2006 Preview

A Return to Excellence

After a year away from the Women's College World Series,

Florida State Softball is looking to conquer the Atlantic Coast

Conference again and make it's Eighth trip to Oklahoma City.

2006 SEASON OUTLOOK

2006 FSU Softball Preview

It's a new year for the Florida State University softball team so any misconceptions you might have about the Seminoles can be left in the parking lot outside JoAnne Graf Field. The Seminoles come into the 2006 campaign a healthier and more experienced team that is looking to recapture the top of the Atlantic Coast Conference mountain and return to the Women's College World Series.

It might be a bit early for head coach Dr. JoAnne Graf and her team to book a flight to Oklahoma City for June, but history is in their favor. Last season was the first since 1989 that Florida State posted less than 40 victories. What happened in 1990? Nothing except a third place finish at the WCWS. Following 2003, the first sub-50 victory win since the millennium, the 2004 Seminoles responded by winning 62 games and returned to the WCWS. Since 1990, in the four seasons following sub-50 win years, Florida State has averaged 57 wins the next season and improved by an average of 12 wins.

Continuing the historic theme, if the Seminoles hoist the ACC Tournament trophy in Chapel Hill, N.C. in mid May, you read it here first. The last time Florida State did not win the ACC Tournament (2002) it responded by going a perfect 8-0 in the league and winning the tourney by outscoring its opponents 25-6 in just three games. The last time FSU didn't hold at least a share of the regular season crown was 1998. The Seminoles' response? Win or share the next six.

Want the historical topper? The 35 wins in 2005 are the lowest since the 1980 season. The Seminoles ended the 1981 campaign by hoisting the AIAW National Championships trophy. Oh by the way, it's the 25th anniversary of that team. Maybe history is on the Seminoles' side in 2006

HERES A POSITION-BY-POSITION LOOK AT THE 2006 SEMINOLES:

Outfield

If there was any more speed in the outfield for 2006, the players might be across campus at Mike Long Track instead of at JoAnne Graf Field. By her own admission, this year's starting three might be the fastest coach Graf has ever had. Keep in mind that the 1996 FSU outfield featured Myssi Calkins and Shamalene Wilson, who rank one and three in career stolen bases.

Anchoring this platoon for the third year in a row is left fielder Natasha Jacob. A finalist for ACC Player of the Year honors last season, the senior looks to cap her career as the fourth Seminole to win the award in seven seasons. Last year she certainly had the credentials with a .359 batting average — third highest in the league — while ranking in the top 10 of five other categories.

The First-Team All-ACC selection played her best when the team needed her the most in 2005, hitting .545 with three runs scored during the Auburn Regional. Jacob has a career .390 average in the NCAA Tournament and has seen her overall career average rise by 80 points since her freshman season.

Then there's that little matter of the hitting steak. Tenth in school history with 44 stolen bases, Jacob starts the 2006 campaign riding a 24-game hitting streak. She broke a 0-for-19 streak with a single against Virginia Tech on April 3 and hasn't stopped since. During the streak she had 10 multi-hit games and saw her average increase by 57 points.

Patrolling right field for the third-straight season will be junior LaShaun Davis. A starter in 61-of-62 games last year; she upped her average by 38 points and improved in every offensive category. Davis showed flashes of greatness throughout the year, including a seven-day span in which she hit .417 to earn ACC Player of the Week honors.

Just when a hot and cold season was starting to balance out, Whitney Buckmon came down with an illness and missed all but one game during the month of April. Florida State won 60 percent of its games when Buckmon started in centerfield, who knows what would have happened if she had been in the line up for those extra games.

2006 SEASON OUTLOOK

Besides having one of the best outfields in the country, the Seminoles have a top-notch set of reserves just looking for their chance to start. Senior Carey Galuppi was Florida State's top reserve in 2005 and classmate Carly Brieske is looking to repeat the success of her sophomore season. Freshman Melissa May could see some time in the outfield when she's not on the mound and walk-on Kim Petrovich, an All-State selection and sister of sophomore Robyn Petrovich, may get some time in the field and as a pinch-runner.

