MARK KRİKORIAN SOCCER ACADEMY

The Mark Krikorian Soccer Academy is driven by the desire to help young soccer players increase their confidence with the ball and love of the game. This is accomplished through a three part approach:

1. Providing an environment that challenges.
2. Striving daily to improve comfort on the ball.
3. Application of skill in game-like tactical situations.

The camp is under the direction of FSU Head Coach Mark Krikorian; a man whose experience and dedication to a beautiful game is reflected in his success as a Youth National Team Head Coach, a Professional WUSA Champion Head Coach, a collegiate Champion Head Coach, and the Director of the Academy.

The Mike Bristol Goalkeeper Academy runs sessions at all Mark Krikorian Soccer Academies. FSU Assistant Coach Mike Bristol's experience in developing six U.S. Youth National Team Goalkeepers is shared with the Goalkeeping Academy.

An emphasis is placed on creating a challenging and complete training environment. The Academy is designed to equip goalkeepers with the technique and tactics necessary for the position and to provide opportunities to apply the skills in a game situations. Coach Bristol uses a three-step process with goalkeepers: learning proper technique in a controlled environment (morning sessions), introducing tactical decision making principles in small groups (afternoon session), and playing in full-field matches (evening sessions).

It is Florida State's goal that every player leaves camp with a feeling of accomplishment, a better understanding of the game and an intensified passion for soccer.

To learn more information about the Mark Krikorian Soccer Academy and the dates and times of when the camps are offered, please call 850-645-3200 or go to the website at www.SeminoleSoccerCamps.com.

VISION

As Florida State University leads and embraces the future –entering new markets, connecting with new students, faculty and staff, and expanding its presence –it is essential that the Florida State Athletics brand grows with the university. The objective of this exercise is to make sure that the brand is consistent across all applications and captures new audiences in an authentic and meaningful way. The Seminole Tribe of Florida was consulted through the brand development process and approved all modifications of these beloved symbols.

THE FLORIDA STATE UNIVERSITY ATHLETICS BRAND

What are the elements that make up our Brand Identity? The words you choose. The type you use. The colors, graphics, and imagery you display. A unique and iconic primary logo. The way you position and apply the primary logo. These are the key building blocks that help tell the Florida State story and shape people's perception of Florida State University.

Perfection is in the details. Underlying all Florida State brand expressions is a detailed, well-ordered system of visual assets. This unified system defines the Florida State experience.

EVOLUTION NOT REVOLUTION

At first glance, the new Florida State Brand Identity System may look revolutionary. It's bold and intriguing. It's designed to serve as an evolution of an already iconic identity and position the brand for the future.

BRAND ATTRIBUTES

Brand Attributes are a set of characteristics that represent the essence of the Florida State brand. These attributes identify personality traits and serve as a filter for all of the components of the identity system. When you experience the Florida State brand, we want you to be reminded of:

- RESPECT | INTEGRITY | STRENGTH | PRIDE
- CHARACTER | FIGHT | PASSION | LEADERSHIP
- FAMILY | TRADITION

PRIMARY IDENTITY—THE SEMINOLE LOGO

The Seminole logo is indisputably iconic and unique to Florida State Athletics. It signals a consistent foundation—honoring the brand equity that has been built across decades of competition while creating distinction and reinforcing the brand for the next generation. The mark is strong, youthful and bold paying off the true attributes of a Seminole Warrior. It purposefully incorporates the Florida State color palette, and with the head held high it expresses our position with purpose and conviction.

The Seminole logo is the primary representation of the brand and is used as the main identifying device for athletics. Reinforcement of the primary identity will build equity in Florida State Athletics. In primary or secondary colors, the Seminole logo works well across all media. With a flexible approach to palettes and logo staging, the Seminole logo now comes alive with renewed spark and energy.

SEMINOLE PATTERN

In the early 1900s, a new decorative technique was developed by Seminole women, now commonly known as patchwork. Early patterns included blocks and bars of alternating color with occasional sawtooth designs that were sewn directly into garments. Patchwork was rapidly adopted as a standard means of embellishing the Seminoles' traditionally vibrant clothing. These authentic and meaningful patterns live on through today's Seminole natives, and are now an official element of the performance apparel palette for Florida State Athletics.

FSU and Nike were determined to incorporate meaningful symbolism into their uniforms and designers included Seminole lore in each element. The Seminole symbols for Fire, Arrow and Man on Horse (top to bottom, repeating) were the inspiration for this unique pattern.

FSU LOGO

The FSU Logo is a stylistic ligature. At the origin of typographical ligatures is the simple running together of letters in manuscripts. In writing and typography, a typographic ligature occurs where two or more letters are joined as a single glyph.

The FSU Logo was created from the custom unconquered alphabet. It works closely in support of the primary identity to represent Seminole Athletics. This type-based mark gives the identity flexibility while staying consistent with the main look and feel.

SEMINOLE SPEAR

Perhaps the most spectacular tradition in all of college football occurs in Doak Campbell Stadium when a student portraying the famous Seminole leader, Osceola, charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. Together, Osceola and Renegade highlight a pre-game ritual, considered to be one of the most popular in the nation.

Florida State's trademark helmet with the Seminole spear is well known throughout all of college football. This design was first introduced during Bobby Bowden's first year as head coach in 1976. Prior to that season, FSU had used a variety of different helmets ranging from gold with a garnet FSU, solid gold with garnet and white striping, an image of the state of Florida with STATE running down it, and various others. The refined spear now reflects the same visual language as the other elements of the identity system.

THE SEMINOLE TRIBE OF FLORIDA

THE UNCONQUERED PEOPLE

By Barry Ray, FSU Office of News and Public Affairs

As a people, few have prevailed over more trying circumstances than the Seminole Indians of Florida. Over the course of almost two centuries, Florida's Seminoles endured three wars with the U.S. government, resisted numerous efforts to relocate them to federal reservations in the West, and ultimately made their home in one of the world's most inhospitable environments, the Florida Everglades. That they have not only survived, but thrived – all the while maintaining their fierce independence and rich culture – is a tribute to their courage and perseverance. This is their story.

Long before European explorers ever visited the area now known as Florida, native peoples had been living here for thousands of years. In fact, as many as 100,000 members of four Indian nations – the Apalachee, the Tequesta, the Timucua and the Calusa – were living in highly organized settlements throughout the peninsula when the Spanish first arrived in 1513.

The native peoples' lack of resistance to smallpox, yellow fever and other "European" diseases, as well as later slaving raids from the English colonies of Georgia and South Carolina, eventually decimated their numbers. By the mid-18th century, the Indian nations of Florida had ceased to exist.

In their place, groups of Indians from a confederation of tribes collectively referred to as the Lower Creeks began moving into Florida from Alabama and Georgia. They had been pushed out of their former homes by the encroachment of white settlers, as well as by conflicts with other tribes. It was around this time that the name "Seminoles" first appeared; there are several possible explanations as to its origins.

When the first English speakers began arriving in Florida in 1763, they found many Creeks living as yat'siminoli, or "free people," across the northern part of the Florida peninsula. ("Yat'siminoli" was a term used in the Mikisúki, or Miccosukee, language, which still is spoken today.) The settlers may have simply ignored the Indians' separate tribal affiliations and called them all Seminolies, or Seminoles.

Others believe that the Seminole name comes from the Spanish word cimarron, meaning "wild men" or "unconquered." The Indians may have been given this name because they had escaped from slavery in the English-controlled colonies to the north.

