HEATHER DYCHE

Defender 5'11" • SR-R, Albuquerque, NM (University of Nebraska)

Baker on Dyche: Eight ankle surgeries later, she is out on the field for her senior season. A player we hope stays healthy and will challenge for a starting position probably in the back. How she plays and the chemistry during the preseason will determine where we play her. But no matter what happens, she will be a wonderful leader for us in 2001. She has a lot of experiences and insights that our younger players can gain from. **2000:** Named captain of the 2001 squad by her teammates...appeared in 17 matches for Florida State and made five starts...started the season by scoring FSU's first goal of the year in a 3-2 opening night win against in-state rival and 7th-ranked Florida...the goal was just the second the Seminoles had ever scored against the Gators and it came just :24 after Florida took a 1-0 lead setting the FSU record for the shortest span between goals...garnered a place on *Soccer America's* Team of the Week after her goal against UF. **1999:** Suffered an injury during the first match of the season versus Florida. **1998:** A tough defender who saw action in 11 matches, starting in three...took two shots on goal and scored the game-winning goal against Mercer. **At Nebraska:** Played one year for the Cornhuskers. **High School:** Lettered four years...was named all-city, all-district, and all-state all four years...was a two-time District Player of the Year...earned Defensive Player of the Year honors as a senior...was an honorable mention All-American her senior year...also played basketball all four years...second team All-American her senior year. **Personal:** Honor roll student...member of Young Life...three-time All-ACC Academic Honor Roll Selection. ASHLEE FONTES

Defender 5'5" • JR, Rochester Hills, MI (Rochester Adams)

Baker of Fontes: One of three sophomores who didn't start as a freshmen but really came back the next year wanting to make an impact. Probably logged more minutes than any player last year and was one of the last people we would pull off of the field no matter what the situation. She did a wonderful job of playing centrally in our defense and really had an understanding of what we needed to do to be successful. She really made a lot of good things happen for us in the back. **2000:** Started every match for the Seminoles in 2000...one of Florida State's most reliable defensive players who continually raised her level of play throughout the season...limited the effectiveness of many of the ACC's top offensive threats...she and fellow junior Meredith Jones played every game in the back together and will be key figures for Florida State for the next two seasons. **1999:** Impressive freshman appeared in 12 games last season...solid performance earned her increased playing time towards the end of the season. **High School:** All-state honorable mention, all-area, all-county and all-region as a sophomore...named to the all-state second team, all-area, all-county and all-region teams as a junior and senior...named the most valuable player her senior year. **Club:** Michigan Hawks. **Personal:** Played basketball and volleyball...was a member of the Business Professionals of America (BPA)...BPS student of the year as a high school senior. MEREDITH JONES

#12

Midfielder/Defender 5'3" • JR, Westchester, PA (Henderson)

Baker on Jones: Another member of that sophomore class that came in after their freshman season with a new attitude and a better understanding of what needed to be done. She made a huge impact. She and Fontes were the rock of our defense. They made things happen for us defensively that were integral parts of our success. She was solid in the back four and had a wonderful sophomore campaign. **2000:** One of only four players to start every match for FSU...one of the Seminoles' top defenders...her play in the middle of the FSU defense helped to limit the ACC's and the nation's top scoring threats to a program low 31 goals in 2000...was continually counted on to provide solid play in the back for FSU but was also effective getting forward and assisting the Seminole offense...recorded assists in four games, three of which the Seminoles won...assisted on the second goal in Florida State's first ACC win in more than a year and first-ever win over Wake Forest (2-0)...recorded assists in wins over South Florida and Florida International...also recorded an assist on FSU's first goal against Clemson. **1999:** Appeared in 18 matches and started 6...scored FSU's lone goal against Duke...four shots and two points on the season. **High School:** Named first team all-league three years and second team all-league as a freshman...received first team all-area honors as a junior and second team all-area honors as a freshman...member of three state championship teams and the nationally top-ranked high school team in 1997. **Club:** FC Delco. **Personal:** Also played lacrosse, earning all-league and all-area honors...a member of the National Honor Society and Latin Honor Society...yearbook editor and sports editor for the school newspaper...two-time All-ACC Academic Honor Roll selection. CINDY SCHOFIELD