Infield

The most consistent area for the Seminoles last year was by far the infield. Three different players started 60 or more games. Unfortunately the high number of starts did not translate into success at the plate. The only infielder in the top five in hitting was senior Lesley Palmer, who hit just .250 but did lead the team with 12 doubles. During the WCWS run of 2004, the infielders hit .290, compared to .227 last season. A return to 2004's production could be the difference for the Seminoles.

No one expected her to produce the same numbers from her All-America freshman campaign, but by the same token no one thought second baseman Veronica Wootson would hit just .241 with three home runs after setting the FSU freshman record with eight bombs. The anchor of the infield, her ability to get the offense jumpstarted at the top of the line up will have a serious impact on the team.

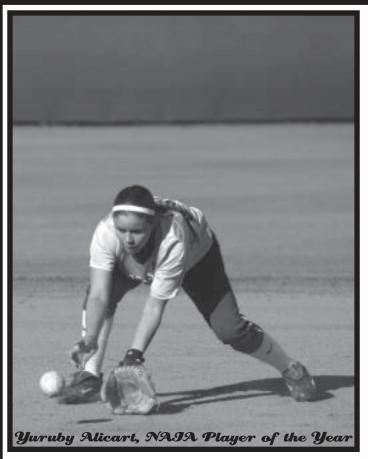

Of the five newcomers this year, none has the amount of expectations of shortstop Yuruby Alicart. A transfer from Thomas University, she was the NAIA National Player of the Year in 2005 after leading the country with a .506 average, 27 home runs and 75 RBIs. During her two years at Thomas, she produced 197 hits and 41 home runs, that's a lot regardless of the level of play. As a freshman she ripped 32 doubles while leading Thomas to the NAIA national championship.

Making the transition from high school to college can be demanding, but sophomore Brittany Osmon went above and beyond the call last year as the lefty was one of just two players to start all 63 games. The FSU leader with 342 put outs, Osmon was fourth in the ACC last year for triples while ranking in the top five on the team in nine categories.

Name a spot on the infield and senior Kim Hoffer has played the position at least once at Florida State. After taking over the starting duties at shortstop during the second half of the year, she is likely to move back

Veronica Wooton, All:American

to third with the addition of Alicart. Consistency is Hoffer's best friend as was seen last year as her average went up 72 points during the 41-straight starts she made to end the year. The ultimate team player, she was 15th in the NCAA last year at 0.33 sacrifice hits per game.

A pair of freshmen will be pushing the veterans for some serious playing time on the infield dirt. Washington native Michelle Snyder had a strong fall season at third base, but the all-state selection can play both third and shortstop. When she's not on the mound, freshman Kayla Collins — a panhandle product of Niceville — has a strong bat that could earn her some time at first. When not in the field, both Snyder and Collins could take some hacks as the designated player. Sophomore Robyn Petrovich gained valuable experience with the Seminoles as a walk-on last year and will improve during her second season.

Catcher

Apart from the outfield, the most consistent spot at the plate and on the field was the catcher position. Sophomore Melissa Wood and senior BillieAnne Gay will continue to split time behind the dish as they make up half of one of the best batteries in the league.

The graduation of All-America catcher Elisa Vasquez left big shoes to fill in 2005, but Wood was more than an adequate replacement. She finished second on the team with a .285 average as she started 42 games at catcher with another 17 at designated player. A Second-Team All-ACC selection, all of her offensive numbers were better than Vasquez's freshman campaign and she fell two home runs short of the FSU rookie record with six round trippers.

Gay's play may not warrant the same headlines that other players get, but without it, the Seminoles wouldn't have nearly the same success. Last season she threw out double-digit runners for the third season in a row. She had her best offensive season with a .247 average and ranked third on the team with nine multi-hit games. Given the chance to play, Gay has proven that she can be a serious contributor to the team.

2006 SERSON OUTLOOK

Pitching

No area is a bigger question mark, but at the same time offers the most potential as the Seminoles' pitching staff. For the first time since 2002, the staff doesn't feature at least one returning pitcher with 20 wins from the previous season. Second-year pitching coach Megan Matthews Buning has her work cut out for her, but she has the talent that can be molded into one of the best staffs in the league.

Returning to the history theme, the 2003 pitching staff was built around an ACC Freshman of the Year and a rookie hurler with tremendous upside. All that staff did was lead the Seminoles to the ACC Tournament title. Funny how history repeats itself.

