# FLORIDA STATE

## Media Coverage

Established in 1987, Seminole Productions handles virtually every video production need for Florida State Athletics. Under the direction of Mark Rodin, Seminole Productions produces the Bobby Bowden Show, the Seminole Basketball Report with Leonard Hamilton and the Mike Martin Show, as well as Seminole Sports Magazine and Seminole Uprising. Seminole Productions also produces all of the in-game entertainment

needs for Seminole Vision, our big-screen video production for FSU football, basketball and baseball. That's over 80 live-events every year to enhance the game day experience for Seminole fans.

In addition, the Seminole Productions award-winning staff also creates the season highlight tapes, team motivational videos, banquet and special event videos for many sports. Seminole Productions is also a resource for media outlets when it comes to finding footage of FSU Athletics. Seminole Productions has garnered national recognition as one of the best video production facilities in the nation and consistently ranks at the top of the in-game entertainment arena for universities across the nation. And it only gets better...

Last summer, Seminole Productions moved to a new 6,000 square foot communication center in the new Coyle Moore Athletic Center. This new state-of-the-art facility includes a brand new studio, two control rooms, 10 Avid digital editing and graphics suites, private offices, a green room, a new computer editing and graphics classroom, a student producer area and much more. There are also fiber optic video camera connections to all areas of the Coyle Moore Athletic Center, Doak Campbell Stadium, the Tallahassee-Leon County

Civic Center, FSU Basketball Training Center, and Mike Martin Field with connections to WFSU-TV's uplink. This has created the ability to do live, multi-camera productions or uplink feeds. With a simple camera connection, Seminole Productions can send the signal through fiber to WFSU's satellite uplink and bang. Coach Bowden's wit and charm is instantly seen all over the world.

FSU athletics won't be the only one reaping the benefits of this new state-of-the-art communication center. Students in the College of Communication media production program will also have plenty of hands-on access to some of the finest equipment around. Since Seminole Productions' mission is one of teaching, students studying in the art of television design, production and performance will work alongside the SP staff gaining real experience with real deadlines in a professional environment while gaining class credit as well as professional experience. This new facility will also ensure that FSU continues to attract the best and brightest students of media production from all across the globe.

Seminole Productions continually gets recognized for excellence and has received over 28 international and national awards in the last two years. Most recently, SP received six Telly Awards, six Communicator Awards, and two Aurora Awards for its work with Florida State Athletics during the 2004-05 academic year. The Telly Awards are presented to honor outstanding local, regional and cable television production.

Seminole Productions has certainly started off 2005 with a bang! Staff members Jim Garbarino and Jerry Tootle were honored with Gold Awards

in the Aurora Awards international competition which brought their total to eight international awards in the last six months. The most recent recognition comes from the Aurora Awards, an international competition designed to recognize excellence in the film and video industries. It specifically targets programs and commercials that would not normally have the opportunity to compete on a national level, by focusing on non-national commercials, regional or special interest entertainment and corporate sponsored film and video. Entries have come from across the US, and abroad including Canada, Hong Kong, Denmark, Mexico, etc.

The Aurora Gold Awards given to Seminole Productions were for the 2004 Football Stadium Open, produced and created by Jim Garbarino, and the Lassiter-Ware Commercial, produced by Jerry Tootle. Previous winners of the gold award include Disney I.D.E.A.S, The History Channel, A&E Network and Fox Sports Net. The Aurora statue itself was commissioned specifically for the competition by a nationally renowned sculptor. The statues are cast in the same foundry that creates the Emmy, Oscar and Clio statues.

Earlier this year, Seminole Productions was honored by the Communicator Awards with six awards and two honorable mentions. Of the six Communicator awards won by Seminole Productions, three were Crystal Awards of Excellence. The Crystal Awards were given to the 2004 Bowden Show Open by Jim Garbarino, the 2004 Football Stadium Open also by Jim Garbarino, and the Lassiter-Ware Commercial for Host Communications by Jerry Tootle. SP staff also took home three Awards of Distinction. Awards of Distinction were given to the 2004 Bobby Bowden Show by Jim Garbarino, the Mike Martin Show also by Jim Garbarino, and Florida's Compliance Assistance Program by Jerry Tootle. Seminole Productions was also recognized with two honorable mentions, one for the Sunshine State Games open by Rob Levine, and another for the FSU Men's Basketball Preview which was student produced under the direction of DD Garbarino.

Of the five national awards won by the Seminole Productions staff in 2003, three were Awards of Excellence. They included the Bobby Bowden Show open, created by Jim Garbarino and animators Erik Gamache and Rob Levine; the Football Video Board open, featuring tailback Greg Jones, also by Garbarino; and the Gift of Life by Jerry Tootle. Seminole Productions also took home two Awards of Distinction for the Bobby Bowden Show and football player headshots both by Jim Garbarino. The Honorable Mention was for the Mike Martin Show, also by Garbarino.

With an experienced, award-winning staff and creative and talented students, Seminole Productions is looked at as a leader in sports

## THE VOICE OF THE SEMINOLES

Play-by-play man Ryan Pency returns for his second season with the Seminoles in 2005 and will provide all the action. Pency is a 2002 graduate of the University of Central Florida where he earned a degree in radio/TV with a minor in computer science. He went on to receive his master's degree in sport administration from Florida State in 2003 during which time he served as a graduate assistant in the Seminole ticket and business offices. In 2003, Pency became a full-time member of the Florida State athletics staff as an Information Technology Manager. Some of his duties at FSU include technical support for the department, website maintenance and editor of the Seminole Dispatch, FSU athletics weekly online newsletter. Pency is also the Seminole women's basketball broadcaster and the producer for the Seminole Radio Network football broadcasts.

production, graphics and corporate video. Creating the perfect blend of high-tech wizardry with good ole' Seminole sports action is a big part of what Seminole Productions is all about.

Since 1988, Sun Sports Network, previously known as Sunshine Sports, has been the exclusive regional sports network home of FSU athletics in Florida. Available in over 6.4 million homes statewide via cable and satellite, Sun Sports Network provides more coverage of FSU athletics than any other Florida television outlet. FSU was the first local sports team to sign an agreement with Sun Sports prior to the network's 1988 launch and is one of its cornerstone properties.

Sun Sports Network's extensive coverage of FSU sports is available to fans not just in Florida, but across the U.S., enabling alumni from coast-to-coast to follow their team year-round. In addition to distribution on cable and satellite in Florida, Sun Sports Network is also available nationwide on satellite, from DirecTV and DISH Network. Much of Sun Sports' FSU programming is also available to digital cable subscribers nationwide via Fox Sports Digital Nets, a programming service offered to cable systems throughout the U.S.

Each year, Sun Sports Network airs and produces numerous FSU games/programs, including its own production of every FSU regular season football game, which replay statewide on Sun Sports on Sunday evenings during "Prime Time 'Noles". "The Bobby Bowden Show" can be seen statewide Sundays at 12:30pm. Weekly highlights of FSU athletics air Saturdays with "Seminole Sports Magazine" and "Seminole Uprising", all on

Sun Sports Network. In addition, the 'Noles are discussed on Sun Sports' popular "SportsTalk Live" show featuring media panelists from around the state each Monday night.

An agreement with the ACC provides Sunshine Network with additional FSU games and events, including the conference's Sun Sports night ACC basketball package, "ACC Sunday Night Hoops" on regional sports networks nationwide (exclusively on Sun Sports in Florida). The network also airs "ACC Live," Mondays at 6:30 p.m. and numerous other games/events for the ACC, giving FSU fans coverage of not only their home team, but FSU's conference opponents as well.
