Today's Game

It's Florida-Florida State. This match-up has quickly developed into one of the premier rivalries in the entire nation. The two state schools first met on the gridiron in 1958 with Florida posting a 21-7 victory. The Gators and Seminoles have met every year since that initial contest. Read notes, quotes and anecdotes about Today's game on page 8.

Thanks For The Memories

From Walk-on to prime-time starter. He's given us much to remember. He is Kerwin Bell. Playing his last game at Florida Field this afternoon, Bell has been an inspiration to the underdog. Unrecruited, unheralded out of high school this country boy has made good. Flip to 62 and relive the memories Kerwin Bell has given us.

The Rivalry

This collision, UF VS. FSU, has had all the ingredients to make it a great one. It's had great plays and players, fan and media attention, and of course some controversy. Turn back the page to 82 and read about this great rivalry.

FACE OFF

Florida State is the sixth team Florida has met this fall that has been ranked in the nation's top 12 (AP Poll) at some point this season. Of those six games, only this one versus FSU has been played in the Gators' friendly confines—Florida Field.

TODAY'S GAME

NOTES, QUOTES AND ANECDOTES
... FLORIDA VS. FLORIDA STATE

By J. B. Glass, Assistant SID

Rain, rain go away...

That's what Florida quarterback Kerwin Bell might be saying today, as he's playing his last game at Florida Field.

Bell needs just 79 yards to become the Southeastern Conference's all-time leading passer, breaking former Gator John Reeves' record (7,549).

Bell, who has given the Orange & Blue many memories (see page 62), including three consecutive victories over Florida State, is already the SEC's all-time passing TD king with 56.

But while Bell is undefeated versus the 'Noles, as Florida has won six straight over FSU, in three prior encounters versus the Tallahassee team he has been held to under 72 yards twice (1984 and 1986). But, as fans should remember, both those games came in driving rainstorms.

Combining his three games versus the Garnet & Gold, Bell is 27 of 53 (59%) for 479 yards with six TDs and two interceptions.

In the 1985 contest at Florida Field, Bell had one of his best days of his storied career. He completed 14 of 22 passes for 343 yards and three TDs. He was especially sensational in the first half, completing 13 of 16 passes for 233 yards and two touchdowns. His three TD strikes came from 14, 75 and 82 yards. The 343 yards performance ranked as the fifth best single-game passing total in UF history.

Last year, in a game "fit for ducks" as one sportswriter put it, Bell was eight of 17 for 65 yards with one TD, an 18-yarder to Ricky Nattiel late in the game that gave the Gators a come-from-behind 17-13 upset victory. In 1984, again in the rain, Bell was five of 14 for 71 yards with a TD as Florida won 27-17.

Rain, rain, go away.

GATOR TALES

Florida will set up Bell's aerial assaults with the running game.

Runner Emmitt Smith gained 112 yards rushing versus Kentucky to

become the first back in school history to rush for 100-plus yards in seven games in a season. Smith needs just 67 yards to establish a new school single-season rushing record (1,308). He can also become just the third back in college history to rush for 1,300 yards as a freshman. The other two Herschel Walker (Georgia '80, 1,616) and Tony Dorsett (Pitt '73, 1,586)...

... Last year versus FSU, RB Wayne Williams gained 57 yards on 12 carries, while James Massey added 33 yards on 14 carries... Defensively versus FSU, OLB Clifford Charlton turned in an All-America performance last year. The Tallahassee native registered 17 tackles (eight solo) including two tackles for loss (-18 yards)... Free safety Louis

Oliver added 13 tackles (eight solo) in last year's game. As a back-up in 1985, Oliver picked-off his first career interception in the 38-14 win over the Seminoles...

... Florida State represents the sixth team Florida has met ranked in the nation's top 12 (AP Poll), and perhaps the best... The Gators lead the series vs. FSU 22-6-1... Florida shows a 13-3-1 edge in the 17 games in Gainesville and a 9-3 advantage in the 12 games in Tallahassee.

... Says Gator middle guard Jeff Roth about the UF-FSU game, "First of all, you can throw out all the statistics and all the records. It's a great rivalry, one of the best in college football..."

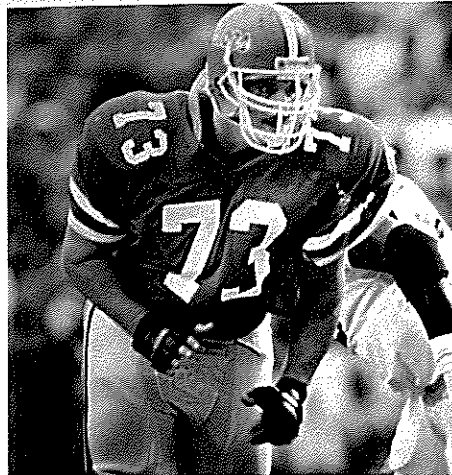

Gator Defensive Notes: Florida's defense has allowed just four TD passes in the last 67 quarters of play... The UF stop troops have given up 1,165 net rushing yards, an average of 116.5 yards per game and 2.80 per carry... Florida has held five of ten 1987 opponents to less than 100 yards rushing... Florida's defense has racked up 99 tackles behind the line of scrimmage (36 sacks and 63 other tackles for loss)... Opponent QBs have averaged a low 89.3 passing efficiency versus Florida... The defense has not allowed a TD in the second quarter this season... The defense has only allowed 42 points in the first half of games this season... Opponents have converted just 34.5% of third down conversions this season.

Gator Offensive Notes: Florida is averaging 4.3 yards per rush this season, up from 3.3 yards per carry last season... Florida has 20 rushing TDs this year, eight more than all of last year on the ground... Florida has displayed balance after ten games. It averages 185.1 yards rushing per game and 184.0 passing per game... Florida has outrushed eight of 10 opponents this season. Since the start of the 1983 season (55 games), UF has outrushed its respective opponents 38 times and is 32-3-3 in those games.

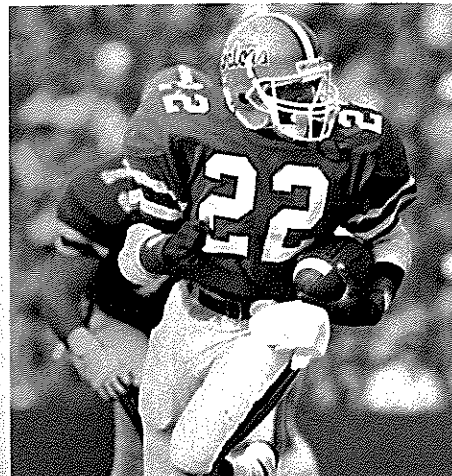

Gator Special Team Notes: Gator placekickers have achieved a high degree of success in field goal conversions over the past five seasons. Since 1983, UF PKs are 94-115 (81.7%) in FG attempts... Jerry Odom leads the team with 18 special team tackles, while Bill Lang has 17... Fifteen Gator punts have been downed inside the 20-yard line this season.

FSU FOOTNOTES

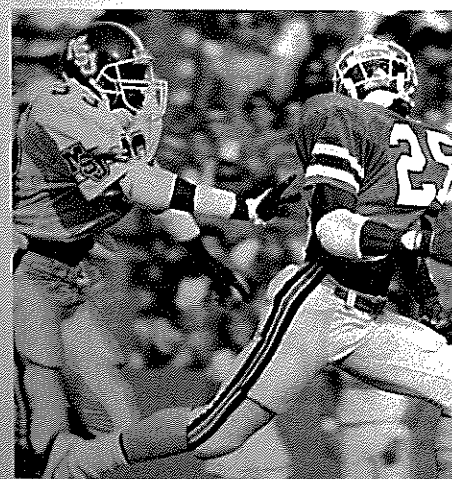

Florida State and Florida have met two common opponents this fall—Miami and Auburn. Florida has defeated 31-4 at Miami and the Seminoles suffered a heartbreaking 26-25 setback to Miami in Tallahassee. Florida lost at Auburn, 29-6, while FSU posted an impressive win at Auburn a week later, 34-6...