Playing the role of the "veteran" of the staff this year will be sophomore Tiffany McDonald, after earning ACC Co-Freshman of the Year honors in 2005. Her 14 wins as a rookie are more than All-Americans Jessica van der Linden and Casey Hunter produced during their freshman campaigns. McDonald logged an FSU freshman record 158.2 innings and ranked in the top 10 in the ACC of eight pitching categories.

One advantage Florida State has from that 2003 season is the benefit of two strong freshmen pitchers to mold. Kayla Collins was all-everything at Niceville with a pair of 5A First-Team All-State selections by the Florida Sportswriters Association after producing a 57-5 record her last two seasons as the only pitcher for the Eagles. Her junior year she set the state record with 35 strikeouts in a 17-inning game against Ft. Walton Beach.

Battling Collins for that number two spot in the rotation will be left-hander Melissa May. She earned First-Team All-State honors in California last year for the first time in her career. A three-time Player of the Year, she posted a 17-4 record with 255 strikeouts and three no hitters as a senior. As a junior she produced an 18-1 mark with a miniscule 0.30 ERA.

Coaching

Every year that Dr. JoAnne Graf patrols the third base coach's box the Seminoles have the potential to be one of the top teams in the country. Last year she received the ultimate recognition when the field at the Seminole Softball Complex was named in her honor. The all-time winningest coach in NFCA history at 1,311 career-victories, she is just eight wins away from her 1,100th NCAA win and needs seven triumphs to make Florida State the first school in the league to post 100 ACC victories.

Schedule

In the 27 years that she's been at Florida State, Graf has never backed down from the opportunity to challenge her team by playing the best teams in the country and the 2006 schedule will be no different.

It sticks out like a sore thumb on the schedule. March 2, 2006 at 5 p.m. the Seminoles will square off with defending national champion Michigan at JoAnne Graf Field. It will be the first time the reigning NCAA champion will play in Tallahassee and the Seminoles' first against a reigning national champion since 2002 when it lost to Arizona in 11 innings during the WCWS. This year's team will try to make history as Florida State is 0-14 against the defending national champion.

Year in and year out the Seminoles play in the two toughest national tournaments: the NFCA Leadoff Classic and the newly renamed Judi Garman Classic, formerly the Kia Klassic. All three of FSU's pool opponents in both tournaments are coming off trips to the NCAA Tournament.

In Columbus, Ga., FSU will face Louisiana-Lafayette, WCWS participant Tennessee and Iowa before taking on the rest of the field that includes 13 more teams from the 2005 postseason. NCAA Regional participants Cal State Fullerton, Arizona State and Notre Dame await FSU in its pool at the Judi Garman with perennial WCWS teams Arizona, Fresno State, Oklahoma, Texas, Texas A&M and Washington waiting in the wings.

Florida State's own tournaments are no easier. The Seminoles open the year with NCAA qualifier Louisville in the Early Bird Tournament while Michigan is also playing in the Sunshine State Tournament. The Florida State Invitational features three more NCAA teams and Seminole Classic includes South Carolina and Iowa State.

During non-conference action, Florida State will play a doubleheader against rival Florida on April 5 at home following a 1 p.m. contest against Auburn (March 30). As always the Seminoles will play a pair of games at home and away against cross-town rival Florida A&M and travel to UCF on May 2 for a doubleheader.

ACC

Just like with every other sport, the ACC only gets tougher every year in softball. Last year a record four league teams made the NCAA Tournament with Florida State, Georgia Tech, North Carolina and Virginia Tech advancing to the dance. Newcomer Boston College joins the league with a trio of NCAA appearances under its belt, including the 2003 summit.

Once again, the league will play a three-game series format. Florida State opens conference play on March 13 against North Carolina in Tallahassee. The Tar Heels will play host to this year's ACC Tournament. Florida State has home ACC series against North Carolina (March 13-14), Boston College (March 25-26), Georgia Tech (April 1-2) and North Carolina State (April 15-16), while traveling to Virginia (April 8-9), Virginia Tech (April 21-22) and wrapping up the regular season at Maryland (May 6-7).