#11

Forward 5'5" • JR, Lakeland, FL (George Jenkins)

Baker on Schofield: Cindy had a breakout season in 2000 after an inconsistent freshman year. She got herself fit and really came into her own last season. She holds on to the ball very well up top, she is very good in possession and she is a very good goal scorer. She is the second all-time high school goal scorer in US high school soccer history and No. 1 all-time in the state of Florida. She knows what to do with the ball in and around the penalty box. We hope she can create enough chances for herself and others this fall. **2000:** One of the most important offensive players in Florida State's turn around this past season...started 19 straight games to end the 2000 campaign...finished the season tied for first in assists (7), which also tied a single season record for Florida State...the Seminole's second-leading point scorer (17), Schofield was also tied for second in goals scored (5) and third in shots (44) and shots on goal (22)...ninth in the ACC in assists and assists per game (0.29)...always played her best in FSU's biggest games as evidenced by her goals against North Carolina, Texas A&M, Jacksonville (NCAA's) and Clemson...scored a goal and recorded an assist in FSU's 4-1 upset of then-No. 7 Texas A&M...also had a goal and an assist in a win over Florida International...recorded two game-winning assists in key road games at Oregon State and Miami...Schofield was a force on the road this past season where she tallied five of her seven assists (Florida, Duke, Miami, Oregon State and Missouri). **1999:** Had an impressive inaugural season at Florida State...led all freshman in goals (3), points (7) and tied for first amongst freshmen in game appearances (18)...recorded an assist and scored the game winning goal versus Stetson...added a goal in games versus Mercer and Auburn. **High School:** Holds the Florida High School League all-time career record for goals scored with 238...second on the all-time career goal scoring list in the nation...set the Florida High School record for most goals scored in a season with 70 her freshman year...was a four-time *Tampa Tribune* first team All-Area and a *Lakeland Ledger* All-County first team selection...twice named the Tampa Bay Player of the Year...was the Polk County Player of the Year and team MVP all four years...was the *Tampa Tribune* High School Player of the Year as a junior and senior...recently had her high school jersey No. 11 retired...a Florida Academic Scholar who received the Gulf Coast/United Soccer Association Scholarship. **Olympic Development Program:** A member of the Florida ODP team from 1994-96. **Club:** A member of the three-time state cup champion Tampa Bay Heather...was part of the 1998 Southeast Regional runner-up team. **Personal:** Vice president of the senior class and the Future Business Leaders...a member of the National Honor Society...also lettered in volleyball. KATIE TALLEY

Midfielder 5'6" • JR, Kennesaw, GA (Harrison)

Baker on Talley: She is finally healthy and that has allowed her to gain a high fitness base. She stayed in town this summer and has really worked hard and concentrated on soccer in the right environment. She has played well and we hope that continues into the preseason. If she can continue to gain confidence in her abilities, the sky is the limit. **2000:** Appeared in eight games before nagging injuries ended her 2000 campaign...expected to make a big impact now that she is healthy heading into the 2001 season. **1999:** Injury forced her to sit out the start of the season...appeared in 18 matches and started four...scored a goal versus South Alabama...tallied two assists including a game winner against South Florida. **High School:** Awarded outstanding performance honors as a freshman...named to the 1997 *Marietta Daily Journal* All-County team...was the Most Valuable Player and an all-county pick as a junior...voted most valuable defender as a senior. **Olympic Developmental Program:** Has participated with Georgia ODP since 1993. **Club:** Tophat 99 Gold...won the Southern Regionals and advanced to nationals. **Personal:** Plays the violin and hand bells...also played softball and basketball for a year. KRISTIN BOYCE

#4

Defender 5'7" • SO, Austin, TX (Westwood)