With the end of the American Revolutionary War in 1784, English-speaking settlers began moving southward in ever greater numbers, buying or seizing land from the native inhabitants. By 1813, some of the Creek tribes in Alabama rose up against the white settlers and the Indian tribes that supported them. This conflict, known as the Creek War of 1813-14, proved disastrous to all of the tribes. U.S. troops led by Gen. Andrew Jackson crushed the uprising and forced a treaty on the Creeks that took more than 2 million acres of land from them. Several thousand Creek warriors and their families migrated south into Spanish Florida, where they and the Seminoles increased their resistance to white settlement.

In 1814, such conflicts escalated into the first of three Seminole wars. Over the next four years, Jackson illegally entered Spanish Florida numerous times to burn Seminole villages and kill resistance leaders.

With the end of the First Seminole War in 1818, many Indians moved further into Florida. By 1820, the year before Spanish Florida became a U.S. territory, there were at least 5,000 Seminoles, Creeks and Mikisúki people living here. However, a series of federal treaties failed to protect their rights and, in 1835, war broke out again.

The Second Seminole War (1835-42) proved to be the longest, most costly, and the last of the U.S. wars of Indian removal fought east of the Mississippi River. It also would be the first guerilla-style war faced by U.S. troops. Led by the fierce warrior Osceola, the Seminoles were aided by runaway slaves, who received protection from their allies in return for a portion of the agricultural staples that they grew. These so-called "Black Seminoles" also had a reputation as fierce

THE SYMBOL: SEMINOLES

Florida State would play two games in 1947 before students demanded the school acquire a symbol. While details conflict, most believe the account of a poll of the student body is accurate. The Florida Flambeau reported that Seminoles had won by 110 votes over Statesmen. The rest of the top contenders (in order) were Rebels, Tarpons, Fighting Warriors and Crackers.

In the 1950s, a pair of students dressed in Native American costumes and joined the cheerleaders on the field which eventually evolved into the majestic symbol of Osceola and Renegade that FSU now enjoys. Today, the Seminole Indian Tribe participates in many campus activities.

Florida State University is proud of its longstanding cooperative relationship with the Seminole Tribe of Florida. The Seminole people have suffered many hardships and injustices, but they have remained brave, dignified and proud. The Seminoles are unconquered. They symbolize what we hope will be the traits of all of our graduates, including our student-athletes.

fighters, and were equally determined to preserve their freedom.

The fighting ended in a stalemate in 1842, and an uneasy peace lasted for 14 years. In 1856, however, Seminole leader Billy Bowlegs and his followers were provoked by U.S. soldiers. They retaliated, and the ensuing series of skirmishes became known as the Third Seminole War (1856-58).

When U.S. troops once more withdrew – again with no treaty or victory – the Seminole Wars finally ended. All told, more than 3,000 Seminoles had been forcibly removed from Florida to the Western territories of Arkansas and Oklahoma. As few as 300 remained in Florida, and they took refuge within the dense swamps of the Everglades. However, their place in history was assured as the only American Indian tribe never to have signed a peace treaty with the U.S. government.

From the 1920s onward, as the development boom exploded in South Florida, the Seminoles lost more and more of their hunting lands to tourists and settlers. They became agricultural workers in the vegetable fields of South Florida, and also ran tourist attractions, wearing their colorful patchwork clothing, producing souvenirs and wrestling alligators.

On Aug. 21, 1957, the Seminole Tribe of Florida was established through a majority vote of Florida's Seminole Indians. This vote gave the Seminoles federal recognition as a self-governing tribe with a constitutional form of government. The Seminole Tribe of Florida now has almost 3,000 members living on five reservations across the peninsula at Hollywood, Big Cypress, Brighton, Immokalee and Tampa.

The Seminoles work hard to be economically independent. Tourism and gaming profits pay for infrastructure and schools on their reservations, while citrus groves, cattle agriculture, aircraft production, tobacco sales, land leases and aquaculture are other significant sources of revenue.

Having persevered through two centuries of adversity, the Seminole Indians of Florida have earned the right to call themselves "the unconquered people." Their indomitable spirit is one that Florida State University proudly seeks to emulate in all of its endeavors.

2020 COACHING STAFF

Mark KRIKORIAN

Head Coach 16th Season

Alma Mater: St. Anselm College (1983)

Home Town: Malden, Mass.

Record at Florida State: 276-66-30 (.782)

Collegiate Record: 444-115-36 (.776)

Overall Record: 471-134-55 (.755)

Florida State head coach Mark Krikorian took over the Seminole women's soccer program in 2005 and has proven to the nation that FSU soccer will be a national title contender on an annual basis. Through 15 seasons in Tallahassee, Krikorian has led FSU to a pair of NCAA National Championships in 2014 and 2018, nine College Cup appearances, four appearances in the national title game (2007, 2013, 2014 and 2018), three ACC regular-season titles (2009, 2012 and 2014) and six league championships (2011, 2013, 2014, 2015, 2016 and 2018).

To further prove the model of consistency that Krikorian continues to provide, Florida State was the only school in the country to finish each season from 2005-2015 ranked in the top 10 of the final NSCAA/United Soccer Coaches poll. The Seminoles were ranked in the top 25 of the United Soccer Coaches poll for 171 straight weeks – a streak spanning from September 6, 2005, to October 31, 2017. That streak hit an all-time high in 2012 when Florida State took over the top spot in the NSCAA top 25 poll on August 28. The Seminoles would maintain that No. 1 ranking for a school record eight consecutive weeks posting a record of 7-1-0 against ranked opponents during that run including three wins over teams ranked in the top 10. FSU's climb to the top spot marked a first for the Seminoles in the NSCAA poll and a first since 2006 when Soccer America had the Noles at No. 1 for four consecutive weeks. The Seminoles regained the No. 1 spot in the polls following their 1-0 victory over Virginia to secure the 2014 National Championship. FSU remained the No. 1 team in the country for four weeks during the 2015 season and owned the top spot for the first four weeks of the 2016 season.

Krikorian has registered at least 16 wins in 13 of 15 seasons at Florida State while finishing no lower than second place a total of 12 times in the Atlantic Coast Conference, the nation's premier soccer conference. Krikorian led the Seminoles to a share of the ACC regular-season title and the No. 1 seed in the ACC Tournament for the first time in school history in 2009. Two years later he guided the Seminoles to their first ACC Championship as Florida State defeated Wake Forest 3-1 in penalty kicks. The Seminoles reigned supreme in the ACC once again in 2012 winning the outright regular-season title with an 8-2-0 record. In 2013, FSU went on to capture its second league championship with a 1-0 victory over Virginia Tech becoming just the third school in ACC history to win multiple league titles. In 2014, Florida State earned both the ACC regular-season and tournament championships for the first time in school history, allowing just three total goals against league opponents in 13 total games. During 2015, the Noles finished 6-1-3 in conference play in the regular-season and defeated No. 1 Virginia, 7-6 on PKs, to secure their third consecutive ACC Tournament title. The Noles entered the 2016 ACC Tournament as the No. 6 seed, but FSU won its fourth conference championship in a row after topping No. 6-ranked Duke, No. 9 Clemson and No. 10 North Carolina. In 2018, Florida State finished seventh in the ACC regular-season standings but took down each of the top three schools in the conference – No. 1 North Carolina, No. 2 Duke and No. 3 Virginia – on its way to its sixth ACC Championship in eight seasons.

The 2019 season was business as usual for Krikorian and the Seminoles as they earned a national seed in the NCAA Tournament for the 15th straight

season. After finishing the regular season with a 15-5 record and a second place finish in the ACC, Florida State earned a one seed in the NCAA Tournament for the eighth time and second year in a row. Florida State would make it to the Elite 8 for the 13th time in 15 seasons under Krikorian.

