Welcome

NOV 24 1952

To all who honor us today with their presence, we extend a most cordial welcome to the 1952 Annual Homecoming. Especially to the Alumni we express the hope that your return to the campus has brought you many pleasant associations.

Our guests on the gridiron are from Furman University of Greenville, South Carolina. Chartered in 1825 as Furman Academy and Theological School, Furman was removed to Greenville in 1851 and re-chartered as Furman University. During the past century Furman has made a significant contribution to higher education in the South.

To Furman University, its president and faculty, its students and alumni, and its stalwart team, the Purple Hurricane, we extend sincere greetings!

Dr. A. S. Campbell

President,
The Florida State University

**Amoco Approved
Lubricants**

Amoco Tires & Tubes—
the tires experience built

Amoco Batteries—extra-
powered for extra-fast starts

Everything you need for your car

One star player never won a championship all by himself. He needs ten other men, working with him as a team. And teamwork is what you get when you make it Amoco all the way. Motor fuel, motor oil, lubricants, tires, batteries and accessories—every Amoco product is a champion. Together, they make a perfect team for your car—and give you more motoring satisfaction at less cost.

DR. JOHN L. PLYLER
President
Furman University

Furman University's athletic scene has been undergoing a rebuilding program since the end of World War II. The mighty Purple Hurricane was a much feared opponent prior to the Great War, but had to abolish all collegiate athletic activity during the war.

Since the end of World War II Furman has been climbing steadily back up the ladder to the former great heights which it had held in athletics.

Furman's first big step back into the powerful collegiate circle was the basketball team of last year. That team ended its season with an 18-5 record. During this time school spirit returned to the campus which had long since acquired a "defeatist" attitude toward athletics—not understanding the heartaches which must go with a rebuilding program.

Now, the 1952 Furman football team has caught the same spirit and is headed toward its best season since 1940. Last week the Purple Hurricane ended a 12-year drought of haphazard football and losing records as it won its fifth game of the season, while losing two and tying one. When the Big Purple team defeated Wofford, 29-21, on November 1, it bettered any record a Furman football team has had in the last 12 years. The closest any other of their teams had come to this record was a mere three victories. Then last week the Purple got win No. 5 at the expense of Presbyterian.

The Furman teams of the past have held their own with Florida teams, with the exception of two losses to Stetson. Furman has played the University of Florida six times and has won three of the games while losing three; they have played the University of Miami two times and also split that count at one win and one loss. Stetson proved to be the

thorn in Furman's football hopes for the past two years as the Underdog Hatters have managed to win both games, with counts of 21-20 and 25-14.

The Furman grid gladiators started this season of 1952 off with a big bang as they whipped little Newberry 47-6 and then ignored pre-game predictions to upset a highly touted West Virginia Mountaineer team 22-14. The upset win over West Virginia was a costly one for the Purple Hurricane, however, as they lost the services of first string quarterback Gene Pedrick, a junior from Fitzgerald, Ga., and Russell Sutton, junior All-Southern halfback candidate from Sumter, S. C. Pedrick ranked second in the Southern Conference passing division last year by tossing for 1,001 yards and Sutton was in second place in the rushing division with 745 yards to his credit for an average of 5.4 yards per try. Sutton was also one of Furman's leading pass catchers as he gathered in 23 passes for 281 yards.

After the Purple Hurricane lost the services of Pedrick and Sutton it went into a slump which saw them losing to South Carolina, 27-7, and Stetson, 25-14, and then tying a third game which they should have won by deadlocking with The Citadel, 7-7. The Furman team hit its old winning ways again against Davidson by edging past with a 14-13 victory and then coming from behind two early touchdowns by Wofford to win 29-21. Then last week Presbyterian was win No. 5.

Pedrick and Sutton should be ready to go at full steam against Florida State's Seminoles and should be in the best shape since their injuries in the West Virginia game.

The Furman team realizes that homecoming affairs are dangerous business for the visiting team and will have to just sit back and try to weather the enthusiastic bursts of school spirit set up by the occasion.
