CAMPING WORLD KICKOFF PREVIEW

FLORIDA STATE VS LSU

The Florida State Seminoles and LSU Tigers will square off in the Camping World Kickoff with high expectations entering the 2023 season. The two schools last met early in the 2022 season in New Orleans, with Florida State winning a 24-23 thriller. Jaray Jenkins scored a touchdown for the Tigers in the waning seconds to close the gap to one, but the Seminoles blocked the extra point to seal the victory. The Seminoles lead the all-time series 8-2, beginning in 1968, and the schools have combined for six national championships over the last 30 years.

LSU, ranked No. 5 in both the Associated Press and Coaches preseason polls, and Florida State, ranked No. 8 in both polls, concluded their 2022 seasons with bowl victories at Camping World Stadium. LSU jumped on Purdue early, scoring often en route to a 63-7 win in the Cheez-It Citrus Bowl. Florida State's Ryan Fitzgerald kicked the winning field goal in the final minute to push the Seminoles past Oklahoma 35-32 in the Cheez-It Bowl, one of the more exciting games of the bowl season.

Florida State (2022: 10-3, 5-3 ACC) begins 2023 riding a 6-game winning streak. The Seminoles finished second in the ACC Atlantic Division behind Clemson, completing the school's first ten-win season since 2016. FSU scored 35 or more points in each of their final six games. The Seminoles finished the season ranked No. 10 in the final Coaches Poll and No. 11 in the AP Poll and secured their 30th bowl victory.

The Seminoles offense has flourished under fourth-year head coach Mike Norvell since he arrived in December 2019 from Memphis. Over the last seven years, Norvell's teams have averaged 37.4 points per game, the third-highest average in the country among active coaches. Jordan Travis returns for his senior year at quarterback. He is one of four active players nationally with over 5,500 passing yards and 1,170 rushing yards. The Second Team All-ACC selection in 2022 is on multiple preseason watch lists, including the Manning, Walter Camp, Maxwell, and Davey O'Brien Awards. With 45 career passing touchdowns and 24 rushing touchdowns, Travis is the only FSU player to be top-ten in both passing and rushing TDs.

Trey Benson returns as the team's leading rusher from 2022, compiling 990 yards on 154 carries. The FSU Newcomer of the Year scored nine rushing touchdowns

and added a receiving touchdown to finish Second Team All-ACC. Benson is on preseason watch lists for the Maxwell, Paul Hornung, and Doak Walker Awards.

Jared Verse leads the Seminoles defense. The AP Preseason All-American led the ACC and finished 17th nationally with .75 sacks per game in 2022, and his 1.4 tackles for a loss per game ranked 2nd in the ACC and 10th in the nation. Verse is on multiple preseason award watch lists, including the Lombardi, Chuck Bednarik, Walter Camp, Bronko Nagurski, and Wuerffel Trophy.

After reaching last year's SEC title game, LSU (2022: 10-4, 6-2 SEC) enters the 2023 season under second-year head coach Brian Kelly, looking to return to the CFP National Championship game they last won in 2019. The Tigers won 9 of their first 11 games to start the 2022 season, earning key wins against Ole Miss and Alabama to secure the SEC West title. Despite falling to eventual National Champion Georgia, LSU roared back to obliterate Purdue in the Citrus Bowl.

Kelly has more wins (294) than any active head coach in FBS, and his victory in last year's Citrus Bowl marked the 11th time he led a team to 10 or more wins at the FBS level. Leading LSU's attack, senior Jayden Daniels was a First Team Preseason All-SEC selection following the 2022 season. He combined for 28 touchdowns (17 pass, 11 rush), the 4th-highest single-season total in school history. With 43 starts throughout his career, he ranks 3rd among active NCAA quarterbacks. Daniels is also on the Manning Award, Walter Camp, Davey O'Brien watch list.

