2009 SOFTBALL

JESSICA GILMORE

"I could not have asked for a better ending to my college experience than I had at Florida State. I played for a softball legend and will end my softball career with four of the best coaches I have ever had. One of the most honorable experiences was developing a family with the players, coaches and staff. I look forward to moving on in my career and using the skills and lessons I have learned throughout my time here at FSU. I could not have asked for better fans and support staff. They made playing for Florida State memorable as well as enjoyable. Thank you for your support, dedication and energy. You make it all worth while!"

"FSU was a chance. A chance to not only play for a great softball program built on a tradition of excellence, it was a chance to expand and develop who I am as a person. I have had the pleasure of learning from amazing people, who challenged me everyday to be better.

I came to Florida State not having seen the campus or the town and with the support of the coaches and a very understanding administration, the transition was fairly painless. Even though this is my first and last year as a Seminole, I have found a home.

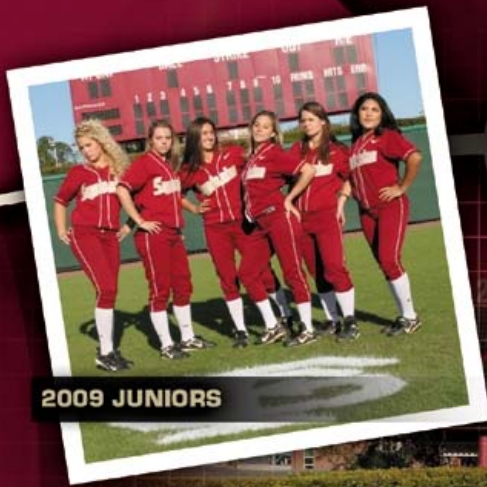

A million "thank you's" would not suffice in fully expressing my gratitude for the chance I was given to play here."

MICHELLE SNYDER

"The tradition of excellence both on and off the field here at Florida State is the reason I feel so lucky to be a part of this University and our Softball program. Being a Seminole has meant the world to me and I am proud to say that I am truly honored to be a Student-Athlete who has been given the opportunity to wear the Gamet and Gold. The friendships and bonds that I have made with people along this journey are ones that are going to last a lifetime."
