# OFFICIAL WATCH FOR THIS GAME

# LONGINES THE WORLD'S MOST HONORED WATCH

10 WORLD'S FAIR  
GRAND PRIZES  
28 GOLD MEDALS

Longines watches are recognized as OFFICIAL for timing world championships and Olympic sports in all fields throughout the world.

Longines 5-Star Admiral Automatic with Calendar, All-Proof®, sweep-second, 14K gold strap—\$185.00

### *The Longines Credo*

Every Longines watch, whatever its type, for whatever its use, today, as for almost a century, is manufactured to be the finest of its kind and worthy in every respect to be called **The World's Most Honored Watch**

**LONGINES-WITTNAUER WATCH CO.**  
MONTREAL • NEW YORK • GENEVA  
Maker of Watches of the Highest Character Since 1867

## Tonight's Game

By **BILL BUNKER**

Sports Information Director  
Florida State University

"Bagdad on the Bayou" is the Houstonian's affectionate term for his city, a sprawling metropolis of over six million people; home of the manned spacecraft center, scores of millionaires, and what is unabashedly called "The Eighth Wonder of the World"—The Astrodome.

Houston's fabulous domed stadium is home field for tonight's foe, and that fact gives rise to a rather weird statistic. The Cougars haven't won a game outdoors this season. No other football team can make that statement.

Coach Bill Yeoman's team is much like Florida State's in several respects, not the least of which is a seeming inability to win football games played away from home. In fact, the last road game won by the Cougars was a 7-0 decision here in Doak Campbell Stadium in 1962.

On the other hand, Florida State comes into this home finale with an 11-game winning streak at home, a skein Yeoman's Cougars would like to break. It's the final game of the season for Houston, and one which means the difference between a losing or break-even season.

It's also a "must" game for the Seminoles. A 3-0 loss to N.C. State last week evens the record at 4-4, and a victory here tonight provides a chance to finish the season a winner.

Through a quirk of schedule, Florida State has met each team it has played this season at the very peak of the opponents' potential. Witness Kentucky, Alabama, and N.C. State to name a few.

Houston is no exception. The Cougars struggled through a rough early season before their sophomore-laden lineup caught fire and dumped Mississippi and Kentucky on successive weekends. The Kentucky victory came even as Wildcat quarterback Rick Norton set three new passing records, gaining over 300 yards in the air.

However, the mighty Kentucky offense was held to 13 yards rushing by a scrambling Houston defense, and therein lies a problem for the Seminoles tonight.

The Cougars are not without an offensive punch. Quarterback Bo Burris played one of the season's best games in a 13-13 tie with FSU last season, and seems to have found himself under center. The 6-2 junior was moved to quarterback last year after playing most of the season as a defensive back.

Another familiar face is halfback Dick Post, who scooted 18 yards for the touchdown which tied Florida State last year. Post, a junior, has gained 1076 yards in two years, making him the third leading ground gainer in Houston history.

The Cougars present a wide-open offensive arrangement featuring the versatility of Ken Hebert and the pass receiving talents of Tom Beer and Wondrous Warren McVea.

McVea, one of the most touted high school runners in Texas history, was somewhat less than wondrous during the early season, however, he comes into this game as Houston's third leading runner and pass receiver. He has caught 14 for 322 yards and three touchdowns.

Hebert is the leading receiver with 20 receptions for 307 yards and four TDs. The sophomore from Pampa also handles placements and punts for the Cougars.

The Seminole defense will be sorely tested as it has so many times this season. Meanwhile, quarterback Ed Pritchett and company will go against a secondary which has intercepted 15 passes so far this year, including five against Kentucky last weekend.

Everything points toward a tremendous home climax and perhaps the best game played on Doak Campbell turf this season.

**CENTRAL NERVOUS SYSTEM LAB — PSYCHOLOGY RESEARCH**  
A Public Health Service grant permits Dr. Douglas Grimsley and students to seek information about the brain's function in regulating body water, by studying intracranial infusion effects in rats.

**PSYCHOLOGY'S VERBAL RESPONSE STUDIES**  
Specially equipped observation booths in FSU's \$1.2 million Psychology Building are used to study the effects which flashing lights may have on a person's conversation habits, and their potential for use in classroom teaching.

**HELIUM LIQUIFIER HELPS LOW-TEMP PHYSICS STUDIES**  
Don Sanford, research technician from Tuscaloosa, maintains Physics Research Building's \$35,000 helium liquifier which economically produces large quantities of world's coldest known substance.