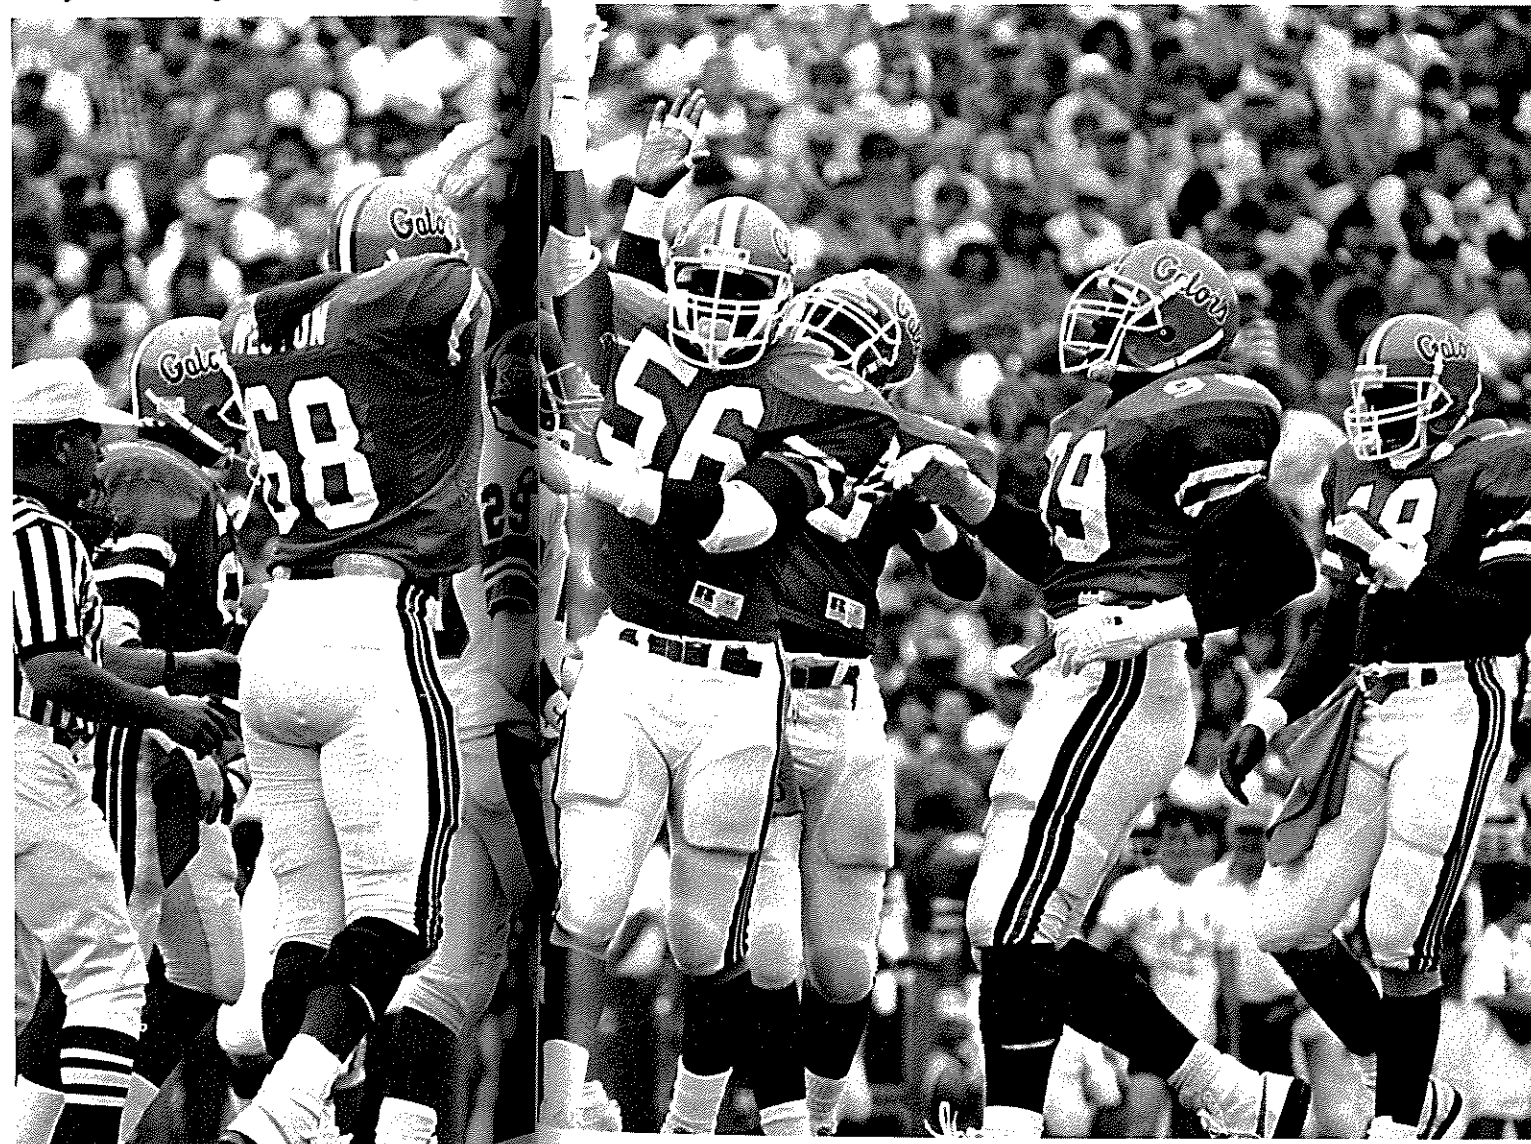

David Williams will have to lead the offensive line while...

Emmitt Smith looks to establish a new Gator rushing mark and...

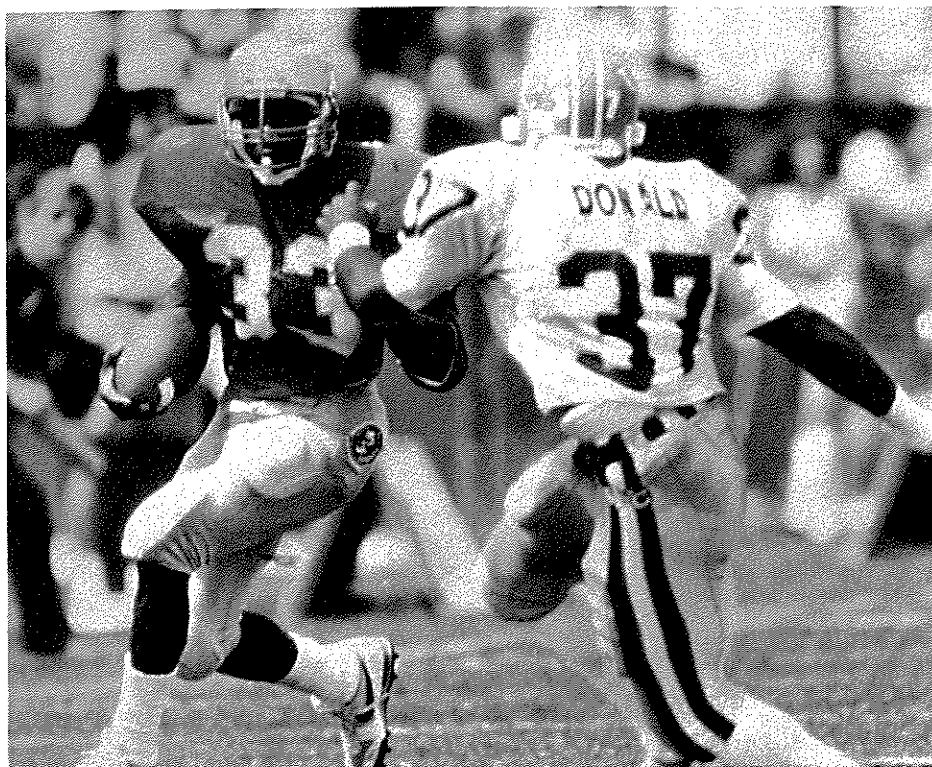

Stacey Simmons looks to haul in QB Kerwin Bell air strikes.

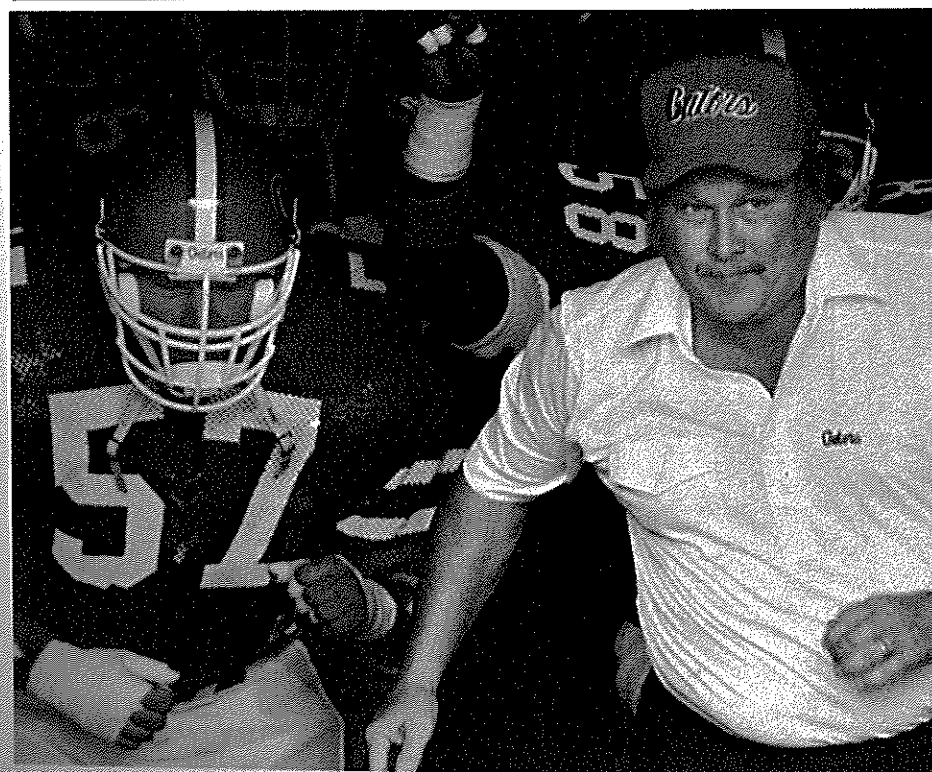

Florida's defense will have to have more moments like these, as Florida State's offense is in the nation's top ten in rushing offense (271.6 ypg), total offense (495.0 ypg) and scoring offense (42.2 ppg).

