FSU SOCCER AND the US national team

The 2006 off-season has been a busy time for two Seminoles due to national team commitments. India Trotter and Sara Wagenfuhr each spent their off-seasons playing for the United States. Trotter spent most of her time in residency with the full US Women's National Team. The All-American became the first Seminole to ever earn a cap with the US National Team when she played in the Four Nations Tournament versus Norway. She then led the United States to the finals of the Nordic Cup as a member of the U-21's this past summer. Wagenfuhr has been with the U-20's all year long in preparation for the FIFA U-20 Women's World Championship. The sophomore has started almost every game for her national side and will miss the start of the 2006 college season as she tries to help the US capture the World Championship.
