By **PAT HOGAN**
FSU Sports Publicity Director

Today's game marks the 13th Homecoming celebration for Florida State University but the Seminoles are not superstitious. Coach Perry Moss' thin but spirited squad has put in one of its finest weeks of practice in hopes of giving FSU's Old Grads their 10th Homecoming victory.

The Seminoles have a 9-2-1 record in FSU Homecoming games and haven't lost a Homecoming game here since 1952. Only a 14-14 tie with Wake Forest in 1956 has dampened Homecoming spirits at FSU in the last seven years.

William and Mary, the second oldest institution of higher learning in the United States (chartered in 1693 by King William and Queen Mary of England), and Florida State will be meeting today for the first time on the football field. The Indians from Williamsburg, Va., pose a tough hurdle for the Seminoles, who will be after their ninth straight victory over Southern Conference teams. A Florida State triumph would give the Seminoles a clean sweep in four games with Southern Conference elevens this season.

Besides having the usual Homecoming incentive, six Seminole seniors will be trying doubly hard today. Playing their final game in Doak Campbell Stadium will be end Jim Hooks (No. 88) of West Palm Beach; quarterback Joe Majors (13) of Huntland, Tenn.; halfback Fred Pickard (43) of Columbia, Tenn.; center Ramon Rogers (53) of Pensacola; tackle John Spivey (77) of Panama City; and guard Al Ulmer (62) of Clearwater.

William and Mary (3-5) will send its strongest team in some time against the Seminoles today. The Indians clubbed state-rival Virginia, 37-0, early this season and have won two of their past three games despite a number of injuries.

William and Mary players to watch include quarterbacks Calvin Cox (18) and Bob Stoy (14), halfbacks Roger Hale (25), Jim Porach (28), and Jon Stephenson (27), and fullback Lauren Kardatzke (39).

The President . . .

DR. ROBERT M. STROZIER

Now in his third year at Florida State University, President Robert M. Strozier has seen a rapid growth in its size and, more important to his educational philosophy, in the "university spirit" pervading the institution.

An evidence of the increasing importance of the University in only one field, graduate study, is the fact that FSU has been awarded the second largest number of fellowships for graduate study under the new National Defense Education Act, which provides for 1,000 nationally. FSU will have 20 of these, held by students starting out their doctoral studies in history, mathematics, and humanities.

Another evidence is the increased outside financial support for graduate study and research. At the last commencement Dr. Strozier reported gifts and grants to the University totaling \$3,230,000 since the beginning of the academic year 1957.

Dr. Strozier assumed his duties as president of FSU on Sept. 3, 1957, coming here from the University of Chicago. He was at Chicago 12 years, most of the time as dean of students and professor of romance languages. The president is a 53-year-old native of McRae, Ga., and before joining the Chicago faculty he served on the faculties of Georgia State College for Men, West Georgia College and the University of Georgia.

A teacher of French throughout his professional career, he continues to direct an occasional seminar in addition to carrying on the administrative duties of the University. The University of Miami recently recognized his scholarly contributions by awarding him the honorary degree of Doctor of Letters.

The son of a college president, Strozier was born July 20, 1906, and the family lived at various times in McRae, Vienna, and Moultrie, Ga. He went to Emory University where he earned the bachelor's degree in 1929 and the master's degree in 1930. Later he received the Ph.D. degree from Chicago.

The Athletic Director and Head Coach . . .

PERRY MOSS

Before and since he pitched a surprise 44-yard pass to Julie Rykovich on the opening play of the 1947 Rose Bowl game, thereby starting a Big Ten domination at Pasadena, Athletic Director Perry Moss has been making headlines.

A tireless worker who was a unanimous selection to become head coach at Florida State last January, Moss has enjoyed a varied career as a player and as a coach. And, not unlike the mythical King Midas, just about everything Moss has touched has turned to success.

Moss, a native of Tulsa, Okla., played one semester of football at Tulsa University in 1944, playing in the Orange Bowl. After two years in the Air Force, he quarterbacked Illinois to a Big Ten championship in 1946, playing a vital part in the 45-14 trouncing Illinois handed UCLA in the inaugural (1947) Rose Bowl game between the Big Ten and Pacific Coast Conferences.

While at Illinois, he was an All-Big Ten quarterback for the 1946 and 1947 seasons. He won honorable mention on various All-America teams in 1944, 1946, and 1947. In 1947, Moss became the first recipient of the Nelson Award for Sportsmanship.

