

## Seminoles Topple Troy 57-37 for Second Win

By FRED PETTIJOHN

Florida State University's undefeated Seminole cagers racked up their second win of the season Friday night when they overwhelmed the Troy State Red Wave quintet 57-37.

Coach Donald Loucks' hoopsters, showing remarkable improvement over their initial victory earlier in the week, got away to a big edge in the opening half and then came back strong late in the game to build up their margin of victory.

### Dickson Paces Attack

Larry Dickson, lean, lanky forward whose late field goals spelled victory in the Indians' opener against Spring Hill college, paced the garnet and gold attack with 16 points, 9 of which came during the big second half push.

Ben McCrary, rangy pivotman from Chipley and Bill Kratzert, hard driving ex-Leon Lion guard,

followed Dickson in the scoring parade with 11 and 9 points respectively.

Chase Riddle, former Columbus, Ga prep star, paced the Troy five with 11 markers.

The Red Wave courtmen, who failed to exhibit any of the poise and precision that their grid team displayed when they blasted the Seminoles 36-6 Thanksgiving day,

fought from behind all the way as the Indians got off to a flying 10 point jump.

### Kratzert Opens Scoring

After Kratzert drove in for the opening goal, McCrary and Dickson chipped in with field goals, and Dickson, Pavy and Chaudron scored from the free throw line before the Troy team tallied its first point.

With McCrary and Kratzert hitting frequently, and controlling the ball off the backboards, the Seminoles rolled up leads of 12-1, 17-3 and 25-6, before they momentarily loosened their grip.

Troy, showing signs of strength shortly before and immediately after the halftime intermission, chipped steadily away at the FSU margin. They then led 26-12 at the half and once reduced the FSU margin to 8 points, 29-21, before they cracked.

With Dickson and big Bill Maxwell spanking the cords steadily the Indians got up another head of scoring steam and dominated the final portion of the tilt.

### Cleared Bench

Loucks, sending in a steady stream of substitutes, utilized every man on his 20 man squad.

Coach Buddy McCollum, whose Troy cagers were making their season debut, used 13 of his 14 man traveling squad in an effort to stem the stream of Seminole scores.

The Alabama five lost one of its starters early in the game when he was removed for using profane language.

The Seminoles, using a pressing man-to-man defense, kept Troy off-balance most of the evening, while their own fast breaking attack clicked spasmodically.

The tilt marked the Seminoles' final appearance on the court until after the Christmas holidays. They resume play Jan 9 against the Wofford college five in the west campus gym.
