2009-10 WOMEN'S BASKETBALL

SEMINOLE BASKETBALL FOREIGN TOUR:

The FSU women's basketball team travelled to South Africa to partake in a 10-day exhibition in August and learned more than just about basketball. The team ran away with all three games on the trip but learned the most from being around a different culture than their own.

"I thought I was going to remember mostly the basketball games, because that's what I was looking forward to the most, but having fun with the team and experiencing South Africa's culture and its daily life will stick with me the most. Going to hang out with the kids at the Kayamandi Township and teach them basketball was my favorite part. That's what I will remember the most."

-Redshirt Freshman Alexa Deluzio

"I think this trip will impact the way I think about things when I get back home. You grow up and you're humbled when you go to different places and you see different cultures."

-Senior Jacinta Monroe
