

BALTIMORE, Md.—Duquesne gave Florida State some second-half willies here last night but the tenacious Seminoles held on to win their 12th game of the season 62-58.

Falling into step behind Ron Malmen's 20 - point effort, the Seminoles led from the early minutes but were forced to squeeze their victory out in the closing seconds.

Duquesne's Willie Somerset, chunky 5-10 guard, poured in 22 points. However, the Seminoles were too hot for this frigid Eastern city, hitting 20 of 21 from the foul line and 21 of 36 from the field for shooting percentages of 95 and 58.

Behind the accurate outside shooting of Malmen, with much help from Jerry Shirley who had 16 for the night — Florida State led by as much as 11 points in the second period. The Seminoles held a 33 - 29 halftime lead.

Somerset and teammates Ron Willard and Frank Minniotas began to peck away at the lead, finally tying the score at 54-54 with 3:10 left to play.

Then Pete Gonzalez canned two free throws and Ken Leakey came in for a driving layup to put the game virtually out of reach of the Dukes.

Willard made it close with a jump shot in the last minute but Gonzalez and Gary Schull got back - to - back chances at the foul line, canned four points.

Statistics showed the Dukes ahead in rebounding totals, 33 to 28. However, Schull and Mal-

men did key jobs on the boards for Florida State throughout. Schull pulled down 10 rebounds.

FSU starters went most of the way until Bobby Lovell fouled out with two minutes remaining.

The Seminoles play Memphis State tomorrow night in Memphis.

Duquesne has a 9-9 record. The Seminoles are 12-7.