The Seminoles placed three on the All-ACC First team and two on the All-ACC Freshman team. Deyna Castellanos earned her fourth All-ACC honor and third first team honor as she was also named an All-American for the third year in a row, tying Tiffany McCarty for the most All-American honors for a Seminole soccer player. Castellanos was also the second Seminole to ever record double digit goals and assists in the same season with 12 goals and 11 assists. Malia Berkely earned her first All-ACC honor, making the first team and was named FSU's 19th first team All-American. Jaelin Howell and Yujie Zhao were also named First Team All-ACC members. Jenna Nighswonger and Heather Payne were named to the All-Freshman team.

Earning the 2018 NCAA Championship was a complete team effort, as the Seminoles played with 14 different starting lineups through the 27 matches of the season due to a combination of injuries, international call-ups and illnesses. Nineteen of the 23 players that saw game action on the year earned at least one start and no lineup combination was used more than six times on the year.

That allowed the team to gain valuable experience and versatility and depth to make the run to the ACC and NCAA Championship. The Seminoles finished with a 20-4-3 record and defeated each of the last three national champions in the 2018 NCAA Tournament en route to their second title – 2017 Stanford, 2016 USC and 2015 Penn State. Florida State defeated No. 1 Stanford in the NCAA semifinal by a score of 2-0, snapping the Cardinal's 45-match unbeaten streak, which was the fourth-longest in NCAA history. Overall, Florida State held a 9-1-2 record against ranked opponents on the season, including a 6-1-2 mark against Top 10 teams. The Seminoles culminated the season with a 1-0 shutout of No. 3 North Carolina in the NCAA Championship Game, defeating the Tar Heels for the second time in 2018 and tenth time in school history, the most of any school in the nation.

The offensive production from the Seminoles came from all over the pitch as 16 different players scored at least one goal – matching a school record set in 2012 – and 10 players had multiple goals on the year. Deyna Castellanos posted an All-American season by leading Florida State with 28 points on 10 goals and eight assists. Freshman Yujie Zhao made the most of her first season of collegiate soccer, earning ACC Freshman of the Year and TopDrawerSoccer National Freshman of the Year honors, as she scored seven goals and added five assists. Krikorian also earned TopDrawer Soccer National Coach of the Year honors in 2018.

The 2017 season was marked by youth and versatility as the Seminoles routinely had six freshmen in the starting lineup and a total of 16 players earned a start, with 14 players posting at least seven starts. FSU finished with a 13-7-1 record, including a 7-2 mark at home at the Seminole Soccer Complex. Florida State won its first three home matches of the season

to push its home unbeaten streak to 36 games, before falling 1-0 to No. 10 North Carolina. That streak is the second-longest in program history, trailing only the 37-match home unbeaten streak set from 2011-14. For the second year in a row, the Florida State-Florida match was affected by a hurricane, with Hurricane Irma moving the match from September 8 to October 12. The Seminoles triumphed over the No. 10 Gators with a 2-0 victory on the road in Gainesville.

Individually, sophomore Deyna Castellanos led the Noles offensively with 41 points on 19 goals and three assists. The 19 goals ranked second-most in the NCAA in 2017 and is the second-most goals scored by Seminole in a season in program history, trailing only Miami Yamaguchi's 24 from 2007. Castellanos earned United Soccer Coaches Second-Team All-American honors, to go along with All-ACC First-Team accolades. Castellanos was also a top-three finalist at the 2017 FIFA Best Awards for Best Female Player of the Year, as well as the Puskas Award. Redshirt senior goalkeeper Cassie Miller capped off her Seminole career with eight more shutouts, giving her a career total of 48, which ranks third-most all-time in NCAA history. Two of those shutouts came in the NCAA Tournament, improving her postseason shutout total to 13 in her career.

Youth was on display for the Seminoles in 2016 as eight of the 11 starters were either freshmen or sophomores, while 18 of the 24 players on the roster were underclassmen. It matched the highest total of combined freshmen and sophomores on an FSU roster under Krikorian, while the ratio of 75% underclassmen was the highest of any team he has had. Each of the top five scorers on the team were freshmen and sophomores, as sophomore Megan Connolly led the team in points for the second consecutive season. Freshman Deyna Castellanos made the most of her first year of collegiate soccer, tying for the team lead with seven goals in just 13 games, as the Venezuela native missed a month during the season to play for her national team at the 2017 FIFA U-17 Women's World Cup.

The FSU veteran presence in 2016 was felt on the defensive backline, as redshirt senior defender Kirsten Crowley, junior defender Emma Koivisto and redshirt junior goalkeeper Cassie Miller led a Seminole defense that finished second in the nation in goals against average and fourth in shutout percentage at the Noles posted 15 clean sheets on the year.

The 2015 season saw Florida State reach the College Cup for the fifth consecutive season, setting two NCAA Tournament records in the process. Building off of the success in 2014, the Seminoles own NCAA marks of 10 consecutive shutouts and a consecutive scoreless streak of 931:47 during postseason play. Overall, the Noles finished with an 18-3-4 record and a No. 3 ranking by the NSCAA. Freshman Megan Connolly led the Noles with 28 points on nine goals and 10 assists and was named the ACC Freshman and Midfielder of the Year. Connolly became the first FSU freshman to be named a First-Team All-American by the NSCAA and she was also a semifinalist for the MAC Hermann Trophy.

In 2014, the Seminoles earned their first national championship in an impressive season that saw Florida State control its opponents all season long. FSU posted 19 shutouts over 26 games, allowing only nine goals on the season. Florida State closed out the season with seven shutouts and became just the Second-Team in history to win a national championship without allowing a goal in all six games of the NCAA Tournament (North Carolina, 2003).

The 2013 season marked the 13th straight year Krikorian led a team to the NCAA Women's Soccer Tournament and the 9th time he guided a Division I squad into the quarterfinals. He took Hartford to the NCAA Tournament from 1997-2000 including trips to the quarterfinals and two appearances in the round of 16. He has guided FSU to a berth in the quarterfinals in 11 of his 12 seasons, along with a lifetime winning percentage of .765 (50-15-1) in the NCAA Division I Women's Soccer Tournament, while he has captured two Division II National Championships with Franklin Pierce. Krikorian's national championship in 2014 makes him the second head coach to win a title at two different NCAA divisions and the only one to do it at two different schools.

Since Krikorian's arrival in 2005, Florida State has produced 350 All-ACC first-team selections, 34 United Soccer Coaches All-Americans, 14 Soccer America Freshman All-Americans, 14 players that have earned United Soccer Coaches Scholar All-America honors or Capital One/CoSIDA Academic All-America accolades, 14 MAC Hermann Trophy Semifinalists and six Honda Award finalists.

During Florida State's run to the national championship game in 2007, three athletes were honored at the national level for their outstanding season. Mami Yamaguchi became the most decorated soccer player to come out of Tallahassee claiming the MAC Hermann Trophy, presented to the top female player in NCAA Division I soccer. After rewriting the Seminole single-season record books and finishing the season as the national leader in points (66), Yamaguchi added NSCAA Player of the Year and ACC Offensive Player of the Year to her list of accolades while becoming FSU's first consensus

first-team All-American. Amanda DaCosta and Sanna Talonen were named National Freshman of the Year by Soccer Buzz and Soccer America, respectively, the first recipients of such an award in the history of the program.

Four student-athletes received All-America accolades from the NSCAA in 2008 for the first time in school history. Tiffany McCarty became the first Seminole to earn ACC Freshman of the Year honors, while a school record seven student-athletes earned All-ACC recognition including three first-team All-ACC honorees which tied a school mark.