**PHYSICS STUDENTS USE NUCLEAR RESONANCE LABORATORY**  
Graduate students Steve Parks and Dave Wensky study the behavior of solids at low temperatures, in high magnetic fields produced by lab equipment in FSU's \$1.8 million Physics Research Building.

# Teaching Through Research

**PHYSICS RESEARCH—HIGH ENERGY PARTICLES LAB**  
Digitized microscope, above, measures speed of particles (previously bombarded and filmed in a bubble chamber at UCLA's Berkeley campus), by National Science Foundation scientists at FSU.

Dr. M. A. Melvin, Professor of Physics:

*"Pure research today brings results which may fulfill important human needs in the near future. When asked of what use was his discovery that a moving magnet generates an electric current in a neighboring wire, Michael Faraday replied: 'Of what use is a baby? Maybe you can tax it someday!' Today the electrical industry is one of the largest in America."*

## PHYSICS

Dr. Earle K. Plyler, Head, Physics Department:

*"Graduate instruction through research is a complicated form of teaching. Usually carried out with an experienced investigator or scientist leading a bright young student into all the intricacies of modern scientific methods, it is highly individualized instruction."*

THE  
ENERGY

**LOW TEMPERATURE RESEARCH ON RADIATION DAMAGE**  
Sister Pierre, R.S.M., working toward a master's degree in biophysics, uses new facilities to study crystals (her model of one in foreground) damaged by radiation, for the National Institutes of Health.

OF  
MATTER

Dr. Steve Edwards, Associate Professor:

*"One important difference between a university and a four-year college is that undergraduate courses at a university are usually taught from a more sophisticated point of view. This means that course content is fresher, more flexible, and more inspiring. Research makes this possible."*

**NEW BUILDING CONNECTS WITH NUCLEAR SCIENCE LABS**  
Shown at left is FSU's 12 million volt Tandem Van De Graaff Accelerator, housed in facilities adjoining the new Physics Research Building.

# Benefits Students & Society

**Dr. B. B. Scarborough, Professor of Psychology:**

*"The teacher who is a researcher provides the student with a bonus—a way of life. Thus, the student gets more for his money, his time and his effort. Society gets a member who is better trained, and more likely to make a greater contribution to mankind's well-being."*

**EXPERIMENTS IN EDUCATION FOR MENTALLY RETARDED**  
A special daily "school" for mentally retarded children is built into the Psychology Research Building, where teaching methods are explored.

**Dr. R. W. Schaeffer, Assistant Professor:**

*"I find it impossible to consider someone as a good teacher who is not a researcher. The only way to keep abreast of current developments is to be participating in them."*

**COMPARATIVE PSYCHOLOGICAL RESEARCH FACILITIES**  
The locomotive behavior of different species is compared by Dr. Robert W. Schaeffer, right, in a study sponsored by the Public Health Service.

**THE  
BEHAVIOR**

**OF  
MAN**

**CHAMBER DESIGNED FOR THERMAL SENSITIVITY STUDIES**  
Carolyn Weymark, lab technician, and doctoral student Donald Scott check equipment in special chamber for physiological research in psychology.

**Dr. B. L. Hopkins, Assistant Professor:**

*"To be a scientist is to be curious about the way the world works. The behavior of man is one of the most fascinating aspects of this world. The student who would share a curiosity about man must learn the way to find answers to his questions. Research is the way."*

# GIVE IT EVERY-THING YOU'VE GOT!

That's what wins football games. That's what takes a man all the way to the top, whatever his field of endeavor. If you've got what it takes to be that kind of man . . . if you have the chance to take ROTC, make what you've got count. Go for an Army commission. That way, come commencement, you'll have two good things going for you: your college degree, and the gold bars that mark you a leader of men . . . tested, trained, trusted.

## GET IN—STAY IN ARMY ROTC!

## Introducing the tuned car. 1966 Buick.

*What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this '66 Riviera Gran Sport.*

Every last thing that goes into a Buick — suspension, body mounts, shock absorbers—not only has to work, it has to work with everything else. That's tuning.

**Tuning is what we do more of** (and care more about) than anybody we know of. And then we go out and test it in more places, too. On roads like the ones you'll be driving on. Why we do it will be obvious when you take your first ride. The tuned car rides and handles as handsomely as it looks. (Tuning may be hard to explain. But it's easy to notice.)

**What the tuned car will do for you. And your family.** For a start, the new Riviera

will comfort you. You'll see that when you slip into the Riviera's new bench seats. Space for six. If you like buckets, they're available, with a reclining arrangement for the right-front passenger. And we have another comforting option available: a new notch-back seat that converts from bench to semi-bucket.

