Football is a splendid game. It provides excellent entertainment and at the same time builds character and physical strength. Jax Navy football teams and their opponents have always displayed high sportsmanship and a great competitive spirit. I'm sure this year will prove no exception. Good luck and best wishes for a successful season.

The football season is again with us and with my very best wishes to our team, I ask our many friends in Jacksonville and the Navy to give them their loyal and enthusiastic support.

Athletics are fundamentally military training. Teamwork and physical conditioning are essentials of victory.

Let's give them the support they deserve.