Baker on Boyce: One of four freshman who started for us last season and she had that wonderful game-winner for us against North Carolina. Has a great understanding of the game and can play a lot of different positions. We are going to ask her to solidify the left side of our defense. She is a great ball winner, tackler and she has the ability to get forward. She is continually working to improve her possession out of the back and makes great runs forward. That is one of the main reasons she scored some goals for us last year from her defensive position. She has the knack of being able to get into the final third and joining the attack. **2000:** One of the ACC's top newcomers

this past season...started 18 matches and appeared in 22 games...scored two goals and tallied one assist in 2000...one of FSU's most dangerous offensive threats in the back...scored one of the most important goals in the history of Florida State soccer when she tallied the game-winner against defending national champion North Carolina in double OT in the 114th minute...also scored a goal in the Seminoles' first-ever NCAA Tournament victory against Jacksonville...earned *Soccer America* Team of the Week honors after the UNC game-winner...finished the season ninth in points (5), eighth in goals scored (2), tied for third in game-winning goals (1), second in shot percentage (.222) and sixth in shot on goal percentage (.556). **High School:** Texas All-State team as a senior...offensive MVP for three years...Region III Tournament MVP...four-year starter on her varsity team...received all-district honors since her freshman season. **Olympic Development Program:** Named to the Region III team in 1997...Region III pool member 1998 and 1999...Texas state team for the past four years...Region III European tour 2000. **Club:** Klein Challenge Soccer Club...won the U-17 South Region Championship in 1999...contended for the 1999 National Championship. **Personal:** Named an Academic All-District student...student council...Interact Club...born March 27, 1982.

JANET BURKE

Midfielder/Forward 5'3" • SO, Fayetteville, GA (Starrs Mill)

Baker on Burke: Didn't have the best of freshman seasons and was very up and down. Confidence was a huge factor in her not playing up to the level she knows she can play at. Her confidence seems to be back and she is playing with a vengeance. She is very excited about her sophomore season and I feel she will be a major contributor. If she can play like she did with her club team at regionals in Memphis this summer, she is going to be an added threat up front. **2000:** Appeared in 23 matches for the Seminoles...finished her inaugural campaign with three assists...made the third-most appearances of any freshman in 2000...led the team with a .786 shot on goal percentage...three assists were third-best amongst freshman and fourth-best overall...recorded first assist in one

SUMMER CORUM

#13

Midfielder/Forward 5'3" • SO, Vero Beach, FL (Vero Beach)

Baker on Corum: She hasn't played to her potential due to a leg injury and has probably been playing at 80% for us. I can't wait until she heals because she has been absolutely wonderful for us even at 80%. She can take on defenders, she has great pace and can score goals. She scored that great game-winner for us at Florida that advanced us to the Sweet 16 and had great individual runs down the flank all year. Summer can beat three or four players on the dribble and she possesses a great combination of speed and skill. She is going to be someone that is going to be tough to keep out of the starting 11. **2000:** Appeared in 24 games and was one of only two freshmen to appear in every game for the Seminoles last season...scored four goals, recorded five assists and finished her freshman season with 13 points...Corum had a strong season for the Seminoles finishing sixth in total points, sixth in goals scored, tied for third in game-winning goals (1), second in assists, first in shot percentage (.250) and second in shot on goal percentage (.750)...second amongst freshmen in points, goals, assists and game-winning goals...recorded a season high three points in FSU's NCAA Tournament win over the Gators...her game-winning goal in the 48th minute at Florida sent the Seminoles to their first ever Sweet 16...recorded her first collegiate goal in Missouri against the Ohio State Buckeyes...recorded goals in back-to-back games during the Seminole Soccer Tournament against Central Florida and Florida International...assisted on goals against Florida, Miami, Oregon, Jacksonville and Wake Forest...assisted on the Seminoles first goal against UF in the NCAA second round just 4:55 into the game...her assist against the Beavers was the first game-winning assist of her collegiate career. **High School:** Scored 141 goals during her career at Vero Beach High...added 68 assists...all-conference for three years...lead the district in scoring for three straight years...FACA senior All-Star team...a varsity starter since her freshman year. **Olympic Development Program:** Participated with the Olympic Development Program for the past four years...four-time member of the Region III team...traveled to England, Ireland, France, Monaco and Italy with ODP. **Club:** Member of Team Boca...won the state title in 1999. **Personal:** Honor roll for four years...graduated with honors...Florida Gold Seal recipient. Baker on Garcia: She got some great experience behind Rachael Watkin and Marte Vik Edvardsen last season and she started alongside Marte in the central midfield during our spring season. She continues to improve every day and we are fortunate to have her out there playing on a regular basis. I think she is going to have a breakout sophomore season for us and make our central midfield very strong. **2000:** Appeared in 20 matches for Florida State...played in some of FSU's biggest wins versus North Carolina and Texas A&M...appeared in every postseason game for the Seminoles. **1999:** Missed season due to injury. **High School:** A four-year letter winner...all-county, all-conference and all-state selection her sophomore, junior and senior years...member of state champion team all four years...received the Coaches Award as a junior and Most Valuable Offensive Player as a senior...MVP of Senior All-Star Classic...team captain junior and senior years. **Olympic Developmental Program:** Member of the Florida state U-15, U-16 and U-17 teams. **Club:** Margate Blitz...team captain for six years...a member of the Florida state champion teams from 1995-98. **Personal:** Honor roll and first honors all four years...member of the National Honor Society as a senior...member of the National Latin Honor Society and Junior Classical League as a sophomore, junior and senior...member of S.A.D.D....two time All-ACC Academic Honor Roll selection. Defender 5'7" • FR, Alexandria, VA (West Potomac)