TODAY'S GAME

FSU's Sammie Smith has averaged 7.2 yards per carry this season. He needs just 21 yards to set the Seminole single-season rushing record.

Coach Hall's career record stands at 29-10-1, a .737 winning percentage. He is undefeated at 3-0 versus the Florida State Seminoles.

... Florida State has a Smith of their own, Sammie. Smith needs just 21 yards to erase Greg Allen's single-season FSU rushing mark of 1,134 yards. Smith is a 222-pound sophomore and defending Metro Conference 100-and-200-meter sprint champion. He's averaged 7.2 yards per carry this season...

Says Florida QB Bell about FSU's defense, "Their defense is awesome. They are big, fast, quick and strong from the line to the secondary. Adds Gator FS Louis Oliver about the FSU offense, "Florida State has a fantastic offense that has seemed to improve from week to week. They have a great running back in Smith and have a great quarterback in Danny McManus. When he's hot, they're tough to beat."

Florida State Head Coach Bobby Bowden, in his 22nd year as a head collegiate coach (12th season at FSU), is Florida State's all-time winningest coach. He owns four of the six total FSU wins in this series.

GABBIN WITH GALEN

Head University of Florida Football Coach Galen Hall...

"Florida State is a big challenge. I think they have as fine a team as there is in college football at the moment. They have so much talent and depth in every area and they are playing with confidence and poise.

"It's the case of a good football team playing a great football team, but it's here at Florida Field and it should be an exciting contest. FSU has always been good at throwing the football. Now they run it about as well as anybody in the country. Defensively, they are the most talented group Coach Bowden has had since their Orange Bowl teams.

"In order to have a chance to win we have to play 60 minutes of football to the very best of our ability. It will take a total team effort."

My Number One Pick? Ford!

It should be yours too, because I think the Ford Dealers here in Florida and South Georgia are Number One. And they've been Number One in truck sales here for over 19 straight years – out-selling Chevy and all the imports combined.*

They got to be Number One by working hard and making great deals on great Ford products ... like Thunderbird Turbo Coupe, Motor Trend's 1987 Car of the Year.

Being Number One counts for a lot with me. That's why my Number One pick is Ford ... and the Florida and South Georgia Ford Dealers.

GALEN HALL—HEAD COACH

Galen Hall
Head Football Coach

In three years at the helm of the University of Florida football program, Galen Hall has clearly demonstrated that he ranks with nation's finest coaches.

Hall's 23-6-1 combined record over the last three years ranked as the seventh best in the nation during the 1984-86 seasons. His 17-1-1 record during the combined 1984 and 1985 seasons was the best in the nation for a head coach during that two year period. Florida was the only team in the nation to be ranked in the final AP top five poll in each of the 1984 and 1985 seasons. He became the first coach in SEC history to go without a loss in his first 16 games as a head mentor when he achieved that distinction during the 1984-85 seasons. He became the first coach in Gator history to lead Florida to a number one ranking in a wire service poll, an achievement that UF registered after posting a 14-10 win at Auburn in 1985. In addition, Hall compiled a sparkling 9-2-0 record vs. Florida's prime rivals (Auburn, Georgia, Florida State, Miami) during the 1984-86 seasons, by far the best winning percentage (.818%) in that category for a coach in school history.

The above achievements demonstrate and showcase Hall's coaching abilities but they do not do total justice to what he has meant to the University

of Florida and to the Gator football program. His quiet but very determined leadership has kept the Gator football program strong despite numerous diversions and limitations over the course of the past several years. He, his staff and his squads have dealt with as much adversity as any program in the nation the last few years. Through it all, however, Galen Hall continually demonstrated superior positive leadership qualities that brought the Gator program thru these very rocky times. He has maintained a solid foundation for future success despite some very severe limitation and he has, unquestionably, interjected his own high level of personal integrity into the Florida football program.

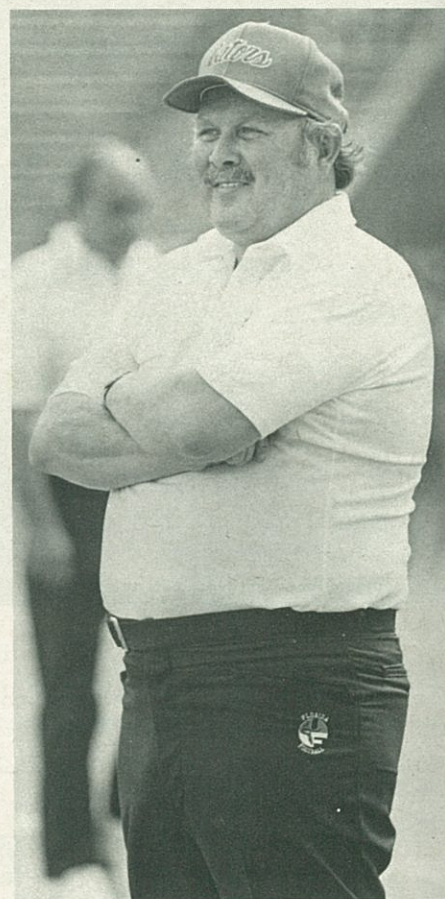

Hall inherited, on an interim basis, a Florida team that stood at 1-1-1 after the first three games of the 1984 campaign and was faced with a tremendous amount of pressure and diversions as a result of an NCAA investigation. Hall responded to that challenge by leading a group of young men through the turmoil to eight straight victories, the school's first-ever first place finish in the SEC standings, and a final AP national ranking of third—the best in Florida history. He was officially named Florida's new head coach in the locker room at Lexington, KY moments after the Gators posted a dramatic 25-17 win over Kentucky to post a final 5-0-1 league record, the first time in school history that UF had posted the best seasonal mark in SEC play since the conference was formed in 1933. He was named "SEC Coach of the Year."

The 1985 season was again dominated by success. The Gators got off to a 7-0-1 start, just the second time in school history that a Gator contingent was unbeaten after its first eight games of the season. When Florida defeated Auburn 14-10, in the eighth game of the year, the Gators were ranked number one in the nation by AP, the first time in school history that UF had achieved the top ranking in a wire service poll. That win also raised Florida's unbeaten streak to 18 games, the

