How Sweet It Is

"It takes a lot of courage to come in here and win. I had a lot of players that believed we could turn this program around. Eleven years ago this program was 0-16 in the ACC and it took a lot of players to believe that Florida State could be a basketball school. It was fun to see them succeed tonight. This is a huge win for our program; you just need to credit the courage of our team to just play our style of basketball."

-Head Coach Sue Semrau

"It has come a long way from my freshman year. We went to the NIT and we thought that was a big step. Now we are an NCAA team and we've just gotten better each year."

- Alicia Gladden

"We knew from the beginning what we had to do: We had to contest every shot they put up. Coming into this game we knew we had nothing to lose."

-Brittany Miller

"I've never felt this excited. I never thought as a freshman that we'd make it to the Sweet 16 my sophomore year. To know that you are one of the last 16 teams standing, it just blows your mind."

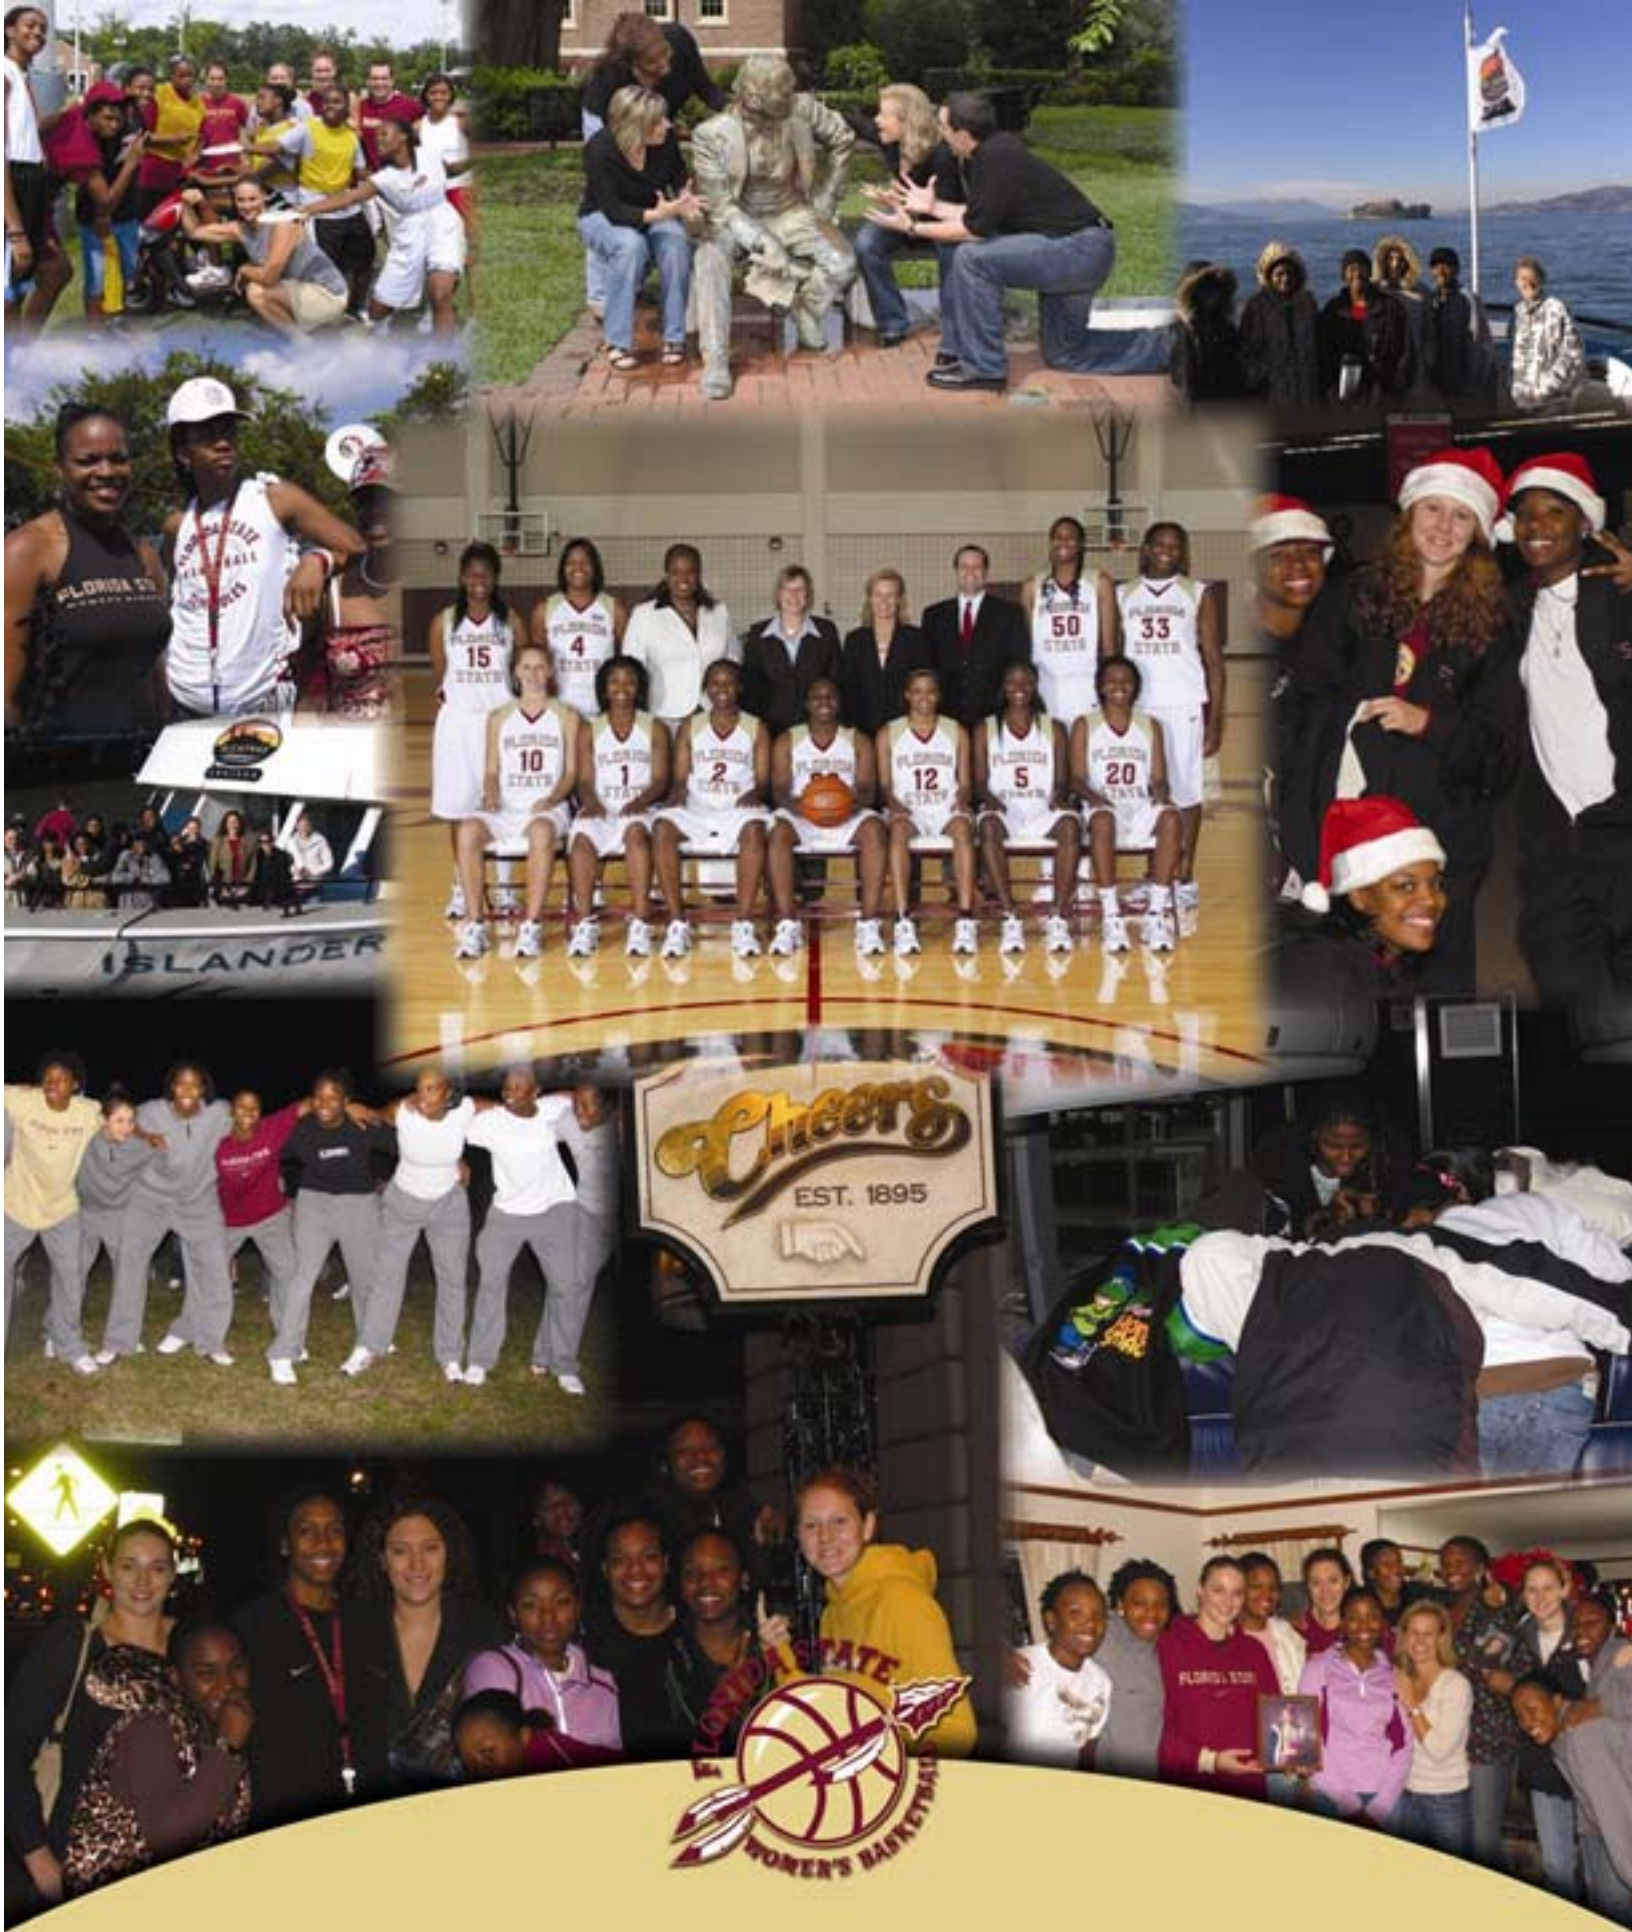

-Tanae Davis-Cain
