

About the ACC

THE TRADITION

Consistency. It's the mark of true excellence in any endeavor. However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency. Yet the Atlantic Coast Conference has defied the odds. Now in its 46th year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it. Since the league's inception in 1953, ACC schools have captured 72 national championships, including 37 in men's competition and 35 in women's. In addition, 108 men and 26 women have earned the coveted title of NCAA champion.

1998-99 IN REVIEW

The 1998-99 academic year concluded with the league pocketing three more national team titles and seven individual NCAA crowns. In all, the ACC has won 32 national team titles in the last nine years. The past year, the ACC was the only Division 1-A conference to have a team play in the national championship game in men's and women's basketball and football. The ACC's 1998-99 national champions were Maryland in women's lacrosse, Virginia in men's lacrosse and Duke in women's golf. In addition, the ACC had six other teams participate in national title games — Florida State in football and baseball, Virginia in women's lacrosse, Duke in men's and women's basketball and North Carolina in women's soccer. Overall, ACC teams posted a 66-45-1 (.595) mark in NCAA Tournament play. The ACC placed at least one team in the Top 10 nationally in 15 of the 24 sports sponsored by the league. Other

records of note during the 1998-99 season include 76 teams competing at NCAA Championships, five bowl teams and 28 Top 10 showings. Seven ACC teams, in seven different sports representing six of the nine member institutions, earned a No. 1 ranking during the course of the past academic year. The ACC Academic Honor Roll record was broken for the 12th-straight year in 1998-99 as 1,552 student-athletes were recognized for their work in the classroom.

THE CHAMPIONSHIPS

The conference will conduct championship competition in 25 sports during the 1999-2000 academic year — 12 for men and 13 for women. The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year. The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981. Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University, October 6-8. Conference championships for women are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing.

THE HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members - Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest - drawing up the conference bylaws. The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name officially became the Atlantic Coast Conference. On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia. The first, and only, withdrawal of a school from the ACC came on June 30, 1971 when the University of South Carolina tendered its resignation. The conference operated with seven members until April 3, 1978, when Georgia Tech was admitted. The Atlanta school withdrew from the Southeastern Conference in January of 1964. The ACC expanded to nine members on July 1, 1991, with the addition of Florida State.
