JACKSONVILLE—Florida State University's terrific bid for an upset victory over the unbeaten Florida Gators was wrecked by personal fouls here tonight as the Orange and Blue scored a 61-51 triumph in the finals of the Gator Bowl Round Robin Tournament.

It was hard to believe that the Seminoles were going down to their 10th straight defeat of the season as they led the Gators at the end of the first two periods by scores of 18-12, 33-29 and trailed by only 43-41 at the end of the third quarter.

Personals, which cost the Indians the services of Big Tom McLaughlin, Jerry Westhafer and Irv Quinn, finally wrecked FSU's chances as the Seminoles slipped steadily behind during the final five minutes of play.
