FLORIDA STATE

2007 SEASON IN REVIEW

GOOD TO SEE YOU AGAIN

Florida State's trip to the 2007 College Cup and the school's first appearance in the national title game officially marked the program's ascension to one of the nation's elite. Although still searching for that first National Championship in school history, nobody can deny the Seminoles' place among the elite soccer programs in the nation this decade. FSU has gone to three straight College Cups and advanced to four of the last five national semifinals. Only UCLA has been to more College Cups over the last five seasons then FSU and only two schools have

| COLLEGE CUPS THIS DECADE | | | |

| UCLA | 5 | 6 | |
| UNC | 2 | 5 | |
| Florida State | 4 | 4 | |
| Notre Dame | 3 | 4 | |
| Portland | 1 | 4 | |
| Santa Clara | 1 | 3 | |

been to more College Cups this decade than the Seminoles. UCLA has made six appearances since 2000 followed by North Carolina with five. Notre Dame and Portland join Florida State with four trips to the College Cup this decade. FSU and UCLA are also the only two schools to make it to three straight College Cups (2005-2007). FSU now joins a prestigious list of only nine programs that have ever gone to three straight College Cups and one of just four schools that have accomplished such a feat this decade.

HERMANN TROPHY GOES TO MAMI YAMAGUCHI

Friday, January 11, 2008 marked yet another first for the Florida State soccer program when the Missouri Athletic Club and the National Soccer Coaches Association of America (NSCAA) announced that Seminole forward Mami Yamaguchi was the recipient of the MAC Hermann Trophy, presented to the top female player in NCAA Division I soccer. Yamaguchi became the first Florida State player to claim the top individual honor in women's soccer. She led the country in points (66), while finishing second in goals (24) and assists (18). The Tokyo, Japan native is the sixth Seminole in four years to be in the running of college soccer's most prestigious award. She joined a growing list of other Seminole greats including Leah Gallegos (2004), Kelly Rowland (2005), Selin Kuralay (2006), India Trotter (2006) and Sarah Wagenfuhr (2007). Before claiming college soccer's top honor, the junior forward joined Kuralay and

Trotter as only the third Seminole to be named a semifinalist for the Hermann Trophy.

FRESHMEN DUO HONORED NATIONALLY

Before stepping onto the pitch for the first time in their collegiate careers, expectations were high for the 2007 freshmen class ranking second nationally and first in the Southeast Region by Soccer Buzz. Both rankings were the highest garnered in the program's 13-year history. And the class lived up to its billing contributing heavily to Florida State's run to its first national championship game appearance in school history. Two freshmen were recognized nationally for their efforts as Amanda DaCosta and Sanna Talonen were crowned National Freshman of the Year by Soccer Buzz and Soccer America, respectively. DaCosta started all 27 games for the Seminoles in 2007 finishing third on the team in points with 21 (6G, 9A). Her nine assists were one shy of tying the freshman single-season record set by Julia Schnugg in 2003. The Katonah, N.Y., native scored the game-winning goal in the national semifinal against Notre Dame to send Florida State to the national title game. Talonen had an outstanding freshman season for the Garnet and Gold as she finished the year with 42 points on 18 goals and six assists. Eight goals were scored in the NCAA Tournament as Talonen tied India Trotter for the most postseason goals scored all-time at Florida State. She became the first Seminole to score two hat tricks in the NCAA Tournament as she was responsible for all the goals scored in wins over Kennesaw State (3-0) and Connecticut (3-2).

WE ARE ALL HOKIES

During the 2007-08 school year, the FSU women's soccer team paid tribute to the victims of the April 15, 2007 shooting on the campus of Virginia Tech by wearing a black patch on the left sleeve of their uniform. Today and everyday, we are all Hokies.