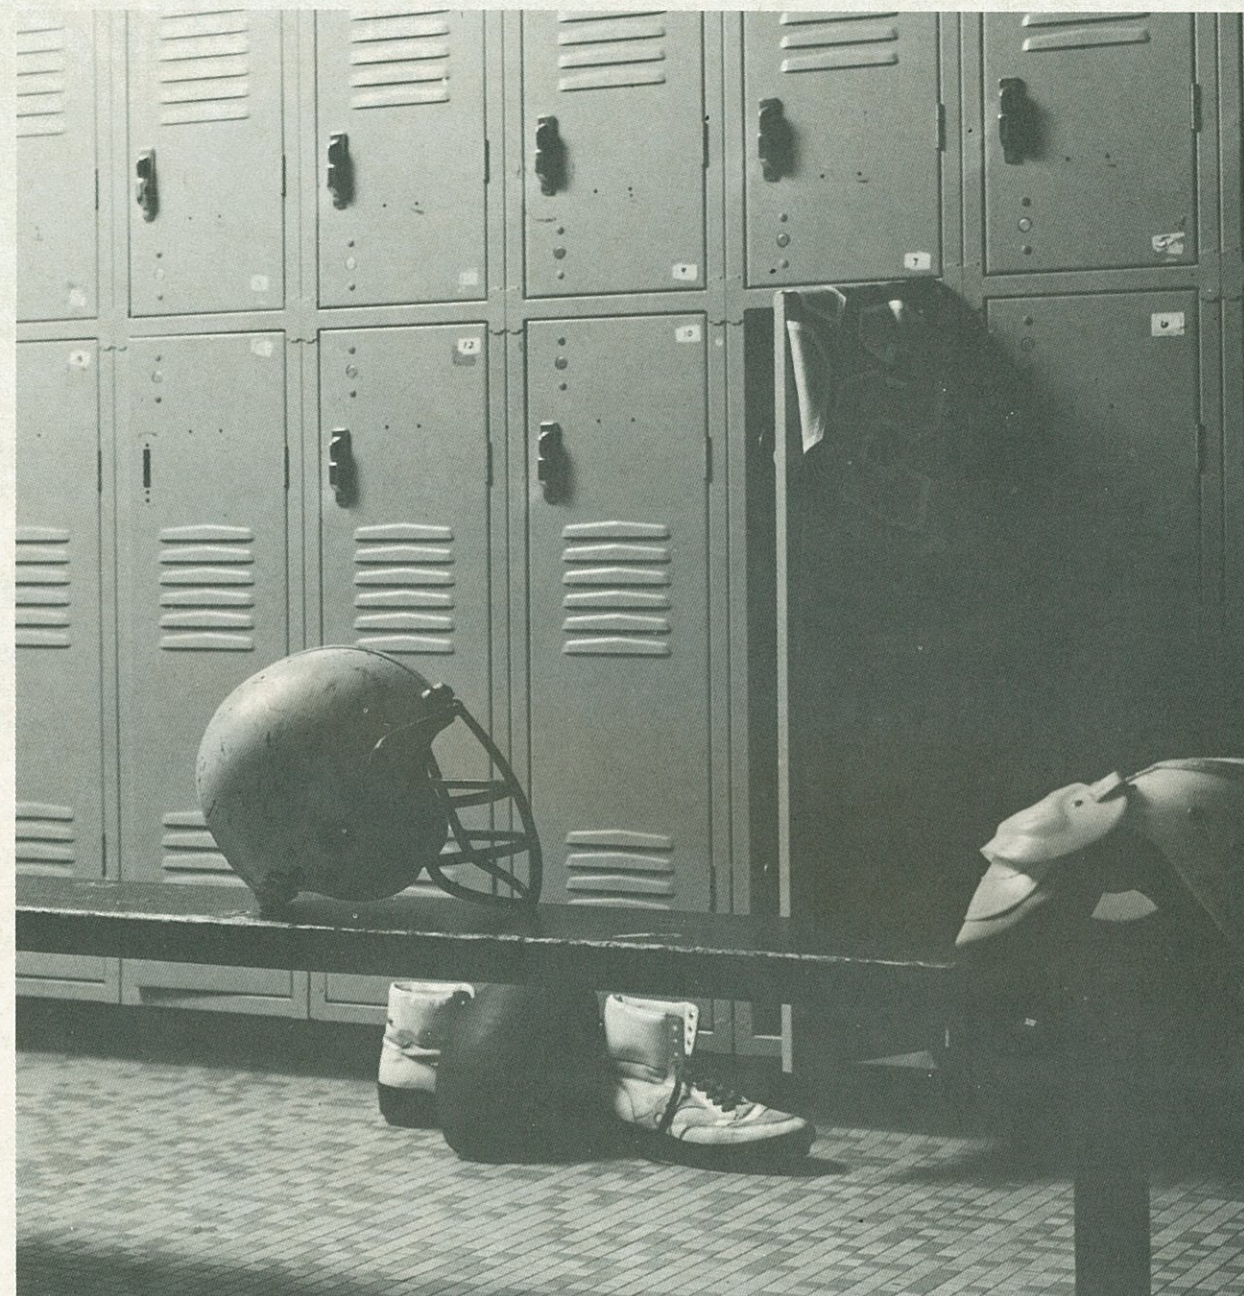

best in school history. The Gators went on to post a final 9-1-1 record for the second consecutive year and a final AP national ranking of fifth, the second best final ranking in school history. For the second consecutive year Galen Hall led Florida to a first place finish in the SEC with a league record of 5-1.

Florida posted a 6-5 record in 1986 but Hall might very well have done his best coaching job. Hall and his staff faced a schedule in 1986 that the NCAA ranked as the toughest in the nation. Saddled with sanctions that severely reduced his club's depth due to 75 scholarships instead of the normal 95, Hall brought his squad back from a 1-4 start to win five of the last six games of the season including upsets of Auburn, Georgia and Florida State. The '86 Gator squad was just the fourth

(CONTINUED ON P. 30)

Under Hall's guidance, Florida was the only team in the nation to post AP top five finishes in the 1984 and 1985 seasons.

GALEN HALL—HEAD COACH

(FROM P. 28)

squad in school history to post wins over Auburn, Georgia, and Florida State in the same seasons.

Hall's achievements at Florida may have surprised most people, but a review of his past makes one realize that it is just the latest chapter in a pattern of success that has followed him throughout his 30 year association with intercollegiate athletics. Prior to joining the Florida staff in February of 1984 as Offensive Coordinator, he had served as an assistant coach at Oklahoma for 18 seasons (1966-72 as running back and receiver coach and 1973-83 as offensive coordinator). During his association with the Sooner program, Oklahoma won two national championships, ten Big Eight Conference titles, appeared in 13 bowl games and finished ranked in the nation's Top Ten final poll 11 times. In addition, during his eleven years as the offensive coordinator, the Sooners annually ranked among the nation's top three teams in scoring, rushing offense, and total offense. Joe Washington, Billy Sims, Greg Pruitt and Elvis Peacock were just some of the outstanding backs he coached.

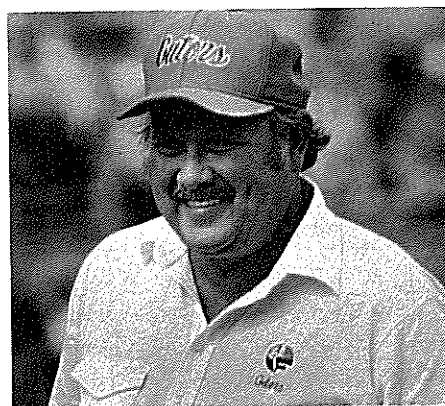

Hall came to Oklahoma in 1966 after

serving as receiver and backfield coach at West Virginia during 1964 and 1965. In that short two-year period, however, he earned a reputation as one of the country's young rising coaching talents. That reputation led to the opportunity at Oklahoma and he responded to the challenge by playing a very big part in the Sooners' high national profile during the next 18 seasons.

As a collegiate player, Hall was also part of a program that is associated with success—Penn State University. Hall was a quarterback for the Nittany Lions from 1959 to 1961. He was a starter at that post in each of his last two seasons of play and led the squad to bowl game appearances both years.

Throughout his three decade involvement with college football, Hall has been associated with winning and successful programs. His leadership abilities have been a very big part of the success that each of those programs have enjoyed while he has been a part of the respective organization.

Hall was born in Altoona, PA on August 14, 1940 and he graduated from Williamsburg (PA) High School in 1958. He was an all-state prep quarterback in 1957 and then continued his football career at Penn State. He

started for the Nittany Lions at quarterback under coach Rip Engle in 1960 and 1961. In 1959 as a sophomore, he passed 19 yards for a touchdown off of a fake field goal play to beat Alabama, 7-0, in the Liberty Bowl. As a junior he quarterbacked Penn State to a 42-19 victory over Oregon State in the '60 Liberty Bowl. In 1961 he threw for three TD's and was named the MVP as the Nittany Lions defeated Georgia Tech, 30-15, in the Gator Bowl. He played pro football with the Washington Redskins and New York Jets in 1962 and 1963 before beginning his coaching career in 1964.

Hall and his wife, Elaine, have five children: Alan (26), Kelly (20), Jill (20), Jennifer (18), and Bo (13).

HALL'S CAREER HIGHLIGHTS

FLORIDA—CAREER NOTES

- Gators have posted nation's seventh best combined winning percentage (75.8%) over the past three seasons (1984-86), 23-6-1
- His 17-1-1 record in his first two years at the helm (1984-85) represented the best winning percentage (92.1%) for a new head coach in his first two years as a coach in SEC history
- He became the first coach in SEC history to go 16 games as a head mentor before suffering his first setback
- First coach in Florida history to lead Gators to back-to-back first place finishes in the SEC (1984-85)
- First coach in Florida history to post back-to-back five conference win seasons (1984-85)
- First coach in Florida history to lead the Gators to back-to-back top five national AP ranking (1984-85)
- First coach in Florida history to lead the Gators to two consecutive nine win seasons (1983-84, 1984-85) and three consecutive nine win seasons (1983-85)
- His 9-2-0 record in 11 head-to-head meetings with Auburn, Georgia, Florida State and Miami is the best in that category in school history
- He's the first coach in UF history to defeat Auburn and then Georgia on back-to-back weeks twice (1984 and 1986). Overall, Florida has registered this rare double just five times in its history (1956, 1962, 1973, 1984, 1986)

FLORIDA (1986)

- Posted wins over Auburn and then Georgia on back-to-back weeks for just the fifth time in school history
- Posted wins over Auburn, Georgia and Florida State in the same season for just the fourth time in school history

FLORIDA (1985)

- Posted a 9-1-1 record, a mark that tied a school record for best regular season record in UF history
- UF was ranked 5th in final AP poll, the second best final wire service ranking in school history
- Squad tied a school record when it went eight games at the start of the season before suffering a defeat
- Squad stretched its two-season unbeaten mark to 18 games before suffering a setback in the ninth game of the season
- Posted a 5-1 record in SEC play to finish first (tie) in the league
- After defeating Auburn, 14-10, squad was ranked first in the nation by AP, the first time in school history a UF squad achieved the top ranking from a wire service poll

FLORIDA (1984)

- Led Florida to an 8-0-0 record after taking over the helm
- Led Florida to a 5-0-1 record in SEC play and the school's first-ever first place finish in the conference
- Florida finished third in the final AP rankings, the best in school history

- 9-1-1 season record was best regular season mark in school history
- Florida was named national champion by the New York Times and by the Sporting News
- He was named "AP Coach of the Year" in the Southeastern Conference

OKLAHOMA (1966-83)

GATOR! OFFENSIVE COACHES

The Florida offensive coaching staff boasts nearly seventy years of combined collegiate coaching experience. Over the past few seasons the Gators have received national recognition as a result of an offense that has ranked among the country's best in rushing, passing, total offense and scoring.