Three LSU players were named to AP Preseason All-American teams. Sophomore linebacker Harold Perkins Jr. was named to the First Team while junior defensive tackle Mehki Wingo and junior wide receiver Malik Nabers were named to the Second Team. Last season, multiple media outlets named Perkins Jr. a Freshman All-American after recording 72 tackles, 13 of them for a loss, and 7.5 sacks. Wingo earned Third Team AP All-American honors in 2022 with 46 tackles, six for a loss, and three sacks. Perkins (Lombardi, Bednarik, Walter Camp, Butkus) and Wingo (Lombardi) received early season distinctions. Nabers led the SEC with 72 receptions and finished 2nd in the conference with 1,012 receiving yards, becoming the 10th 1,000-yard receiver in program history. Nabers is on the watch list for the Biletnikoff Award.

ABOUT FLORIDA CITRUS SPORTS

Florida Citrus Sports – a not-for-profit event management organization – has roots dating back to 1947 with the establishment of the original Tangerine Bowl. The inaugural game was organized by Elks Lodge #1079 in an effort to benefit a local hospital for disabled children. More than 75 years later, the mission of Florida Citrus Sports has changed only in scope. The goal remains putting on world-class sports and entertainment events while working to serve those in need in Central Florida, particularly in the Communities of West Lakes surrounding Camping World Stadium. The organization strives to accomplish these goals through world class sporting events, including:

- the 2023 Camping World Kickoff, the fourth in a multi-year agreement between Florida Citrus Sports and ESPN Events, a division of ESPN, to host a major neutral-site college football game in Camping World Stadium during the opening weekend of the college football season
- the Cheez-It Citrus Bowl, the current incarnation of that original Tangerine Bowl game, which has evolved into a New Year's Classic matching top teams from the SEC and Big Ten
- in 2023 the Pop-Tarts will take over as title sponsor of the previously named Cheez-it Bowl, an additional bowl game staged in Orlando since 2001, featuring the top non-College Football Playoff selection from the ACC (inclusive of Notre Dame) and the second non-CFP pick from the Big 12 in late December in one of the top matchups of the postseason
- the Florida Blue Florida Classic, an annual November showdown between in-state rivals Florida A&M University and Bethune-Cookman University that is regarded as the nation's premier HBCU football game
- the Florida Cup and FC Series, an international soccer festival featuring clubs from around the world

Through these events, Florida Citrus Sports strives to be an industry leader in generating economic impact and exposure, providing the best customer experience and establishing Orlando as the nation's premier neutral-site venue for sporting events.

ABOUT THE COMMUNITIES OF WEST LAKES

Growing up playing sports, we all wanted to compete on a “level playing field” where success was possible with a bit of talent, hard work, and commitment. As adults, we see far too many hard-working families requiring an extraordinary effort to survive, much less achieve a modest level of success. We believe sports and business leaders can team with residents to transform underinvested neighborhoods and create pathways of opportunity. We envision healthier communities where the kids can grow, learn and thrive, regardless of household income.

In 2013, Florida Citrus Sports co-founded Lift Orlando, a coalition of resident, business, and community leaders working to strengthen the historic neighborhoods around Camping World Stadium. Since then, we’ve progressed hand-in-hand with residents to plan the redevelopment of the area, which residents renamed “The Communities of West Lakes.”

The Communities of West Lakes comprise the neighborhoods west of Parramore, east of Washington Shores, or between Orange Blossom Trail and John Young Parkway. Lift Orlando discovered an area with a rich African-American history in these neighborhoods, including many residents who pushed through racial and economic inequality in the 1940s-60s to succeed in business and life.

Following 30,000 hours of interviews conducted with residents, the effort grew to focus discussions on improving housing, increasing access to technology, spurring economic development, and revitalizing Lake Lorna Doone (to which Florida Citrus Sports pledged \$ 1 million in support). One fundamental idea emerged from that process: The creation of a resident-led advisory board to care for the interests of the area and serve as the community’s voice. These resident leaders eventually formed a volunteer organization that identified the community’s most critical challenges and exciting opportunities.