SEMINOLE QUICK HITS

- * Florida State played in the national championship game in 2007 for the first in school history falling to Southern California 2-0 in the finals. In the process, the Seminoles advanced to their third straight College Cup and are just the ninth school in the history of the NCAA to appear in three consecutive national semifinals. FSU has now played in four of the last five College Cups. Only UCLA (5) has more appearances over the last five seasons than FSU.
- * 2007 was a record breaking season in terms of offensive numbers for the Florida State soccer program. The Seminoles tallied 233 points (81 goals, 71 assists) which stands as the highest scoring season in school history. The mark eclipses the previous record of 188 points (65 goals, 58 assists) set in 2005, which was the first season under head coach Mark Krikorian. The Seminoles also went on to set school records for points per game (8.63), goals per game (3.00), assists per game (2.63) and shots on goal (202).
- * Florida State's streak of consecutive games with a goal came to an end at 26 following a 1-0 shutout loss to North Carolina in the ACC Championship finals November 11, 2007. During the streak, FSU went 17-6-3, while outscoring the opposition 78-25. The scoring streak, the longest recorded in school history, dates back to a 0-0 tie against Wake Forest in the semifinals of the 2006 ACC Tournament. The previous record of 21 consecutive games was set during the 2002 season.
- * Junior Mami Yamaguchi became the single-season record holder for points, goals and assists at Florida State in 2007 finishing with 66, 24 and 18, respectively. She also set the school record for points in league play with 15 while tying Cindy Schofield for first all-time with six goals in one season. The Tokyo, Japan native then set the individual school record for consecutive games with a goal scored at seven surpassing the previous record of five set in 2001 by Schofield. Following her offensive explosion, Yamaguchi concluded her Seminole career ranking first all-time in career assists with 30 and second in points (94) and goals (32).
- * The Seminoles finished the season leading the ACC with 36 multiple-point performances in 2007. Seven Seminole student-athletes registered more than one multiple-point performances including freshman Amanda DaCosta, junior Katrin Schmidt, sophomore Annie Stalzer, junior Erika Sutton, freshman Sanna Talonen, senior Kirsten van de Ven and junior Mami Yamaguchi.
- * Following FSU's thrilling 3-2 2OT victory over Connecticut in the quarterfinals of the NCAA Tournament, Florida State improved its school record for multi-goal games in a season to 14 as Sanna Talonen registered her second hat trick of the postseason. In 2007, both Mami Yamaguchi and Talonen tallied a team leading five multi-goal games. Becky Edwards, Erika Sutton, Lauren Switzer and Kirsten van de Ven each recorded one.
- * Junior Mami Yamaguchi and freshman Sanna Talonen had a hand in 77.8 percent of the 18 Seminole victories in 2007. The two forwards combined to score 11 game-winning goals and six game-winning assists.

GOALS A PLENTY

Florida State scored 81 goals in 27 games for a season average of 3.00 goals per game, good for the second highest scoring offense in the nation. The goal production is the highest in the 13-year history of the program. The previous best was 65 goals established in 2005, the Seminoles second of three College Cup appearances. To put this number into perspective, the 81 goals scored in 2007 surpass the total number of goals scored in all 13 previous seasons including 1995: 32; 1996: 51; 1997: 36; 1998: 35; 1999: 36; 2000: 45; 2001: 55; 2002: 46; 2003: 60; 2004: 29; 2005: 65; 2006: 44. Below is a listing of the top five scoring seasons in Seminole history:

| 1) | 2007 | 81 goals (27 games) |
|----|------|---------------------|
| 2) | 2005 | |

SHARIN' IN THE SCORIN'

Fifteen different Seminoles contributed with at least one point, while 14 scored a goal. In 2007, eight different Seminoles registered double-digit points marking just the second time in school history this feat has been matched joining the 2003 squad. Here's a look at the top eight scorers from the '03 and '07 seasons:

GOOD CHOICE

When Patrick Baker left Florida State for Georgia just one season after leading the Seminoles to the school's first College Cup in 2003, there was a lot of uncertainty surrounding the program. That was until Mark Krikorian came in. In just three seasons, Krikorian is proving himself to be one of the best Division I coaches in the game. Krikorian is not only the first DI coach to ever lead his team to three straight College Cups in his first three years in the era of the 64-team tournament, but he is also the only coach in the history of the NCAA to ever to take over a program and lead it to back-to-back-to-back College Cups in his first three seasons. No coach in America has advanced through 12 rounds of NCAA Tournament play in his first three seasons at a school except for Krikorian. Krikorian hasn't just been brilliant in the postseason. For the third straight season his teams have recorded at least 17 wins. The previous single-season record for wins came in 2003 when FSU recorded 17 victories. The three highest win totals in FSU history have all come under Krikorian. In his first three seasons, Krikorian has led the Seminoles to 56 victories; it wasn't until the second game of the 2001 season that Florida State reached its 56th career school victory. To put into perspective just how amazing that number is just look back at the history of FSU soccer. It took 126 games from 1995 to 2001 for FSU to notch the 56th win in program history yet Krikorian has done it in just 78 career games.

ACC HONORS

Mami Yamaguchi and Amanda DaCosta were named to the All-ACC first and second teams, respectively in 2007. Yamaguchi was also named the ACC Offensive Player of the Year as voted on by the league's 11 head coaches. She became the first Florida State women's soccer student-athlete to garner an individual accolade of any kind (Offensive, Defensive or Freshman of the Year) from the league office in the program's 13-year history. Yamaguchi's selection to the first-team marks the eighth year in a row that FSU has had at least one student-athlete named to the first team.

DaCosta was also selected to the league's All-Freshmen team in 2007. The Katonah, N.Y. native is the 13th Seminole to earn All-Freshmen honors and is the sixth honoree since 2004 to garner such accords. DaCosta is just the second Seminole to earn a spot on the All-ACC first or second team and the All-ACC Freshmen team in the same season (Emma Breland, 2000).

