FLORIDA STATE MEDIA GUIDE

This is FLORIDA STATE VOLLEYBALL

Today's student-athlete has the opportunity not only to excel in the athletic arena, but in all facets of life. Over the years, the Florida State volleyball program has enabled young women to attain their goals and become the very best they can be.

With the sunny skies and beautiful beaches of Florida as well as the opportunity to travel throughout the nation, being a member of the Seminole volleyball team is indeed an exciting experience for a collegiate student-athlete.

Even when playing on their home court of Lucy McDaniel Arena at Tully Gymnasium, the Seminoles have the opportunity to be seen throughout the southeast on Sunshine Network. Several matches will be shown on Sunshine this season. Florida State volleyball will again be the focus of regular features on FSU's Seminole Sports Magazine and aired weekly on the Sunshine Network throughout the region.

When they are not competing, the Seminole volleyball team continues to remain active within the community. Appearances and speaking engagements at area schools and organizations are part of everyday life for a Seminole. Following every Florida State home match, the players are available for autographs and to talk with their fans.

Playing for a top program in one of the nation's elite conferences, graduating from a prestigious university, serving the community and serving up fun are all part of the Florida State volleyball experience.
