

Florida State University's Seminoles wrapped up their third basketball success of the season last night, a 72-61 verdict over Jacksonville (Ala.) State Teachers in the West Campus gym.

Coach Bud Kennedy's crew had little difficulty with the visitors.

coached by Tom Roberson, former FSU assistant football coach. Ham Wernke, FSU scoring ace of last season, led the Seminoles with 19 points. Jimmy Oler was on his heels with 18.

The Seminoles used all 12 players they had dressed out.

Jacksonville's Howard Waldrop gained high-point honors for the evening with 24 points, but his efforts were not enough to put the Teachers into serious challenging position.

The Seminoles go against Stetson University's Hatters here tomorrow night. Stetson is sparked by John Imgrund, baseball and football star who excels most of all in the court sport. Imgrund scored over 400 points for the Hatters last year.
