Quotes from FSU coach Pat Kennedy

We wanted to come in and play competitive basketball. The kids have improved over the last 48 hours since the Tulane game. Our guards were something like 1 for 10 early in the game. So our guard shooting is still affecting us.

This is a very, very good Southern Miss team.

We won't know our starting lineup until the guys show us they can play. We are still looking for the balance that will make us a good team. Our perimeter shooting was better today. Michael Polite was having problems inside.

Only practice will improve our shooting.

Edwards played a great game. As a physical player, he gets fouled a lot. Getting hit a lot affects your shooting.

QUOTES FROM USM COACH M K TURK

I thought it was a very hard fought, intense ballgame on both ends by both teams.

We weren't as smooth on execution today. You can credit Florida State for playing so well defensively. After a couple of turnovers, we were able to break it.

Foul shooting was significant part of the game today. We were able to convert a respectable percentage from the foul line.

I can't remember when we missed so many off the glass. We just couldn't build a comfortable cushion.

It's good to get our first conference win under our belts. Florida State came in and played hard.