The Gator offensive staff is coordinated by Head Coach Galen Hall. He is assisted by Phil Maggio (line), Mike Heimerdinger (wide receivers and quarterbacks), Larry Kirksey (backs), and Jerry Anderson (tight-ends).

Phil Maggio joined the Florida staff in 1980 as the squad's offensive line coach. He has held that post throughout his tenure at Florida and has greatly improved this aspect of the UF unit. His 1984 unit, dubbed "The Great

Wall of Florida," might well have been the finest collegiate offensive line in history. Two of Maggio's players, tackle Lomas Brown and guard Jeff Zimmerman, have been accorded first-team All-America honors under his guidance. Brown was selected in the first round of the NFL Draft in 1985. Three members of the 1984 line, tackles Lomas Brown and Crawford Ker and guard Billy Hinson, played in the NFL in 1985. Zimmerman was a third round selection of the Dallas Cowboys in 1987. Maggio is a 1966 University of Florida graduate. He coached high school ball in the Tampa area until joining the Florida staff in 1980.

Mike Heimerdinger is in his fourth year as an offensive assistant. He graduated from Eastern Illinois in 1975 and coached in high school and at Air Force

and North Texas State before joining the Gator staff in 1983. Heimerdinger has played a big role in developing a high powered Florida passing attack that ranked first in the SEC and eleventh in the nation in 1986. In addition, the '85 offense tied a school record for most TD receptions in a season (24) and accumulated 2,924 yards in passing, the second best seasonal total in school history. Ricky Nattiel completed his career as one of the most productive receivers in UF and SEC history. Nattiel was a first round NFL Draft selection in 1987 (Denver).

Larry Kirksey is in his fourth year as running back coach at UF. Kirksey graduated from Eastern Kentucky in 1973. He coached at Miami of Ohio (1974-76), Kentucky (1977-81), Kansas (1982) and then was named head coach at Kentucky State in 1983. He held that post for a year before becoming a valued member of the UF staff in the spring of 1984. In the spring of 1986, Kirksey saw FB John L. Williams and RB Neal Anderson get selected in the first round of the NFL Draft by Seattle and Chicago, respectively. Their selection marked the first time since 1971 that two backs from the same collegiate team were selected in the first round of the NFL Draft. In addition, one other Gator back, RB Lorenzo Hampton, was selected in the first round of the 1985 NFL Draft by the Miami Dolphins.

Jerry Anderson is the newest member of the Gator offensive staff. He is in his third year coaching the tight ends. In addition, Anderson also coordinates Florida's special teams. Anderson is a 1968 UF grad. He was co-captain of the 1967 Orange Bowl squad as a middle guard. After coaching the high school ranks in the Miami area from 1968-76, he joined the Vanderbilt staff in 1977. He coached at Miami (1978), Army (1979-82) and Central Florida (1983-84). He served as interim head coach at Central Florida for much of the 1984 season. He joined the UF staff in the spring of 1985.

Jerry Anderson (Tight Ends), Mike Heimerdinger (Wide Receivers and Quarterbacks), Phil Maggio (Offensive Line), Larry Kirksey (Running Backs).

DEFENSIVE COACHES

Defense. Any coach will tell you that to be successful you must play very good defense. Florida's ranking of second, first, first, and third respectively in total defense in the SEC the past four years is solid evidence that the Gators tough defense has been the backbone of the squad's fine 33-9-3 combined record from 1983-86.

Florida's 1987 defensive staff, which has over 70 years of combined collegiate coaching experience, is coordinated by Zaven Yaralian who is in his second year at the helm. He is assisted by Dan Brooks (line), Dan Coughlin (line), Jim Dickey (inside linebackers), and Ty Smith (outside linebackers).

Overall, Yaralian is in his fifth year with the Gator staff. He came to Florida in 1983 as defensive back coach, a post he held until being elevated to the coordinator's post in January of 1986. In his first year as coordinator in 1986, the Gators ranked 16th in the nation in total defense and fourth in the country vs. the pass (117.0 ypg). Opponents registered just four TD passes the entire year, none in the last 27 quarters of play. Opponent QB's compiled a lowly

91.8 passing efficiency vs. Florida. Strong-safety Adrian White and cornerback Jarvis Williams earned All-SEC and second team All-America honors. White was selected in the second round of the NFL Draft by the NY Giants.

Yaralian, a 1974 graduate of Nebraska, served as defensive back coach at Washington State (1976-77) and Missouri (1978-82) before joining the UF staff in 1983.

Dan Coughlin, a 1960 Miami (Fla.) graduate, has an extensive coaching background. He coached at the high school ranks from 1962-72. In 1973 he became a defensive staff member at the University of Kentucky, a post he held until 1981. After serving as an administrative aid at UF during 1982, he returned to coaching when he was named a defensive line coach with the Gators in 1983.

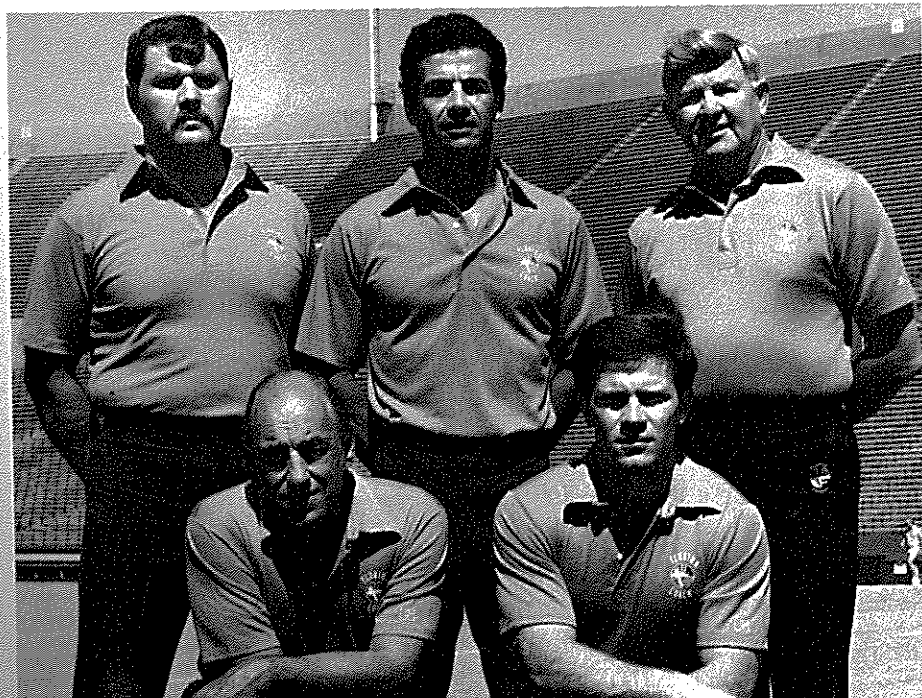

Coughlin is assisted on the defensive line by Dan Brooks, a member of the staff since 1983. Brooks, a 1976 graduate of Western Carolina, primarily concentrates on the middle guards. He coached at the high school level in North Carolina from 1976-82 and then

joined the UF staff as a grad assistant in 1983. He was elevated to full-time status in 1985.

Over the past few seasons Coughlin and Brooks have coached defensive lines at UF that have ranked among the toughest in the nation vs. the rush. The '84 Gator unit allowed just three rushing TD's the entire season. MG Tim Newton was a second team All-America in 1984 and was named to the NFL All-Rookie Team in 1985. MG Jeff Roth and DT Rhondy Weston were Sophomore All-America selections in 1986 while DT Keith Williams was a first-team All-SEC choice.

The outside linebackers are coached by Ty Smith, a 1979 Western Carolina graduate, who has been a full-time member of the UF staff since 1983. Smith has coached two first-team All-America selection at UF; Wilber Marshall (1983) and Alonzo Johnson (1984-85). Marshall, a first-round choice in the NFL Draft by Chicago in 1984 who earned All-Pro status in 1986, was named the "National Defensive Player of the Year" by ABC-TV in 1983. Johnson, a second round NFL selection by Philadelphia in 1986, was one of five finalists for "Butkus Linebacker of the Year Award" in 1985. In 1986, junior Clifford Charlton was a consensus first-team All-SEC choice and senior Ron Moten became a sixth round selection in the NFL Draft by Philadelphia this past spring.

Inside Linebacker Coach Jim Dickey is the newest member of the UF staff. The 1956 University of Houston grad became a part of the Gator staff in the spring of 1986. He has 25 years of collegiate coaching experience. He was an assistant coach at Houston (1962-65), Oklahoma State (1966-69), Oklahoma (1970-72), Kansas (1973-74) and North Carolina (1975-77). He was the Head Coach at Kansas State from 1978-85 before becoming part of the UF staff in 1986. His first inside linebacking contingent in 1986 saw Scott Armstrong get drafted by the Dallas Cowboys and Pat Mooror earn All-SEC Freshman Team honors.