Today, West Lakes Partnership is a resident-driven nonprofit organization aimed at strengthening and protecting our neighborhoods. West Lakes Partnership seeks to build pathways to stability, power and generational wealth alongside residents of West Lakes. You can learn more about West Lakes Partnership by visiting their website at WestLakesPartnership.org.

Recently, West Lakes was designated a Main Street District by the City of Orlando, using a nationally celebrated approach to transformation. The West Lakes District leads and elevates its corporations, small businesses, new startups, and aspiring entrepreneurs to their next levels of success. From automotive, manufacturing, health and financial services, retail and dining, the District celebrates the historic value of the community while creating rich, new opportunities for all. Read more at WestLakesDistrict.org.

Since 2014, Lift Orlando has leveraged the Camping World Stadium to catalyze investment in the Communities of West Lakes. The coalition has influenced over \$120 million in capital investments into the West Lakes footprint, including mixed-income housing, educational facilities, health and wellness access points, etc.

In 2021, Florida Trend Magazine honored Lift Orlando its “Floridian of the Year.” Our model for investing in “at-risk” communities is gaining momentum in many other cities around the country. You can read more about LIFT Orlando and how you can get involved at LiftOrlando.org.

Together with our neighbors and partners in the Communities of West Lakes, we are “leveling the playing field” in one of Orlando’s most distressed ZIP codes.

EXTRA YARD FOR TEACHERS

In 2015, Orlando became the sixth partner city for the College Football Playoff (CFP) Foundation and the first outside of the “New Year’s Six” bowl host cities.

Over the past several years, Florida Citrus Sports has worked closely with Lift Orlando and other partners to leverage the CFP Foundation’s significant donations into an investment of more than \$600,000 of vital support to teachers and school administrators in the Communities of West Lakes surrounding Camping World Stadium.

DonorsChoose.org is a national organization that allows people to assist with classroom projects that teachers list. Through the College Football

Playoff and DonorsChoose.org partnership, which began in August 2014, the CFP Foundation has provided direct financial support and assistance to teachers, one of the four pillars associated with the primary philanthropic initiative of the CFP Foundation, Extra Yard for Teachers.

In 2023, Florida Citrus Sports, the CFP Foundation and DonorsChoose.org are partnering to invest \$60,000 in matching grants to support classroom projects across Orange County. Each county district will receive \$10,000 with the opportunity to double the investment through matching funds.

You can support early childhood education by contributing toward local classroom projects by visiting DonorsChoose.org/FloridaCitrusSports.

FLORIDA STATE HEAD COACH

MIKE NORVELL

MIKE NORVELL
HEAD COACH

Mike Norvell was named Florida State's 11th full-time head football coach on Dec. 8, 2019, and has built the Seminoles back among the nation's elite as he enters his fourth season at the helm.

Norvell's offenses are averaging 37.4 points per game during his seven years as a head coach, which is the third-highest average in the country among head coaches active each year from 2016-23.

Norvell is one of only three head coaches to produce a top-7 rushing offense and top-7 passing offense since 2016. His offense has showcased

58 individual 100-yard rushing games, 37 individual 100-yard receiving games and 23 individual 300-yard passing games. In addition to his high-powered offenses, Norvell's teams have also scored 13 defensive touchdowns and 12 kickoff return touchdowns.

