## SEMINOLES ON THE AIR

### SUN SPORTS NETWORK

Since 1988, Sun Sports Network, previously known as Sunshine Sports, has been the exclusive regional sports network home of FSU athletics in Florida. Available in over 6.4 million homes statewide via cable and satellite, Sun Sports Network provides more coverage of FSU athletics than any other Florida television outlet. FSU was the first local sports team to sign an agreement with Sun Sports prior to the network's 1988 launch and is one of its cornerstone properties.

Sun Sports Network's extensive coverage of FSU sports is available to fans not just in Florida, but across the U.S., enabling alumni from coast-to-coast to follow their team year-round. In addition to distribution on cable and satellite in Florida, Sun Sports Network is also available nationwide on satellite, from DirecTV and DISH Network. Much of Sun Sports' FSU programming is also available to digital cable subscribers nationwide via Fox Sports Digital Nets, a programming service offered to cable systems throughout the U.S.

Each year, Sun Sports Network airs and produces numerous FSU games/programs, including its own production of every FSU regular season football game, which replay statewide on Sun Sports on Sunday evenings during "Prime Time 'Noles,"

and again on Monday afternoon. "The Bobby Bowden Show" can be seen statewide Sunday afternoons. Weekly highlights of FSU athletics air Saturdays with "Seminole Sports

Magazine" and "Seminole Uprising," all on Sun Sports Network. In addition, the 'Noles are discussed on Sun Sports' popular "SportsTalk Live" show featuring media panelists from around the state each Monday night.

Sun Sports is also the home of "the Sue Semrau Show" which airs four times through the basketball season as well as Seminole Sports Magazine. The network also airs "ACC All Access," Mondays at 6:30 p.m. and numerous other games/events for the ACC, giving FSU fans coverage of not only their home team, but FSU's conference opponents as well.

### SEMINOLES ALL-ACCESS

Seminole fans continue to have a new way to see the FSU sports they love thanks to a new broadband network on Seminoles.com. The Seminoles.com network will stream Seminole sports like baseball, women's soccer, women's basketball, men's and women's tennis, volleyball, track and softball that are not available through traditional broadcast and cable television distribution.

Never before have such a large number of events been streamed in their entirety, giving fans the opportunity to see home and away games live or on-demand whenever and wherever they want.

Seminoles.com will feature over 10 Seminoles women's basketball games this season. Seminoles.com is your home for exclusive coverage of FSU events you can't see anywhere else. Fans can watch events live or on-demand on a per-event basis (\$7.95 per event) while monthly subscriptions cost \$9.95 and annual passes are just \$79.95.

**JOHN NEISER**  
Seminole Productions  
Video Assistant  
Fourth Season

For the fourth year in a row, John Neiser will be capturing all the action on and off the court this year for the Florida State women's basketball team. A native of Palm Harbor, Fla., he attends all of women's basketball events, including accompanying the team on road trips, and chronicles the women's basketball program with an assortment of video productions that can be viewed on Seminoles.com as well as Seminole Sports Magazine and the Sue Semrau Show. In addition to his video work, Neiser has lent a hand at the FSU summer basketball camps. Currently pursuing a degree in media production, Neiser got his start in video production at Calvary Christian High School in Clearwater. During his high school days, Neiser served as student body president as well as captain of the cross country team.

Some of his duties at FSU include oversight of [Seminoles.com](http://Seminoles.com) and [Seminoles.com](http://Seminoles.com) All-Access, managing online partner relationships, creating new online revenue opportunities, coordination of ACC Select and editor of the Seminole Dispatch, FSU athletics weekly online newsletter.

Melissa Bruner

Pency called his fifth consecutive NCAA Women's Basketball tournament this past season as the Seminoles advanced to the 2nd round of the New Orleans Regional. Pency is also the co-host of the "Sue Semrau TV Show," and enters his sixth season as the coordinating producer for the Seminole ISP Sports Network football broadcasts.

In 2006, Pency was instrumental in the launch of ACC Select at Florida State. In the first year, ACC Select aired 55 video streamed events at Florida State. Pency will continue as the Executive Producer of all ACC Select events in 2008.

In 2007, Pency launched the [Seminoles.com](http://Seminoles.com) podcast channel and during this time the podcast service has had outstanding success drawing national attention for content and creativity.

# SEMINOLE PRODUCTIONS

Anyone who has visited the second floor broadcast facilities in the Moore Athletic Center has seen them, the two very large yet overcrowded trophy cases in the Seminole Productions area. Well the cases just became a little more crowded. Seminole Productions received notification from the national Aurora Awards competition that they will be adding four new pieces of hardware to their bustling collection.

Seminole Productions staff members were recognized for their work with FSU athletics and the Florida Real Estate Brokers Association. Of the four Aurora Awards received, two were Platinum Best of Show Awards recognizing the top productions in their category, while two others were Gold Awards recognizing production excellence.

The Platinum Best of Show awards went to Brant Wells for his Pow Wow Basketball Music Video and Jim Garbarino for the 2007 Bobby Bowden Show open. The Gold Awards went to Jerry Tootle for his Radon Awareness Training Video for the Florida Real Estate Brokers Association and to DD Garbarino, Brant Wells and Jim Garbarino for their work on the Football Team Entrance Video that played as the football team took to the field during the 2007 season. Previous Aurora Award winners include Disney I.D.E.A.S, The History Channel, A&E Network and Fox Sports Net. The Aurora statue itself was commissioned specifically for the competition by a nationally renowned sculptor. The statues are cast in the same foundry that creates the Emmy, Oscar and Clio statues.

In 2006 and again in 2007, in competition against universities across North America, Seminole Productions took home the Golden Matrix Award (GMA) 2 years in a row for having the Best Overall Video Display for Universities. The Golden Matrix Award means that the content appearing on the Seminole Vision screens at all FSU home football, baseball and basketball games was judged to be the best in the nation for Universities. The Golden Matrix Awards are voted on by In-Game Entertainment and Video Display professionals across North America and includes league members from the NFL, MLB, NHL, NBA, and Universities as well as representatives from Stadiums and Arenas. Finalists for the GMA award for universities included The University of Nebraska, Ohio State University, University of Illinois, Texas A&M, Purdue and Baylor.

With an experienced, award-winning staff and creative and talented students, Seminole Productions is looked at as a leader in sports production, graphics and corporate video. Creating the perfect blend of high-tech wizardry with good ole' Seminole sports action is a big part of what Seminole Productions is all about.

Established in 1987, Seminole Productions handles virtually every video production need for Florida State Athletics and teaches advanced courses in video production and performance to FSU Communication students. Seminole Productions produces the Bobby Bowden TV Show, the Seminole Basketball Report with Leonard Hamilton and the Mike Martin Show, as well as Seminole Sports Magazine and contracted shows for Sun Sports/Fox Sports Net. Seminole Productions also produces all of the production elements for Seminole Vision, the in-game entertainment productions for all of FSU football, basketball, and baseball home contests.

Seminole Productions also provides visual communications support for Government and other agencies throughout the state of Florida. Contact Mark Rodin at [marodin@fsu.edu](mailto:marodin@fsu.edu) for more information.