2007 SEMINOLE SENIOR CLASS

What the 2007 senior class achieved over the last four seasons was quite amazing. The four Seminole seniors including Libby Gianeskis, Holly Peltzer, Melissa Samokishyn and Kirsten van de Ven, became the first class to play in three

straight College Cups. The group made their second straight trip to the ACC Tournament finals and compiled an NCAA Tournament record of 12-3-2 over the last four seasons. They rank as the winningest, four-year senior class in school history posting a career mark of 68-18-12, good for an overall winning percentage of .755. With a win over Miami back on October 21, the '07 senior class became just the second, four-year class to register a league record of above .500 in each of their four seasons in Tallahassee.

FRESHMAN RECORDS

Goalkeeper Erin McNulty set a pair of freshman single-season records following the Seminoles run to their first national championship appearance. The Winnipeg, Manitoba, Canada native set records for wins (18), shutouts (8.0) and goals against average (0.94), while sitting second in saves with 84. She moved into a tie for fifth at FSU for career wins and shutouts. McNulty surpassed Ali Mims' freshman win total of eight set in 2001, while eclipsing the shutout record of 3.0 set by Kerry York in 2001.

On the offensive side, Sanna Talonen had an outstanding freshman campaign leading the team and the ACC in game-winning goals with six. She set freshman school records for shots (68), points (42), goals (18) and game-winning goals while finishing tied for third with three game-winning assists.

FANS IN THE STANDS

Florida State women's soccer witnessed its second largest crowd in school history on September 27 in a match-up against North Carolina as the Seminoles welcomed 1,926 fans to the Seminole Complex. Fans have showed their support for the Seminoles against the Tar Heels over the years as four of the 10 largest crowds in school history have come against UNC. Attendance surpassed the 1,000 fan mark seven times in 2007 including FSU's home opener against Francis Marion (1,109), Auburn (1,003), Boston College (1,023) and on Senior Day against Miami (1,037). FSU drew a total of 8,562 fans in nine regular season home contests, an average of 951 fans per contest. Through the first four rounds of the NCAA Tournament, the Seminoles drew a combined total of 4,618 fans. FSU welcomed 1,703 fans during its quarterfinal victory over Connecticut marking the second largest crowd to witness an NCAA Tournament game at the Seminole Soccer Complex. For the year, the Seminoles drew 13,180 in 13 home games, an average of 1,014 - the second largest season and average attendance in school history.

FLORIDA STATE

2007 SEASON IN REVIEW

SUCCESS IN THE NCAA TOURNAMENT

Following a 5-1-0 postseason record in 2007, Florida State moved to 21-7-2 in NCAA Tournament play all-time good for a .733 winning percentage. It is the fifth-best winning percentage among teams that have played 10 or more games. In just eight appearances in the NCAA Tournament, Florida State's 21 wins already rank as the eighth most in NCAA history. Only four teams in NCAA history have averaged more wins per NCAA Tournament trip than FSU. What is even more impressive is how dominant the Seminoles have been on their home turf. FSU has never lost a postseason game inside the Seminole Soccer Complex posting a perfect record of 14-0-0 while outscoring the opposition 43-8.

SCHOOL RECORD STREAK COMES TO AN END... ...AND A NEW ONE BEGINS

On September 27, Florida State dropped a heartbreaking 2-1 overtime contest against North Carolina ending the Seminoles school record 24-game unbeaten streak. During the streak, Florida State posted a record of 22-0-2 and did not allow more than one goal to any opponent outscoring the opposition 76-10 with 13 shutouts. Ironically enough, North Carolina was the last school to beat FSU in Tallahassee downing the Seminoles 4-1 on September 22, 2005. The loss at home was just the second in three years under the direction of head coach Mark Krikorian, whose Seminole squad is 28-2-2 when playing in front of the hometown fans.

On September 30, the Seminoles began a new home winning streak with a 4-1 victory over NC State. Ironically, the Wolfpack were the same team Florida State defeated en route to the school record 24-game unbeaten streak which began in 2005. That year the Seminoles went on to defeat NC State 3-1. With wins over Maryland, Boston College and Miami at the Seminole Soccer Complex, Florida State closed out its regular season home schedule with a four-game winning streak. The Seminoles added to that mark with wins over Kennesaw State, LSU, Texas and Connecticut through the first four rounds of the NCAA Tournament. FSU will enter the 2008 campaign with an eight game home winning streak.