In 2011, the Seminoles completed a series of firsts en route to their first ACC Championship in school history. As the sixth-seed in the tournament, Florida State became the lowest-seeded team to win the league title as FSU defeated Wake Forest 3-1 in penalty kicks. FSU added to its series of firsts in the quarterfinals by going on the road and handing North Carolina its first-ever loss in the ACC Tournament and then defeating Virginia (semifinals) for the first time in school history.

The Seminoles have flourished both offensively and defensively under Krikorian's guidance. In 2005, Florida State finished with a +43 goal differential, 11 points better than the previous school-record, en route to establishing single-season records for goals (65) and points (188). Those records were shattered two years later as the 2007 squad became the highest-scoring team in school history. The Seminoles tallied 233 points on 81 goals and 71 assists, good for a +55 goal differential. FSU went on to set school records for points per game (8.63), goals per game (3.00), assists per game (2.63) and shots on goal (202). The offensive production also made ACC history marking the first time that a school other than North Carolina led the league in every major offensive category. In 2009, scoring was once again at a premium as the Seminoles reached the 200-point plateau for just the second time in school history finishing the season with 204 points on 67 goals and 70 assists. Florida State led the ACC in points, goals, goals per game (2.68) and assists per game (2.80) that year while ranking eighth nationally in scoring offense. To show just how potent the Seminole offense has been under Krikorian, the five highest-scoring seasons at Florida State have all come under his watch and eight of the top 10.

Defensively, Krikorian's teams have been just as good registering sub-1.00 goals against average in nine of his first 10 years. Since 2005, the Seminole defense has posted a 0.77 GAA yielding just under 20 goals a season. Goals have certainly been hard to come by for opponents since Krikorian's arrival as the Seminoles have posted a shutout in over half of the total games he has coached - 191 shutouts in 348 games (54.9%). In 2014, FSU set the school-record for the fewest goals allowed (9) and the lowest goals against average in a season (0.34), while setting a school-record for shutouts with 19. The Seminoles allowed just two goals to ACC opponents in the regular-season and recorded two separate streaks of over 500 minutes without surrendering a goal. With 19 shutouts in 2014, FSU extended the school's streak of reaching double-digit shutouts to 10 consecutive years. In the postseason, Florida State has posted 43 shutouts since 2005 including a school-record six shutouts in 2014.

His first year on the job was nothing short of magnificent leading the Seminoles to their first 20-win season and second College Cup in 2005. In his second year at the helm, the Seminoles continued their dominance reaching the College Cup for the third time in the program's 12th year. The 2008 season was no different as he directed the Seminoles to an 8-1-1 record in the ACC, their highest winning percentage (.850) in league play in school history. In 2012, the Seminoles tied the school-record for victories (20) while winning their first outright regular-season ACC title with an 8-2-0 record. A year later Krikorian led the Seminoles to a school-record 23 victories, including 10 wins in a 13-game ACC schedule, and to just two losses all season, the fewest recorded in school history. The 2014 season saw Krikorian decrease that loss category to one, as the Seminoles earned their

first national championship and first undefeated season in conference play (9-0-1).

In 13 of his 15 seasons at FSU, Krikorian has earned at least three NCAA Tournament wins and reached the tournament quarterfinals, a feat that had only occurred once prior in program history. It should not be surprising when examining Krikorian's past. He won two National Championships following undefeated seasons at Franklin Pierce. He then built Hartford into a national power before coming to FSU. Krikorian has never posted a winning percentage below .700 at any of his collegiate head coaching positions. With that kind of success, it is easy to see why he is one of the most successful coaches of all-time. Krikorian currently ranks eighth on the all-time list for winningest coaches across all divisions and has the second-winningest percentage among active head coaches in Division I.

After what Krikorian has done at Florida State, it would be hard not to argue that he is one of the best coaches in Division I. In 2012, he led FSU to its best start in school history as the Seminoles won its first 14 matches outscoring the opposition 31-3. The 14-game win streak was five better than the previous win streak set in 2005 and one better than the 13-game unbeaten streak orchestrated by the 2008 squad. The 10 longest win streaks in school history have all come under Krikorian's guidance.

Thirteen seasons ago, Krikorian became just the second coach in ACC history to lead his team to seven consecutive wins in conference play. He tied the mark in 2008 with a string of seven straight wins against league opponents. Both marks fell after the Seminoles won 10 straight ACC games over two seasons from 2011 to 2012, including eight consecutive league wins to open 2012. The Seminole boss also led FSU to a school-record 37-game home unbeaten streak (36-0-1) from 2011 to 2014. The home unbeaten streak stands as the ninth longest streak in NCAA history.

Krikorian's impact at FSU was immediate. In his first 30 games, Krikorian posted a .850 winning percentage, 300 percentage points higher than any previous coach in FSU history. With a 2-1 victory over Stetson in 2006, he became the fastest FSU coach to earn 300 wins, reaching it in just 38 matches. He also established a new record when his 2006 squad had just one loss after 15 matches (a feat matched in 2012 and then surpassed in 2013 and 2014). No previous FSU team had ever played more than 10 games without suffering multiple losses. In 2010, Krikorian reached yet another milestone at Florida State, claiming victory number 100 with a dramatic 1-0 overtime victory over Wake Forest in Tallahassee. And in 2012, Krikorian recorded career college win No. 300 with a 1-0 victory at Arkansas to become the 25th coach across all divisions to reach the historic milestone. Coaching win No. 400 came on September 24, 2017, in a 2-0 victory on the road at Virginia

Tech

Krikorian hasn't just produced wins; he has secured big wins as well. In the first 10 years and 206 games of FSU soccer history, the Seminoles recorded seven wins over top 10 teams. In 371 games under Krikorian, Florida State has recorded 106 ranked wins and 45 top 10 victories including six in 2018. In addition to the win streaks, wins over top teams and trips to the College Cup, Krikorian led FSU to its highest ranking ever in all four college soccer polls including the first No. 1 ranking in school history. After downing No. 1 Portland 2-1 to kick-off the 2006 season, the Seminoles jumped to the top spot in the nation in the Soccer America top 25 poll, a spot they held for four consecutive weeks. Following their national championship in 2014, the Seminoles finished the season ranked No. 1 by the NSCAA. FSU spent a total of four weeks of 2015 as the No. 1 team in the country, including two weeks after defeating No. 1 North Carolina.

In Krikorian's first year at the helm of the Seminole program, FSU established new records for overall wins, winning percentage, fewest losses, most ACC wins, the best ACC winning percentage and longest win streak both in and out of the conference. Krikorian's 2005 squad was the first in school history to reach 20 wins and they matched the highest finish ever by an FSU team in ACC play as they tied for second. He led Florida State to a school-record seven wins over NSCAA top 25 teams and for the first time in program history, FSU spent a month ranked among the nation's top 10 teams in every soccer poll.

Krikorian took a Seminole team that was eliminated in the first round of the NCAA Tournament in 2004 and led them to the College Cup the very next season. He was just the sixth coach in the history of DI women's soccer to lead his team to the national semifinals in his first season at a school. At the time, FSU was one of six schools who had gone to the College Cup under the direction of two different coaches.

For his efforts, Krikorian was honored both regionally and nationally in his first season. He was named the first ACC Coach of the Year in Seminole soccer history, the 2005 Soccer America National Coach of the Year, the 2005 Soccer Buzz National Coach of the Year, Soccer Buzz's Southeast Region Coach of the Year and the NSCAA's South Region Coach of the Year.