**Choosing the tuned car.** Visit your Buick dealer. Every Buick you see is the tuned car. Riviera, the new international classic. Riviera Gran Sport. *Every '66 Buick.*

And with a choice like that, how in the world can you go wrong?

**Wouldn't you really rather have a Buick?**

# PENALTIES

1. **OFFSIDE** by either team; Violation of scrimmage or free kick formation; Encroachment on neutral zone—Loss of Five Yards.
2. **ILLEGAL PROCEDURE, POSITION OR SUBSTITUTION**—Putting ball in play before Referee signals "Ready-for-play"; Failure to complete substitution before play starts; Player out of bounds when scrimmage begins; Failure to maintain proper alignment of offensive team when ball is snapped; False start or simulating start of a play; Taking more than two steps after Fair Catch is made; Player on line receiving snap—Loss of Five Yards.
3. **ILLEGAL MOTION**—Offensive player illegally in motion when ball is snapped—Loss of Five Yards.
4. **ILLEGAL SHIFT**—Failure to stop one full second following shift—Loss of Fifteen Yards.
5. **ILLEGAL RETURN** of substitute not previously disqualified—Loss of Fifteen Yards.
6. **ILLEGAL DELAY OF GAME**; Taking more than four times out during either half (except for replacement of injured player)—Loss of Five Yards. Team not ready to play at start of either half—Loss of Fifteen Yards.
7. **PERSONAL FOUL** — Tackling or blocking defensive player who has made fair catch; Piling on; Hurdling; Grasping face mask of opponent; Tackling player out of bounds, or running into player obviously out of play; Striking an opponent with fist, forearm, elbow or locked hands; Kicking or kneeing—Loss of Fifteen Yards (Flagrant offenders will be disqualified.)
8. **CLIPPING**—Loss of Fifteen Yards.
9. **ROUGHING THE KICKER** or holder—Loss of Fifteen Yards.
10. **UNSPORTSMANLIKE CONDUCT**—Violation of rules during intermission; Illegal return of suspended player; Coaching from sidelines; Invalid signal for Fair Catch; Persons illegally on field—Loss of Fifteen Yards. (Flagrant offenders will be disqualified.)
11. **ILLEGAL USE OF HANDS AND ARMS** by offensive or defensive player; Defensive holding—Loss of Fifteen Yards.
12. **INTENTIONAL GROUNDING** of forward pass—Loss of Five Yards Plus Loss of Down.
13. **ILLEGALLY PASSING OR HANDING BALL FORWARD**—Loss of Five Yards Plus Loss of Down.
14. **FORWARD PASS OR KICK CATCHING INTERFERENCE**—Interference with opportunity of player of receiving team to catch a kick—Loss of Fifteen Yards. Interference by member of offensive team with defensive player making pass interception—Loss of Fifteen Yards Plus Loss of Down. Interference by defensive team on forward pass—Passing Team's Ball at Spot of Foul and First Down.
15. **INELIGIBLE RECEIVER DOWNFIELD ON PASS**—Loss of Fifteen Yards.
16. **BALL ILLEGALLY TOUCHED, KICKED OR BATTED**—Forward pass being touched by ineligible receiver beyond the line of scrimmage—Loss of Fifteen Yards from Spot of Preceding Down and Loss of a Down. Eligible pass receiver who goes out of bounds and later touches a forward pass—Loss of Down. Illegal touching of kicked ball within opponent's ten yard line—Touchback.
17. **PENALTY DECLINED**; Incomplete forward pass; No play or no score.
18. **CRAWLING** by runner—Loss of Five Yards. Interlocked Interference—Loss of Fifteen Yards.

## How do athletes handle athlete's foot?

**They follow their trainers' advice and use Desenex® for prevention and treatment**

It's excellent protection against itching, cracking and irritation of Athlete's Foot. Helps prevent spreading, too. No wonder Desenex is the Athlete's Foot treatment most widely used by college football trainers.

We know you don't have a trainer to keep you on your toes. But that's no reason to suffer from Athlete's Foot. Start using Desenex yourself. Avoid Athlete's Foot problems with Desenex Powder or new, cooling Desenex Aerosol—and for treatment use Desenex Ointment. Desenex is guaranteed to work or your money back.