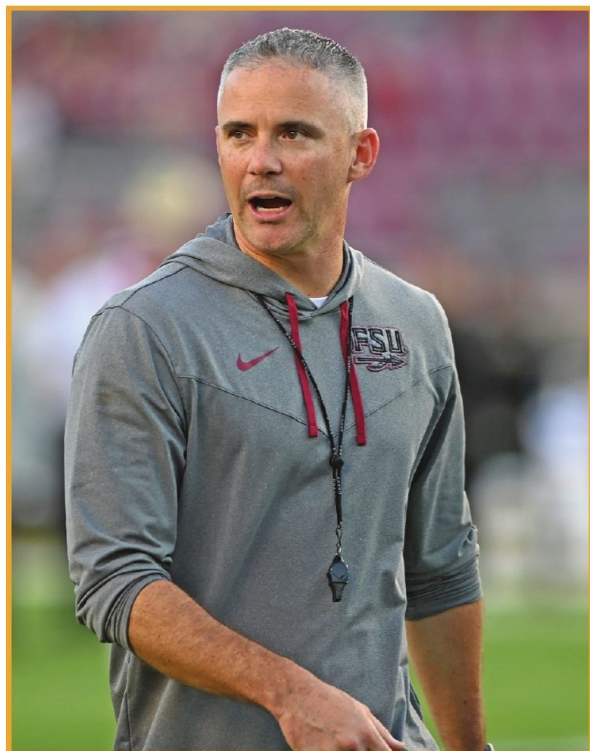

Norvell, a 2019 finalist for the Eddie Robinson and Bear Bryant Coach of the Year awards, has developed an impressive coaching tree in his seven seasons as head coach. For the 2023 season, 44 current Division I coaches, including five head coaches and 12 coordinators, have served on a Norvell staff. He has hired coaches who are now on staffs at Arizona State, Oregon, Memphis, Southern Miss, Northern Arizona, Akron, Arkansas, Auburn, Duke, FAU, Indiana, Miami, Oregon State, Pitt, SMU, South Carolina, TCU, Texas A&M and Virginia Tech, among others.

Nineteen of Norvell's pupils have been selected in the last seven NFL Drafts, led by 2022 first-round selection Jermaine Johnson II, and Norvell has coached multiple picks in five of the last six years. In addition to Johnson, Norvell also guided second-round picks Anthony Miller and Asante Samuel, Jr., as well as third-round selections Darrell Henderson, Antonio Gibson and Dylan Parham. In his career, Norvell has coached 25 NFL Draft picks, eight All-Americans, including six first-team selections, four conference Players of the Year, one ACC Defensive Rookie of the Year and 83 all-conference recognitions.

In his first three seasons at the helm of FSU's program, he has reestablished the foundation and championship standards while building a program around explosive playmakers in all three phases. The Seminoles have utilized a unique blend of high school prospects and transfer portal players to maximum impact, evidenced by a 10-win season in 2022 that doubled the previous year's win total and led to a No. 10 finish in the final Coaches Poll and a No. 11 final ranking in the Associated Press Top 25 behind 15 all-conference performers, FSU's highest total since 2015.

Florida State produced a program-record 10 Academic All-ACC selections after the 2022 season. FSU's 972 multi-year Academic Progress Rate announced in May of 2023 was the highest in program history and followed the program's best two single-season APRs in 2021 and 2022. As another public signal, 253 players have earned a Seminole Scholar patch on their uniform as part of a program Norvell introduced to recognize academic achievement.

Norvell earned two degrees from Central Arkansas, completing his bachelor's degree in social science in 2005 and his master's degree in training systems in 2007. Norvell and his wife, Maria, have a daughter, Mila.

FLORIDA STATE SEASON PREVIEW

Florida State returns to Camping World Stadium to the site where they finished their 2022 season with a 35-32 victory over Oklahoma in the Cheez-It Bowl. Quarterback Jordan Travis threw for 418 yards and 2 touchdowns, adding another 50 yards on the ground to earn the game's MVP. Receiver Johnny Wilson hauled in 8 passes for 202 yards, and linebacker Tatum Bethune finished with 8 tackles and .5 sacks. Ryan Fitzgerald kicked the game-winning field goal with less than a minute remaining, and Jared Verse finished off the game with a sack to end the game.

Ranked No. 8 in both the AP and Coaches Preseason Polls, the Seminoles will look to build on a 2022 season that ended with a 6-game winning streak. Florida State went 10-3 (5-3 ACC) good for second in the ACC Atlantic Division. An early season win over LSU helped the Seminoles to a 4-0 start, and after suffering a string of defeats to multiple top-25 opponents, they regrouped to run the table. Big wins at Miami and at Syracuse along with a home win over rival Florida capped off the Seminoles' first 10-win season since 2016.