On top of his impressive resume in coaching the top talent at the collegiate level, Krikorian has worked with the world's best players during his stops as the head coach of the U.S. U-19 National Team and his three years with the Philadelphia Charge. Florida State's head coach has worked with soccer greats from all over the world including U.S. National Team stars Brandi Chastain, Kristine Lilly, Tiffeny Milbrett, Heather Mitts and Lorie Fair, English National Team player Kelly Smith, French National Marinette Pichon and Brazilian National Team players Sissi and Katia.

Florida State players haven't only been recognized for their success on the field, but in the classroom as well. Over the last 23 years, Florida State has earned regional/district academic awards 54 times. Katrin Schmidt and Kirsten van de Ven were named First-Team Scholar All-Americans by the NSCAA in 2007 and Becky Edwards followed suit in 2008. In 2009, Edwards was named a Third-Team Academic All-American by CoSIDA/ESPN the Magazine. Kasey Kallman became the program's first two-time Academic

All-American earning second team honors in 2012 and 2013. Emma Koivisto was named a Third-Team Academic All-American in 2015 and All-Region in 2017, while Kirsten Crowley earned First-Team Scholar All-American honors in 2016. In 2018, Gabby Carle won the NCAA's Elite 90 Award for having the highest GPA at the College Cup and a year later was named a 2019 CoSIDA First Team Academic All-American. Additionally, FSU soccer players have been named to the ACC All-Academic Team 57 times including 34 times over the last five years with a school-record eight named to the team in 2011. Tori Huster led the pack in 2011 becoming the first Seminole soccer player to earn ACC Scholar-Athlete of the Year honors, while Kallman won the award in 2013 and Dagny Brynjarsdottir in 2014.

A four-time ACC Coach of the Year (2005, 2009, 2012 and 2014), Krikorian has been at the helm of a college team for a total of 25 seasons now and has recorded 18+ wins 15 times during that span. The 2005 season bettered his first year coaching at Franklin Pierce and Hartford for wins, fewest losses and highest winning percentage.

U.S. U-19 NATIONAL TEAM

Prior to taking over the Seminole soccer program, Krikorian came to Florida State fresh off leading the United States U-19 National Team to the bronze medal, while winning the FIFA Fair Play Award at the 2004 U-19 Women's World Cup. As the head coach for the U.S. U-19 National Team, Krikorian was responsible for all technical aspects of the program as the team prepared for the second-ever U-19 FIFA World Championship.

His U-19 squad cruised through group play with an undefeated record beating South Korea, Russia and European Champion Spain. They were the only team to win all three group matches in the tournament, as the U.S. outscored its opponents 8-1. Krikorian then led the U.S. past Australia in the quarterfinals before falling to eventual World Champion Germany in the tournament semifinals. The team responded by beating Brazil 3-0 to secure the bronze medal.

The team not only left Thailand with the bronze medal but they also were awarded the FIFA Fair Play Trophy. Individually, U.S. midfielder Angie Wozniak received the Silver Ball as the tournament's second Most Outstanding Player and the Bronze Shoe as the tournament's third-leading scorer. Overall, Krikorian's squad outscored the competition 13-4 during the World Championships.

Krikorian's work with the national program continued at the 2011 FIFA World Cup serving as an advanced scout for the United States Women's National Team. He was one of four scouts that provided expert analysis for Team USA and head coach Pia Sundhage. Krikorian scouted eight teams, in eight games covering six different cities in Germany. He was on hand in Berlin for the opening game featuring Germany and Canada and in the stands for the U.S.'s amazing comeback in the quarterfinals against Brazil.

WUSA

As head coach of the Philadelphia Charge from 2000-2003, Krikorian had another opportunity to coach the top players in the world and he once again

proved he could develop talent and guide players to great heights. Not only did he coach 2002 WUSA MVP and Offensive MVP Pichon, but he also tutored the league's top keeper in Melissa Moore, who led the league with a 1.00 GAA. He coached the Charge to two playoff berths in his three seasons and was named the league's coach of the year in 2002. Krikorian drafted and coached 10 WUSA All-Stars in just three years on the Charge bench.

In his first season with Philadelphia, Krikorian posted 11 wins in leading the Charge into the playoffs. The team finished the season ranked third in the regular-season standings. The next year the Charge once again won 11 games and finished second in the standings, which was an amazing accomplishment considering Krikorian's top player was lost for the season when Kelly Smith went down with an injury. His squad still finished the regular-season 11-4-6.

UNIVERSITY OF HARTFORD

Krikorian had achieved an equal measure of success on the college level before jumping to the WUSA. He coached the University of Hartford for five seasons from 1996-2000 leading the squad to an Elite Eight and two 'Sweet 16' appearances during his four consecutive trips to the NCAA Tournament. He recruited five NSCAA All-Americans, three academic All-Americans and his squads received the NSCAA Team Academic Award on four occasions. Overall, Krikorian's teams averaged 15 wins per season as he posted a 75-30-3 overall record while winning three conference championships. Three of his squads finished the year ranked in the NSCAA's top 15.

Krikorian wasted little time in turning Hartford into a national power. After going 4-14 in his first season, Krikorian's Hawks won at least 17 and never lost more than five games, while advancing to the NCAA Tournament in each of his next four seasons.

Hartford immediately improved to 19-2-1 in just the second season under Krikorian including a win over national power Connecticut. Hartford also won just the second NCAA Tournament game in school history that year. In 1998, the success continued as the Hawks posted a 17-5 record while advancing to the 'Sweet 16'. That year Krikorian led Hartford to wins over Texas A&M and Harvard in the opening round of the NCAA Tournament.

In 1999, only his third year at the helm of the Hawks program, Krikorian put together the best soccer season in school history. Hartford finished the regular-season 15-4-2 and as conference champions for the third straight year. That regular-season success was tame compared to the team's magical run through the NCAA Tournament. After opening with a home win over Princeton, Krikorian traveled to Gainesville to take on the defending National Champions. His Hawks dethroned the Gators on the road and then did the same thing a week later to Virginia in a 3-2 triple overtime win. The victory moved the Hawks into the Elite Eight for the first time in school history.

In his final season at Hartford, Krikorian put together his most impressive regular-season as his Hawks went 17-2. They defeated both Virginia and Florida again. The win over Florida was a decisive 3-0 victory. Krikorian also led the Hawks to the school's first-ever victory over Dartmouth in the seventh meeting between the programs.

FRANKLIN PIERCE COLLEGE

Krikorian came to Hartford after spending six years as head coach at Franklin Pierce College in Rindge, N.H., (1990-1995) where he built one of the most

dominant soccer programs in the college game. His teams won two National Championships, both during undefeated seasons, and appeared in two other final fours. His squad had a remarkable 39-game winning streak and his 1995 National Championship team finished 20-0-0. Krikorian's teams compiled a 93-19-3 record in six seasons. He recruited three National Players of the Year, eight All-Americans, five Academic All-Americans and four national scoring champions. His team at Franklin Pierce also garnered the NSCAA Team Academic Award.

In 1990, his first year in New Hampshire, Krikorian went 10-6-2. The school's 10 victories were just four shy of tying the program's total from its first five years of existence. Two seasons later the Ravens went 20-1-0 with a berth in the NCAA semifinals. After a 16-3-0 season in 1993 and another NCAA semifinal appearance, Krikorian completed his reclamation of Franklin Pierce by going a perfect 19-0-0 and winning the school's first-ever NCAA women's soccer championship. What did Krikorian do for an encore? In 1995 he repeated as National Champions, this time with a record of 20-0-0.

After departing for Hartford following the 1995 season, the Ravens went on to capture three more National Championships. Franklin Pierce and North Carolina are still the only two schools in the history of NCAA soccer to win four consecutive NCAA Championships across all divisions.

