COACHING EXCELLENCE...

When it comes to legendary head coaches, it is hard to argue anyone has been as fortunate. The Seminoles have had three coaches who have established records that rank them with the greatest coaches ever to roam an NCAA sideline.

Florida State is the only NCAA school with three coaches in the top five for all-time victories in their respective sport and in the top five in wins and winning percentage among active coaches. Bobby Bowden (football), JoAnne Graf (softball) and Mike Martin (baseball) have combined for 3,149 wins and each coach appears in the top four for active winning percentage, active wins or all-time victories.

The caliber of coaches

at Florida State is second to none and year after year, these coaches are recognized for excellence nationally, regionally and at the conference level. For the second straight season, Bob Braman was recognized for his stellar year in both cross country (2004 & 2005 NCAA South Region Coach of the Year) and both indoor and outdoor track and field when he was named the 2005 & 2006 ACC Coach of the Year as well as region Coach of the Year honors for both sports. He capped off the banner season with National Coach of the Year honors after leading the Seminoles to the 2006 Men's Track and Field Outdoor National Championship. Neil Harper earned Women's Swimming ACC Coach of the Year honors in 2006 while first year

soccer coach Mark Krikorian made an immediate impact at FSU earning ACC Coach of the Year honors as well as National Coach of the Year honors by both Soccer America and Soccer Buzz.
