# Florida State's New State-of-the-Art Facility

*The Seminole women's golf team enjoys spacious locker and study areas in the Doug Middleton Golf Center.*

One wing of the clubhouse is dedicated to the Seminole men's and women's teams and provides private locker rooms, coaches' offices and meeting rooms as well as a player's lounge where student-athletes can study between classes and practices. The rich histories of Florida State's golf programs are on display for aspiring collegiate golfers to admire. A high-tech training range with multiple tees and target areas have been built to enable Seminole players to practice a broad range of shots.

The impressive clubhouse also houses Florida State's Professional Golf Management Program, a PGA-certified academic program within the College of Business.

The new clubhouse, practice range and PGM program are the jewels of the golf programs at Florida State University.