Before Krikorian arrived at Franklin Pierce, the school had an all-time record of 21-36-4 in five seasons winning just under 38% of their games. Upon his arrival in 1990, the Ravens have had just two losing seasons in 24 years and have won five National Championships. Krikorian helped build the foundation for the Franklin Pierce dynasty in just six years on the job. And for his efforts was recognized as one of Franklin Pierce's top 10 most influential people during the school's 50th Anniversary celebration in 2012-13.

HONORS & AWARDS

Krikorian's two national coach of the year awards in 2005 continued an impressive trend in which the Seminole boss has been honored at every stop of his career. He was named WUSA Coach of the Year in 2002 and received

numerous honors and awards throughout his coaching career prior to moving to the professional ranks. He was named the NSCAA's Northeast Division I Coach of the Year in 1997, the NSCAA Division II National Coach of the Year in 1992 and 1995, the NSCAA Division II Northeast Region Coach of the Year in 1992 and 1995 and was a two-time New England Collegiate Conference Coach of the Year in 1994 and 1995. In 1990 and 1993 he was named the Division II New England Coach of the Year as well.

He added his fourth ACC Coach of the Year award in 2014 after leading the Seminoles to the ACC regular-season and tournament titles. The Seminole field general led the Garnet and Gold to its first national championship and a 24-1-1 record. FSU finished the season 9-1-1 against ranked opponents including a 6-1-1 mark versus teams in the top 10. For his efforts, Krikorian was also recognized as the NSCAA Southeast Coach of the Year for the fourth time in his career (2005, 2009, 2012 and 2014). Krikorian was named the 2018 TopDrawerSoccer National Coach of the Year.

Krikorian was a standout player at St. Anselm College in Manchester, N.H. from 1981-1983. He was a two-time captain and team MVP. In 1983, he was a New England Indoor Soccer League (NEISL) All-Star and a First-Team All-New England selection.

PERSONAL

Krikorian graduated with a degree in history from St. Anselm College and he earned his master's degree in education from Keene (N.H.) State College in 1994. Krikorian also served as an assistant men's coach at the University of Maine at Farmington and was a Social Studies teacher at Mt. Abram High School in Maine and Raymond High School in New Hampshire. Krikorian was born in Malden, Mass., on March 28, 1960. He is married to the former Linda Mastrogiovanni. They have two children, Alexandra (18) and Michael (16).

Mike BRISTOL

Assistant Coach

12th Season

Alma Mater: Western Illinois (1999)

Mike Bristol enters his 12th season at Florida State where his primary responsibilities with the Seminoles include the training of the goalkeepers and team defense. He took over as the program's recruiting coordinator in 2012. Bristol joined the Seminole coaching staff after spending five seasons as an assistant coach with the Eclipse Select Soccer Club in Libertyville, Ill.

Since his arrival in Tallahassee, Bristol has helped guide the Seminoles to seven consecutive trips to the Elite Eight from 2009-2015, including five straight appearances in the College Cup from 2011 to 2015, three ACC regular-season titles (2009, 2012 and 2014), six league championships (2011, 2013, 2014, 2015, 2016 and 2018), a national runner-up finish in 2013 and NCAA National Championships in 2014 and 2018.

In his 11 years at FSU, the Seminoles have compiled an overall record of 203-49-19. Bristol has coached 22 All-Americans, eight Freshman All-Americans, nine former Seminoles playing in the National Women's Soccer League, the 2011, 2013, 2014, 2015 and 2016 ACC Tournament Most Valuable Players and numerous student-athletes who have competed internationally.

In overseeing the team defending, Bristol has led the Seminoles to a goals against average of 0.69 in his first 11 years. The Seminole backline has averaged over 14 shutouts a season under Bristol reaching double-digits 10 times. In 2018, redshirt freshman goalkeeper Brooke Bollinger ranked sixth in the nation with a 0.45 goals against average and 11th with 10 shutouts before a season-ending injury in the ACC Championship Game. Caroline Jeffers played the remainder of the season in goal, posting a 7-0-1 record and a 0.52 goals against average with seven matches against ranked teams and posting shutouts against No. 14 Penn State, No. 1 Stanford and No. 3 North Carolina to help lead the Seminoles to the national title.

Cassie Miller closed out her impressive goalkeeping career in 2017 with eight shutouts, improving her career total to 48, which ranks third-most in NCAA career history, including 13 during the NCAA postseason. In 2016, Florida State tallied 15 shutouts and finished second in the nation with a 0.39 goals against average as the Noles allowed just nine goals in 22 games, to tie a program record. During the 2015 season, FSU recorded 15 shutouts and allowed just five goals during ACC play. The Noles also set two NCAA tournament records with 10 consecutive postseason shutouts and a consecutive scoreless streak of 931:47. In 2014, Florida State set school records with 19 shutouts (also an NCAA record), a GAA of 0.34, the fewest goals allowed in ACC play (2), wins (24) and the fewest goals allowed in a single season (9).

In 2013, the Seminoles posted 15 shutouts in 28 games. FSU went on to secure 23 wins while earning a spot in the national championship game for the second time in school history. FSU finished the year ranked second in GAA (0.55) and tied for second in goals allowed (16) and shutouts. Nationally, the Florida State defense ranked in the top 25 in GAA (11th - 0.551) and shutout percentage (23rd - 0.536).

FSU's run of six ACC titles in the last eight years can be attributed to great defense and goalkeeping. In 2011, Kelsey Wys finished the championship with a 0.59 GAA and 10 saves allowing just two goals in over 300 minutes of action. Wys was outstanding in net in the finals against Wake Forest making four saves and then three more in penalty kicks to help FSU secure its first ACC title. Two years later another impressive defensive effort led by senior captain Kasey Kallman paved the way for another league crown. Against three ranked opponents, Kallman and the Seminoles allowed just one goal in over 270 minutes. In 2014, the Noles allowed just one goal in the tournament, defeating Notre Dame (3-1) and Virginia to secure the title. In 2015, goalkeeper Cassie Miller helped FSU earn its third straight ACC Championship as her save in the seventh round of penalty kicks against No. 1 Virginia allowed the Noles to take the title. Defense and penalty kicks were key in FSU's run to the title in 2016, as Miller and the Seminole backline allowed just one goal in 310 combined minutes to No. 6 Duke, No. 9 Clemson and No. 10 UNC, and advanced on penalty kicks in both the quarterfinals and in the championship game. The Noles defeated each of the ACC's top three seeds in 2018 en route to the conference championship. Wys (2011), Kallman (2013), Dagny Brynjarsdottir (2014) and Natalia Kuikka (2015 and 2016) were recognized as the ACC Tournament MVP for their efforts.

Wys concluded her playing career at Florida State holding 17 goalkeeping records including minutes played (8,518), wins (74), shutouts (45.0) and starts (96). Her transition as one of the top goalkeepers in the nation began to take shape during her freshman season in 2010. The Coral Springs, Fla., native started 22 matches between the posts tallying 2,004 minutes while registering a 16-5-1 record, 91 saves and 12 shutouts. She allowed just 17 goals including five during the ACC regular-season en route to a GAA of 0.76. Wys finished the season leading the ACC in saves, shutouts, shutouts per game and save percentage (.843). She would go on to earn a spot on the All-ACC Sec-

ond-Team, All-ACC Freshman Team and garner Second-Team Freshman All-America honors from Soccer America. Wys would later make school history becoming the first goalkeeper in program history to earn All-America accolades following her junior year in 2012.