Led by senior quarterback Jordan Travis, the Florida State offense will be one of the premier units in FBS this season. In 2022, Travis threw for 3,214 yards and 24 touchdowns, adding another 417 rushing yards and 7 rushing touchdowns. In the Cheez-It Bowl win, he also caught a touchdown pass. Travis is the 4th FSU player with at least 3,000 total yards and 30 touchdowns, joining Heisman winners Charlie Ward

(1993), Chris Weinke (2000), and Jameis Winston (2013). With 70 career touchdowns, good for 4th all-time in school history, he is the only FSU player to be in the top-10 in both passing and rushing touchdowns.

Trey Benson returns as the featured running back. The redshirt junior finished 1st in the ACC and 13th in the country in rushing average with 6.46 yards per carry. His .51 missed tackles per rush set a PFF college single-season record. Benson's 3 rushing touchdowns led the Seminoles in the win over Florida, and his kickoff return against Boston College was the first opening kickoff return for a touchdown in Doak Campbell Stadium's 73-year history. Johnny Wilson (45 receptions, 897 yards, 5 TDs), Keon Coleman (65 receptions, 848 yards, 8 TDs), and South Carolina transfer Jaheim Bell (56 receptions, 757 yards, 7 TDs) will provide plenty of options for Travis through the air.

Defensive end Jared Verse will anchor the Seminole defense. The redshirt junior had the most First Team All-ACC votes for a defensive player after compiling 48 tackles, 17 for a loss, and 9.0 sacks. The FSU Defensive MVP was the only player in the ACC and 1 of 2 in the Power 5 conferences with 2.5 tackles for a loss in 4 or more games. Redshirt senior linebacker Tatum Bethune had 84 tackles last season, 9.5 for a loss, including 3 sacks. Against N.C. State, Bethune recorded an ACC-high 14 tackles, 2.5 for a loss, and followed up with another 11 tackles in the win over Florida. Defensive back, Fentrell Cyprus II, who transferred from Virginia, led the country with 1.6 pass breakups per game.

LOUISIANA STATE UNIVERSITY

LSU is in the elite 1 percent of universities with land-, sea-, and space-grant designations. Our fierce drive for excellence is rooted in our mission to impact and serve Louisiana—providing pathways to higher learning, addressing critical problems through ground-breaking research and discovery, and bettering the lives of citizens in every parish.

Our researchers lead the charge to restore our coast, advance new forms of healing, educate and empower the next generation of leaders, cultivate better food and textiles, protect citizens' privacy and property through cybersecurity, transition energy into the future, and so much more.

Our students collaborate across disciplines and learn from the most acclaimed professors in their fields. Tigers have won Oscars, Emmys, Pulitzers, and Grammys; they have contributed to Nobel Prize-winning research; they have won championships in the NFL, MLB, and NBA; they have been elected leaders of nations; and they have served America as ambassadors.

Combined with the *joie de vivre* that infuses everything we do, our commitment to excellence makes us the perfect place for a student, professor, staff member, alumnus, or fan to be part of a winning tradition.

LSU and Louisiana's largest ports are partnering to advance cybersecurity talent in the state and protect critical infrastructure here at home and around the world, especially related to the global supply chain of food, energy, goods, and other materials.

LSU secured a record-setting investment of \$232 million from the Louisiana state legislature for workforce talent recruitment and investment, campus safety and security, energy innovation, and construction and renovation projects, including funding for a new \$153 million library on the Baton Rouge campus.

Through a grant from the National Science Foundation, LSU is starting the LSU Delta Institute, the first of its kind, which will combine the strength, intellectual capacity, and resources of university researchers, industry, and the public sector to support the coastal economy and coastal resilience in Louisiana.

LOUISIANA STATE HEAD COACH

BRIAN KELLY

BRIAN KELLY
HEAD COACH

When Brian Kelly was hired from Notre Dame in December of 2021, LSU announced at the time that “the search for LSU Football’s next championship head coach is over.”

