MEDIA GUIDE

TERESEGOBER

"My four years have come and gone faster than I could have ever imagined, but not without great times and even better memories. Through this wonderful game I have made many amazing friends that I will have and cherish for the rest of my life. I also could not have asked for a better group of teammates and coaches to play my last year of collegiate softball with. I was once told that winners are people who dedicate their whole lives to winning. That is what we are. We are winners and I cannot wait to prove that to everyone this season. Go 'Noles!"

TORYHADDAD

"I am excited about a new program with new coaches and new teammates in what is my last year of college softball. I can't wait to see what this team can do because I know what we are capable of. Person-for-person, we can match up with anybody in the country. I think everyone who follows the program should be excited to see what we can do this year. We are definitely going to go out there and work hard and try to make everybody proud of Florida State."

COURTNEYROSEN

"There aren't many people in the world that can be student-athletes at a major university so I am very blessed. I love waking up every day knowing that I am spending my college career with coaches and teammates that I love. And I love the fact that we all want to achieve the same things: pride, honor and a national championship!"

MONICAMONTEZ

"Four years has come and gone so fast. Fortunately, I have learned many lessons and made many memories that will stay with me forever. What has made my time here so unforgettable are my amazing teammates ... and the ACC Championship that we are ready to claim! Go 'Noles!"

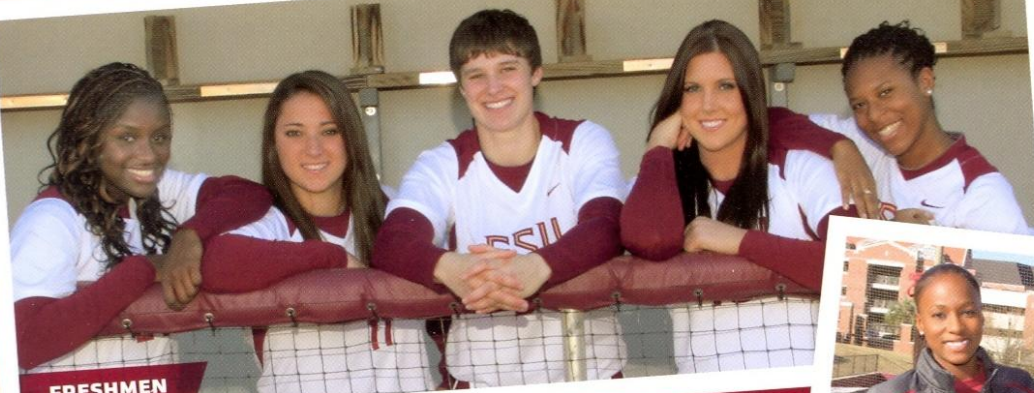

CARLYWYNN

"I couldn't imagine a better way to spend my last season in Tallahassee than with these girls and coaches. This is certainly a special group, but for now we'll spare you the tears. We can cry later because we have goals to meet and trophies to claim this season. An ACC Championship and a trip to Oklahoma City for the World Series. That's what we are focused on in 2010. I hope everyone is ready for us because we're about to bring it!"