After his collegiate career, Moss played one season with the professional Green Bay Packers. His coaching experience dates from 1949, when he was freshman coach at Illinois. In 1950 and 1951 he was backfield coach at the University of Washington (Seattle) and served in the same capacity at LSU (1952-53), Miami (1954-56) and Wisconsin (1957-58).

An optimist, Moss has a wide reputation for his ingenuity on offense. The Seminoles this fall are using Perry's own "Finesse Drive" attack, a composite of several types of offenses. Perry holds a B. S. degree from Illinois and a Master's Degree from Washington.

ABOUT FLORIDA STATE UNIVERSITY

Located in Tallahassee, Florida State University is one of the fastest growing universities in the country. Already it is bursting at its seams with a present enrollment of approximately 8,000 students.

The main campus of 300 acres, stretching for a half-mile along Highway 90, includes a cluster of older buildings of Tudor Gothic architecture, with many newer buildings of functional design to the west of these. There is an 11-story dormitory for men and work is being completed on a second 11-story dormitory to house 563 more men students. A new eight-story women's dormitory housing 270 is being put into use this year.

There is a new library and School of Education and School of Business buildings, along with a new million-dollar physical education building, Tully Gymnasium.

Among the newer structures are underground vaults with thick concrete walls which are housing two nuclear accelerators the university is installing this year. The larger of the accelerators is the third of its type to be installed on this continent and scientists, already with more than a million dollars in contracts for nuclear research, are planning to use these and other new tools in a bold program of basic research.

Authorized by the 1851 Legislature, the institution was first established as the "Seminary West of the Suwannee," and was changed to "Florida State College" in 1901 and the school remained co-educational until 1905. Then it became the "Florida Female College" and was renamed in 1909, "The Florida State College for Women."

By act of the 1947 Legislature, the institution again became co-educational as The Florida State University.

COATTA

FLOWERS

GIBSON

HARBISON

THE FSU COACHING STAFF

DICK FLOWERS, a native of Mobile, Ala., is in his first season as one of Coach Perry Moss's right-hand men. A graduate of Alabama, where he was a first-team tackle from 1945-48, Flowers played in the 1945 Rose Bowl and 1947 Sugar Bowl games.

Flowers was an assistant coach at Alabama in 1949-50 and at LSU in 1951-52. He coached one year at Live Oak, Fla., High School (1953) and was out of coaching in 1954 before taking over as head coach and athletic director at Gainesville, Fla., High School.

BOB HARBISON, in terms of longevity, is the real veteran of the Seminole coaching staff. Harbison is in his 12th full season. In his playing days, Bob was an outstanding guard for the late Bo McMillin at Indiana University from 1945-47. A native of Evansville, Ind., Harbison came to Florida State in 1948. He is credited with developing Little All-Americans Bill Dawkins in 1951 and former Seminole coach Hugh Adams, in 1949.

JOHN COATTA, one of the sharpest passing quarterbacks in Big Ten history, came to Florida State this year from Wisconsin. He had been an assistant coach with the Badgers for the past four years. A native of Dearborn, Mich., Coatta was a passing whiz for Coach Ivy Williamson at Wisconsin from 1949-51. In 1950, John set an all-time Big Ten pass completion record with a percentage of .642. He was named to the All-Big Ten and All Mid-West honor teams following the 1951 season.

DON JAMES has packed a lot of football experience into his 26 years. The Massillon, O. native came to Florida State this year from Southwest High School in Miami where he was backfield coach for the past two years. Don was an outstanding high school quarterback at Massillon, O. He played quarterback for the University of Miami, lettering in 1952 and 1953.

KENNETH SHIPP, erstwhile halfback standout at Middle Tennessee State, came to Florida State this year after two campaigns as backfield coach at Trinity University. Shipp grew up at Murfreesboro, Tenn., and attended Baylor Prep School at Chattanooga, Tenn. From 1946-49, Ken was at Middle Tennessee State. In 1950, Shipp was assistant coach at Gallatin, Tenn., High School. From 1951 to 1953, he was head coach at Fayetteville, Tenn., High School, then returned to his alma mater as backfield coach from 1954-56.

BUBBA MCGOWAN has the distinction of being the first person to have coached football at both the University of Florida and Florida State University. A former left halfback at Florida, McGowan was Florida's freshman backfield coach in 1952. The Dothan, Ala. native in 1953-54 was coach at Fort Jackson, S. C. More recently, McGowan has been track coach and football assistant to fellow coach Dick Flowers at Gainesville High School.

