FLORIDA STATE VS. CINCINNATI
METRO COACHES QUOTES

Florida State Head Coach Pat Kennedy

"This was a big win tonight. WE told our kids before the game that this was a second season and there's a 64-team tournament. Right now about 40 spots are filled and there are about 25 teams out there trying to get in. We told our seniors that they've got to go out and take it. Nobody ever gives you anything.

We went 7-1 playing better teams than we're playing.

I don't know what's wrong (with Randy Allen). He had six good shots tonight and just couldn't get one. It's just something he's got to work out."

Cincinnati Head Coach Tony Yates

"We didn't play the type of basketball we are capable of playing in the first half. You've got to give Florida State a lot of credit for that though. Our young players really hung in there and fought hard to come back. A couple of times they could have given up but they didn't. We had an opportunity with ~~WEEK~~ that last missed shot to win the basketball game. It just didn't happen. "