The most accomplished hire in program history, Kelly wasted little time in making his impact felt, leading the Tigers to a 10-win season and the SEC Western Division title. Despite inheriting a roster with only 39 scholarship players remaining from the 2021 season, Kelly guided the Tigers to Top 10 wins over Ole Miss and Alabama along with road victories over Auburn, Florida and Arkansas.

The Tigers capped the season with a resounding 63-7 win over Purdue in the Citrus Bowl, completing one of the biggest turnarounds in college football a year ago.

Kelly, who has more victories than any active coach in major college football, was named LSU’s 34th head football coach on December 1, 2021.

His 10 wins at LSU in 2022 ran his career win total to 294 in 32 years as a head coach and it marked the 11th time he led a team to 10 or more wins in a season at the FBS level. Overall, Kelly has had teams reach double-figure wins 17 times with his teams winning nine games on five other occasions.

His overall mark of 294-101-2 puts him ahead of Alabama’s Nick Saban (285) and North Carolina’s Mack Brown (268) on the list of most victories by an active FBS head coach. Kelly has had only two teams finish below .500 during his 32-year collegiate career.

Kelly led LSU in his first season to a 9-3 regular-season mark and the SEC Western Division championship after the Tigers had posted a combined

record of 11-12 in the two seasons prior to his arrival.

From 2010-21, Kelly served as the head coach at Notre Dame. With 113 victories, he left South Bend as the all-time winningest coach of the Irish, moving ahead of legendary Knute Rockne for the top spot in 2021. His 12-year mark at Notre Dame was 113-40, including a 54-9 mark over his last five seasons.

During his Notre Dame career, Kelly led the Irish to the 2012 BCS national title game as well as College Football Playoff appearances in 2018 and 2020. He was named National Coach of the Year by numerous outlets in 2012 and 2018.

Kelly’s Notre Dame teams produced 53 NFL Draft picks since 2012, including nine in the first round. The Irish had eight players earn the prestigious CoSIDA Academic All-America honor.

Prior to joining the Irish, Kelly transformed Cincinnati into a football powerhouse, winning Big East titles in 2008 and 2009.

Kelly’s first Division I head coaching position came in 2004 when he took over at Central Michigan. In three years with the Chippewas, Kelly’s teams won 19 games, claimed the Mid-American Conference title in 2006 and appeared in a bowl game for the first time in 12 years.

Kelly’s first head coaching job came at Division II Grand Valley State in 1991, a position he held for 13 years. He won 118 games at Grand Valley State and led the Lakers to back-to-back national titles in 2002 and 2003.

A native of Everett, Mass., Kelly was a four-year letterwinner at linebacker and two-time team captain at Assumption College in Worcester, Mass. He graduated from Assumption in 1983 with a degree in political science.

Kelly and his wife Paqui have three children – Patrick, Grace and Kenzel. The Kellys are active in community outreach and have established the Kelly Cares Foundation which has donated nearly \$5.8 million to support causes related to the fight against breast cancer since its founding in 2008.

LSU SEASON PREVIEW

The LSU Tigers will open the 2023 season at Camping World Stadium where less than nine months ago they made an emphatic statement with a 63-7 win on Purdue in the Citrus Bowl. Jayden Daniels and Garrett Nussmeier combined for 312 passing yards and 3 touchdowns, and Malik Nabers had 9 receptions for 163 yards, and 1 touchdown, and threw 2 passes for 50 yards and a touchdown, earning MVP honors. LSU put up 594 total yards against the Big Ten finalists, finishing the season ranked 16th in the AP Poll and 15th in the Coaches Poll.

Last season, LSU (10-4, 6-2 ACC) won the SEC West with key wins at Florida, at home against then No. 7 Ole Miss, then No. 6 Alabama, and at then No. 7 Arkansas, all within consecutive weeks. In the SEC title game, the Tigers fell behind early against the eventual national champion Georgia Bulldogs but scored 20 second-half points in the 50-30 defeat. The Tigers enter the 2023 season ranked No. 5 in both the Preseason AP and Coaches Polls.