Miller spent a redshirt season under Wys in 2013 before taking over goalkeeping duties in 2014. The Cave Creek, Ariz., native shined in her first season, leading the Noles to its first National Championship, playing all 2,375 minutes in goal for FSU and surrendering just nine goals as Miller set an NCAA record with 19 solo shutouts. An All-ACC Second-Team member in three of her four seasons, Miller received national accolades in 2016, earning NSCAA First-Team All-American honors, as well as being a nominee for the Honda Award. She finished her career with a 0.569 GAA in 8,537 minutes, which ranks 22nd in NCAA history and is second in GAA among goalkeepers with over 7,000 minutes played, trailing only UCLA's Katelyn Rowland (2011-14), who recorded a 0.40 GAA over 7,870 minutes.

In Bristol's first season at Florida State in 2009, the Seminole defense turned in a GAA of 0.85 allowing 22 goals in over 2,300 minutes of action. FSU closed out the year ranked among the best in the ACC finishing fourth in GAA, tied for fourth in goals allowed and fifth in shutouts. Bristol's work with a very young defensive squad, comprised of two sophomores and two freshmen, was on full display right from the very beginning as the defensive unit opened the season posting three consecutive shutouts. The Seminoles allowed just seven shots through the first three games including three shots on goal. The three shutouts to open the season marked the first time the feat occurred in school history. The stifling defense was at it again in the ACC Championship in Cary, N.C., with the Noles recording shutouts in the first two matches of the tournament for just the second time in the program's existence.

Florida State continues to receive national recognition for their defensive efforts under Bristol as five Seminole defenders have been honored as semifinalists for the MAC Hermann Trophy. Malla Berkely (2019) is the most recent member, joining Kristin Grubka (2014), Kasey Kallman (2013) Ines Jaurena (2011) and Becky Edwards (2009) as the only defenders in Florida State history to be recognized as Hermann Trophy semifinalists. Jaurena was back on the list as a semifinalist in 2012 for the second year in a row. Wys' announcement as a 2013 watch list candidate was the first of its kind by a Seminole goalkeeper. Cassie Miller was recognized as a Honda Award nominee after her successful 2016 season.

During his time with the Eclipse, Bristol led the club team to four national championships; had five goalkeepers selected as pool members of national teams and eight goalkeepers named to regional teams. In 2008, Bristol tutored Alexa Gaul (University of Texas) and Taylor Vancil, a two-year member of the Seminole soccer team (2011-12), who both served as goalkeepers on the United States U-17 National Team that finished second at the 2008 FIFA Youth World Cup in New Zealand. Four of his goalkeepers received the Golden Glove Award at the USVSA National Championships, presented to the tournament's most outstanding goalkeeper. Vancil was one of the Golden Glove Award recipients as she was recognized as the best goalkeeper at the 2008 World Cup.

Before joining the staff at Florida State, Bristol served an assistant coach at Illinois State University from 2002-04 where he was in charge of the goalkeepers and the backs. During his time at Illinois State, his goalkeepers ranked in the top 12 nationally in goals against average. Following his time at Illinois State, Bristol served as the goalkeeper coach for the women's program at the University of Maryland.

His coaching background also includes stints with the Region II ODP and Illinois ODP programs. Bristol also traveled to Germany as the goalkeeper coach with the 1992 Regional ODP team. During the 2009-10 season, he was named the Region III ODP Goalkeeping Director. Bristol has earned a level 3 goalkeeping diploma as well as a premier diploma, both from the NSCAA. The Granite City, Ill., native is also on the NSCAA goalkeeping instructional staff for state and regional diplomas. Bristol earned his national goalkeeping license from the United States Soccer Federation (USSF).

As a player, Bristol was a four-year starting goalkeeper at Western Illinois University (1995-99). During his freshman season, he was voted team most valuable player and earned First-Team All Mid-Continent Conference honors. Bristol served as team captain for three years and was selected to numerous all-tournament teams. Following his collegiate career, Bristol played for the PDL Cocoa Expos soccer team in Cocoa Beach, Fla., during the summer of 1999.

Bristol graduated with a degree in Secondary Education and a master's degree in Sports Management from Western Illinois University.

Moriano IMAIZUMI

Assistant Coach

8th Season

Alma Mater: University of Tsukuba (1983)

Moriano Imaizumi enters his eighth season at Florida State, returning from Japan in 2015 after being a volunteer assistant in 2011 and an assistant coach in 2012. Imaizumi aids with player development and has a large role in planning the offensive attack. He has helped the Seminoles to win four ACC Championships (2011, 2015, 2016 and 2018) and the 2018 NCAA National Championship.

In 2019 the Seminoles ranked in the top 25 in assists (23rd - 44), goals (16th - 49) and points (15th - 142) as the Seminoles advanced to their 13th Elite eight. Deyna Castellanos once again led the Noles in scoring with 35 points on 12 goals and 11 assists. This performance propelled her to her third All-American honor and moved her into second all-time at FSU in points and goals. 12 different Seminoles scored a goal for the 17th time in school history. Florida State has six games in which a student-athlete scored multiple goals, coming from four different players.

The 2018 Seminoles ranked in the top 10 in total points (seventh - 152), goals (eighth - 52) and assists (eighth - 48) as Florida State won its second national championship in program history. Deyna Castellanos led the team with 28 points on 10 goals and eight assists as 16 different players scored a goal to tie a school record set in 2012, and 10 different players had multiple goals scored. Every field player that posted at least 400 minutes on the season scored at least one goal on the season.

In 2017, sophomore forward Deyna Castellanos led the Seminole offense, scoring 41 points on 19 goals and three assists. The 19 goals finished ranked second in the NCAA and also was the second-most goals scored in a single season in FSU history, trailing only Mami Yamaguchi's 24 goals scored in 2007. Overall, the Noles scored 43 goals and added 39 assists in 2017, and posted a .468 shot on goal percentage.

During the 2016 season, Florida State earned its fourth consecutive ACC Championship behind a very youthful squad, including eight underclassmen in the starting lineup. Each of the top five leading scorers on the squad were either freshmen or sophomores, topped by sophomore Megan Connolly (18 points on seven goals and four assists) for the second season in a row. Freshman Deyna Castellanos tied for the team lead with seven goals, but accomplished the feat in just 13 matches, as the Venezuela native missed over a month of the regular season to compete for her country at the 2016 FIFA U-17 Women's World Cup, earning Bronze Boot and Bronze Ball accolades as Venezuela finished fourth in the tournament.

In 2015, the Seminoles reached the College Cup for the fifth consecutive season and won their third straight ACC Championship. Florida State led the nation with 69 assists and finished in the top five of four other statistical categories - goals, points, assists per game and points per game. Freshman Megan Connolly led the team with 28 points on her way to becoming FSU's first freshman to be named an NSCAA First-Team All-American and the ACC Freshman and Midfielder of the Year. Overall, the Noles posted an 18-3-4 record and finished the year with a 24-game home unbeaten streak. For his work with the team, Imaizumi was named the Southeast Region Glenn "Mooch" Myernick Women's Assistant Coach of the Year.

Imaizumi moved back to Japan following the 2012 season, continuing to grow the game with the youth. In 2013, he worked with the Japan Football Association as the Chief Coach of the girls division. In 2014, he became the assistant director of coaching education at the JFA and also was a head coach of a team with the JFA Academy in Fukushima. The U-15 team at the Academy finished as runner-up in both the 2014 and 2015 All-Japan Tournament. There were also some graduates of the Academy selected to play in the 2015 FIFA Women's World Cup for Japan.