BLANKING THE OPPOSITION

Defense, defense, defense...it's been the name of the game for the Florida State Seminoles since the arrival of head coach Mark Krikorian in 2005. In Krikorian's three years at

the helm of the women's soccer program, the Seminoles have registered a shutout in almost half of the total games he has coached - 37 shutouts in 78 games (47.4%). In 2007, FSU recorded the second most shutouts in school history with 12 and have now reached double-digits in that category in each of the last three seasons, all under Krikorian. The Seminoles posted a school record 14 shutouts in 2006. In the quarter-

finals of the NCAA Tournament, the Seminoles set a program first blanking Texas for the team's third shutout of the postseason tournament. The previous school record for postseason shutouts was two set in 2006. Prior to Krikorian coming to Tallahassee, the most shutouts recorded in a season were nine set twice in 2003 and 2004.

DEFENSIVE FRONT

Katrin Schmidt, Libby Gianeskis, Becky Edwards and Erika Sutton formed a solid backline for Florida State in 2007. The defensive unit got their first start together against North Carolina and it remained the same until the final whistle blew in the national championship game against Southern California. The quartet helped the Seminoles to a 13-4-2 record, their first win in the College Cup and the school's first appearance in the national finals. With the help of freshman goalkeeper Erin McNulty, the Seminole defense kept the opposition off the scoreboard for more than 376 consecutive minutes before allowing a goal to Miami on Sunday, October 21. Since the UCF game, the backline helped post eight shutouts while holding opponents to a goal or less in 13 games. In the NCAA Tournament, the defensive effort was equally impressive posting three straight shutouts in each of the first three rounds.

DOUBLE-DIGIT GOALS & ASSISTS

Junior Mami Yamaguchi became the first Seminole in school history to record double-digit goals and assists in a single-season. The midfielder from Tokyo, Japan reached this feat after posting two goals and two assists in three games at the ACC Tournament in Lake Buena Vista, Fla. Yamaguchi, the 2007 MAC Hermann Trophy Award winner, finished the season with 24 goals and 18 assists. She wrapped up the season as the only student-athlete in the nation to rank in the top 10 in the three major offensive categories (points per game, goals per game and assists per game).

DOUBLE-DIGIT ASSISTS...TAKE TWO

With two assists including the game-winner in FSU's 3-2 2OT victory over Connecticut in the NCAA Quarterfinals, junior Katrin Schmidt became just the fifth Seminole in school history to record double-digit assists in a single-season. It also marked the highest assist total compiled by a Seminole defender in school history. Becky Edwards held the previous record posting eight assists in 2006. Schmidt joined Mami Yamaguchi with double-digit assists on the year as the two combined for 28 assists in 2007, the highest tandem total in school history. Schmidt and Yamaguchi are also only the second pair of teammates to record double-digit assists in the same season as Amber

Tollefson and Julia Schnugg posted 11 and 10, respectively in 2003.

HAT TRICKS IN FLORIDA STATE HISTORY

Not once, not twice, but three times. That's how many times junior Mami Yamaguchi tallied a hat trick in 2007. Entering her junior campaign, Yamaguchi had never registered a multi-goal game in her career. She concluded her Seminole career with five, three of which came on hat tricks. She became the first Seminole to register three hat tricks in a career, while her three three-goal games as a junior marked the first time in the 13 years of women's soccer that a Florida State student-athlete recorded multiple three goal games in one season.

Freshman Sanna Talonen joined Yamaguchi in that elusive category as she posted two hat tricks in four NCAA Tournament games. Talonen registered her first career hat trick scoring all three goals in the first 27 minutes of action in the first round of the NCAA Tournament against Kennesaw State. Two weeks later she added her second hat trick of the season scoring all three goals in FSU's 3-2 double overtime victory over Connecticut.

In FSU's inaugural 1995 season, the Seminoles posted three hat tricks two by Alex Osorio and the other by Kelly McGrath - the only other time three hat tricks were registered in a single season. Yamaguchi and Talonen set the school record for

hat tricks in one season with five. A Seminole student-athlete has now posted a hat trick in each of the last three seasons.

KRIKORIAN COACHES 300TH COLLEGIATE GAME

Not only was Florida State's victory over Notre Dame a historical moment in school history marking the school's first victory in College Cup action followed by a berth in the national championship game, but it also marked head coach Mark Krikorian's 300th career game as a college head coach. In 14 seasons of coaching in the college ranks, Krikorian posted an all-time record of 224-63-14, placing him seventh all-time by winning percentage among active coaches in Division I history. He has coached in three national championship games posting a record of 2-1-0. Krikorian began his head coaching career at Franklin Pierce where he coached for five seasons, leading Franklin Pierce to back-to-back national titles in 1994 and 1995. He then built Hartford into a national power house posting 17 or more wins in four of his five seasons. In three seasons at Florida State, Krikorian has led the Seminoles to three straight College Cup appearances and a berth in the 2007 national championship game. He is 56-14-8 as Seminole head coach.
