

COP OPENER 16-11

The Seminoles defeated the Spartans 16-11 here Friday night in a game that was allegedly baseball.

A total of 31 bases on balls, seven errors, two hit-batsmen, two wild pitches, a balk, one interference play and a weird combination of events which saw the Seminoles get 16 runs on only six hits while the Spartans were collecting 11 on 14 blows in the three-hour and 23-minute marathon considerably lessened the similarity between the FSU-Tampa version and real baseball.