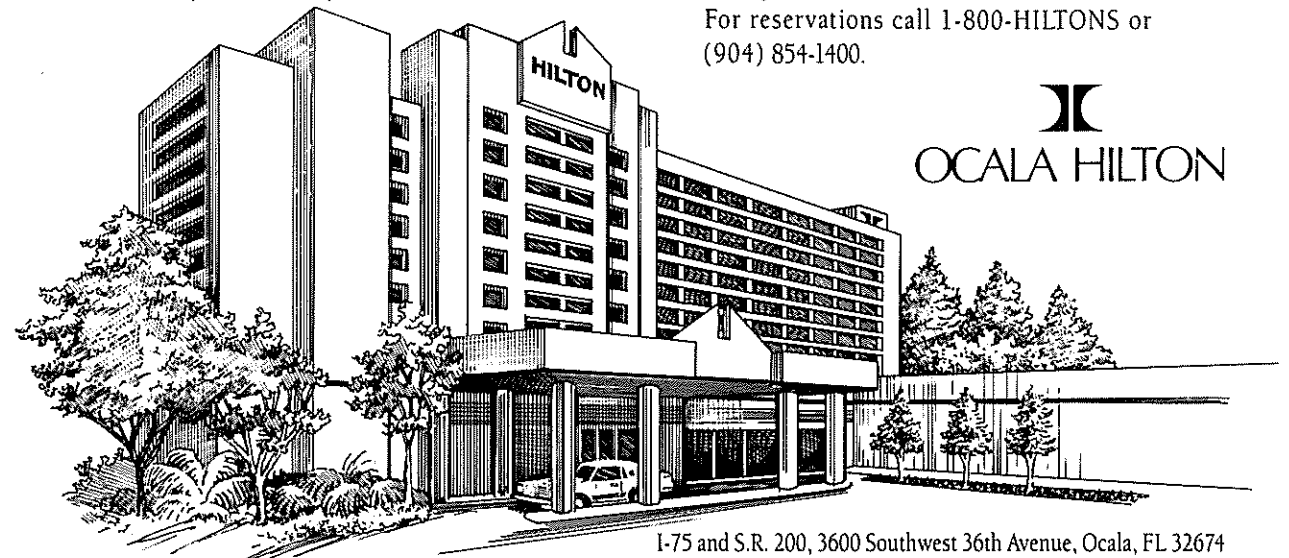

Front Row (L-R)—Dan Coughlin (Line), Ty Smith (Outside Linebackers); Back Row—Dan Brooks (Line), Zaven Yaralian (Coordinator and Secondary), Jim Dickey (Inside Linebackers).

FLORIDA ATHLETIC PROGRAM

The University of Florida, a charter member of the prestigious Southeastern Conference, is fast developing a national reputation for across-the-board athletic excellence that ranks among the best in the nation.

Over the course of the past few years, a talented and dedicated coaching staff has achieved a great deal.

- ★ Florida's combined men's and women's programs was ranked among the five most successful in the nation in each of the 1983-84 and 1984-85 athletic years. The Gator athletic program was the sixth most successful in the nation in 1986-87. The women's program was rated the fourth best in the country.
- ★ Florida's 37 total SEC titles since the start of the 1979-80 athletic year represents the most league crowns for a conference member during that period.
- ★ Florida led all SEC schools in the number of league championships claimed with six during the 1986-87 athletic year (women's golf, women's tennis, women's swimming, men's cross-country, men's indoor track, men's outdoor track.)
- ★ Florida has led the SEC in the number of league championships claimed in a given athletic year in each of the past four seasons.
- ★ The Florida program has claimed at least one national championship in six of the past seven years.
- ★ During the 1984-85 year, six Gator teams finished the season ranked among the top three in the nation in their respective sport. Seven Gator contingents finished the year ranked in the top ten during the 1985-86 year. Five Gator squads were among the top six teams in the nation in their sport during the 1986-87 year.

The Gator basketball team played in its fourth consecutive post-season tournament in 1987 while making its first-ever NCAA Tourney appearance on the way to posting a school record 23 wins. Florida advanced to the NCAA's final round of 16 before bowing to Syracuse, the eventual national runner-up. Their achievements were part of an extremely successful 1986-87 athletic year. Overall, the combined men's and women's program at UF was rated the sixth most successful in the nation this past year.

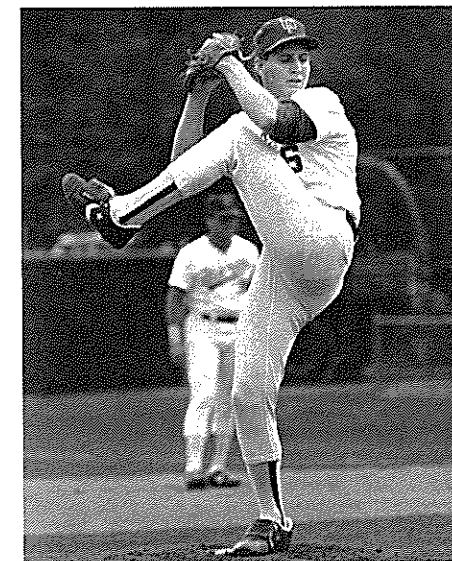

The Lady Gator gymnasts finished sixth at the NCAA Championships in 1987 after claiming the NCAA Southeast Regionals and finishing second at the SEC's. Florida is one of only three schools in the nation that has participated in each of the six NCAA Gymnastic Championships held this decade.

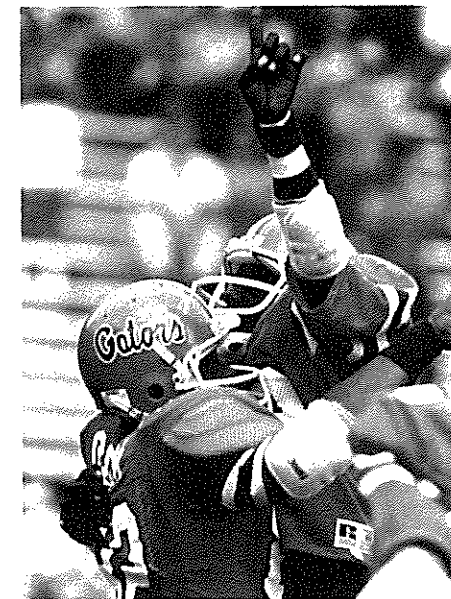

The Lady Gator golfers, winners of the national title in 1985 and 1986, captured their fifth SEC title in the past seven years during 1987. They finished third at the NCAA's. They have never finished lower than fifth at the national championship since 1982. The men were selected to participate in the NCAA Championship for the fifth consecutive year.

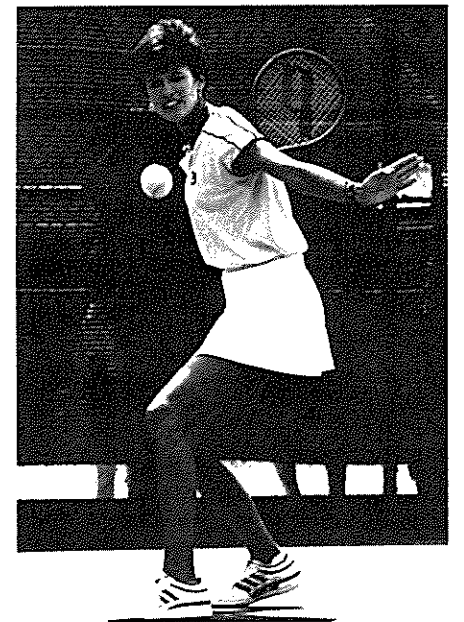

Florida's swim program continued to distinguish itself in 1987. The men's squad finished third in the nation and the women third while also claiming their sixth SEC title in the past seven years. The men have finished among the nation's top five teams in each of the last nine NCAA Championships while the women have finished in the top three in each of the past six national championships.

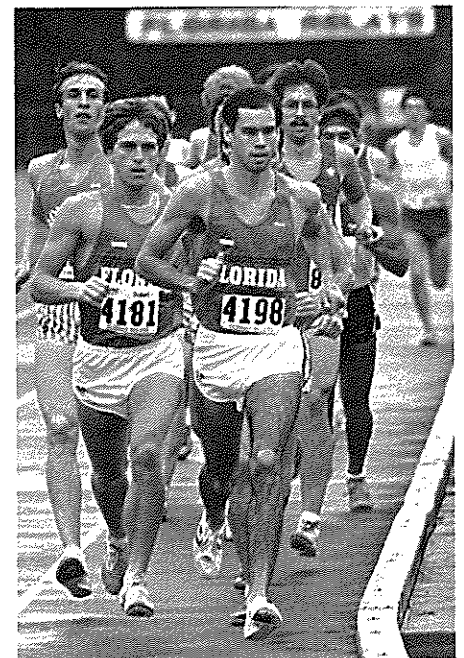

Florida appeared in the annual SEC Baseball Tournament for the tenth time in the past eleven years in 1987. During the past eleven years, Florida has appeared in more SEC Baseball Tournament Championships than any other conference school.

The Gator grid squad has compiled the seventh best combined record in the nation since the start of the 1983 season.

The women's tennis team compiled a sparkling 29-1 dual meet record in 1987, captured their seventh SEC title in the last eight years, and advanced to the semifinals at the NCAA Championships in May. The men finished fourth at the SEC's and were ranked in the nation's top 25 for the entire year.