# THE WTNT SEMINOLE NETWORK

**HARRY HUGHEY**

**BO MITCHELL**

Popular Bo Mitchell returns to the Seminole microphone for the third straight season, bringing play-by-play action to every corner of the Sunshine State.

The energetic Mitchell, an ex-naval aviator with more than 16 years broadcasting experience, is vice-president and station manager of station WCOA, Pensacola.

His partner at the mike this season is Harry Hughey, a former Florida State football player. A veteran radio man, Hughey handles pre-game, half-time and time-out commentary.

Originating station for the network is WTNT, Tallahassee.

## SEMINOLE CHEERLEADERS

The 1965 Seminole Cheerleader Squad takes its signals from Head Cheerleader Toni Beals (*above center*), a winsome junior from St. Augustine. Shown to her left is a newcomer to the squad, sophomore Joyce Howser of West Palm Beach; and to her right, Peggy Thompson, a junior from Ormond Beach. Senior member of the team is Elbert Lambert (*at right*) of Tallahassee. Sophomore Dave Deutsch (*at left*) of Palatka, is another seasoned member of the squad.

### THE ALMA MATER

High o'er the towering pines our voices swell  
 Praising these Gothic spires we love so well;  
 Here sons and daughters stand . . .  
 Faithful and True, Hailing our Alma Mater  
 F . . . S . . . U . . .

### FSU FIGHT SONG\*

We're going to FIGHT, FIGHT, FIGHT,  
 for FSU  
 We're going to scalp 'em Seminoles . . .  
 We're going to WIN, WIN, WIN, WIN,  
 WIN this game . . . and roll on down and  
 make those goals!  
 For FSU is on the warpath now, and at the  
 battle's end she's great . . .  
 So FIGHT, FIGHT, FIGHT, FIGHT for  
 victory  
 Our Seminoles of Florida State . . .  
 F-L-O-R-I-D-A S-T-A-T-E  
 FLORIDA STATE! (3 times)

### THE FLORIDA STATE VICTORY MARCH\*

Onward to victory, Seminoles, GO! FORWARD MARCH, we must move out together and . . .  
 FORWARD MARCH, it's always marching weather when thousands strong, we swing along.  
 All in step for VIC . . . TO . . . RY. Our F-S-U and all our loyal Seminoles, ON-WARD  
 GO . . . To conquer all our savage foes . . . won't be long . . . we can't go wrong . . . we  
 will crush the EN . . . E . . . MY . . . So SCALP'EM . . . SCALP'EM . . . SCALP'EM . . .  
 It's a case of do or die . . .  
 Strike the fatal thrust, we'll be victorious; with terrible tenacity we can, we will, we must!

FORWARD MARCH, we'll ride the swelling battle tide  
 FORWARD MARCH, we'll face the future side by side  
 With our might, we'll FIGHT, FIGHT, FIGHT!  
 And we'll win our VIC-TO-RY.  
 . . . For Florida State University.

PENNY EDWARDS—“MISS TIPARILLO”

## What does she mean “cigars...cigarettes...Tiparillos”?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper\* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The

surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

“Cigars . . . cigarettes . . . ?” Who knows, maybe someday it will be just “Tiparillos!”

Why don't you ask for one today?

\*T.M. GENERAL CIGAR CO.

# FSU'S 15TH ANNUAL BAND DAY PRESENTS "A SALUTE TO SOUSA"

## MUSIC AT HALF TIME

November 20, 1965

**DRILL SEQUENCE**—Taking their cues from selected segments of Sousa marches, the Marching Chiefs present a series of constantly changing drill patterns in a demonstration of precision marching.

**SOUSA FORMATION**—Forty-five bands from Alabama, Georgia and Florida combine forces in a colorful formation and present two of John Philip Sousa's famous marches, "Manhattan Beach," and "Semper Fideles." The massed bands are directed in concert by Dr. Manley R. Whitcomb, Director of Bands, Florida State University School of Music.

## THE MARCHING CHIEFS

**Robert T. Braunagel**, Director  
**Clifford K. Madsen**, Associate Director  
**Charles Carter**, Asst. Dir. & Arranger

**Camp Kirkland**, Drum Major  
**Paulette Gergen**, Head Majorette  
**"Cookie" Winchester**, Baton Artist

## HALF TIME-ANYTIME-MAKE IT MILK!

Busy football weekends call for extra energy. And that calls for a refreshing glass of milk. Milk is nature's vitality drink . . . that helps you stay in peak condition, sees you through the busiest fall days.

Half time; snacktime, anytime—when you take a break, make it milk. Keep up with the fun with milk's vitality!