VINCE GIBSON, one of the toughest guards in Florida State's relatively brief football background, will assist Charlie LaPradd with the freshman team this year. Following his graduation from Florida State in 1955, Vince became line coach and basketball and track coach at South Georgia College. The Birmingham, Ala. native produced some outstanding results during the past three seasons at South Georgia.

CHARLIE LAPRADD, All-America tackle at the University of Florida, is the second oldest FSU coaching staff member—in terms of service. A native of St. Augustine, Charlie was graduated from Florida in 1953 before serving in the Air Force. He was a graduate assistant at Florida State in 1956 and became a full member of the staff in 1957. A keen student, LaPradd will be head coach of the freshman team this season while working toward his doctorate degree.

"MISS FSU FOOTBALL"

LINDA GORMLEY
Tallahassee

Linda Gormley, 19-year-old Florida State University sophomore from Tallahassee, was named "Miss FSU Football" for 1959 at halftime ceremonies of the Seminoles' annual Garnet and Gold intrasquad game last spring. She was crowned by 1959 Seminole co-captains John Spivey and Al Ulmer. A Seminole cheerleader and a former girl's state high school and junior Olympic diving champion, Miss Gormley was sponsored by the Kappa Alpha Theta sorority. Twenty-one Florida State coeds competed in a student election for the title of "Miss FSU Football." Making up the "Miss FSU Football" court are Carolyn Ann Reeves, Panama City sophomore; Willou Copeland, junior from Brunswick, Ga.; Barbara Nichols, Coral Gables sophomore; Karen Ekman, Fort Lauderdale sophomore, and June Vaughn, sophomore from Tampa.

 Da dum Whose Team!
 Da Dum Our Team!
 Touchdown, that's the thing
 We want a touchdown,
 Hear us sing
 We want a touchdown
 Hear us sing
 We want a great big bruiser, husky and tall,
 To carry the ball, in no time at all
 We'll have a touchdown
 And when it's over
 You can hear us make some noise!
 V-i-c-t-o-r-y
 We want a touchdown, boys!
 Da da dum Fight! Fight! (seven times)

12. Fight Song

We're going to fight, fight fight for FSU
 You got to scalp 'Um Seminoles,
 You got to win, win, win, win, that game
 And roll on down and make those goals.
 For FSU is on the warpath now,
 And at the battle's end, she's great
 So fight, fight, fight, fight to victory
 Our Seminoles from Florida State.

BAY-SEMINOLE NETWORK

Florida State University's football games will be carried over a two-state network for the next three years by Bay Petroleum Company. Entering its seventh year, the network will be known for the first time this season as the Bay-Seminole Network.

The Bay-Seminole Network covers thousands of square miles in Florida and South Georgia. Broadcast of the games are produced by the Galen E. Broyles Company of Denver, Colo.

Handling the broadcasts are Charlie Harville, Sports Director of Station WFMY-TV, Greensboro, N. C., and Ken Brown, General Manager of Station WHYS, Ocala. Harville will do the play-by-play and Brown the color commentary.

A native of High Point, N. C., Harville broadcast play-by-play accounts of the University of Virginia games for four years and has done color for the Washington Redskins Network and regional television in the Atlantic Coast Conference area.

Brown is thoroughly familiar with football in Florida. For the past 10 years he has broadcast high school football. More recently, he has done play-by-play for University of Florida freshman games and for the Florida High School All-Star games.

Salem's new cigarette paper discovery "air-softens" every puff

Now even the paper adds to Salem's Springtime Freshness

An important break-through in Salem's research laboratories now brings you an entirely new kind of cigarette paper — HIGH POROSITY paper — which breathes new freshness into the flavor.

Each puff on a Salem draws just enough fresh air in through the paper to make the smoke taste softer, fresher, more *flavorful* than ever. If you've enjoyed Salem's springtime freshness before, you'll be even more pleased now. Smoke refreshed — smoke Salem!

Created by R. J. Reynolds Tobacco Company

Salem's amazing new
HIGH POROSITY paper
'air-softens' every puff.

Invisible porous openings
blend just the right amount of
air with each puff to give you a
softer, fresher, even more flavorful smoke.

- menthol fresh
- rich tobacco taste
- modern filter, too

Salem refreshes your taste
