

Seminoles Sweep Two-Game Series From Georgia Teachers, 14-6, 15-4

by Florida State's rookie-loaded
best Seminoles—victors in two week-
end and warmup games with Georgia
and Teachers College—get their first
major test of the infant baseball
season when they entertain the
University of Georgia Bulldogs at
Centennial Field Monday after-
noon at 2:30.

ave Coach Ralph Matherly's Sem-
inoles, who walloped the Profes-
sors of Georgia Teachers by 14-
6 Friday and repeated with a
thunder-thunder, 15-4 parade of pitch-
ers yesterday will go after their
fourth victory in the sixth re-
newal of the FSU-Georgia dia-
mond series.

ed LOCKARD TO START
ed Matherly is expected to call on
ne Ed Lockard, the big Jacksonville
right-hander who won six and lost
only one outing last spring, to
pitch against the Bulldogs, who
split a pair of week end games
with Florida's Gators at Gaines-
ville. Max Long, a lanky Jack-
sonville product, will be Matherly's
front-line reliefer should
Lockard get in trouble.

ia The Seminoles, practically a
new edition with four freshmen
le in the starting lineup, sent 17
r players to bat in a dizzy sixth
inning which produced 11 runs
and enabled them to overcome
Georgia Teachers at Centennial
Field yesterday.

d Until that 11-run spurge, pro-
duced by three hits, five walks,
four hit batsmen and three er-
rors, the Seminoles were on the
short end of a 2-0 count. Right-
hander Clyde Little, a Korean
War veteran who tossed a no-
hitter for the Professors in 1950,
had checked the Indians on only
two safeties, one of the scratch
variety, for the first five in-
nings. But Little lost his control
and had to give way to George
