FINAL: ALABAMA 100
FLORIDA STATE 89

Florida State Coach Joe Williams:

"I thought the second half we did a real good job ~~XX~~ defensively and kind of keeping them out of what they wanted to go to. They were just killing us early. We got the lead at that ~~XX~~ one spurt and we were not really able to capitalize. We missed a couple of real good ~~XX~~ shots. We didn't take the ball up quite strong enough. We lapsed offensively during that one little spurt and then Alabama hit something like their last 19 free throws.

"I think it really hurt us in that stretch not having Randy Allen. ~~MAX~~ He's our best inside player and scores so well for us under pressure. But I was very proud of ~~XXX~~ our team for playing so well without him.

"Coach Sanderson does a really good job because they are so well organized."

Florida State Players

David Shaffer...

"No one was taking charge early in the second half. Everybody was just waiting for something to happen. And we started playing with more confidence.

"Buck Johnson and that other tall guy are a tough pair inside. They really play physical."

Pee Wee Barber...

"They killed us on the offensive boards. At that stretch there at the end, they (Alabama) showed they wanted it more. And that was the key to the game.

"We missed a few shots at the end. Basketball's a funny game, sometimes they fall and sometimes they don't.

"I think we maybe could've won tonight if we would've had Randy Allen. We really had to play hard to pick up for his absence."