In his second year at Florida State in 2012, the Seminoles reached the College Cup for the second-straight season and the sixth time overall. FSU opened the season with a school-record 14 consecutive victories and ended the year with 20 wins - tying the program-best mark from 2005. The Noles earned their second ACC regular-season championship and placed a league-best eight players on the 2012 All-ACC teams. Senior defender Ines Juarena was named a NSCAA First-Team All-American and a MAC Hermann Trophy semifinalist. Forward Tiffany McCarty led the team with 17 goals and 39 points in 2012, ending her career with 63 goals and 150 points - FSU records in both categories.

As a volunteer assistant in 2011, Imaizumi helped the Seminoles secure an 18-win season, their first ACC Championship and a berth in the College Cup. He was able to apply his unique teaching style from his experience as a head coach with the Japan Football Association (JFA) and implement it into the day-to-day workings of the Seminole offense. The new style was a success as Florida State finished the year ranked in the top four in the ACC in points per game (3rd - 6.58), goals per game (3rd - 2.12) and assists per game (4th - 2.35). The offensive production in 2011 of 172 points on 55 goals and 62 assists was an immediate upgrade from the previous season which the team tallied 130 points on 45 goals and 40 assists. Three players including First-Team All-American Tiffany McCarty turned out season career-highs in total points and goals.

Imaizumi began his coaching career in Japan where he served as head coach of the Funabashi Futawa High School football club for six years from 1983 to 1988. His next two coaching stints would keep him in the high school circuit as he landed the head job at Yachiyo High School (1988-2000) and then at Makuhari Sogo High School (2000-2003). He led Yachiyo to the inter-high school championship in 1999 and the final 16 in 1994. His 1997 squad reached the final eight of the All Japan High School Soccer Tournament. Imaizumi brought his winning ways to Makuhari Sogo High School leading the football club to the inter-high school championship in 2002.

Imaizumi took his coaching skills to the national level in 2002 where he served as head coach of the Japanese Women's Universiade National Team for two years. He led the Japanese to a runner-up finish at the 2003 Universiade in Daegu. From 2004 to 2005, Imaizumi worked as an assistant coach with Japan's Full National Team, while serving as the head coach of the U-17 team. He led the U-17's to a gold medal at the 2005 Asian Football Confederation Championship as the Japanese defeated China PR in the title game. From 2004 to 2006, Imaizumi worked as head coach of Japan's U-20 National Team. He would later serve for two years (2006-07) as Japan's Olympic Committee Development coach.

With the JFA, Imaizumi worked as an instructor for A-License, B-License and C-License coaching certification. In 2003, he served as the boy's Youth Development coach in the Kanto Region. Two years later, Imaizumi took over as the Youth Development chief coach for the girls and in 2006 became the head coach of the JFA Academy Fukushima girls' squad.

A native of Fukushima Prefecture, Japan, Imaizumi earned a bachelor's degree in health and physical education from the University of Tsukuba in Tsukuba Ibaraki, Japan in 1983. Imaizumi was a member of the football club at Tsukuba and was a candidate on the U-20 Japanese National Team. He is married to Nami Imaizumi.

DEYNA CASTELLANOS: A LEGACY TO REMEMBER

She finished her career ranked second in Florida State history in goals and shots on goal and points, while capping off her career as the Seminoles' all-time leader in shots and game winning goals.

DEYNA CASTELLANOS

* Castellanos finished her last three seasons with double digit numbers in goals, including a 19 goal performance in her sophomore season (2017). The following season, Castellanos was selected as a top 3 finalist for the FIFA Puskas Award and Best Female Player of the Year. ENDOWED SCHOLARSHIPS

TALBOT "SANDY" D'ALEMBERTE SCHOLARSHIP

Former Florida State University President Talbot "Sandy" D'Alemberte appreciates the contribution that competitive sports can make to strengthen the intellect as well as the body. A classic Renaissance Man, President D'Alemberte enhanced the entire range of University initiatives through his own personal generosity. With a major gift, he propelled the Seminole Boosters Dynasty Campaign forward by establishing a fully endowed Scholarship for Seminole Women's Soccer.

BRENT SEMBLER "GOALKEEPER POSITION" SCHOLARSHIP

Vice Chairman of the Sembler Company, one of the country's most recognized shopping center development and management companies, Brent Sembler is among the most familiar names and faces in the highest echelons of Florida politics and finance. As renowned philanthropists, Brent and Debbie Sembler are relentless fundraisers for a range of charitable causes. Brent played Club Soccer for the Seminoles as a student in the late 1970s and has continued to follow and encourage support for the sport among young people. Brent has expressed his love for the sport and for his University by endowing a Named Position Scholarship for Seminole Women's Soccer. The starting goalkeeper at FSU will now carry the Brent Sembler Scholarship.

CHARLES & DIANE MORRIS SCHOLARSHIP

A 1970 West Point graduate, Colonel Charles A. Morris, Ed.D., FSU 1994, honorably served our nation over a distinguished 27-year Army career. Diane faithfully served FSU from 1990-94 as an honored academic advisor in the Department of Psychology while Chuck commanded the Army ROTC Seminole Battalion. The Morris' returned to FSU in 1997 and Chuck began work in the Department

of Athletics. Chuck and Diane became fans of Florida State soccer and recognized the importance of providing scholarships for future generations of student-athletes. As an expression of their loyalty, commitment and admiration for FSU, they have endowed the outside right forward position.

LES & RUTH AKERS SCHOLARSHIP

Successful businessman, tireless fundraiser for Seminole Athletics and leader in all areas of FSU alumni involvement, Les Akers and his wife Ruth, holder of a graduate degree in music, have expressed their love for the University by endowing a scholarship for soccer.

HUNTER MCINTOSH

After playing professional tennis for several years, former FSU student-athlete Hunter McIntosh decided to endow an athletic scholarship for soccer to show his support for women's athletics here at Florida State. Throughout his lifetime, he never lost his love or commitment to Seminole Athletics. Hunter's feeling for FSU can be summed up in his own words of "Once a Nole, always a Nole".

LOUIS J. & MARION T. TAORMINA SCHOLARSHIP

Marion Taormina Hargett ('93) and Louis Charles Taormina ('96) have endowed this scholarship in honor of their parents, Louis Joseph Taormina and Marion Thomson Taormina who were passionate sports fans and dedicated and loving parents. Their gift is in gratitude for the endless love, support and guidance provided by their parents and for exposing them to all types of academic and athletic activities, but the sport that the entire family embraced

the most was soccer with Lou coaching both his daughter's and son's soccer teams. This scholarship reinforces their parents' core values of participation in athletics, hard work in the classroom and dedication to being an active member in the community. As parents of FSU graduates, Marion and Lou adopted FSU and this scholarship serves as a lasting memory of their love and admiration for this University.

Enthusiastic Tallahassee business leaders formed the first Seminole Boosters organization in the summer of 1951. Their purpose was to support an ambitious Seminole football program rapidly growing in popularity. A brand new stadium and increasing program costs motivated the Boosters to make fundraising their first priority, a priority that remains their primary purpose.

Today, Seminole Boosters, Inc. is one of the leading collegiate athletic fundraising organizations in America. Contributors account for more than \$13 million in annual funds, plus at least \$10 million per year in capital gifts. The Seminole Boosters Scholarship Endowment has nearly \$50 million under management, and the Boosters are involved with a wide range of enterprises including affinity programs, logos & licensing, gameday parking, concessions, the University Center Club, skybox management and the construction of athletic facilities.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the field competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to an athletic program.

The last 20 years have seen a threefold rise in the cost of athletic scholarships at Florida State. Today, more than \$350,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of former FSU President Talbot "Sandy" D'Alemberte, Les and Ruth Akers, Charles and Diane Morris, Hunter McIntosh, Brent Sembler and Louis and Marion Taormina an effort has now begun to ensure the endowment of the Florida State soccer program.
