forest, Hovda moved to Tallahassee in 2004 to pursue his Ph.D at Florida State. A native of Garner, Iowa, Hovda earned a bachelor's degree in sports medicine from Pepperdine University in 2000 and a master's degree in health and exercise science from Wake Forest in 2002. A former student-athlete himself, Hovda was a four-year member of Pepperdine's cross country team, serving as captain for two seasons and earning Academic All-Conference honors four straight years. He married the former Maggie Davis, a medical student at FSU, in June.
