1981 & 82 National Champions

Before the games were televised on ESPN and before there were professional leagues, the main goal of collegiate softball was to go out, give your best and try to win, but mainly the student-athletes were there because they loved the game and they wanted to have fun. For two years in the early 1980's, the Florida State softball team not only had fun, but also dominated the competition and brought home a pair of national championships.

There was plenty of reason for optimism going into the 1981 season after FSU won 13 of its last 15 games the year before and was one game away from advancing to the AIAW National Tournament. Countering the momentum from 1980 was the inexperience of the 1981 roster which featured only six returners but a host of talented newcomers.

"It was a lot of fun," head coach Dr. JoAnne Graf said. "They had known each other from summer league ball so I think there was a lot of respect right away. Anytime you win it's a whole lot of fun. That team was in every game, they won, obviously, most of them, but it's always fun to coach people who win and they worked hard. They just had that confidence, that air that they were going to have to lose the game; no one was going to beat them."

Any concerns about the 1981 season were quickly erased as the Seminoles ran out to a 19-2 start with a trio of tournament titles. The only hiccup during the year came at the South Florida Invitational as FSU lost three of four but that also served as a wake up call as the Seminoles won 16-straight games to push their record to 38-5.

Just when the Seminoles had everything going in their favor, another bump in the road came. Winners of its last 16 games, FSU dropped a pair of games to East Carolina to finish second at the North Carolina State Invitational. But just like the losses at South Florida, the setback refocused the Seminoles when they needed it the most.

Few would have guessed that the 5-2 loss to the Pirates would be the Seminoles' last of the season. FSU took four-straight heading into the FAIAW State Tournament where it breezed to the state title with four more wins to match the most wins in school history. Up next was the AIAW Region III Tournament where the Seminoles took the next step, sweeping four more games to advance to the National Tournament.

Proving its versatility, FSU won every way possible, outscoring Western Carolina 13-9 in the first game before winning a defensive triumph 4-3 over North Carolina State. FSU disposed of the Pirates 12-3 then beat North Carolina 4-1 to capture the school's first national championship in women's athletics.

Postseason accolades came in for Darby Cottle as the shortstop collected All-America honors after hitting .428. Joining her on the All-America squad was second baseman Jan Sikes as she hit .477.

"Those teams were so full of life, heart, we had great camaraderie," Susan Painter said. "It started at the top with JoAnne. We had a great group of players, but she was the main component. She kept us on top and kept fighting for us and for the title. Every great team has a fit and that one certainly did. It was quite a group. We still keep in touch, but I miss that."

The pieces were in place for another run in 1982 and the Seminoles wasted no time as they won their first 12 games, highlighted by the title at the Florida Invitational - including eight shutouts. Ironically the "low point" of the season came at the Lady Seminole Invitational where FSU lost three in a row.

But just like they had done the previous year, the Seminoles bounced back to win 10-straight, including titles at the Friendly City and South Florida Invitionals. Twice during the middle half of the season the Seminoles scored 30 runs or more, including a 39-5 drubbing of Georgia Southern.

Despite all of FSU's success that year - the Seminoles won four of six regular season tournaments - there was one team it could not get past: rival Florida. Of the 10 losses that season, six came to the Gators, including back-to-back losses at the Montgomery Invitational where FSU finished second.

Similar to 1981, the losses refocused the Seminoles as they won their next 12 going into the FAIAW tournament. UF got the Tribe again 1-2 in the third game, but the Seminoles won a pair to claim the state title. Florida State had relatively little trouble in the regional tournament, only dropping a 2-1 decision to South Florida before beating the Bulls for the trophy.

The stage was set for a repeat and the Seminoles were on a mission having won 21 of their last 23 games. The first three games were a breeze as FSU outscored its opponents 46-6 with wins over Georgia Southern, South Florida and UNC-Charlotte. All that stood between FSU and its second national championships were the Florida Gators.

While Florida State held an 8-6 lead in the season series, Florida was the only team that had been close to FSU over the last five years and handed the Seminoles their worst loss in school history at the time, a 14-0 defeat during the middle of the season. With the championship on the line the Seminoles were at their best and they prevailed 9-4 to claim their second-straight national championship.

The accolades poured in for the Seminoles again, headed by Cottle who was named the Broderick Award winner as the AIAW Player of the Year. She was joined on the All-America squad by Natalie Drouin, Painter, Toni Robinette and Sikes.

"We were like a big family, I don't even remember anyone not getting along," Drouin said. "We had two great teams and I don't know which one was better. They were pretty equal. At the time none of us really knew what we had accomplished, we just wanted to do our best and have fun, but afterwards it was thrilling."

The Seminoles won 110 games those two years with a 54-7 record in 1981 and a 56-10 mark the year after. Florida State was an offensive juggernaut those two seasons, scoring an average of 9.2 runs per game. What might be even more impressive was the Seminoles' pitching and defense. Behind Painter, the team's lone pitcher, FSU gave up only 2.7 runs per game, a number that is unfathomable in slow pitch.

"I remember a lot of team unity and enthusiasm," Cottle said. "We were a group of winners, that's for sure, and we were a team that was willing to do whatever it took to get to the top. I'm just proud to have been part of the teams that started a tradition of winning."

While the AIAW was disbanded one year later and FSU went to NCAA competition in 1984, the players on those teams were the founders of a legacy that continues today.