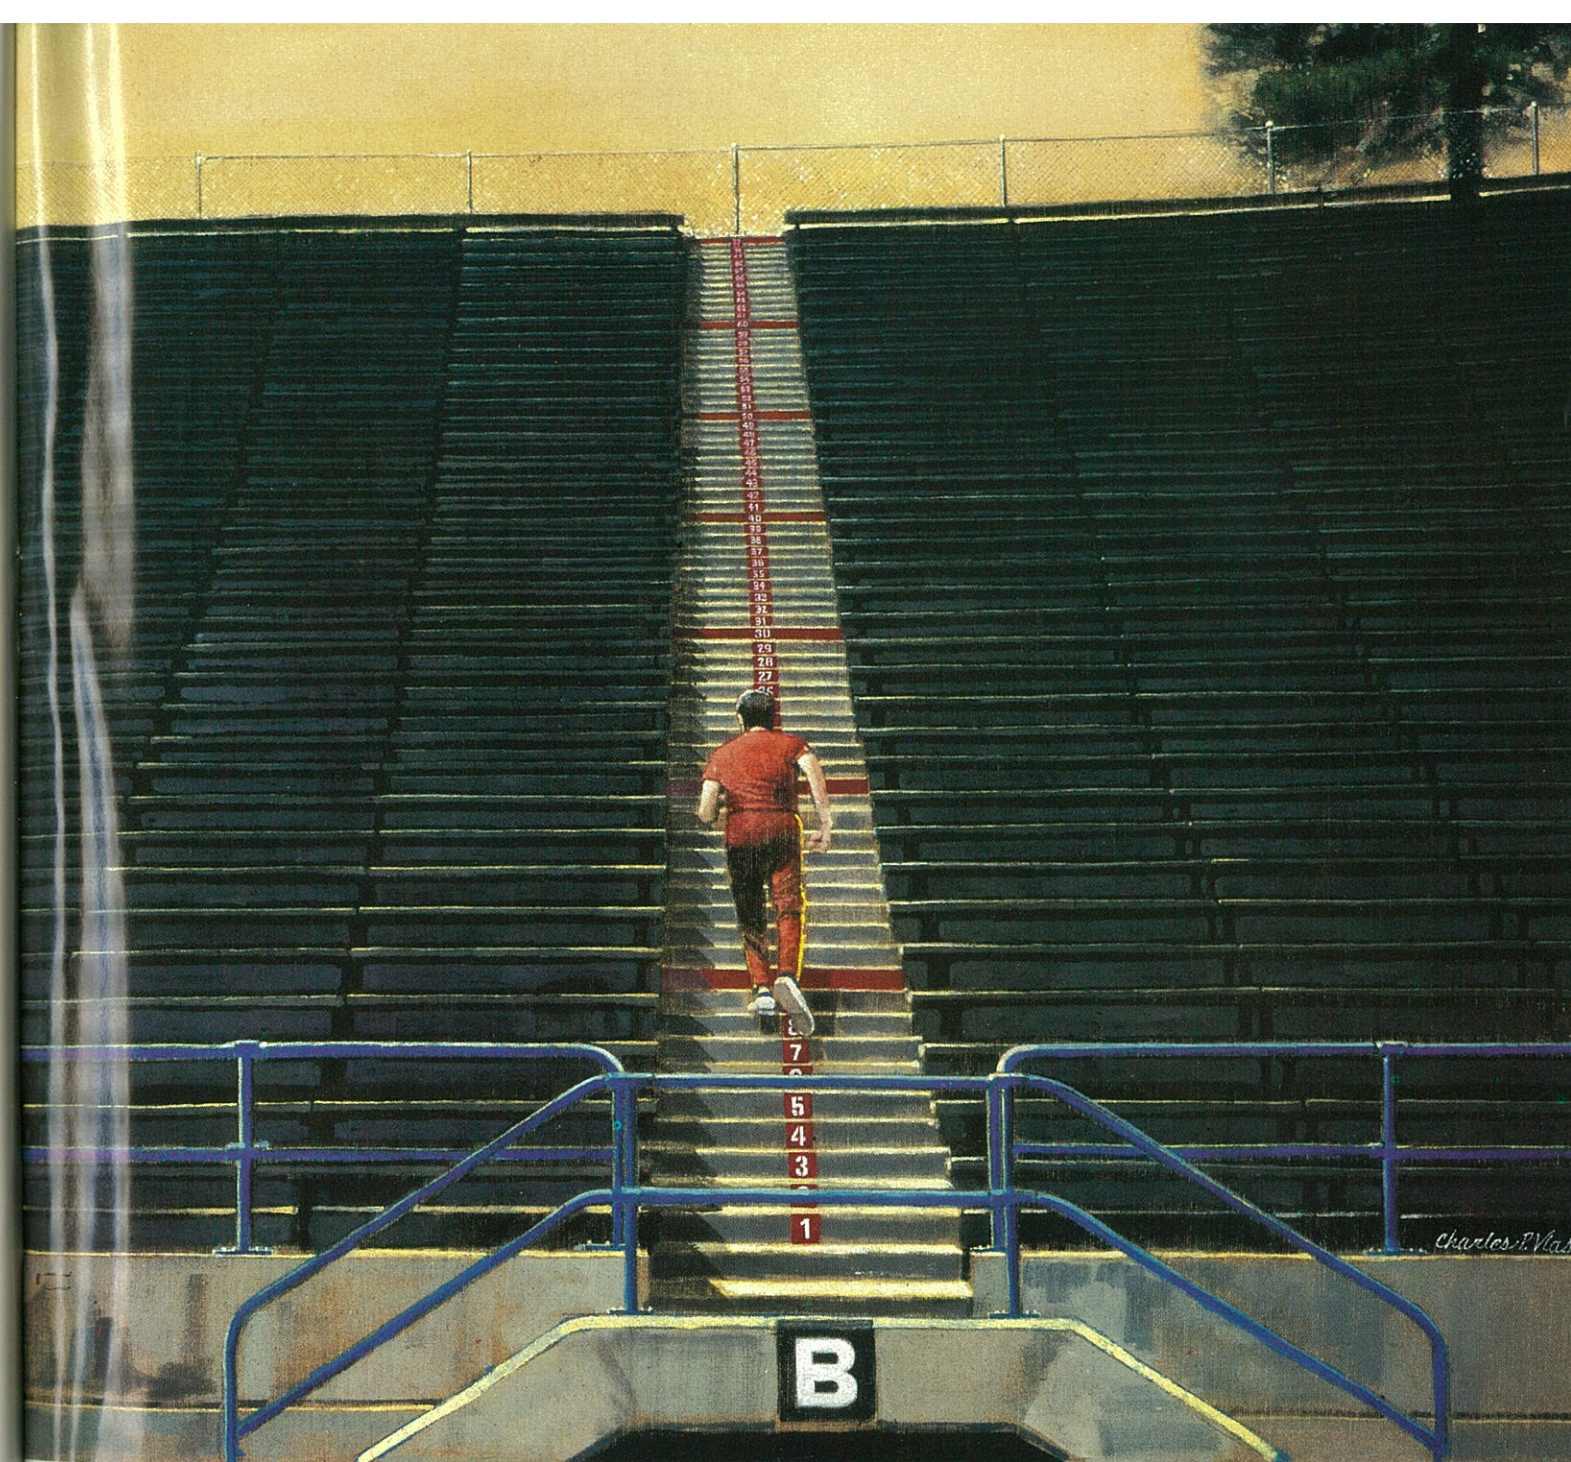

Florida's men's track team turned in its most spectacular year in school history during 1986-87 as it captured the school's first-ever "SEC Triple Crown" in winning league championships in cross-country, indoor track and outdoor track. They finished 15th at the NCAA Outdoor Championships. The women tied for second at the SEC Indoor Championships and finished third at the league outdoor championship. They finished 11th at the NCAA Indoor Championships and 13th at the NCAA Outdoor Championships.

FLORIDA STATE UNIVERSITY

Florida State is the University which boasts of such diverse assets as the world's most powerful supercomputer and the greatest all-collegiate show on Earth, the Flying High Circus.

Located in Tallahassee, the capital of Florida, FSU is a public, coeducational university and a senior member of the State University System.

About 23,500 students representing all 50 states and more than 100 foreign countries work toward more than 250 different graduate and undergraduate degrees in the 15 schools and colleges of Florida State. The colleges of arts and sciences, business, communication, education, engineering, home economics, law and social sciences combine with the schools of criminology, library and information studies, music, nursing, social work, theatre and visual arts to make FSU a nationally acclaimed university.

The Florida State campus, located just a few blocks from the state Capital, is one of the most beautiful in the southeast. Traditional Gothic-style structures combine with the latest in modern architecture, all brought together by an array of oaks, pines, palms, dogwoods and azaleas. The natural beauty of the 347-acre main campus mirrors the picturesque features of the surrounding North Florida region.

Florida State was founded in 1857 as the Seminary West of the Suwannee River. Governor Millard Caldwell signed a bill in 1947 which again made the institution coeducational and named it Florida State University.

The FSU Supercomputer Computations Research Institute has attracted international attention to the University, home of the world's fastest supercomputer. The ETA 10 has the capacity to perform 10 billion calculations per second.

The University's location affords excellent research and internship opportunities in government, law and the social sciences. The reputation of Florida State's research programs, the

expertise of its more than 1,500 faculty members—including four members of the National Academy of Sciences—and the quality of the graduate students involved in research represent major strengths of the University.