Baker on Beal I got to know Katie very well through the national team program last year while she represented the U-16 national team. She started for the U-16 national team as a central defender and that is the position that we have recruited her for here. She reads the game at a high level and is a very good passer of the ball. CAMIE BYBEE

#15

Midfielder 5'5" • FR, Oklahoma City, OK (Putnam City North)

Baker on Bybee: I have coached Camie since she was 13 years old through the Olympic Development Program, where she has been a starter for the U-14, U-15, U-16 and U-17 age groups. Camie is one of the most talented central midfielders in the country and has great playmaking abilities. She has very good vision and wonderful passing abilities - but what I liked most was her ability to beat people off of the dribble and her goal scoring ability from the midfield position. Her tactical understanding of the game is very good and she has proven that at the highest levels of competition. **High School:** 2001 Gatorade Player of the Year in Oklahoma...first team all-district, all-conference and all-city for four years...leading goal scorer in the state of Oklahoma in 2000 and

MARION CAGLE

#17

Midfielder/Defender 5'2" • FR, Tallahassee, FL (Leon)

Baker on Cagle: I have wanted Marion to attend Florida State ever since I arrived in Tallahassee and became the head coach here. She is one of the top players in the state of Florida this year and we are fortunate to have her joining our program. Marion has tremendous pace and quickness - she will be exciting to watch. She has steadily improved her overall passing abilities and provides some fantastic services from the flank position. I feel she has a tremendous upside. JEZ RATLIFF #5

Midfielder/Forward 5'4" • FR, Norman, OK (Norman)

Baker on Ratliff: Jez may be one of the best kept recruiting secrets in the country this year. She has unbelievable speed and has become one of the south's most dangerous players in the last two years. The last three times I have seen her play - she has performed as well as anyone we have recruited. When she gets the ball at her feet, you ease up in your seat because you know something special is about to happen. She has the ability to play wide in the midfield or run up top as a forward. Her pace makes her extremely dangerous but she has a high skill level and can make people miss. We look forward to continuing her development as a person and as a player.

KERRY YORK #1

Goalkeeper 5'10" • FR, Millersville, MD (Severna Park)

Baker on York: Our most important position to fill this year was to find a talented goalkeeper and we have done that. I have enjoyed watching Kerry in goal for some time and she is rated as one of the top two Olympic Development goalkeepers out of the East Region this year. Kerry has great height, good footwork and even better hands. Kerry possesses a lot of the same quality characteristics that we saw in All-Region goalkeeper Sarah Crawford last year - which is exciting. She organizes her defense very well and has proven to be a great shot stopper at the highest of levels. Kerry has a great mentality. **High School:** 2001 Gatorade High School Player of the Year in Maryland...*Baltimore Sun* All-Metro selection in 2001...Anne Arundel County Player of the Year