Sophomore linebacker Harold Perkins Jr. will lead an LSU defense that will be among the toughest in the country. The First Team All-SEC and Preseason All-American had 13 tackles for a loss last season, most by a freshman in the Power 5 conferences. He earned Defensive Player of the Week for his performance against Alabama after recording 6 tackles, 1 sack, and 3 quarterback hurries in the 32-31 overtime win. Junior defensive tackle Mekhi Wingo will anchor the front line. The Third Team AP All-American had 7 tackles, 1.5 sacks, 1 forced fumble, and 2 pass deflections in the 45-20 win over Ole Miss, earning SEC Defensive Lineman of the Week.

Oregon State transfer Omar Speights led the Beavers with 83 tackles and earned First Team All-Pac 12. The senior linebacker has 308 tackles in 45 games and was a Freshman All-American in 2019.

Jayden Daniels will lead the LSU offense. The senior quarterback and First Team Preseason All-SEC selection was the first LSU player to throw for 3 touchdowns and run for 3 touchdowns in a regulation game, which he did in the 45-35 win at Florida. He led all quarterbacks in the nation with 885 rushing yards and 11 rushing touchdowns. The former Arizona State Sun Devil has 8,938 career passing yards and 2,173 career rushing yards. Junior Malik Nabers enters 2023 with a streak of at least one completion in 18-straight games. The 1,000 yard receiver last season had 3 100-yard games over the final 4 and is 1 of 3 (Perkins Jr. and Wingo) AP Preseason All-Americans for the Tigers. Running backs Josh Williams (532 yards, 6 touchdowns) and Noah Cain (409 yards, 10 touchdowns) will carry the load in the backfield.

Second-year head coach Brian Kelly is 1 of 5 active FBS coaches to guide his team to multiple undefeated seasons since 2009. The winningest active coach in FBS (294) set the wins mark (113) at Notre Dame and had 5-straight double digit win seasons from 2017-2021. The three-time Home Depot Coach of the Year reached the BCS National Championship in 2012 and led teams to the College Football Playoffs in 2018 and 2020.

CAMPING WORLD STADIUM A-Z GUIDE

ANIMALS

Camping World Stadium welcomes guide or assistance dogs utilized by the disabled or visually impaired. All other animals are prohibited.

ALCOHOL

Alcoholic beverages are sold in the stadium until the end of the third quarter. Proper age identification will be requested.

CAMERAS AND VIDEO EQUIPMENT

Cameras with detachable lenses and/or lenses 3 in. or longer are not permitted in the stadium.

CHILD TICKET POLICY

All children who have reached their second birthday by the date of the event must have a ticket for entry.

CLEAR BAG

Florida Citrus Sports has implemented an NFL-style 'clear bag' policy that limits the size and type of bags that may be brought into the Camping World Stadium. Fans will be able to carry the following style and size bag, package or container at stadium plaza areas, stadium gates or when approaching queue lines of fans awaiting entry into the stadium:

- Bags that are clear plastic, vinyl or PVC and do not exceed 14" x 14" x 6"
- One-gallon clear plastic freezer bag (Ziploc bag or similar)
- Small clutch bags that do not exceed 4.5" x 6.5" can be taken into the stadium in addition to one of the clear plastic bags.

An exception will be made for medically necessary items after proper inspection at a gate designated for this purpose.

MOBILE TICKETING

Mobile ticketing greatly improves the fan experience at Camping World Stadium by making stadium entry quick and easy. The ability to manage your tickets from your smartphone will provide a more convenient experience, while drastically prohibiting the risk of counterfeit tickets. Please visit our Mobile Ticketing Guide for full step-by-step instructions on how to access, sell and transfer your mobile tickets for Florida Citrus Sports events at Camping World Stadium.

To view the mobile ticketing guide, visit floridacitrusports.com/mobile-ticketing/.

NO RE-ENTRY POLICY

Once admitted, patrons may not leave and re-enter the stadium.