Programs in music, dance and theater at Florida State have earned well-deserved national recognition. The visual and performing arts exhibited and produced on campus offer students and the community a wealth of enrichment opportunities.

Florida State is setting the pace as higher education in Florida prepares to enter the 21st century. And President Sliger takes pride not only in the academic programs and facilities of the University, but also in the people—students, faculty, alumni, administrators

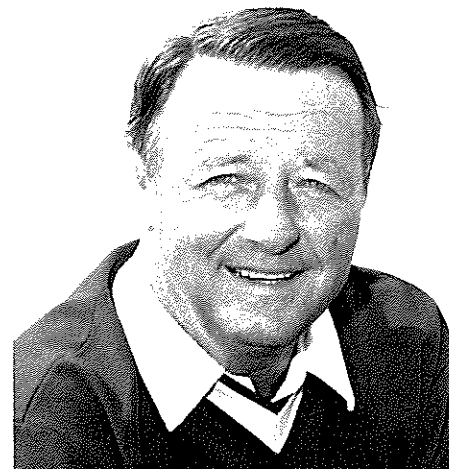

and staff—who make Florida State a successful monument to learning.

FLASHBACK: FLORIDA-FLORIDA STATE

FLORIDA-FSU HAS PRODUCED ALL THE INGREDIENTS WHICH GO INTO A CLASSIC SERIES. THERE HAVE BEEN GREAT COMEBACKS, CLOSE WINS, BRILLIANT INDIVIDUAL PERFORMANCES, DYNAMIC COACHES, HEAVY MEDIA ATTENTION AND, OF COURSE, CONTROVERSY.

Fans of the Orange & Blue remember Steve Spurrier (left) motioning Charlie Casey (far right)...

By Norm Carlson

Three decades of football competition between Florida and Florida State will elapse with Saturday's 30th contest in a series which is a classic despite its youth.

This budding rivalry was memorable before it even started due to the heated debate between Florida officials, who said it as a no-win situation and didn't want the Seminoles on the slate, and FSU brass, who insisted their infant program deserved state gridiron scheduling equality.

Contrary to rumors which have sprouted since that time, there never was legislative mandate requiring this game to be played. There was, you might say, considerable pressure exerted to get the series started pronto.

Seminoles should salute wily Don Veller and ex-coach Tom Nugent for their part in this process, while former Gator Athletic Director and head coach Bob Woodruff did all he could to delay the inevitable.

It started with a bang in the ninth game of the 1958 season when FSU's Bobby Renn took a handoff on the opening kickoff and steamed 78 yards toward Florida's goal until Jimmy Dunn halted him on the 15-yard-line.

FSU scored moments later to take the first-ever lead of the series. It wasn't long, however, before big Dave Hudson of Pensacola blocked a Seminole punt and ran it in for a TD for the Gators to even the count. Dunn's two touchdowns and a stout Florida

Ricky Nattiel, now with the Denver Broncos, had a sparkling game versus Florida State in 1985. The speedster caught five passes for 161 yards to set the Gator single-game record for average yards per catch, 32.2.

It started with a bang in the ninth game of the 1958 season . . .

defense resulted in a 21-7 victory.

Dunn, who was named the game's MVP, had originally signed with FSU out of high school, but recanted and signed with Florida after the summer-time high school all-star game.

Florida-FSU has produced all the ingredients which go into a classic series. There have been great comebacks, close wins, brilliant individual performances, dynamic coaches, heavy media attention and, of course, controversy.

Fans of the orange-and-blue remember Steve Spurrier motioning Charlie Casey into the end zone for the winning TD catch in a last-second 1965 rally, the

defense shutting down All-American Ron Sellers on national TV for a 9-3 victory in Tallahassee in 1968, the 0-5 Gators whipping the 5-0 'Noles 17-15 in 1971, the Nat Moore-led 1972 team stomping favored FSU 42-13 the next year, and the current six-game UF winning streak highlighted by last year's gutsy comeback in the rain at Doak Campbell Stadium.

Wearers of the garnet-and-gold no doubt recall FSU's first win in the series, 16-7 in Tallahassee behind Steve Tensi-to-Fred Biletnikoff; the Lane Finner catch, or non-catch, in 1966; a dazed Kim Hammond coming off the bench to find Sellers in the Florida Field north end zone for a 21-16 win in 1967, and the four-game winning streak generated from 1977-80.

Obviously, both sides remember far more than that.

The series has had strong coaching personalities from the start. Florida's

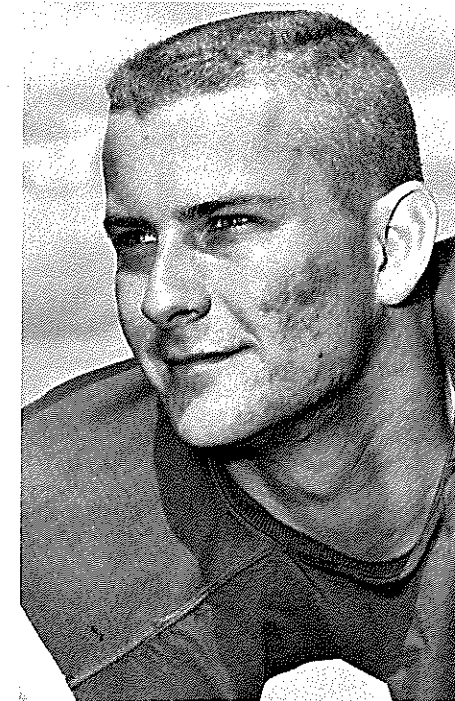

Woodruff was a gruff, defensive-minded, no-nonsense man, while FSU's Nugent was a coaching free spirit who invented the I-Formation and thought nothing of taking chances such as a reverse on the opening kickoff of the first game.

Florida's Ray Graves brought wide-open offense to the fore with the passing of Spurrier-to-Casey, to Richard Trapp, Jack Harper and many other talented receivers. His Seminole counterpart and good friend was Bill Peterson, who couldn't remember names very well, but was an offensive genius copied by NFL coaches.

Doug Dickey's Florida teams were physically overpowering outfits who muscled the finesse-oriented Seminoles of the mid-1970s. Bowden, the witty southern charmer, restructured the FSU offense with a two-quarterback tandem of Jimmy Jordan and Wally Woodham, combined it with exceptional defensive play, and ran up his school's longest winning streak.

Now the Gators have Galen Hall, who is 3-0 against the Seminoles and 9-3 in Florida games against the top rivals of FSU, Auburn, Georgia and Miami.

The kickoff of the 30th Florida-FSU football game is nearly here. More memories to follow.

... into the endzone for the winning TD catch in a last-second 1965 rally.

GATOR! GATOR TALK

By Norm Carlson

This is the final regular season game for a special group of Gator seniors who have faced adversity with strength as a resilient group of athletes who should be long-remembered by Florida fans for what they have contributed to this program.

The negative aspects of the period leading up to NCAA probation and the years that followed touched no group harder than these seniors. This class had no athletes involved in any allegation but it took the heaviest blunt of the penalty.

Florida fans should thank them not only for the exciting performances but for staying together and sacrificing for the good of the long range Gator football program. Members of this class, faced with a three-year probation, could have transferred without losing

eligibility. Not one transferred.

This class was part of a team which won an SEC championship then saw it lost in a meeting six months later, part of other teams which knew before the seasons started that they would not qualify for a championship, television or a bowl.

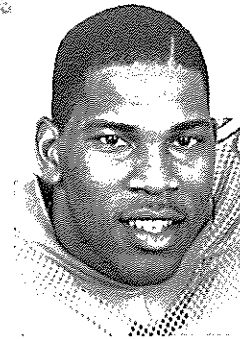

They saw the recruiting sanctions eat into the strength of the team.

Yet, through it all, these seniors go into today's final game against Florida State University with an overall record of 30-11-2 while playing a schedule twice ranked the nation's most difficult during their careers.

This group of seniors deserves the Aloha Bowl and the deep respect of every Gator fan. They have been the core of the bridge to Florida's football future. They have helped hold the ship upright until calmer waters were found.

Pat Pinner

Anthony Williams

Last year's recruiting was exceptional. This year's appears, at this stage, to be at least as good. The future of Florida football is bright and no group deserves more credit than the Class of 1987.

These are the Florida seniors who have been with the program since 1984, when some of them were in a redshirt freshman year:

Quarterback Kerwin Bell, defensive tackle Henry Brown, outside linebacker Clifford Charlton, outside linebacker Reggie Corlew, offensive tackle Jimmy Davis, inside linebacker Gerold Dickens, running back James Massey, defensive back Ricky Mulberry, tight end Walter Odom, offensive guard Pat Pinner, full-back Anthony Williams and defensive back Jarvis Williams.

They were joined by junior college transfers Bob Sims, a starting offensive guard, and wide receiver Ed Frazier.

Key walk-on seniors include kicker Paul Beavin, defensive back Ray Clark, offensive guard Dale Cole, quarterback Steve Ewing, quarterback Pepe Lescano, defensive back Steve Loden, placekicker Robert McGinty, wide receiver John Robinson, outside linebacker Dan Tecler and defensive back Trevor Welsh.
